The Subpersonalities – Satchidanand's Warning to The World

“Everyone carries a shadow, and the less it is embodied in the individual's conscious life, the blacker and denser it is. If an inferiority is conscious, one always has a chance to correct it... But if it is repressed and isolated from consciousness, it never gets corrected, and is liable to burst forth suddenly in a moment of unawareness. At all counts, it forms an unconscious snag, thwarting our most well-meant intentions.”

Carl Jung, C.W. Vol. 11: Psychology and Religion: West and East

ELIMINATING THE SHADOW

In this book, Satchidanand trades the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities. Great People – The Highest of All Humanity – Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical Solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow. And it is the Shadow/Subpersonalities, which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!

Carl Jung says, “There is no generally effective technique for assimilating the shadow. It is more like diplomacy or statesmanship and is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, through conscious regulation is unavoidable.” (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though like Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years, great souls have come to earth to demonstrate otherwise, that enlightenment is “not so far off” (You ask that?) You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation – Spiritual Insight – combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative karmic Mass – pain, frustration, pessimism, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed – transmuted and integrated.

Energy Enhancement Meditation uses the Psychic/Spiritual Center – Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream exploration, etc. then we are also limited still. This is because we need both, both sides.

ENERGY ENHANCEMENT MEDITATION – DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND.

Alchemical VITRIOL is an Ancient Medicine designed to remove Trauma from Mercurius VITRIOL IS ALKALIN ACIDICITY – VITRIOL – Vasa Inferior Terrae Rectification Inverses Occultum Lapidem, THE GROUNDING AND TRANSMUTATION OF ENERGY BLOCKAGES – The unification of the conscious and the unconscious, right and day, hot and cold, masculine and feminine. In the center is the AVID CHAKRA – Third Eye. The Kundalini Serpent has risen from the Muladhara – Base Chakra to the Third Eye Center. The symbolic meaning of its risen state is a raised consciousness that has dissolved duality. A state of Wholeness – wholeness – Enlightenment – Enlightenment.

“Come together, fight now, over the Sun! Strip these famous sons of Jives from the Berles to yourself. You can come together and strip your ownself to a bone.”

Carl Jung talks about two types of shadows: the personal shadow - the unknown dark side of our personality represented by subpersonalities who exist as virtual machines within the one mind. These subpersonalities are created by traumatic events, usually when young so when we talk about an inner child, this childish inner child remains within the mind stuck at that age with all it's untutored emotions and wants.

The earlier the trauma split happens, the more strong the sub. Examples are circumcision of the baby and beatings at school or as they say at Eton, "Whipping and Fagging" because the sodomy of pedophilia splits the mind.

The subpersonality affects the main personality and takes over in times of stress. Jung and all the psychologists have no methodology to remove these shadow subpersonalities.

Only meditation and not traditional meditation, but meditation based upon the techniques found in the 5000 years old Ancient Raja Yoga techniques of the Yoga Sutras of Patanjali, a student of Alchemist Tamil Siddhar Bhogar whose preliminary techniques are taught as the Kundalini Kriyas in India and as the Five circulations of the Qi or the Taoist Orbits of Alchemical Taoism in China. These preliminary techniques graduate through Asana and Pranayama into traditional meditation but then beyond that to Samadhi and the Samyama.

The whole of the Fourth Book of the Yoga Sutras consists of Samyama which is the only technique powerful enough to Alchemically transmute

the Subpersonality Energy Blockages and integrate them back into the Soul to create the One Soul Infused Personality of Alice Baily or the Spiritual Enlightenment talked about by sages and Saints for thousands of years..

The collective shadow (the unknown dark side of society) or the deep state is made up of collectivities of psychopathic people totally taken over by subpersonalities. These psychopaths gather together under the banner of satanic religion and tutor each other in ways to deepen their psychopathy by means of The Satanic Rituals extant for over ten thousand years. The collective Shadow distils itself as the 10,000 years old Satanic Phoenician Mega-Trillionaires.

Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

Jung's Personal Shadow Subpersonalities

Starting with the personal shadow, Jung calls it:

“the thing a person has no wish to be.”

Carl Jung, C.W. Vol 16: Practice of Psychotherapy

It represents unknown or little-known Subpersonalities attributes and qualities of the ego. It is the sum of all those unpleasant qualities we like to hide from ourselves. The shadow Subpersonalities contain inferiorities which everybody has but prefers not to know about, they seem weak, socially unacceptable or even evil. The shadow Subpersonalities are most

visible when one is in the grip of anxiety or other emotions, under the influence of alcohol, etc., one may suddenly blurt out a hostile remark during a friendly conversation. When we do not want to assimilate what we despise, we project it unto others.

It is possible for one to be acquainted with one's shadow Subpersonalities and be partly conscious of them, that is, under ego control. Many people, however, refuse to recognise their shadow Subpersonalities so completely that the ego is not even aware of shadow Subpersonalities behaviour and thus has no possibility of commanding it. Under these conditions, the shadow Subpersonalities are autonomous and may express themselves in inexplicable moods, irritability and cruelty.

Throughout his writing, Jung refers to the importance of developing awareness of the shadow Subpersonalities in psychotherapy and their projections in the individual's life. Although the shadow Subpersonalities are usually perceived as negative they can also be positive. In fact, exploring our shadow Subpersonalities gives us access to many positive qualities, Jung writes that the shadow:

“displays a number of good qualities, such as normal instincts, appropriate reactions, realistic insights, creative impulses, etc.”

Carl Jung, C.W. Vol 9 (Part 1): Archetypes and the Collective Unconscious

One of Jung's closest collaborators, Marie-Louise von Franz writes:

“The shadow is not necessarily always an opponent. In fact, he is exactly like any human being with whom one has to get along, sometimes by giving in, sometimes by resisting, sometimes by giving love – whatever the situation requires. The shadow becomes hostile only when he is ignored or misunderstood.”

Man and His Symbols. Part III: The Process of Individuation, “The Realisation of the Shadow” – M.L. von Franz

The shadow Subpersonalities contain all sorts of qualities, strengths and potentials, which if remain unexplored, give us a state of impoverishment in our personality, creating unconscious “snags” which inhibit the growth and embodiment of these good qualities that lie dormant in our psyche.

These strengths and potentials can be very useful but the Subpersonalities always utilise them against the interests of the Soul infused personality which is the only Subpersonality connected with God. The other Subpersonalities are not connected with God, have no conscience and no heart, no empathy. When they re in charge we have the start of the Satanic

religion which is totally against God's plan of goodness, light and wisdom for this planet as groups of Satanists consciously wage war on the sheep or their cattle.

For instance, a person might believe that being assertive is being rude or aggressive, losing the qualities of confidence and the ability to speak up for himself in an honest and respectful way, which in turn may lead to less proactivity, make it more difficult to get a raise or job promotion, struggle with money, and so on.

So, when a person encounters an assertive person deep down he feels resentment and guilt, which makes his shadow Subpersonalities blacker and denser. These valuable aspects ought to be assimilated into actual experience and not repressed, it is up to the ego to give up its pride.

We also encounter our Soul infused personality in our dreams, as a person of the same sex as the dreamer. It is what seems to be a “criticism” of our Subpersonalities characters from the unconscious, an inner judge of your own being that reproaches you, and the result is usually embarrassed silence.

We must identify the contents of the shadow Subpersonalities and integrate them into our personality. This is the process of “the realisation of the shadow”, also known as shadow work, the grounding of the trauma of the Subpersonalities and their integration back into the soul.

Here begins the painfully and lengthy work of self-education, one must enter into long and difficult negotiations with the shadow, a work, we might say, that is the psychological equivalent of the labours of Hercules. Through shadow work, one can observe one's shadow outwardly by watching one's emotional reactions and being radically honest about one's interactions with others, and inwardly by exploring one's Soul dreams.

This allows one to become enlightened and reduces the shadow's destructive potential, not so much, as it were, by waging war against the darkness, but by bringing the darkness to the light, the light to the darkness. As Jung writes:

“There is no light without shadow and no psychic wholeness without imperfection.”

Carl Jung, C.W. Vol. 12 “Psychology and Alchemy”

One must not strive for perfection, but rather wholeness of personality. The lifelong process of individuation creates a balance between one's

conscious and unconscious realms, aligning the ego to the self, the totality of one's personality.

The quickest, most profound and anciently tried and tested methodology is, as I said previously, "Only meditation and not traditional meditation, but meditation based upon the techniques found in the 5000 years old Ancient Raja Yoga techniques of the Yoga Sutras of Patanjali", a student of Alchemist Tamil Siddar Bhogar whose preliminary techniques are taught as the Kundalini Kriyas in India and as the Five circulations of the Qi or the Taoist Orbits of Alchemical Taoism in China. These preliminary techniques graduate through Asana and Pranayama into traditional meditation but then beyond that to Samadhi and the Samyama.

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work
Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (or the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION.

He who, due to his perfect discrimination - dis-crim-e-nation or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER.

However scary or dark it is to confront our shadow, finding truth brings relief. Discernment of the truth is the process of authenticity; a painstaking excavation into the depths of our being to explore possibilities and limitations, distortions and the buried and often forgotten parts of ourselves and abilities.

Most people, however, are too indolent to think deeply about even those moral aspects of their behaviour of which they are conscious; let alone to consider how the unconscious affects them.

Collective Shadow Subpersonalities

The shadow can also consist of factors that stem from a source outside the individual's personal life. Here is when we stumble upon the collective shadow, the dark side or the unknown or little known aspects of a society and culture. It consists of that which opposes our shared and collective values.

The collective shadow refers to a huge, multidimensional, often horrifying, yet elusive aspect of human life, to an immensity of harm inflicted by human beings upon each other and the natural world and to the vast aftereffects of such harm in subsequent generations.

We find the collective shadow in the projection of "darkness" and inferiority, in violence and oppression, in the invisibility of current suffering, in the denial of current responsibility.

While collective shadow material may be acted out brutally in wars, massacres and genocides, it may also hide under the often attractive cloaks of missionary activity, such as mandating the use of particular languages, an Orwellian reality that we are experiencing in the present time.

As is the nature of all shadow material or mind control, whether individual or collective, its existence and influence may be pervasive in all Satanic Phoenician Mega Trillionaire bought and controlled media, google, facebook, twitter, books, magazines, newspapers, television, cable, Amazon, Disney, Netflix and Hollywood (Holly Wood is the sacred staff of the Mind Control Wizards) without being obvious.

The collective shadow manifests outwardly as the principle of Poverty whereby the Satanic Phoenician Mega Trillionaires dum down the evolution of humanity to maintain control of their herd of cattle they need to steal their Spiritual Energy, also in atrocities, persecution, physical

suffering, sickness, poverty, malnutrition, alcoholism, crime, the death of cultures and so on. It may also manifest more inwardly, amid the complexities of each individual psyche, as hatred toward oneself, one's heritage, one's sex, the colour of one's skin, and one's culture, depression and feelings of impotence, the desire for revenge (so that others might experience something like one's own pain), etc.

Hypnosis, Mind Control, by Schneider

Satanic Phoenician Mega Trillionaires..

The collective shadow is what has historically been labelled “evil”. In the Christian tradition it would be the Devil or Demons and someone who is possessed by the Devil loses his human quality and acquires a demonic nature, possession by one of your own no conscience, no empathy, no heart, subpersonalities.

Rather, the Satanic Religion through the Satanic Palladian Ritual created by Mazzini and General Pike the Satanic Phoenician Mega Trillionaires try to download a more evil Satanic Demon to take over the body of the initiate and become a, "Fleshly Glove" of the Demon, the head of a Satanic Phoenician Mega Trillionaire family which is a Two Thousand Trillion Dollar corporation run by family members some of which have run the World for thousands of years.

Why do these Satanic Phoenician Mega Trillionaires work so hard?

Because they work for the true rulers!

Our primary response to evil, for Jung, must be the quest for self-knowledge, for wholeness, which presumes the transmutation and assimilation of shadow material.

The individual: “must know relentlessly how much good he can do, and what crimes he is capable of”

Carl Jung “Memories, Dreams, Reflections” Chapter XII: Late Thoughts

When there is an issue known in a particular society, it can be called a shadow issue if there is evidence of a lack of knowledge of what to do, a denial, projection and a lack of taking individual and collective responsibility. Therefore, taking responsibility – morally, politically and spiritually – is particularly crucial. The courage with which we bear our darkness, the knowledge of what to do to transmute that darkness frees others from having to carry it for us.

For instance, to respond to examples of massive historical suffering brought on consciously by the Satanic Phoenician Mega Trillionaires as they control humanity by oppression so they can continue to steal spiritual energy from humanity so they can live immortally, forever: wars, genocide, holocausts, pervasive oppression, Orwellian 1984 Control etc., the effects of which persist. As human beings we have much to learn in that regard. Denial, often connected with a wish to “get on with things” and “put the past behind us”, seems the most common approach and usually the first reaction but with Energy Enhancement Meditation we can totally transmute all the subpersonality shadow.

There are and have been many attempts to deal with difficult, painful histories of the past through public apologies for supporting atrocities, repentance, reparation payments after wars, pilgrimages to places of great suffering, etc. But how do we deal with the past in such a way that the knowledge of the necessity for the integration of the shadow subpersonalities occurs deeply and broadly within a population, rather than simply at a symbolic level through leaders or policies?

The knowledge of the necessity for the Energy Enhancement Meditation Transmutation and integration of the shadow subpersonalities must be known deeply and broadly within a population as a methodology for escaping the evil within oneself but more for the necessity for the removal of the evil Satanic Phoenician Mega Trillionaires totally under the control of their shadow subpersonalities and their bought and paid for minion Politicians, talking heads, media, economist central bank heads, Pedophiles, Professors, Priests, Policemen, James Bond 007's, Epstein blackmailing Prostitutes, Jimmy Savile Procurers, societal influencers - the oldest Professions!

Remembering and speaking what often seems unspeakable is inevitably a painful process for victims and perpetrators, bystanders and witnesses. Any such process can only be regarded as successful or reasonably complete once the pain, outrage, betrayal, suffering, and all the other feelings have been voiced and heard and once responsibility has been taken for the removal of the evil Satanic Phoenician Mega Trillionaires totally under the control of the shadow subpersonalities and their bought and paid for minions. Truth-telling is both the most desirable and the most feasible way to grapple with a difficult past.

One example of a terrible mass psychosis represented by the collective shadow is Nazi Germany where people fell into the demonic nature through their personal shadow and in the recent Covid attack totally removing personal freedom and mandating Deathshots for a vaccine which was known never to stop transmission of the virus from it's beginning. They joined the Nazi party and did worse things than they could have ever imagined or would have done under normal social conditions. In this sense, the personal shadow is the bridge to the collective shadow.

Therefore, it is important to solve one's inner conflicts first (one's personal shadow) by taking the Energy Enhancement Video Meditation Course, so that one does not fall under the aegis of the media mind control of the Satanic Phoenician Mega Trillionaire's collective shadow unconsciously. One may then later influence other people and society would be better off as a whole.

“If we practice mindfulness, we will know how to look deeply into the nature of war, and, with our insight, wake people up so that together we can avoid repeating the same horrors again and again... The war is in us, but is also in everyone... Everything is ready to explode, and we are all co-responsible.”

Thich Nhat Hanh, *Touching Peace: Practicing the Art of Mindful Living*

Summary – Facing the Collective Shadow

We can then be consciously aware of the 10,000 years of total control of Satanic Phoenician Mega Trillionaire collective shadow. The Medici's were faking elections 500 years ago. The Doge of Venice was always the guy who could pay the largest bribes.

Acknowledge the truth of the Satanic Phoenician Mega Trillionaire collective shadow of total control. As we become aware of it to resist. To not fall prey to it and take responsibility to address the denial of important issues and a lack of individual and collective initiative. The courage of bearing our darkness and removing it through the Ancient technique of Meditation, brings relief to others, as telling the truth is the most desirable way to deal with a difficult past, rather than dismissing the atrocities and having the shadow grow blacker until it can no grow no more, and thus history repeats itself.

The knowledge of the necessity for the integration of the shadow subpersonalities through Energy Enhancement Meditation must be known deeply and broadly within a population as a methodology for escaping the evil within oneself but more for the necessity for the removal of the evil Satanic Phoenician Mega Trillionaires totally under the control of the shadow subpersonalities and their bought and paid for minion politicians, talking heads, media, economist central bank heads, professors, priests, policemen, Epstein blackmailing prostitutes, Jimmy Savile procurers, societal influencers.

To summarise, we must first acknowledge our personal evil shadow subpersonalities and enter into long and difficult negotiations with it - being honest with ourselves and our interactions with others, watching our emotional reactions and exploring our dreams.

Or Speed up the Process using the Energy Enhancement Meditation Course in order to not become passive victims of our shadow and of our unconscious projections by removing the Evil Subpersonalities within us and integrating them into the Soul, allowing us to rescue the good qualities, the One Soul Infused Personality which lies dormant within us, which improves our lives and the lives of those around us.

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Ancient Meditation Technology which is the only means for removing the Shadow. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam

asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation including Level 1 Alchemical VITRIOL to Ground Pain and Trauma from Memories and the Energy Enhancement Level 2 Seven Step Process to remove Energy Blockages by Purifying them then Integrating them with the Soul to create ONE Soul Infused Personality creating Spiritual Insight – combined with psychological knowledge Energy Enhancement is THE complete way of processing and integrating your Shadow Side into wholeness.

I am writing today because this is so important.

Only Energy Enhancement can Annihilate Evil on Earth and change this Planet into a Planet of Love and Light in this Place, for You, for Me, for the Entire Human Race.

It is about The Energy Enhancement Elimination of All Evil on this Planet.

You remember my latest book, Eliminating the Shadow Subpersonalities..

It is beneficial for everyone to heal themselves by removing ALL blockages using Energy Enhancement advanced techniques. Not just a handful.

Because the Shadow Subpersonalities are the Source, the Fount, of All Evil on this Planet.

The Shadow Subpersonalities are essentially Evil because they are cut off from the energies of God and thus from Good, because Only God is Good!!

Shadow Subpersonalities are virtual machines existing within the mind computer but with no access to God, "They are minds of metal and wheels" - Tolkien, with no access to genius because the Geni etymologically, is the Soul.

Shadow Subpersonalities, cut off from the energies of God, can only live off the Soul infused Personality or the Essence within themselves or that Energy within other people which they steal through energy cords.

Shadow Subpersonalities Vampirise the Energy of God and devise Evil schemes to get it.

Strategies, - the Strategies of the Vampire are all Attention Seeking schemes to Vampirise your Energy. The Poor Me Addictions, the Violator Bullying, the Selfish Competitive Black Star, the Sabotaging Self Destructor, are all Drama Queens - just a little Evil to destroy lives - Your Life, the Lives of your family, your City, and your Country.

You can see all these strategies busily at work in the people around you. You might even see them at work in yourself. Know that these strategies are even now turning you against the One Course which can Remove them.

ONE COURSE, ONE SOUL INFUSED PERSONALITY, ONE WORLD OF LOVE AND LIGHT!!

The Energy Enhancement Samyama Seven Step Process Can Easily Remove All your Strategies and Subpersonalities!

Most people are just a little evil, but over many lifetimes, as the number and power of Subpersonalities grow within you, so that the Demon on your left shoulder, debating with the Angel on your right shoulder becomes so powerful that you become more and more Evil.. Until you are entirely taken over by Evil.. Possessed by Evil, a Servant of Satan!!

THE ENERGY ENHANCEMENT ELIMINATION OF ALL EVIL

You can see in the picture below that most people are controlled by Shadow Subpersonalities.

These Evil Shadow Subpersonalities band together to take you over and repress the Soul infused Personality. They are then Evil psychopaths and this is bad enough. But when these Evil Shadow taken over people band together into groups, Satanic Evil Religions, Bloodline Families and Bloodline Races, Secret Societies, Cartels, Banksters - giving courses on how to repress further the soul infused personality - how to become even more Evil - then this is what and why I write in my Against Satanism series of Books - currently Nine volumes available for FREE!! when you sign up for the newsletter at energyenhancement.org .

Satanism is gradually being instituted as the New World Order.

ENERGY ENHANCEMENT LEVEL 3

KARMA CLEARING PROCESS

The New World Religion, Defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual - read Toynbee. Satanism is gradually being instituted as the New World Religion defined by LGBTQP Satanic Ritual.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. LGBTP - The Satanist Ritual Pillars of Homosexuality, Pederasty, Pedophilia, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly as a prelude to Ritual Human Sacrifice and Ritual Baby Sacrifice. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society destroyed through the fear of mandatory Ritual Human Sacrifice.

READ THE AGAINST SATANISM SERIES OF TWELVE BOOKS!!

72 Empires have been recorded and every one of them has failed in the same way. The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, Facebook, Twitter, International Companies, Vatican, Transhumanism, CRISPR Androids, Eugenics..

The key is that the Satanic Religion and is current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and their minions, and thus conquer the world.

All Rituals, Religions, Education, Secret Services and Political Movements have been scientifically Engineered to create Fake Gangs for 10,000 years. It's what the old Roman Empire, The Babylonian Empire of Satanic Nimrod, and the Cult of Appollo and the Byzantine Empire did before.

As you know, every Gang has Blackmail Rituals before you can join. Making your Bones with the Mafia means you must murder someone before you can join. Drug Cartels like MS13, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can progress.

Epstein did not kill himself. He videoed Scientists from MIT and Harvard, Oligarchs, Politicians etc, Pedophiling young girls then Blackmailed them into doing the work of his Trillionaire sponsors - MKULTRA,

Transhumanism, CRISPR Androids. As their willing victims are given access to stealing higher quantities of money, so they must go to the next level of Ritual. First it is 15 year old girls who look 25. Then it's 12 year olds, 5 year olds, and then its the murder of children, babies!

All to create a Satanic Society of Total Control through Human Sacrifice, poverty, lack of education, poison in the air, water and food. Lack of infrastructure, education and Total Control of the Media.

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!! <http://www.energyenhancement.org>

The very word secrecy is repugnant in a free and open society JFK (27 April 1961)

The very word secrecy is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence “ on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.

JFK (27 April 1961)

What We See when we Remove an Energy Blockage is the Secret of Infinite Energy, Secret of Eternal Life, the Secret of Immortality. Energy Blockages are Satanic, and it is this we see directly when we remove the blockages with the Energy Enhancement Meditation Course.. Energy Blockages do not exist alone, they are part of a network of evil, a network of control, which is designed not to allow people to understand the nature of that control, the purpose of that control, so as to maintain that control and the flow of energy - stolen from all human beings - to allow an elite of Black magicians, Sorcerers, Enchanters, Warlocks, Witches, Necromancers, Devils, Dark Gods... to live forever, Immortally, in private Universes, outside the body and then to download into a body from time to time, to maintain their Plantation, their Farm, their Property, to maintain the flow of stolen spiritual energy to them from every human being on this planet - Eternally. This is why I wrote Eight volumes of Against Satanism..

This is the MAID Medical Assistance in Dying in Canada soon to go Worldwide is really Medical Assisted Death or MAD!

This is exactly the situation of Soylent Green written by Harry Harrison and made by Charlton Heston who understood the Satanic New World Order and the direction of Scare City... The illusion of lack and fear of lack, the lack of self-worth, the lack of money, the lack of intelligence, the lack of Wisdom, the lack of electricity, the lack of petroleum, the lack of food, the lack of heart, empathy, Conscience!

In reality this world is superabundant as intelligence and ingenuity overcome every problem.

As my book, Against Satanism 9 "The Suppression of Science" says, Fusion Power has been suppressed for 70 years! JFK was ordering 200 Fusion Power Stations to supply infinite Electricity back in 1980!

societies are targeted for destruction. One of the symbols of the Satanic Phoenician Trillionaires who have run international trade all over the world including Britain, America and South America, infiltrating their sons and daughters into the leadership of the Empire.. then bringing it down! forever - is the Phoenix.

They raise civilisations and then burn them down and feed off the destruction. See <https://satchidanand.substack.com/p/throughout-history-seventy-two-empires> I talk about their Methodology in AGAINST SATANISM VOLUME SIX...

Where one of their Gods, Hercules hides in the hide - the pun is conscious - of a lion. - infiltrating the body politic, with the eggs of the fly - with their Phoenician sons and daughters in order to destroy the empire, Feeding off the carcass of the lion as their eggs hatch and they become, "The Lord of the Flies" - the Devil!

We have records of 72 civilisations that went the same way as the Roman Empire, the Chinese Empire, the Russian Empire.. and the Aztec Empire...

One hundred years before its fall, the Aztec Empire went through an incredible change as this once rich and powerful Empire descended into

drugs and perversion.. and Human Sacrifice which we call abortion and MAID...

The emperor's son, Tlacaelel, declared that the god of war, Huitzilopochtli, was to be the highest of all gods. From then on, the Aztecs lived in service of the god of war. Human sacrifice became a massive part of Aztec society, with hundreds of thousands of people slaughtered each year as offerings to the gods.

They Staged Wars Just To Get Human Sacrifices

The Aztecs' divine duty was to fill the insatiable appetites of their gods through human sacrifice. Usually, the Aztecs used enemies whom they had defeated in war as offerings. But there were only so many wars to be fought and only so many enemies to capture. They needed more victims. The Aztecs made a deal to use the neighboring city-state of Tlaxcala as a farm for humans. The two armies organized staged battles just to capture prisoners for human sacrifice. It was a mutual agreement by both sides. The losing army wouldn't cry or complain about their fate. They understood that this was their part of the bargain, and they would allow themselves to be led to their deaths.

Some People Volunteered - willing-human-sacrifice

To the brave, becoming a human sacrifice to the gods was an honor. In fact, when the Spanish came and tried to free Aztec prisoners, some were furious that they had been robbed of the honor of a godly death. It wasn't just enemy soldiers who ended up under a ceremonial knife, though. Criminals and debtors were also sent to the altar in disgrace. Others signed up eagerly, wanting the honor of dying for their gods. By tradition, whole groups of prostitutes willingly signed up to be sacrificed to the goddess of love. During a drought, some Aztecs resorted to selling their children into slavery for 400 ears of maize. If the children didn't work well, they could be sold again. And if a slave was sold twice, they could become a gift to the gods.

The Festival Of Toxcatl -festival-of-toxcatl

During the month of Toxcatl, one man was chosen for a special honor based on his looks. He needed smooth, slim skin and long, straight hair. For the next year, this man would be treated like a god. He would be dressed up like the god Tezcatlipoca. His skin would be painted black, and he would wear a flower crown, a seashell breastplate, and lots of jewelry. The man would be given four beautiful wives to do with as he pleased. He was only asked to walk through the town playing a flute and smelling flowers so that the people could honor him. When 12 months had passed,

he would walk up the stairs of a great pyramid, breaking his flutes as he climbed to the top. As an adoring crowd watched, a priest would help him lie down on a long altar made of stone. Then they'd rip his heart out of his body. Afterward, they would pick a new Tezcatlipoca and start all over again.

The Ritual Of Sacrifice - Sacrifice-holds-up-heart

Usually, a victim would be taken to the top of a great pyramid and laid down over a sacrificial stone. A priest would stand over him, holding a knife with a blade of volcanic glass. That blade would come down upon the victim's chest and break it open, and the priest would tear out his still-beating heart. The priest would hold the heart up high for all to see. Then he would dash it to pieces against the sacrificial stone. The lifeless body would be rolled down the steps of the pyramid, where butchers were waiting below to dismember the body piece by piece. The skull would be removed and placed on a rack along with the skulls of the other sacrificed dead. Then the flesh from the body would be cooked into meals and fed to the nobles.

Cannibalism - Feasting Upon Human Flesh

The bodies of the sacrificed were sold as sacred meat from the Temple. It was often baked with corn and shared among the priests for a feast. Other times, enough was prepared for the whole city, and every person present would partake in a shared act of ritualistic cannibalism. The bones were then fashioned into tools, musical instruments, and weapons. At least one dish they used in these ceremonies still exists today: pozole. In the time of the Aztecs, this was a soup prepared with thigh of a sacrificed prisoner and served to the emperor. Today, the dish is made with pork instead of human flesh, but the taste is pretty much the same. When the Christians forced the Aztecs to switch to pig meat, they reported that it tasted just like human beings.

The Inauguration Of The Great Pyramid -great-pyramid-of-tenochtitlan

Not every sacrifice was normal. There were exceptional times when things were done differently. Sometimes, the methods were different. Other times, the difference was the sheer volume. The greatest was during the reconsecration of the Great Pyramid of Tenochtitlan. The Aztecs had spent years building up the temples in their capital city, and in 1487, the Great Pyramid was complete. They held a massive celebration to inaugurate their great temple—and slaughtered an incredible number of people. The Aztecs claimed that they sacrificed 84,000 people over a period of four days. During the reign of the Aztecs, an estimated 250,000 people were sacrificed across Mexico during an average year.

The Festival Of The Flaying Of Men Xipe-totec

One of the most disturbing Aztec festivals was called Tlacaxipehualiztli ("The Festival of the Flaying of Men"). This was a ceremony dedicated to the Aztec god Xipe Totec, whose name means "The Flayed One." Forty

days before the festival, one man was granted the honor to dress like The Flayed One. He was covered in red feathers and golden jewels and spent 40 days honored as a god. Then, on the day of the festival, he and eight other impersonators of gods were brought to the top of the temples and killed. The priests skinned the bodies of the sacrificed men in an imitation of a plant shedding its husk. The skin was then dyed yellow to look like gold. Some skins were given to priests, who danced in them. Other skins were given to young men, who spent the next 20 days begging while draped in a loose coat of human flesh.

Sacrifice Through Gladiatorial Combat –tlahuicol

During The Festival of the Flaying of Men, some men were given the chance to defend themselves. To live, though, they had to defeat the greatest Aztec champions in armed combat—and the odds were not even. The sacrificial warriors were led onto a circular stone called a temalacatl. They were allowed to carry wooden weapons that were little more than toys. Holding a stick whittled into the shape of a blade, these men watched as the greatest Aztec champions marched out, armed to the teeth. According to Aztec legends, one man named Tlahuicol actually survived. With nothing but a wooden sword, he single-handedly killed eight fully armed Aztec warriors. The Aztecs were thrilled, and they offered to make him the commander of their army. Their offer, he told them, was an insult. Tlahuicol was meant for a far greater fate. He wanted to be sacrificed to the gods.

What mind control. What mass formation psychosis. What spin!

The Devil Mind Controls the Innocent!

The Death Of Twins –xolotl

The Aztecs had odd and often contradictory beliefs about twins. Their myths were full of twins, usually treated as venerated deities worthy of the worship of man. Twins appeared in their stories as monster slayers, heroes, and even the creators of the world. Real twins, though, were treated with complete contempt. They had one god, Xolotl, for both deformed children and twins because the Aztecs considered twins to be a deformed child. They saw twins as a mortal threat to their parents. Allowing twin babies to live would mean the end of your life. So most parents chose one of their baby twins and sent it back to the gods through sacrifice!

Child Sacrifice1-sacrifice-of-children-tlaloc

At the heart of the Aztec capital, Tenochtitlan, were twin temples. At the peak of the one dedicated to Tlaloc, the Aztecs held the most terrible and saddest ritual of them all. Tlaloc was the god of rain and lightning—and he demanded children. During the late winter month called Atlcahualo, the Aztecs would bring children to the temple of Tlaloc and force them to walk up the steps. The children were not willing volunteers, and they wept as they went up. If the children cried, the Aztecs believed that Tlaloc would bless them with rain. So if the children did not weep on their own, the adults would make them. When it was done, the children were brought into a cave outside of town. They were laid in a circle under an open roof. There, under the open air, the rain brought about by their sacrifice would drizzle down upon their bodies.

What was created by Venetian Empire super brain, Satanic Paolo Sarpi was his Satanic false idea of the "carrying capacity" of the earth set at one billion people which been repeated by the Satanic down through the ages, but we now have eight billion people because science and ingenuity have conquered all problems and given reign, will continue to help us be fruitful and multiply.

This satanic argument is the Green ESG Scare City argument that there is just not enough of anything so therefore the "useless eaters" of Kissinger must die and is the same mind control as was given to the Aztecs.

This world is superabundant. Scientists have developed ideas whereby everyone can live in luxury, evolve and have a good life, but all these ideas have been suppressed in favour of, "The Great Reset" of Satanic SMERSH Rothschild Klaus Schwab. See...

Because of the 10,000 years old Satanic Religion which wants to feed the Spiritual energies of the sacrificed to their Demonic Gods living outside the body in private universes on the Astral plane.

Satanists believe that Baal, Molech, Cybele, Attis, Baphomet and thousands more Demons feed on the blood and spiritual energies of the sacrificed.

Satanists believe that through Satanic Rituals like the Palladian Rite, their Demonic Gods can possess the bodies of humans.

Satanists believe that through Satanic Rituals people like in Transhumanism can leave the body and live forever, immortally, in private universes on the astral plane in a process that needs them to block the heart, block off empathy and to cut themselves off from God... To lose their Soul!

Part of the process of feeding on Spiritual energies is to Dum humanity down so that humanity will never be clever enough to cast off the chains of the Satanic Phoenician Mega Trillionaires.

To stop the evolution of humanity through poison in air, food, water, and vaccines, through the Oligarchic "Principle of Poverty" through fake education, fake science, fake art, fake news, fake climate change, fake elections, fake money, fake carbon footprints, fake carbon credits, fake vaccines, fake Big Pharma.

Given a wise leadership Humanity could reach for the Stars, go to Mars, every human being evolve into an Einstein, a Leonardo da Vinci, a Buddha, a Jesus Christ, the sacred heart of compassion..

COMMENT: Hello. I wrote a response to one of James Kunstler`s readers who reported that medically assisted suicide is the sixth leading cause of death in Canada, that relates my own experiences working with the disabled in Canada — and living in poverty now in my old age — that this is misreported. Disabled and/or old people who go into hospital in Canada without family, friends, and lawyer by their sides do not come out alive!

I don`t hesitate to suggest that most of the deaths in the article Too Poor to Continue Living with Dignity — Canadian Eugenics, Nov 15, 2022 are not medically assisted suicide but are probably outright medical murder. - CG

REPLY: The depths of depravity of government know no bounds. We need to question why patients need lawyers to represent them in a healthcare setting. Medical patients are turning into healthcare victims. We saw it during COVID when hospitals were paid by insurance companies to place patients on ventilators, almost guaranteeing they'd never be released alive and for every person who was murdered, a bounty of 50,000 dollars was paid to the Nazi Doctors who killed 250,000 mental patients during WW2. Without an advocate, the patient/victim is at the mercy of the system. Now they have Government protection in Law when they murder Mordor you.

Justin Trudeau's dad, Pierre Elliot Trudeau, supported population "cleansing." The Pierre Elliott Trudeau Foundation provided the initial foundation for the practice by highlighting the scientific achievement of genome sequencing and combining it with the potential for "reducing the burden of disease on themselves and on society as a whole." If you're

unable to pay taxes, you are of no use to the Government and you must be murdered.

It does not even matter if you served in the military and fought to protect your country. A Canadian Forces veteran went to Veterans Affairs Canada (VAC) for help with PTSD and a traumatic brain injury. A worker at the VAC offered their unsolicited “medical opinion” – kill yourself. Trudeau feigned concern in this particular incident when it became international news and said only a physician or psychiatrist could tell their patients to kill themselves.

The Liverpool "Care" Pathway does not even require the consent of the patient. If the doctor thinks you need to die then you are zombified by opiates and water is withheld. You will die, slowly, from dehydration!

In 2021, 10,064 people were murdered under MAID, representing 3.3% of all deaths in the nation. There was a 32.4% growth in assisted suicides from 2020 to 2021. The most common underlying issue noted was “neurological” at 45.7%. The loss of ability to engage in meaningful activities was the top concern at 86.3%. A shocking 62.3% of individuals who applied for MAID changed their minds and had to plead with the government to stay alive. They have not been keeping track of race or religion in these deaths but plan to collect that data next year, allegedly.

The law will expand this coming March, and everyone is at risk. If the program rose by over 30% in one year without the expansion, I can only imagine how many tens of thousands will be killed by the Canadian government, especially as the economy turns down and people fall on hard times. These changes always start small but become something much larger. It seemed humane to allow someone living in unbearable pain to die, but now death is a treatment option for very treatable ailments.

Under this pretense, they could kill the entire homeless population, everyone living in poverty, the mentally compromised, the physically disabled, and even dissenters who the government feels are not fit for society – useless eaters.

The Satanic Phoenician Mega Trillionaires WANT war to cover up the collapse of Western debt and the entire monetary system

Martin Armstrong Predictions... WW3 by 2025. Collapse of the Dollar 2028. They are preparing a 1984 Totalitarian state amongst the G20 now including a vaccine passport to go out of the house, buy and sell so that

they can force the populations to War and to maximise the Eugenocide of the population.

The sheer stupidity of what is taking place among our world leaders is unthinkable. They WANT war to cover up the collapse of Western debt and the entire monetary system, for they can no longer borrow endlessly. That is precisely what Yellen has said by admitting that she wants to buy back long-term debt and swap it with short-term all because there is a growing

debt crisis with NO BID on the long-term as we just saw in the British market. We are on the path to 2032. We need to start thinking about what new form of government we must create. Our current version will collapse by 2028.

The ECB is in serious trouble. Where the Fed has allowed previous purchases to mature, the ECB has been rolling everything they have been buying in addition to new purchases. Europe is just doomed and the lockdowns following the agenda of Schwab's Great Reset make her claims of economic growth a very bad joke.

"Europe is in big financial trouble with Russian natural gas turned off as a retaliation from the sanctions. They know they have a serious problem. All the pension funds are insolvent. Europe is fiscal mismanagement on a grand scale. There is no way it can sustain itself, and we are looking at Europe breaking apart." The crisis in banking will start in Europe. . . . The debt is collapsing. They have no way to sustain themselves. The debt market over there is undermining the stability of all the banks. You have to understand that reserves are tied to government debt, and this is the perfect storm."

Europe is staring at a complete collapse of its economy if they sanction Russia's energy sector and shut down her ability to do business with their banks. The question no one is asking is, "Did they provoke this fight on purpose to do exactly this?" From where I'm sitting, it looks to me like their insistence on zero diplomatic concessions to Russia led directly to this outcome. So, the answer to my question is 'Yes, it was deliberate.'

The fallout from this will be far higher energy prices than the weak coalition governments will be able to sustain. I expect the map of Europe will look very different by the end of 2024 than it does today, reaching far beyond Ukraine.

The ECB is the major crisis. Meanwhile, the European Central Bank has destroyed the European bond market with their NEGATIVE interest rates. This entire COVID Plandemic has been used for this Great Reset which was created at the World Economic Forum. Schwab has a death-grip around the throat of Europe. Aside from his Young Leaders Program where he has been training people and strategically placing that in governments around the world, he has boldly placed three of his board members of the WEF in the very top positions at the head of the EU, the head of the ECB, and the head of the International Monetary Fund.

Ursula von der Leyen Kristalina Georgieva-Kinova President European Commission

Christine Lagarde Pres. European CB Chair & Man. Dir IMF

We are looking at the beginning of World War III. In order to pull off this Great Reset, they needed to remove Trump, Putin, and Xi in hopes of then subordinating both China and Russia to the New World Order with the United Nations in control.

We live in very interesting and dangerous times. The Climate Change people have pushed that the world has only 7 years left and the Neocons have usurped this agenda to make their dreams come true.

"What is unfolding is that the arrogance of the Neocons and their personal hatred of Russia and China has run its course. They are now setting in motion the decline and fall of the West. A crisis is unfolding. These Neocons are a government within a government. They operate under their own rules and are not subject to oversight. Senator Rubio quickly changed the subject when questioning Victoria Nuland and then subsequently the Senate has been desperately trying to undo that testimony pretending that there is a distinction between a Biolab for Research and a Biolab for weapons.

The arrogance of the Neocons in really running the country is become well

known outside the USA. They think they really can defeat both China and Russia and the Build Back Better with a new Bretton Woods. All I can say is they are seriously wrong and they will only create World War III, they will lose, and the financial capital of the world will shift to China. That has been the forecast of our computer for decades now and instead of listening, they try to defeat it.

"The decline and fall of the United States is following the very same pages from history. It is the arrogance of the United States threatening China while attempting to destroy Russia that will be what historians write about when the dust settles."

As our models predicted, China will soon become the financial capital of the world.

2. Canibalism rituals.
3. Drug rituals,
4. Sex rituals - homosexual sodomy rituals - pederasty rituals - bestiality rituals - torture rituals.
5. The castration rituals of Cybele and Attis.

and then you have your pictures and videos taken by Epstein, Ghislaine Maxwell, or Jimmy Savile, of you doing it, then you tend to follow orders!!

Rather than concentrating on problems with food, security and housing which poverty induces in all, only wealth and education can lead humanity to evolutionary meditation, the foundation of Human Evolution to the Stars.

Realise that Austerity is not an accident.

Everything must be planned.

If Austerity can be planned and executed as the Great Reset for the USA and Europe over 50 years since the assassination of John Kennedy then wealth too can be planned!!

Only wealth can lead Human Evolution to the Stars, therefore anti-evolutionary Satanism created by the Robber Baron oligarchic elite for the purpose of creating poverty, so as to maintain their control over thousands of years, has acted to degrade every part of human society including science as the Satanic Frankfurt school has acted to similarly degrade philosophy, music and art, and the Satanic Robber Baron Drug trade has acted to destroy all culture and civilisation and the poisoning of air, food and water by fluoride, genetically modified foods, glyphosate and other pesticides, and incinerator dioxins and VOC's to destroy the health and energy of all humanity.

In order to secure acceptance for their Satanic ideas, the Satanic Venetian Party seeks to control the way people think. If you can control the way people think, say the Satanic Venetians, you can control the way they respond to events, no matter what those events may be.

It is therefore vital to the Satanic Venetians to control philosophy and especially science, the area where human powers of hypothesis and creative reason become a force for improvements in the order of nature.

It is therefore vital to the Satanists to control and suppress science because Science is the source of all Wealth creation which can lift Humanity from the level of a beast to Enlightenment itself.

I am writing today because this is so important.

Only Energy Enhancement can Annihilate Evil on Earth and change this Planet into a Planet of Love and Light in this Place, for You, for Me, for the Entire Human Race.

It is about The Energy Enhancement Elimination of All Evil on this Planet.

You remember my latest book, Eliminating the Shadow Subpersonalities..

It is beneficial for everyone to heal themselves by removing ALL blockages using Energy Enhancement advanced techniques. Not just a handful.

Because the Shadow Subpersonalities are the Source, the Fount, of All Evil on this Planet.

The Shadow Subpersonalities are essentially Evil because they are cut off from the energies of God and thus from Good, because Only God is Good!!

Shadow Subpersonalities are virtual machines existing within the mind computer but with no access to God, "They are minds of metal and wheels" - Tolkien, with no access to genius because the Geni etymologically, is the Soul.

Shadow Subpersonalities, cut off from the energies of God, can only live off the Soul infused Personality or the Essence within themselves or that Energy within other people which they steal through energy cords.

Shadow Subpersonalities Vampirise the Energy of God and devise Evil schemes to get it.

Strategies, - the Strategies of the Vampire are all Attention Seeking schemes to Vampirise your Energy. The Poor Me Addictions, the Violator Bullying, the Selfish Competitive Black Star, the Sabotaging Self Destructor, are all Drama Queens - just a little Evil to destroy lives - Your Life, the Lives of your family, your City, and your Country.

You can see all these strategies busily at work in the people around you. You might even see them at work in yourself. Know that these strategies are even now turning you against the One Course which can Remove them.

ONE COURSE, ONE SOUL INFUSED PERSONALITY, ONE WORLD OF LOVE AND LIGHT!!

The Energy Enhancement Samyama Seven Step Process Can Easily Remove All your Strategies and Subpersonalities!

THE ENERGY ENHANCEMENT ELIMINATION OF ALL EVIL

You can see in the picture below that most people are controlled by
Shadow Subpersonalities.

KRISHNA - THE BHAGAVAD GITA AND THE DEMON QUALITIES OF THE SELFISH COMPETITIVE PSYCHOPATHIC EGO

**A Report from Energy Enhancement
Meditation Course Client 6.**

The Subpersonalities – “Everyone carries a shadow, and the less it is embodied in the individual’s conscious life, the blacker and denser it is. If an inferiority is conscious, one always has a chance to correct it... But if it is repressed and isolated from consciousness, it never gets corrected, and is liable to burst ...”

Our client was a Doctor of Psychiatry in charge of an Institution for Children in Ireland.

Well, our client said that she, her sister, and her brother had been sexually abused by her mother, father, and grandfather when they were children. Her brother and sister were heroin drug addicts and had tried to commit suicide.

She had been attracted to psychology and psychiatry at university and was now a Senior Psychiatrist in charge of an Institution working with abused children. Her psychiatry had obviously saved her life but not sufficiently and thus she came to Energy Enhancement.

Obviously, she had absorbed a lot of trauma and pain which needed to be grounded but interestingly she found when she started the Energy Enhancement Level 3 Karma Clearing Process an explanation of the reasons why she had been given parents like this.

EE LEVEL 3 SEVEN INITIATIONS – CLEAN KARMA BLOCKAGES AND PAST LIFE KARMA BY TRANSMUTATION AND REMOVE ALL SUBPERSONALITIES

<http://www.energyenhancement.org/Level3.htm>

When we start removing Energy Blockages, sometimes God gives us visions of how the blockage came about so as to say, "Don't do that again!" There is no problem with forgiving, dissolving, grounding, or transmuting the Energy Blockage Karma but if that Energy Blockage Karma is not Alchemically forgiven transmuted, or removed then perhaps hundreds of lifetimes of bad karma ensue, just as with our Doctor of Psychiatry here.

So the Karma cleaning process involves removing the blockages on the timeline of all of our previous lifetimes, or incarnations, on this planet and sometimes on previous planets. Each time we remove a blockage we get a vision of how the blockage was created warning us never to do that thing again. Warning us to learn how to combat Black Magician implanters of Sexual Addiction Energy Blockages by psychic protection or learning

the Energy Enhancement Meditation Seven Step process to remove Energy Blockages once implanted...

PROCESS <http://www.energyenhancement.org/Level2.htm>**

We have to learn how to let every grain of sugar drop from our tongues after placing the tongue on a pile of sugar!

It is good for the ego to admit that in many previous lifetimes we have done bad things. We are all like this, but in this lifetime we have decided we want to do better.

Hitler can be forgiven. The prodigal son is welcomed back onto the path of light. Yet all these bad things we have done we have to learn how to forgive ourselves. Thus the Energy Enhancement Karma Clearing and Forgiveness process.

Only when we have forgiven ourselves, can we learn how to forgive others. We do this by learning how to ground all these negative karmic energies so that we do not have to live through this karma physically. We can remove it energetically using the Energy Enhancement Meditation Techniques before it manifests into your life as pain and traumatic experiences.

Further, as the microcosmic you pervades the macrocosmic World, learn how Energy Blockages affect everyone on this planet and how by learning to remove Energy Blockages from yourself you can learn how to remove Energy Blockages from others...

Change the World. Make it a better place. For you, for me, and for the entire Human Race.

It says in the Hindu Bible, a conversation between God or Krishna, and Arjuna or the good part of you, in the Bhagavad Gita Chapter 16

KRISHNA - THE BHAGAVAD GITA AND THE QUALITIES OF THE SELFISH COMPETITIVE PSYCHOPATHIC EGO Persons of demonic or psychopathic nature do not know what to do and what not to do. They neither have purity nor good conduct nor truthfulness. (16.07)

Psychopaths say that the world is unreal, without a substance, without a God, and without an order. The world is caused by lust (or Kaama) alone and nothing else. (16.08)

Adhering to this view these psychopathic lost souls, with small intellect and cruel deeds, are born as enemies for the destruction of the world. (16.09) Filled with insatiable desires, hypocrisy, pride, and arrogance; holding wrong views due to delusion; psychopaths act with impure motives. (16.10)

I hurl these psychopathic haters, cruel, sinful, and mean people of the world, into the wombs of other demons or psychopaths again and again. (16.19)

O Arjuna, entering the wombs of demons or psychopaths birth after birth, the deluded ones sink to the lowest hell without ever attaining Me.

(16.11) Bound by hundreds of ties of desire and enslaved by lust and anger; they strive to obtain wealth by unlawful means for the fulfillment of desires. Psychopaths think:

(16.12) This has been gained by me today, I shall fulfill this desire, this is mine and this wealth also shall be mine in the future;

(16.13) That enemy has been slain by me, and I shall slay others also. I am the Lord. I am the enjoyer. I am successful, a powerful siddha or black magician, and happy;

(16.14) I am rich and born in a noble family. I am the greatest. I shall perform sacrifice, I shall give charity to show off, and I shall rejoice. Thus deluded by ignorance;

(16.15) Bewildered by many fancies; entangled in the net of delusion; addicted to the enjoyment of sensual pleasures; psychopaths fall into a foul hell.

(16.16) Self-conceited, stubborn, filled with pride and intoxication of wealth; they perform Yajna, religious sacrifice, only in name, for show, and not according to scriptural injunction.

(16.17) Clinging to egoism, power, arrogance, lust, and anger; these psychopathic malicious people hate Me (who dwells) in their own body and others' bodies.

(16.18) I hurl these haters, cruel, sinful, and mean people of the world, into the wombs of demons or psychopaths again and again.

(16.19) O Arjuna, entering the wombs of demons or psychopaths birth after birth, the deluded ones sink to the lowest hell without ever attaining Me.

(16.20) Lust, anger, and greed are the three gates of hell leading to the downfall (or bondage) of THE Jeeva personality. Therefore, one must (learn to) give up these three.

(16.21) Obsessed with great anxiety until death, considering sense gratification as their highest aim, convinced that this (sense pleasure) is everything,

Look at 16.18 and 19 again.

(16.18) I hurl these haters, cruel, sinful, and mean people of the world, into the wombs of demons or psychopaths again and again.

(16.19) O Arjuna, entering the wombs of demons or psychopaths birth after birth, the deluded ones sink to the lowest hell without ever attaining Me.

And in the Energy Enhancement Karma Clearing Process, without any prompting by me, seeing the

visions of how the energy blockages being dissolved, transmuted by her, this is what client 6 said...

1500 years ago she was a beautiful lady healer with long blond hair who was on the path of righteousness. A bad guy Black Magician saw her and through implanting her with a sexual implant blockage was able to make her fall in love with him.

This bad guy Black Magician turned her onto the dark side of the force and for 10 lifetimes this guy led her into bad paths of black magic, sex, and sadomasochism, abusing, torturing, and killing many different people.

Then, as happens to all on the dark side she was defeated (LITERALLY DE-FEETED, her base chakra was broken and implanted by another bad guy) And she entered into one hundred lifetimes of sexual abuse, serving as a sex

slave and as a spiritual battery for the bad guy who implanted her.

Thus being sexually abused by her mother, her father, and her Grandfather - one hundred lifetimes of this!

(16.18) I hurl these haters, cruel, sinful, and mean people of the world, into the wombs of demons or psychopaths again and again.

(16.19) O Arjuna, entering the wombs of demons or psychopaths birth after birth, the deluded ones sink to the lowest hell without ever attaining Me.

She was learning why she had been given these experiences. Karma, the law of consequences, says we have been given the free will to learn the consequences of taking the wrong path. In reality we are only allowed the freedom of making the right choice.

Everything which has a beginning has an end and All Karma can be and needs to be dissolved.

Everyone has done bad things in past lifetimes and in this lifetime are suffering the consequences of those bad actions which build up, lifetime after lifetime getting worse and worsen.

Only Energy Enhancement Meditation can remove the Energy Blockage Karma using the Energy Enhancement Seven Step Process and the purpose of the build-up of bad karma, the evil effects of that evil karma, is to inform humanity that you need to learn Energy Enhancement Meditation, you need to dissolve, transmute, forgive your messy history painting and come back to a clean white sheet again!

And further, with Energy Enhancement, how to totally heal the entire situation, how to dissolve the negative karmic energies which were throwing her into these hells time and time again.

How to remove all the implants which were turning her into a battery and not allowing her to generate, or build-up, the energy necessary to get her out of this black hole pit that she was inside.

How to cut off all connections with the Dark Side, "seal the door which evil dwells" so that they could not attract her into bad ways again, and become independent and free of all negative influences. How to gain infinite positive energy from the side of

Light and goodness and purpose and will. She was learning how necessary it is to stay away from evil and to cleave to the good.

She was learning how necessary it is not to allow yourself to be implanted by sexual addiction blockages, and if implanted how to remove the sexual addiction energy blockages so as not to be tempted by the evil Black Magicians to enter into lifetimes of evil.

ENERGY BLOCKAGES THROUGH THE ENERGY
ENHANCEMENT MEDITATION SEVEN STEP
PROCESS [http://www.energyenhancement.org/Level
2.htm](http://www.energyenhancement.org/Level2.htm)**

We have to learn how to let every grain of sugar drop from our tongues after placing the tongue on a pile of sugar! If you desire anything on this planet remember, you cannot take anything with you when you die except your evolution. You cannot take your houses, money, yachts, gold, or wives with you when you die. So please evolve through the kindness of those sent to this planet to help you. We are here in every generation, just for you. This is the promise of the Baghavad Gita.

My teacher, Swami Satchidananda said that when he was young he could touch people and take away their cancer, he could touch people and take away their heart disease yet after three years he noticed that these same people were coming back with the same problems. He realised that unless they changed their minds also unless they removed all their energy blockages, it was not possible to heal them permanently. They had to learn to do it for themselves. So he started a program for yoga and meditation and if the people were good, perhaps a little bit of healing could enter from the side.

Once a Swede came to Swami Satchidananda with a grave abdominal problem - cancer. Swami said, come to the Ashram for 6 months and learn Yoga and meditation and practise every day and your problem will be solved. So after 6 months the guy came to swami and said, the problem has not gone away. Swami asked if he had done everything, the yoga, the meditation, and had practised every day and the guy said yes. So Swami moved his hand close to the abdomen and made a catching and pulling motion with his right hand as though he was pulling something out of him. He then asked him how he felt and the guy said the pain had gone. It never returned.

I remember Zen Master Hogen when I was with him on The Greek island of Lesbos acting as his general factotum and dogsbody. We lived together

in the same house for two weeks and one night I had a dream. I was lying on a stone slab like a dead King.

Hogen came to me and leaned over my body from the hips and sucked out my right eye. He cleaned it with his mouth, took it out, polished it playfully, and then put it back into his mouth, leaned over me again, and spat it back into my eye.

The next day I found out that Hogen had done something very stupid. He had put some strong eucalyptus oil, Olbas Oil, on his finger and put it into his right eye. So, the students cleaned it out with water and he wore an eye patch, like a pirate, for the rest of the time there. It must have been very painful for him yet these things are done for the benefit of the students. Thus the Master from time immemorial has absorbed the Karma of the Students.

I asked Zen Master Hogen what he had done in past lifetimes and he said he had been a Guinness (Karma) maker.

Now in this lifetime, he was drinking all the Guinness.

He was absorbing and transmuting all the karma. And this was the symbolism of his students giving him a can of Guinness every time they met him.

Swami Satchidananda told me that Yoga was the gaining of Psychic Vision and when necessary the blockages of the students are removed.

"All the scriptures tell us one thing:
'Know thyself. If you have known
yourself, you have known everything
else.'" - Sri Swami Satchidananda

There are many examples gleaned from many experiences and books from the age of 16 when I started to practise Yoga. From the age of 21 when I started to read spiritual books and train with the National Federation of Spiritual Healers of Great Britain and then later became a Yoga teacher and teach those with Multiple Sclerosis in my local class and at Ickwell Bury a Yoga Foundation run by Howard Kent near London. I had to stop the class after a while, they all got well.

And last but not least my training and experiences with Zen Master Hogen Daido Yamahata and Swami Satchidananda - two enlightened saints and Siddhas whose whole lives have been devoted towards the benefit of everyone who met them. Swami Satchidananda has now passed on at the age of 89 in 2002 but you can meet Hogen, student of the famous Zen Master Tangen Harada Roshi, in Japan at his Zen Temple on the slopes of Mount Fuji or at his Ashram in Australia.

In Energy Enhancement we teach you how to do it for yourself. We provide a field of positive energy to help the process called the Buddhafield and from time to time, if you need a little help, we give it. But we are merely midwives or guides, and it is you who must walk every step of the way by yourselves and when you have done it you must also know that you have been carried every step by goodness and mercy.

What makes you think that you have done anything? Only the Ego. And yet it is true, with the collaboration of infinity, you have done everything by yourself.

THE PILGRIMS SOCIETY

In 1891, Lord Rosebery, J.P. Morgan, Cecil Rhodes, Baron Henry de Worms, Lord Rothschild and Lord Alfred Milner founded the Round Table to use Satanic Sodomite Ritual Jesuit discipline and Masonic secrecy to promote the reorganization of the British Empire into an Imperial Federation that they insisted include America coming back under the British Crown. The Anglo-American Empire...

These men were the prime movers in the creation of the British South Africa Company, founding of De Beers Consolidated Mines and the

Wellcome Vaccine experimentation on over 60,000 Boers and blacks in their 2nd Boer War concentration camps. In 1902, these perpetrators of the war, abruptly stopped the 2nd Boer War, and changed the name of the Round Table to the Pilgrims Society in the months after Cecil Rhodes' "untimely" assassination at 49 years old.

The group of Pilgrims Society members (generically called the "Deep State" to avoid directly fingering of the Pilgrims) are all run by the "Five Eyes" agreement that Brig. Gen. David Sarnoff, Gen. Marshall, and Gen. Eisenhower created in Feb. and Mar. 1946.

This is not an exaggeration: Out of the Imperial Press Conference, 1909, the British Empire's Marconi Wireless global monopoly split and morphed and reorganized into the media and communications networks we know today as BBC, New York Times, Daily Telegraph, Washington Post, AT&T, British Telecom, Westinghouse, GEC, RCA, NBC, CBS, Orange, Verizon, Nokia, Lucent, Alcatel-Lucent, Bell Labs, Western Electric, Vodafone, Deutsche Telecom, AEGIS system, SERCO, QinetiQ, and now "The Internet of Things."

Also on the Pirbright site today is Cobbet Hill Earthstation with satellite warfare-level capabilities. Henry de Worms (Rothschild), starting in the 1880's, helped establish the Marconi Wireless monopoly in Britain and worked as patent, commerce, trade and colonies minister to fuse Marconi wireless technology (stolen from Nikola Tesla) and Wellcome biological research into using radio transmissions to trigger viral outbreaks.

Today, 140 years later, de Worms (Rothschild)'s vision is finally coming true in 5G and nanotubes carrying deadly virus payloads. See Jun. 05, 1909 Here...

Cat attack on a British pirate ship, aka Vanguard. Make sure your downline is aware that King Charles the Turd has trillions at his disposal to wage war against humanity. Vanguard, which is controlled by KC the Turd, controls BlackRock, State Street, and all the top banks. Where is your pension invested?

A small number of Satanic Phoenician Mega Trillionaire banking families, now operating out of the City of London as the Anglo-American Empire, but previously as part of the Venetian Empire, the Roman Empire, the Carthaginian Empire but always the 10,000 years old Phoenician Empire I detail in my book, AGAINST SATANISM VOLUME SIX .. have for generations held these wealth records with fortunes that are orders of magnitude above anything we might have imagined.

AGAINST SATANISM VOLUME SIX

Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

ENERGY ENHANCEMENT SATANIC HISTORY TWO

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

Evelyn de Rothschild

The descriptions and evidence in this essay will serve at least to provide a reasonable basis for understanding and to “draw attention to some of the great forces which have been molding our world”.

The Power of Compound Interest

Much of this essay is primarily dependent on only one simple thesis: that those with enormous wealth do not leave it idle but put it to constant good use; the money is always at work. It is lent out to finance wars and colonisation, to purchase legitimate businesses, to establish control of governments and national economies, and more.

The reason Abraham Lincoln resorted to printing his “Greenbacks” as currency was because Rothschild demanded a 24% interest rate to fund the Union in the US civil war. There are many other such examples, as war financing in particular carried high interest rates. Dutch perpetual bonds issued by Satanic Phoenician Mega Trillionaires were at rates of 10% and 12% in the 1500s and 1600s; Genoa issued much of its debt at 9% in the 1600s.

Some Background on Corporations

A great many of the world’s largest corporations are owned and controlled by Satanic Phoenician Mega Trillionaires, many of these by the select few in the City of London, but also very many outside this small group.

Satanic Mega-Trillionaire US \$2,080 Trillion Phoenician Rothschilds Control the World through Vanguard Group and Blackrock

BLACKROCK AND THE SATANIC 2000 Trillion Dollar MEGA TRILLIONAIRES HAVE BOUGHT OFF OUR LEADERS, STOLEN THE ELECTIONS, FOLLOW THE ZIMBABWE SCRIPT TO DESTROY AMERICA - CUT OFF THE ENERGY, CUT OFF THE OIL, CUT OFF THE GAS, DESTROY THE PETRODOLLAR, DESTROY THE DOLLAR, CUT OFF THE GLYPHOSATE, CUT OFF THE FERTILISER, FAMINE AND STARVATION TO FOLLOW, INCREASE INFLATION, MAKE EVERYBODY POOR, SPREAD BIOWEAPONS, KILL OFF THE POPULATION, CREATE A GREAT RESET NEO-FEUDAL, POST INDUSTRIAL, SOCIAL CREDIT SCORE SLAVE PLANET

The Satanic Mega-Trillionaire - 2080 Trillion Dollars Rothschilds who control the money of the Vatican Bank control the World through the - “VanGuard Corporation” which Controls Global Megabanks, Big Deathshot Pharma, Major Mass Media and Mega Corporations in the World and their Owners - Monsanto, Google, Facebook and Microsoft.

The four companies that are present in all cases below and in all decisions: Vanguard, Fidelity, BlackRock and State Street. All of them “belong together”, but if you check out carefully the balance of shares, it turns out that in reality all these companies are All controlled by Vanguard. So, all of these partners or “competitors” - Fidelity, BlackRock and State Street All belong to Vanguard Group.

Please, look at the largest, companies in various industries, controlled by the “Big Four”, and upon closer inspection control by Corporation Vanguard: Alcoa Inc. Altria Group Inc., American International Group Inc., AT & T Inc., Boeing Co., Caterpillar Inc., Coca-Cola Co., DuPont & Co., Exxon Mobil Corp., General Electric Co., General Motors Corporation, Hewlett- Packard Co., Home Depot Inc., Honeywell International Inc., Intel Corp., International Business Machines Corp., Johnson & Johnson, JP Morgan Chase & Co., McDonald’s Corp., Merck & Co. Inc., Microsoft Corp., 3M Co., Pfizer Inc., Procter & Gamble Co., United Technologies Corp., Verizon Communications Inc., Wal-Mart Stores Inc. Time Warner, Walt Disney, the corporation «Halliburton», Viacom, Rupert Murdoch’s News Corporation, CBS Corporation, NBC Universal ...

The Satanists own 70% of Banks, 70% of International Corporations, 100% of Central Banks, Worldwide!

All of the global major corporations are eventually controlled by Corporation Vanguard and the Corporations are owned by “Dick Cheney, the Rothschilds, the Queen, the Bushes, the Rockefellers, Clintons, Donald Rumsfeld and many other influential people and owners of the Federal Reserve and the Jesuit Vatican, "Iron" Bank. In a word, these people are the rulers of the earth, who, through Corporation Vanguard, control all mega corporations such as Monsanto, Google, Facebook and Microsoft.

The minions are throw away people like Colin Powell who wasn't given the memo not to take the Deathshot. The minions are Obama, Turdeau, Macron, Boris Johnson, Bill Gates, Merkel, Bidet, - That level..

The world’s major oil companies are controlled by Satanic Phoenician Mega Trillionaires interests, as are the major pharmaceutical companies, many of the weapons manufacturers and the world’s airlines, a preponderant amount of the world’s shipping capacity, and many other industries that might not normally come to mind. It is impossible to obtain access to all the information required to even hazard a guess at the value of the corporate asset ownership of these people, but consider that virtually all of the media in the West, and a great deal of the prime media outlets in the rest of the world, including movies and book publishing, are owned or controlled by Satanic Phoenician Mega Trillionaires. There are international companies worth in total many trillions of dollars that are

entirely Satanic Phoenician Mega Trillionaires; Nestle, Sanofi, Monsanto, being a few among hundreds such. We cannot easily know what part of this reverts to our handful of Satanic Phoenician Mega Trillionaires bankers in the City of London, how much of that was financed by, and is controlled from, that center, but it isn't negligible.

Things are not always what they seem. Many of the world's large fortunes were financed by Rothschild or others from that inner circle and thus there is a hidden ownership that will never be revealed. Trolling through historical records, we sometimes discover that a very wealthy man left an estate of only a few million dollars.

It isn't a secret although apparently not widely known, that one of the Rothschilds financed Rockefeller's creation of Standard Oil, and did the same with Andrew Carnegie's steel empire and the Harriman railroad fortune in the US, among others. The financing was usually done through J. P. Morgan, who was a Rothschild agent for all of his career, and in fact, Morgan's banking interests themselves were much more European Satanic Phoenician Mega Trillionaires than they were American.

It is worthy to bring this to the attention of readers since it appears that much of the wealth of the famous American and European families may not have been really theirs but belonged instead to the ultimate Satanic Phoenician Mega Trillionaires financiers in the background. Today, Google, Facebook, Tesla, Amazon, Starbucks, and many others are in this category, firms that could not possibly have attained their extent of market control without both heavy financing and intense planning originating elsewhere.

A number of studies have been done on interlocking corporate ownership and control, with consistent conclusions that as few as 400 companies, and perhaps even as few as 250 companies, own outright or at least have control of, more than 70% of all the value listed on all stock exchanges everywhere.[3][4][5]

But behind those 400 or 250 companies is that same number of Satanic Phoenician Mega Trillionaire families controlling those companies. Even though most large corporations are listed as public, with sometimes hundreds of millions of shares outstanding, we cannot know where the true control lies. Increasingly, many of the shares are held by proxies like Blackrock or Blackstone or other investment groups, and we have no information on share classifications or other restrictions on voting and control.

Nor does the general public have information on interlocking directors who have absolute day to day control, including over all financial

decisions. More importantly, it isn't necessary to own a plurality of shares if you control the Board of Directors or if they are reading from the same script. These people can empty a company's treasury to pay unlimited dividends tax-free through a tax haven, and do so without even attracting unrest from the common shareholders who seldom have much understanding of these matters.

Many European banks fall into this category, most of these Satanic Phoenician Mega Trillionaires-owned and tightly-held. The few dozens of Europe's largest banks like HSBC, BNP Paribas, Lloyd's, have a market cap in the trillions and an asset base of over €30 trillion. The major North American banks, like Goldman Sachs, Citigroup, Wells Fargo, again owned by Satanic Phoenician Mega Trillionaires, have a market cap of well over \$1.5 trillion and assets to match. Plus, we have literally hundreds of Satanic Phoenician Mega Trillionaires-owned banks in Switzerland and other countries that appear on no list anywhere.

Many of the world's largest insurance and reinsurance companies are owned by Satanic Phoenician Mega Trillionaires, with a combined market cap in the trillions, and there is no way to place a value on Lloyd's of London, a worldwide insurance platform that is virtually priceless. Then there are the oil companies; Royal Dutch Shell alone has a market cap of over \$200 billion, and there are many of these, Satanic Phoenician Mega Trillionaires-controlled, sufficient to control the world's price of oil as we will see.

The two major FMCG companies, Unilever and P&G, both Satanic Phoenician Mega Trillionaires, have a combined market cap of over half a trillion dollars. Internet-related firms like Google, Meta, Amazon, Dell, Oracle, again all Satanic Phoenician Mega Trillionaire owned, have a combined market cap of nearly \$5 trillion. The world's fashion houses and jewelry firms, mostly Satanic Phoenician Mega Trillionaires-owned or controlled, firms like Swarovski, YSL, LVMH, Cartier, Hermès, Estée Lauder, L'Oréal, have a market cap of more than \$1 trillion, and there are hundreds of jewelry firms, diamond cutters and merchants, gold dealers, operating behind the scenes that are also owned by Satanic Phoenician Mega Trillionaires and worth a combined trillions of dollars.

The major armaments and weapons manufacturers, which have always had a high percentage of Satanic Phoenician Mega Trillionaires ownership and control, again have a market cap in the vicinity of \$1 trillion. The world's major food companies, again mostly owned by Satanic Phoenician Mega Trillionaires, is another example. Nestlé, an entirely Satanic Phoenician Mega Trillionaires company, owns more than 2,000 food brands with a market cap of about 1/3 of a trillion dollars by itself. Pepsico is the second-largest food company in the world, owning hundreds of major brands, and many others like Kraft Heinz, Mondelez, Danone,

Anheuser-Busch Inbev, Coca-Cola, Diageo, Starbucks, have a combined market cap of at least \$1.5 trillion. The world's largest pharmaceutical companies are all Satanic Phoenician Mega Trillionaires-owned, with a combined market cap of around \$4 trillion.

The main North American media companies (all owned by Satanic Phoenician Mega Trillionaires) have a market cap of over \$1 trillion, with larger numbers for the European media that are also largely Satanic Phoenician Mega Trillionaires-owned and virtually all Satanic Phoenician Mega Trillionaires-controlled. And this ignores their media holdings in Latin America, Asia and Africa. And there are literally hundreds of Satanic Phoenician Mega Trillionaires-owned companies that don't fit easily into the above categories, including everything from H&R Block to Mattel and Hasbro, Monsanto, Ben and Jerry's. The list is almost endless. Collectively, their value and influence are enormous.

The Real Power: Satanic Phoenician Mega Trillionaire Family Dynasties

When we read of Bill Gates or Warren Buffett, we tend to think in simple terms of someone starting a company with a good idea and over a lifetime building a huge enterprise that today is worth many billions. But this reasoning is simplistic because we are confining our thoughts to only one generation. The people with whom we are concerned here, are Satanic Phoenician Mega Trillionaire family dynasties that have been accumulating their fortunes for perhaps ten or even twenty generations.

With the Rothschilds, Sassoons, and so many others, we are going back to the 1600s and 1700s, with family dynasties that have expanded enormously over the centuries and maintained control over their increasingly vast wealth through avoidance of inheritance taxes, rigid intermarriage, and shared intentions.

The greatest of all Satanic Phoenician Mega Trillionaire 10,000 years old family dynasties are hidden from view, expunged from the media, deleted from the history books, and almost never attract public attention. All of these are Satanic Phoenician Mega Trillionaires – Rothschild, Sassoon, Sebag-Montefiori, Warburg, Lehman, Goldman, and so many names you may have never heard of.

Here is a listing of a few of the Satanic Phoenician Mega Trillionaires bankers, representing perhaps only 25% of them, most having begun banking, financing and industrial operations in the early to mid-1800s, so

an average of nearly 200 years, and many resulting in Satanic Phoenician Mega Trillionaires family dynasties that continue to this day, entirely out of the public eye.

Rothschild, Sassoon, Warburg, Moses Montefiori, Sebag-Montefiori, Kadoorie, Lehman, Israel Moses Seif, Kuhn Loeb, Goldman Sachs, Salomon, Schiff, Joseph Hambro, J. Henry Schroder, Samuel Montagu, Emile and Isaac Péreire, Lazard Brothers, Speyer brothers, Seligman brothers, Stern brothers, Barnato Brothers, Ernest Oppenheimer, Abraham Oppenheim, Carl Fuerstenberg, Jacob Goldschmidt, Oskar Wassermann, Hirsch, Raphael Jonathan Bischoffsheim, Hambro, Isaac Glückstadt, Levy Martin, Markus Rubin, Goldsmid, Rosenthal, A. Dunkelsbueler, Eugen Gutmann, Herbert Gutman, Wagg and Co, Médici family, Speyer, Speyer-Elissen, Emile Erlanger, S. Japhet, Ernest Cassel, Carl Meyer, Achille Fould, Luigi Luzzatti, Wertheimer and Gompertz, Lippman.

I have a graphic on my computer that displays the holdings of the Rothschild dynasty owning 70% of everything. The Rothschild dynasty are really fronts for the 1500 year Vatican Bank like the Iron Bank of Game of Thrones, the Pope is just the CEO of an ancient business, the directors of which are the Cardinals, scions, sons, of every major Satanic Phoenician Mega Trillionaire Family in the World. The Rothschilds are the money and business managers of the Vatican Corporation.

Displayed rather like an organisation chart with small boxes indicating holdings and lines everywhere indicating ownership and control. It is so large that to print it in the smallest readable type would require a sheet of paper half a meter in size. Rothschild recently created a new bank just to manage his land holdings confiscated from poor countries. It is difficult to obtain hard information because so much of this is done through no-name banks, agents, and related companies, and run through innumerable tax havens. Rothschild owns, among other things, Sanofi Pharma with a capitalisation of \$125 billion, the Economist, and IHS which is the largest mobile tower operator in Africa.[9]

Anglo American was founded by Satanic Phoenician Mega Trillionaire Family Ernest Oppenheimer, a German. Headquartered in the City of London, this is one of the 250 largest companies in the world, producing gold, diamonds, other metals, and nearly half of all the world's platinum. Their subsidiaries and investments are too many to list. When Ernest died, he was succeeded by his son Harry, who also became chairman of De Beers, so you can see how the families integrate and rationalise their holdings.

The Satanic Phoenician Mega Trillionaire Wallenbergs in Sweden have been in business for 200 years, where today they own most large Swedish industrial groups like Enskilda Bank, Ericsson, Electrolux, ABB, SAAB, SAS Group, SKF, Atlas Copco, and Nasdaq. As far back as 50 years ago, the Wallenberg family businesses employed 40% of Sweden's industrial workforce and represented 40% of the total worth of the Stockholm stock market. The market capitalisation of only ten of their companies is nearly \$350 billion, and much has been buried in trusts and hidden in tax havens. Swarovski, with their fake "crystal" is another 150-year-old Satanic Phoenician Mega Trillionaire dynasty.

For this essay, I will ignore much of the past history of these Satanic Phoenician Mega Trillionaire's families and begin from the early 1800s, but it should be noted that these Satanic Phoenician Mega Trillionaire Family Khazar "family fortunes" began thousands of years before this. We had the (Satanic Phoenician Mega Trillionaires) Dutch Tulip bubble, the (Satanic Phoenician Mega Trillionaires) South Seas bubble, the (Satanic Phoenician Mega Trillionaires) British and Dutch East India Companies and many similar. There were centuries of slave trading, of tax farming and so much more. I will omit all of that.

India was at one time almost certainly the richest nation in the world, with stocks of gold, silver and precious gems worthy of fable and legend. The British East India Company which was eventually led by one of the Rothschilds, was unquestionably the greatest criminal enterprise in the history of the world, and the vehicle used to loot India to the bones.

Sassoon ben Salih was the chief treasurer to the pashas of Baghdad.[10] Exposed in an immense fraud in the early 1800s that must have involved hundreds of billions in today's dollars, he was lucky to escape with his life (and the money). He and his two sons David and Joseph fled to India where they teamed up with one of the Rothschilds and hatched their infernal plan to force Indian peasants to grow opium for sale in China.[11]

From the early days, they already had the young Queen Victoria firmly in their grasp. She not only supported their efforts to the extent of allocating the British military as the Satanic Phoenician Mega Trillionaires' enforcers of the opium, giving David Sassoon the exclusive franchise for selling opium in all of China, seizing Hong Kong for his distribution base and giving him the charter to form the HSBC. To say that the British Royal Family profited heavily from this personally, would be an understatement of some magnitude. This is where we will begin our story.

From their wholesale looting of India and the thefts from Iraq, followed by growing and selling of opium in China, Rothschild and Sassoon were reliably estimated to have accumulated wealth of more than \$5 billion

each, by 1835. Actually, the calculated estimates I have seen were of \$6 billion and \$7 billion,[12] and these were my estimates as well. I reduced this to \$5 billion to be conservative, but the totals are still staggering. \$5 billion accumulated at only 5% for the intervening 185 years, accumulates to a total in 2022, of more than \$40 trillion each for Rothschild and Sassoon. And there were at least a dozen or more Satanic Phoenician Mega Trillionaires banking families that were not so very far behind Rothschild and Sassoon, as well as many dozens more that were very wealthy but not in this same league. That \$40 trillion may seem shocking and too fantastic to be real, but reserve your judgment until the end. As you will see, that \$40 trillion is almost irrelevant in the overall picture of a World GDP OF 200 TRILLION DOLLARS EVERY YEAR AND THE Satanic Phoenician Mega Trillionaire Families own most of it!

(1) Slavery and Forced Labor

Satanic Phoenician Mega Trillionaires have always been heavily involved in slave trading from the year dot. Before petrol engines the whole World ran on slave labour from Ancient Egypt to the Roman and Chinese Empires.

Recently both the white slaves that depopulated Ireland and much of England and the more recent black slaves, but I will ignore that part of the past and deal only with the more recent events in China.

Slave trading by these same richest Satanic Phoenician Mega Trillionaires – Rothschild, Sassoon, Kadoorie and many others, stopped only because the First World War put an end to it. We haven't precise numbers, but the historical record tells us that many millions of Chinese were kidnapped and sold as slave labor. Countless tens of thousands of Chinese were kidnapped and shipped as slave labor to North America to build the railroads and work the gold mines, to build the Panama Railway and the Panama Canal, to work the guano mines in Peru, and in many other instances. This is why we have Chinese all over the world; even today the population of Panama is more than 10% Chinese because of this.

In many cases, the Chinese were not actually sold to others but used by the Satanic Phoenician Mega Trillionaires as slave labor for their own projects. As late as 1904, Rothschild had around 65,000 Chinese kidnapped from Fujian Province to work his gold mines in South Africa.[13]

When these same Satanic Phoenician Mega Trillionaires financed the building of the North American railroads and the Panama Canal, for example, kidnapped Chinese were the supply of free (and disposable)

labor. Harsh conditions resulting in tens of thousands of deaths were irrelevant because the supply was inexhaustible.

As well, there is credible evidence that Easter Island was almost totally depopulated by these same Satanic Phoenician Mega Trillionaires who kidnapped most of the people to work the guano fertilizer mines in Peru. There are letters from officials in the UK demanding that these Satanic Phoenician Mega Trillionaires return the Easter Islanders to their homes.

At this distance in time, it isn't possible to construct a comprehensive tally of the totals of Chinese slave laborers conscripted by these Satanic Phoenician Mega Trillionaires for their projects, nor to estimate the "value" of all this slave labor, but it was certainly substantial and carried on in great volume from about 1800 to 1920 and, as I mentioned above, it was only the First World War that put a stop to it. I list this because it is an important contributing aspect to the accumulated wealth of these Satanic Phoenician Mega Trillionaires banking families.

(2) Diamonds

It's not a secret that DeBeers controls the diamond production of South Africa, and also in Zaire, nor that DeBeers is a Rothschild company. Let's not forget the origin and purpose of the Boer Wars. Diamond production statistics seem scattered, with South Africa claiming around 650 million carats of total production,[14] while Statista claims twice this amount. South Africa places a value on this production (at \$100 per carat) at about \$60 billion, but with no allowance for the compounding an average of \$300 million per year over 150 years: (average of 3 million carats per year at \$100 per carat). If we allow for compounding at 5%, this accumulates to about \$10 trillion. To keep things simple, I have excluded all other countries from this calculation; the addition of these and other Rothschild and Satanic Phoenician Mega Trillionaires-owned production would at least double the total. It should also be noted that the Satanic Phoenician Mega Trillionaires enclave of Holland is still the center of the world's diamond trade, the great majority of which is firmly in Satanic Phoenician Mega Trillionaires hands.

(3) Gold

It is difficult to find comprehensive and reliable statistics on the actual annual production of gold from the Rothschild-controlled mines, but production apparently reached more than 1,000 tonnes per year 50 years ago. With 32,000 ounces in a tonne of gold, and gold selling at \$1,700 an ounce, that represents many billions of dollars per year, compounded at 5% for nearly 150 years, about 100 Trillion dollars.

(4) Canals: Panama and the Suez

It is universally-known that the US built the Panama Canal – after “liberating” the Province of Panama from Columbia, but not so widely-known that it was Satanic Phoenician Mega Trillionaires money that paid for the canal.[16] We can reasonably assume that the profits from the canal for about 120 years would have accrued to those who financed it. The Suez Canal was also built with Satanic Phoenician Mega Trillionaires money and existed as a privately-held corporation. Only a few mere billions of dollars per year.

(5) Cash Management

It isn't widely-known but, as part of America's Monroe Doctrine, the US used not only its powerful bullying “diplomacy” but also the CIA and the full force of its military to arrange for a few Satanic Phoenician Mega Trillionaires bankers (and the US FED) to obtain the position of “investment managers” of all the cash assets and central bank holdings of the countries under its control. This included Latin America, but also countries like the Philippines and the 50+ countries where the US overthrew a government and installed a compliant dictatorship.

The scheme was simple. These nations were forced to turn over all their liquid assets to the Satanic Phoenician Mega Trillionaires bankers in the US who would “prudently manage” all that cash for the benefit of these smaller nations. In practice, the Satanic Phoenician Mega Trillionaires bankers invested the money in New York real estate and profited in the billions while paying those nations 3% on their money.

This practice was coupled with a bad American habit of invading, then forcing open and emptying, the vaults of the central banks of these same nations of all their gold. These practices are sufficiently documented to withstand challenge and, having existed for about 150 years, I think we could reasonably attach a total compounded to today of at least \$1 trillion dollars.

(6) Germany's Hyperinflation

It is widely accepted today that Germany was set up for this precise circumstance from the provisions of the Treaty of Versailles and the corresponding restrictions enacted by Satanic Phoenician Mega Trillionaires to prevent Germany's recovery. Regardless, the inflation rate was so extreme that money became literally worthless, permitting the Satanic Phoenician Mega Trillionaires bankers to buy up much of Germany

for virtually nothing. This was one of the deep resentments harbored by Hitler toward the Satanic Phoenician Mega Trillionaires, knowing they were behind the treaty and other restrictions that could have had only the bankruptcy and subjugation of Germany as the one possible purpose. We needn't go into details here, but it was Hitler's eviction of the Satanic Phoenician Mega Trillionaires from Germany's banking system and taking over the country's central bank that resulted in the "miracle" of Germany's economic recovery which, unfortunately, was not to last. The present value would surely be in the many trillions of dollars, all to the benefit of these same few bankers.

(7) Central Banks

European Satanic Phoenician Mega Trillionaires banking families, led by the Rothschilds, own or control the central banks of at least 30 nations, including the FED in the US. There are several very nasty results of this ownership, one of which is that these nations cannot print their own money but must borrow it from the (privately-owned) central banks – and pay interest on it.

This is of enormous magnitude. Until the late 1970s, Canada owned its own central bank and paid little to no interest to foreigners. But then-Prime Minister Pierre Trudeau (Justin Trudeau's father) committed an astonishing act of treason – on his own account, without even the knowledge of his own cabinet or Parliament – and committed Canada to foregoing its financial birthright to print its own currency and from then on borrowing from the European Satanic Phoenician Mega Trillionaires bankers. The result is that in the past 30 or 40 years little Canada has paid these bankers more than \$1.1 trillion in interest for borrowing its own money.[17][18][19][20][21][22] You might especially want to watch item 22, a video of Canada's former Cabinet Minister commenting on Banking in America.

But Rothschild and a handful of other Satanic Phoenician Mega Trillionaires banking families have owned the central banks of the European nations, and others including the US FED, for well over 100 years. If little Canada has paid more than \$1 trillion in interest in a relatively short time, the governments of countries like England, Germany, France, Italy, Spain, Japan, South Africa, have paid much more during the past century. As one example, Italy's debt is several times that of Canada, and many other countries are in the same position.[23] I have no accurate record of total interest the US has paid to the FED, but its current debt is more than \$13 trillion – an amount which will never be paid off.

Working from Canada as a baseline, and counting only 30 countries, an excessively conservative estimate would be \$30 trillion paid out in interest

to these bankers. If we then allow for only 100 years, we can multiply this by more than three times and arrive at around \$300 trillion paid in interest – entirely without need or justification. It should also be noted that those 50+ nations where the US military and CIA overthrew a government, the Satanic Phoenician Mega Trillionaires bankers were right behind them to take over ownership of all those central banks.

In every case where information has escaped – Iraq, Libya, South Africa, the Balkans, this has been their priority and simple logic dictates that it would be very high on their list in every country where they had access compounded, and for more than 100 years, to the many hundreds of trillions.

(8) Recessions and Depressions

One of the nastier advantages of the foreign ownership of a country's central bank is that the Satanic Phoenician Mega Trillionaires have total control over those economies.[24] Since they control both the money supply and the interest rates, they have easily the power to whipsaw economies and profit immensely at every cycle. They do it the same way every time – by lowering interest rates to zero or nearly so, while hugely inflating the money supply, thereby creating large bubbles in debt, in the stock and housing markets, and so on. Then, they severely contract the money supply and all credit while simultaneously raising interest rates, thus bankrupting countless thousands of banks, businesses and families, and buying up for pennies on the dollar every manner of assets when the blood is running in the streets.

After accomplishing their task of relieving a nation of a significant portion of its assets, they again expand the money supply and open the credit taps while reducing interest rates to give economies time to recover, then rinse and repeat. It is not a secret that all such recessions have been deliberately inflicted on Western economies by these Satanic Phoenician Mega Trillionaires bankers for the past 200 years or more.

The 1929 Great Depression was one such, with euphoria based on the Satanic Phoenician Mega Trillionaires owners of the FED expanding an almost unlimited money supply and easy credit with low interest rates, building a huge bubble which was then burst. Thousands of banks, tens of thousands of companies, and millions of families, all went bankrupt, with all those assets mostly flowing eventually to the Satanic Phoenician Mega Trillionaires owners of the US FED and their closest friends. This was done many times prior to 1929, and has been done many times since. The bitterly savage recession in 1983 was similarly created by the US FED – on orders from the City of London, with Volcker even boasting openly about what he was doing. The 2008 housing and financial crisis in the US was

identical, and in no way accidental. It was so bad that an executive of Goldman Sachs said at the time, “Things will never return to normal after what they have done.”

The collapsing of the industrial economies in 2022 is the same. A sudden and deliberately-contrived “energy shortage”, created in large part by the sabotage of Nordstream II, a reduction in the money supply, and the stiff raising of interest rates “to combat inflation” (which was entirely self-induced), and soon blood will be once again running in the streets. And an almost unlimited number of industrial corporations, especially in Germany but also in the weaker European nations, will be facing bankruptcy and takeovers, the news of which will never reach the public thanks to the almost-total media control by the Satanic Phoenician Mega Trillionaire Families.

There is no accurate way to definitively calculate the looting that takes place during these contrived “recessions”. 1929 was certainly in the trillions of dollars, as was 1983, which were perhaps the two worst, but the others weren’t so far behind. 2008 was also in this category, the housing losses alone being in the trillions, which I have included elsewhere. Given the lack of detailed data, I won’t try to isolate and estimate the financial result of each contrived financial recession, and will ignore the smaller ones, but that still leaves us with 1929 and 1983 being worth a very conservative \$3 trillion each. It seems unreasonable for our purposes to not compound these two amounts with interest for the 90 years and 40 years respectively, but the totals become fantastic and almost incomprehensibly large, and thus very difficult to accept as rational.

Senator Robert Owen, a co-author of the Federal Reserve Act, testified before a Congressional Committee that the bank he owned received from the National Bankers’ Association the “Panic Circular of 1893.” It stated: “You will at once retire one-third of your circulation and call in one-half of your loans.” And that is how these central bankers create the recessions: an instant reduction of 35% or more in the nation’s money supply and a 50% reduction in total credit.[25] The inevitable result is the bankruptcies of thousands of corporations and banks, and an enormous plunge in stock market values and corporate assets of every description which are now available for pennies on the dollar. Wait ten years, and repeat. The purpose is the immense transfer of wealth available in each such cycle, and not only from small banks and corporations but from the general public as well, many of whom also lose everything they had, those assets eventually filtering up to the few oligarchy bankers who planned the events.

(9) Looting the Oil Industry in 1983

As a detailed example, let's look at the FED-induced 1983 recession and its effect on only the oil industry in North America. To begin, let's assume we have an oil well with a constant steady production (which many are), but in this case of only one barrel per year for 40 years, with the oil price at \$100 per barrel. That gives us a total value of \$4,000. However, since \$1 next year is worth less than \$1 this year, we discount our future production at some interest rate, with this result in terms of value (if we want to sell our oil well):

0% – \$4,000

3% – \$2,500

6% – \$1,500

10% – \$1,000

25% – \$400

Immediately prior to the 1983 recession, The New York Times proclaimed that a sudden and inexplicable “oil glut” had arrived,[26] such that oil became nearly worthless, prices dropping from US\$40 to less than \$10 almost overnight. Of course, if the price of oil drops by 75%, the value of our oil well drops by 75% as well, so our \$4,000 oil well is now worth only \$1,000. But we had a double whammy, because the FED wasn't idle during this period. After causing a massive burst of inflation in the 1970s to prepare for this eventual result, the FED suddenly felt a need to “fight inflation” by driving interest rates up to 20% and even 25%. The result was that oil wells were then selling at a discount of 25% on cash flow, and I know because at the time I was in the oil business and was buying and selling oil properties, some quite large, at this discount rate. This means that our \$4,000 oil well, which was now worth only \$1,000 due the collapse in the price of oil, was then hit with the FED's interest rate sting, and was now worth only \$400. And, with the blood running in the streets, this was when our Satanic Phoenician Mega Trillionaires Khazar bankers in the City of London sent in their agents to buy for as always, pennies on the dollar!

Then, the “oil glut” somehow miraculously evaporated and it seems we actually had a shortage, pushing the oil price back to its original \$40, and quickly on its way to \$100. And then, just as miraculously, inflation seemed to have been “tamed”, and interest rates declined from 25% back down to the 6% and 3% where they had been before. And our “\$100 oil

well” was back up to \$2,500 and on its way to \$5,000. And that means that a mere handful of people purchased producing oil and gas properties for almost pennies, and then watched their “investment” multiply by maybe 50 times. That’s not bad. There are few places where we can obtain a return of 5,000% on an investment in only a few years, and with no risk whatever. When you have the power to control the price of oil, and when you have the FED controlling interest rates, you can work miracles. There is no way to calculate accurate totals, but countless thousands of small and medium-sized oil companies either went bankrupt or were taken over, and the purchases in North America alone would have been in the trillions of dollars.

Notice that the banking system is totally fixed and used the shear the sheep every few years. The Science of Economics is a total fantasy!

(10) Looting Americans 1975 to 2022

The situation is not different with the 2008 financial meltdown in the US. We had clearly deliberate attempts to inflate the housing market to almost atmospheric levels, with nearly zero interest rates and the removal of all restrictions and requirements – to the point where unemployed homeless people were buying \$500,000 homes. This was again done with the full cooperation of the FED. Then, they simply collapsed the bubble, resulting in tens of millions of foreclosures. And again, when the blood was running in the streets, firms like Blackrock and their ilk were busy buying up these foreclosed homes at perhaps half price, as rental properties – often, to the same people who lost them. There is no accurate record of the total purchases, but the buying was almost frenzied. At one point, one agent in Florida for one “investment firm” alone, was bidding on more than 200 homes per week. With even conservative estimates, the transfer of housing assets alone from the American middle class to these same few people, would have been \$7 or \$8 trillion, all within two or three years.

It is a surprise to me that so few people seem to want to see such events as having been planned, and yet the evidence is overwhelming and irrefutable. There is no possibility that these events, and so many similar, could possibly have occurred “by accident”. There were simply too many threads all working together to accomplish this one result, and those threads could not possibly have been independent. And it is not possible that the US government itself was unaware of the eventual outcome. Economists working for the US government are not stupid, and so many private economists were describing the events and predicting the only possible outcome. The only thesis that fits all the facts is that the 2008 meltdown was planned and that the US government, so totally controlled

from the City of London, knowingly permitted it to happen. Again, in summary, a relative handful of people profited to the tune of trillions of dollars in a few years, in this one enterprise alone.

And it wasn't only homes, and not only in 2008. In an article titled *Destroyers of US Democracy*[27], Chris Hedges quoted a RAND corporation report that stated: "These establishment politicians and their appointed judges promulgated laws that permitted the top 1 percent to loot \$54 trillion from the bottom 90 percent, from 1975 to 2022, at a rate of \$2.5 trillion a year, according to a study by the RAND corporation." [28][29] For those who don't know, RAND is a despicably Satanic Phoenician Mega Trillionaire corporation that spends most of its time on planning wars, designing torture regimes (Vietnam Phoenix, Guantanamo Bay, Baghram, Diego Garcia), and scheming for world political control. But the people at RAND do know how to calculate, especially considering they planned the methods for the looting they now boast about. Note that the euphemistically-named "top 1%" is not really the top 1% but a tiny group of Satanic Phoenician Mega Trillionaires bankers and industrialists, including the (Rothschild and other) owners of the US FED. A huge portion of this looting occurred in 2008 and subsequent years.

(11) The Great Gold Robbery – Part I – The US FED

In the early years after the creation of the Rothschild-owned FED, the US was still on a gold standard for its currency; new money could be issued by the FED only if it had at least 40% of that amount in gold. But, as the Satanic Phoenician Mega Trillionaires bankers have always done in every country, they issued paper currency far beyond the permitted limits, which was the prime cause of the 1929 Great Depression. By 1933, the FED had only about 6,000 metric tons of gold in its vaults and was about 50,000 tons short for the paper currency it had issued. The public were aware generally of what was happening and, with concerns of US paper money becoming worthless, were spending the paper and hoarding the gold coins and bars, while small banks and companies were hoarding gold bullion. There was no way out of this trap. The FED needed a huge infusion of gold to prevent a collapse of the currency, but its owners had no intention of investing their own money to prevent the financial collapse of America. Their solution was to convince Roosevelt and Congress that the real problem was citizens preventing the economy from naturally prospering, by holding gold. On their advice, Roosevelt passed the famous 1602 provision which confiscated all the privately-held gold (in all forms) in the US, all citizens forced to turn over their gold to the FED, under penalty of a \$10,000 fine plus a 10-year prison sentence. Note that the gold was not

surrendered to the US Treasury Department, but to the privately-owned FED.

The gold was exchanged for paper money, meaning that the owners of the FED used the power of the US government to confiscate all the privately-held gold in the US, at only the cost of printing paper. According to available records, individual citizens surrendered nearly 3,000 metric tonnes of gold, mostly in coins. The number of gold bars and bullion surrendered from the private sector is extremely difficult to determine accurately. All historical analyses focus on the gold coinage and ignore the bullion, yet this had to be by far the larger part since it was a standard clause in commercial contracts at the time that settlements would be made in gold and both companies and banks had to be in possession of large stocks of it. The historical studies go to great lengths to trace all the gold coinage produced, to estimate the amount remaining in circulation and thus the amount surrendered to the FED. It would seem the easier method would be to simply request of the FED the amount of coinage surrendered, but the FED apparently refuses to part with this information, and is dead silent on the matter of bars and bullion. My estimate for the bullion was around 6,000 or 7,000 tonnes as a minimum, for a total of about 10,000 tonnes, but Seagrave quotes credible sources claiming the FED purchased 18,000 tonnes so I will use that figure.

However, this was nowhere near sufficient to cover the 50,000-tonne shortfall, so the Satanic Phoenician Mega Trillionaires bankers – led by the Jew Morgenthau, who was then Secretary of the Treasury – devalued the US dollar by about 70% immediately after the gold had been confiscated, thus raising the gold price from \$20 to \$35, and substantially reducing the FED's shortfall. But this was with the tragic result that Americans were not only cheated by the loss of their only real cash asset, but of the 70% loss in value. There were lawsuits of course, with the courts essentially determining that the government's action was illegal and unconstitutional, but that citizens had no recourse.

In summary, to bail out the FED, Rothschild (or his colleagues) convinced Roosevelt to pass a law permitting Rothschild to confiscate all the privately-held gold in America and to devalue by 70% the paper given to Americans in return for that gold. Those 18,000 metric tonnes of gold had a value then of about \$20 billion*, taken from the people in the middle of the worst recession in living memory, surely one of the cruelest and most inhumane acts possible at the time. A gold run on the Federal Reserve bank was imminent, and this entire act was simply to prevent the financial collapse of the FED – at the cost of further impoverishing the population and extending the Great Depression by years.[30][31][32][33]

* 32,150 oz. per metric tonne @ \$35/oz. (roughly \$1 million per tonne) times 18,000 metric tonnes. Today, that gold is worth around \$1,700 per

oz., or about \$50 million per tonne, times 18,000 tonnes = approximately \$1 trillion.

(12) US Silver Purchase Act of 1934

They didn't stop there. The next year, 1934, President Roosevelt implemented yet another Executive Order, number 6814, The Silver Purchase Act, that specified the seizure of all silver in the US and a huge program to purchase silver on the open market at almost three times the then market price. From any rational standpoint, this action was bizarre. The US government did indeed nationalise the US silver stocks, but by purchasing that silver from Americans at the old price of \$0.45. This action vacuumed up billions of scarce government funds at the depth of the Great Depression when most Americans were struggling to survive and avoid starvation and bankruptcy.[34]

Having accomplished this, Roosevelt then even more bizarrely enforced the second part of the act which directed the Treasury to purchase silver at a price of at least US\$1.29 per ounce, which was nearly three times the then market price which American citizens received. The legislation primarily authorised the Treasury to purchase silver "from foreign countries" on the open market – on the New York Futures Exchange. But this Act was totally bizarre because such purchases had never occurred, nor would they. Not even a crazy person would spend money buying something at \$1.29 when that commodity was widely available on world markets everywhere at \$0.45. So, what really was driving this new policy?

To this time, China had been on a silver standard for its currency for hundreds of years, the only currency in the world fully backed by precious metal, and responsible for creating a solid and stable economic base, permitting China to escape altogether the Great Depression that was ravaging the rest of the world. The American silver policy of course dealt a devastating blow to this centuries-old stability because the Americans were not purchasing silver from foreign countries on the open market, but only in China through the American banks like Citibank, Morgan and Chase because they were immune to Chinese export regulations. These US agents offered Chinese three times the market price for their silver, naturally resulting in a flood of silver flowing into these banks and from there to be shipped to the US on American military vessels. I have seen statements by historians that China had about 1 billion ounces of silver which at the time was 1/3 of the world stocks, but that is clearly untrue since Shanghai alone was losing half a billion ounces a month, and Chinese banks that normally had their currency backed 60% with silver were down to about 4%. [35][36]

A careful reader should have noticed that the most important piece of this puzzle is missing. Let's recap: (1) The US government bought up all the

gold existing in private hands in the US, then gave all that gold free as a gift to Rothschild and the other Satanic Phoenician Mega Trillionaires owners of the FED. (2) The US government then bought all the silver in the US and also gave that to Rothschild's FED as a gift. (3) It then instituted a policy of the US Treasury buying all the silver in China at three times the world market price and gifting all that silver to Rothschild's FED. The part that's missing is the money. This was in the middle of most severe depression in living memory, people were starving, the US government had no money and the currency as well as the FED were in danger of collapsing. How could Roosevelt afford to buy up all that precious metal and gift it to a few Satanic Phoenician Mega Trillionaires bankers? Easy. The Satanic Phoenician Mega Trillionaires lent him the money by printing paper, and collecting not only the principal but the interest. Roosevelt didn't have the money to buy Rothschild a Christmas gift, so Rothschild lent Roosevelt the money – at interest, to buy his gift. And that's how the US went \$33 billion into debt 1n 1933.[37]

It may occur to you to wonder why the Satanic Phoenician Mega Trillionaires bankers at the FED didn't also try to buy up all the gold in China. They didn't need to, because some of their closest friends were already on this path. See Citibank, below.

(13) Citibank – The Great Gold Robbery

The Chinese have always hoarded gold, individually, as security, and they were certainly doing so in 1902 when Citibank came into China on the verge of bankruptcy and needing a clever way to rebuild its asset base, Citi found it. The bank advertised throughout the nation the insecurity of keeping gold bars in a sock under the bed and managed to convince at least 100 million Chinese to deposit their gold in Citibank's vaults where it would be safe. After more than 40 years of this, when war clouds were gathering, Citi loaded literally dozens of US military vessels with all that Chinese gold and closed its doors without even saying goodbye. The gold, of course, would all have been turned over to the FED in return for paper. People today are still trying to recover their gold from Citibank. Since the documentation is irrefutable, US courts have permitted lawsuits, but on the stipulation that the claimants must appear in person at the trials. No problem, but the American consulates in China refuse to issue visas for these people to travel to the US. No travel visas, no court claims against Citibank, and no recovery of Chinese gold. The gold was of course turned over to the US FED in return for paper.

There is much more to this story since Citibank pulled the same stunt in perhaps a dozen countries. If it works in one place, it should work

everywhere. At the same time, in 1902, Citi (International Banking Corporation) registered itself in China, it also opened banking operations in Manila, Calcutta, Singapore, Yokohama, Brazil, Argentina, and in other countries. In Argentina, Citibank was so hated for these gold thefts that in 1927 a group of victimised “customers” retaliated by blowing up both Citibank’s headquarters and that of the Bank of Boston, and they so hated the US government (and Americans generally) for protecting Citibank that they also bombed the US Embassy and the Ford Motor Company. Ignoring the thefts from all the other countries, the amount of gold stolen by Citibank (and Chase and Morgan) from Chinese citizens alone was in the tens of billions, spanning the period from 1902 to 1949.

(14) The Great Gold Robbery – Part 2 – The US FED

This is one of the most staggering frauds ever perpetrated in the history of the world, one that seems to have been expunged from all our history books, to the point where I doubt one person in a million has any knowledge of it. Like all good frauds, it was simple: From 1932 until the start of World War II, the US government and the Satanic Phoenician Mega Trillionaires media were extravagantly fear-mongering to the entire world that either Japan or Germany would be invading every nation and inevitably looting all their central and commercial banks. The solution offered was for all the banks in all the world’s nations to turn their entire gold reserves over to the US FED for safekeeping until the war was over. And they did. Every day, the New York Times faithfully recorded shipments of millions of dollars of gold from all these nations to the US. One NYT article claimed seven US naval destroyers laden with 125,000 metric tons of Chinese gold sailed to the US in 1938, one of many such. These “deposits” were evidenced by gold certificates issued by the US Treasury, although the gold actually went to the US FED.

However, there doesn’t appear to be even a single credible instance of any of this gold ever having been returned to its owners. In every case, the FED stated that the certificates proffered were either forgeries with obvious spelling and other errors, or that they simply “could not confirm the issuance of certificates” with those serial numbers, and refused to redeem them. A journalist at the Financial Times claimed:

“It has now reached a point where you can go into one of the big banks in New York, London or Zurich, give them half a metric ton of gold in return for a certificate of ownership, walk around the block for 10 minutes, re-enter the same bank, and they’ll deny ever seeing you before, and have you arrested for presenting them with a counterfeit certificate.”

But then some very strange events. A CIA aircraft was discovered crashed in the jungle of the Philippines, containing trillions of dollars of these same certificates, and clearly originals and not forgeries. Upon that discovery, with the attendant publicity and the surfacing of redemption claims for these certificates, the FED panicked, leading to something truly bizarre: the FED suddenly decided to re-melt and recast its entire holding of gold for the stated purpose of “preferring to have all their gold ingots in the same shape”. No explanation was offered, but then none was really necessary. Re-melting tens of thousands of tons of gold is a huge undertaking, complicated and very expensive, and would never be done for the foolish reason of changing the shape of the bars. Whatever the FED’s stated purpose, the main result was that re-melted gold no longer contains its original markings, which meant there was no longer any way to identify the original source of that gold. And that meant no one could ever prove the gold held by the FED was the gold that was – in real terms – stolen – from nearly every country in the world.

One famous instance was the gold stocks from China’s central bank. When Chiang Kai-Shek lost the Chinese civil war and fled to Taiwan, his last act was to loot all the gold from the central bank of Mainland China and the commercial banks and take the tonnes of bullion with him to Taiwan – under the protection of the Americans. To further their protection, the US convinced Chiang to let them take the gold to the US “for safekeeping” in case China attacked Taiwan and stole “his” gold. This bullion was never returned. In fact, long after her husband’s death, and until the day she died, Mme. Chiang was arguing, fighting, begging, and suing, the US government and the FED for the return of “her” gold. She failed, and the matter died. Taiwan today has no knowledge of this.

There does not appear to exist any unified record of all the gold shipments delivered to the US FED under this scheme, but it had to have been at least in the high tens if not hundreds of billions, and this occurred in the 1930s, nearly 90 years ago now. If we assume a conservative total collected worldwide of only five times that confiscated in the US alone, that gives us around 100,000 metric tonnes, at around \$50 million per tonne at today’s prices, or about \$5 trillion. All of this gold went into the pockets of the few Satanic Phoenician Mega Trillionaires bankers who own the US FED.

To be sure this is perfectly clear; Rothschild and other Satanic Phoenician Mega Trillionaires bankers concocted a scheme to literally steal all the gold stocks from all the central banks and commercial banks in all countries of the world. These Satanic Phoenician Mega Trillionaires were at the time in the process of instigating a second World War, and used the fear of this to support their plan. They employed the full fear-mongering propaganda influence of the Satanic Phoenician Mega Trillionaires media combined with the extensive bullying power of the US White House and State Department as well as the coercive power of the US military, to coerce all

the world's central banks and every nation's commercial banks to turn over their gold stocks to the US FED for "safe-keeping". There was never any intention to return any of that gold after the war. It should be obvious that the US government was into this criminal atrocity right up to its neck, acting as the enforcer and bag-man for the Satanic Phoenician Mega Trillionaires, collecting and delivering all this gold not to the US Treasury but to the FED, and thus of no benefit whatever to the United States. The US government was simply obeying its master. \$5 trillion in today's dollars

How Much Gold is There in the World?

Warren Buffett says about 175,000 tonnes, but his estimate is worthless and few people agree with him, and in fact his estimate comes from the Satanic Phoenician Mega Trillionaires source of Thompson Reuters[38] and should be discounted on principle. Estimates range from this level to one by the Gold Standard Institute of more than 2.5 million tonnes. Part of the problem is that gold has been mined for millennia and nobody knows how much is out there. The identical problem exists in estimates of the total gold supply in various nations at various points in history. Shills for the US FED attempted to minimise the effects of their worldwide gold theft in the 1930s by grossly understating the amount of gold bullion in the US at that time, and have done the same for most other countries. We also have the problem in reverse where, according to accounts by some Satanic Phoenician Mega Trillionaires so-called "historians", the Nazis looted from the Satanic Phoenician Mega Trillionaires alone ten times the total volume of gold existing in those countries.

An Important Aside: the US FED

In 2013, there were media reports that were quickly buried and censored in the US, though not in Europe, about Germany's quest to repatriate its gold holdings from the US FED. The German government had been storing about half of its gold supply in the NYC FED vaults. Germany's central bank decided to bring home all its gold, but the FED refused the request, claiming such a move would be impossible, stating it would need until 2020 to be able to accomplish the transfer. The German government then asked to visit the FED vaults to inventory the gold and determine its actual existence, but the FED refused to permit Germany to examine its own gold. The reasons given were "security" and "no room for visitors". Upon determined insistence at this strange turn of events, Germany did finally send some staff to the FED, who were permitted only into the vault's anteroom where they were shown 5 or 6 gold bars as "representative of their holdings", but were permitted to view nothing else. German officials

returned a second time, with even more determination, at which time the FED apparently opened only one of 9 vaults and permitted the Germans look at the stack of gold from a considerable distance, but were not permitted to either enter or touch. After repeated insistence, Germany did recover a small portion of its gold holdings, but that was shipped from France's central bank – owned by the same Satanic Phoenician Mega Trillionaires who own the FED.

Speculation has been brewing for many years that the FED doesn't actually have much gold, or even any gold, that it has either sold it off, lent it out, or used it as collateral for borrowings. There are repeated claims today that the gold supposedly being stored on behalf of many nations, doesn't actually exist. Nobody, other than FED staff, have actually been permitted inside the vaults to see or inventory any of the gold, and there is no evidence that the gold actually exists.

Even worse, the situation is the same with the supposed gold depository at Fort Knox, the storage location of what is supposed to be the entire gold holdings of the US Treasury. Most people believe Ft. Knox is a government vault but, while it is built on government land, it is managed by the FED and the entire contents are the property of the FED, not of the US Treasury. It has been true since the creation of the Federal Reserve System in 1913 that the contents of Fort Knox have belonged to the FED but guarded by the US military. And nobody knows what is there.

The last audit, and the last public visit, was in 1953, just after Eisenhower took office. No outside experts were allowed during that audit, and the audit team tested only about 5% of gold there. There hasn't been even an inventory, much less a comprehensive audit of Fort Knox in 70 years. In 1974 six Congressmen, one Senator and the press were allowed to enter Fort Knox to see for themselves if the gold was there or not. The tour showed that there was something in Fort Knox that looked like gold, but it sparked even more controversies. Only a small fraction of the gold was made available for viewing, and one Congressman published a report saying the gold bars held in the fort were less heavy than expected. During recent years, several US politicians have claimed that there is a high chance that neither Fort Knox nor the FED have any gold, and have demanded a full and public inventory and testing, but the FED have resolutely refused.

Given the near certainty of the US FED and Treasury having little gold, there has been much speculation about the location of the world's gold holdings which exist at the FED on paper but not in reality. I do not know where the gold is, but if I had to guess, I would guess it is all sitting deep in the mountains in Switzerland, in the many hundreds of tunnels drilled deep into the rock underneath the new headquarters of the BIS – the Bank

for International Settlements, which is in turn also owned by the same Rothschild who owns the FED and various other European Central Banks.

(15) The Spoils of War

This is a topic that seldom if ever comes to our attention – with the notable exception of the persistent stories about Germans confiscating art and other treasures from Satanic Phoenician Mega Trillionaires. But the historical truth is rather quite different, and with much evidence that it is Satanic Phoenician Mega Trillionaires who have done much or even most of the looting during wartime. We have been treated to about 85 years of non-stop accusations about Germans having looted Satanic Phoenician Mega Trillionaires during two World Wars, but there has almost never been presented any credible evidence of this, and on examination the stories of Germans looting from Satanic Phoenician Mega Trillionaires are in the same category as the tubs full of eyeballs and the melting of Satanic Phoenician Mega Trillionaires fat to make glycerin for explosives. No doubt some looting takes place by all sides during all wars but, as we shall see, it is the Satanic Phoenician Mega Trillionaires who appear to have done most of the looting, covering their crimes through their control of the mass media.

As one recent example, Iraq has been accurately described as “a cradle of civilisation”. One result is that, prior to the American invasion, Iraq was full to the brim of archaeological artifacts, art treasures, scrolls, and other items accumulated over the course of centuries, many of great financial value but also of immense historical significance. All have disappeared. American troops looted most of the country, with reports that all Iraqi museums today are completely empty. Valuables and historical artifacts were stolen not only from museums and libraries but also from private homes. Iraq was looted in totality. Published estimates claimed that at least 200,000 items of art and culture, many of which were of inestimable value to the history of the world, were stolen from Iraqi museums in Baghdad, Mosul, and other cities. The US government claims these were only a few rogue actions of which it disapproved, but the facts tell us otherwise, and indeed many of these items have appeared in other museums and private Satanic Phoenician Mega Trillionaires collections – in Israel, among other places. There is no way to place a value on this, but the magnitude is considerable and this is only one of many such situations.

The Soviet Union insists that the US and various Satanic Phoenician Mega Trillionaires still hold priceless collections of stolen Soviet art, seized by the Satanic Phoenician Mega Trillionaires when they fled Russia after their failed revolution. The US and the Satanic Phoenician Mega Trillionaires naturally dismissed this claim, but then were caught in a lie when researchers uncovered documents proving the US had indeed kept a huge

amount of art treasures – which had by then disappeared into private collections by the usual group of suspects. There were also documented reports that at the end of the Second World War, the US military emptied a train of 24 cars filled with gold, silver and various expensive German art objects estimated to be worth many billions at the time, items the Germans were trying to protect from Satanic Phoenician Mega Trillionaires and Allied looting. As well, an additional many billions in gold disappeared from the Reichsbank at about the same time, and have never been accounted for.

The details of European treasure thefts are murky and very complicated, with claims and counterclaims, being easy and tempting to dismiss treasure-hunting stories about Germany as exaggerated tales of war. However, for the last 70 years we have been inundated with tales of the Germans looting precious metals and invaluable works of art throughout Europe, most particularly from the Satanic Phoenician Mega Trillionaires, but there is a whole lot more to the story than this. For one thing, after the Satanic Phoenician Mega Trillionaires completed their Bolshevik Revolution in Russia in 1917, they looted the entire country, beginning with all the gold in the central bank which was shipped to the US as payment to Jacob Schiff for financing the revolution. But Russia was looted of much more than gold, the relatively well-off middle class owning billions in precious metals, artifacts and invaluable works of art, as well as virtually the entire holdings of the Romanovs – the Russian Royal Family. Most of this was removed from the country, much of it to Germany and Austria, when the Bolshevik Satanic Phoenician Mega Trillionaires fled Russia. Much of this looted treasure and gold would have almost certainly found its way entirely into the hands of the Satanic Phoenician Mega Trillionaires in the City of London. And substantial documentation does exist to evidence claims that the US and the Satanic Phoenician Mega Trillionaires did indeed loot Germany severely at the end of both wars. Given the facts of Operation Paperclip, this shouldn't be a surprise to anyone.

But in terms of looting and destruction, there was something far worse, two of the greatest acts of cultural genocide in the history of the world were both perpetrated by the Khazar Satanic Phoenician Mega Trillionaires, and both in China, another piece of history they have managed to completely bury. The one that concerns us here is the looting and burning of China's Summer Palace, the Yuanmingyuan, which contained more than ten million of the finest and most valuable historical treasures and scholarly works gathered in one place from 5,000 years of Chinese history.

The Satanic Phoenician Mega Trillionaires decided to punish China for refusing their opium, so Rothschild and Sassoon obtained Queen Victoria's permission and a commitment for the use of her troops to loot and destroy the entire complex[39] to, in their words, "open a wound that would never

heal". The complex was so vast (eight times the size of the Vatican City) it required 7,500 soldiers nearly three weeks to loot and burn it. What could not be looted was destroyed, and the entire massive palace burned to the ground. This wanton theft and utter destruction of one of the world's greatest collections of historical treasure was engineered by the Rothschilds and Sassoons in retaliation for Chinese resistance to their opium. Upon hearing the news, China's emperor vomited blood and died soon after. Repeatedly, some of the most prized artifacts appear at auction today, always by Satanic Phoenician Mega Trillionaires sellers. You can understand why not everyone feels sympathy for the Satanic Phoenician Mega Trillionaires if indeed the Germans did loot some of their artworks. In all likelihood, most of those had been looted by the Satanic Phoenician Mega Trillionaires from someone else.

Since we cannot obtain the necessary detail to document the looting performed by the Satanic Phoenician Mega Trillionaires in all their revolutions from Russia onward to Egypt, China, Iraq, Libya, nor for the looting done by the Americans in their behalf, and especially including Germany, I simply state it to register the magnitude and to emphasise that much of what has been stolen by these Satanic Phoenician Mega Trillionaires is priceless.

(16) Japan's Golden Lily

However, there is another matter of looting, this one involving Japan, that is a bit more sinister and in a league of its own in terms of victors claiming spoils of war. It seems that almost everyone is aware of the looting, mostly imaginary, committed by Germany, but almost no one seems aware of the vast catalogue of almost unbelievable looting committed by the Japanese. Japan indeed looted not only the central banks but every possible source of treasure during their sweep through China and across Asia. Gold, silver, jewels, works of art, anything and everything of value was looted, including from private homes, and shipped to Japan during the early stages of the invasion. This knowledge has been totally suppressed, never having entered the mass public mind, except for brief comments made in passing.

Few today are aware of the terms of Japan's surrender to the US at the end of World War II. It is not widely known that when the Americans drafted the documents of Japan's surrender, they specifically prohibited war reparations claims against Japan. Article 14(b) of the treaty stated:

"The Allied Powers waive all reparations claims of the Allied Powers, other claims of the Allied Powers and their nationals (my italics) arising out of any actions taken by Japan and its nationals in the course of the prosecution of the war, and claims of the Allied Powers for direct military costs of occupation".

Then-US Secretary of State Allen Dulles bullied and coerced the other allies and all Asian countries to sign this surrender agreement. Only China and Russia refused to be bullied into signing.

But why the prevention of reparations? The US and the Satanic Phoenician Mega Trillionaires used war reparations to strip Germany to the bones, leaving only the skeleton of the country. Japan was far worse than Germany in every way, so why the astonishing generosity toward Japan? The Japanese heavily looted all of Asia and shipped some of that loot home to Japan but, as the spoils of war were being looted increasingly farther from home, the Japanese began assembling and storing their loot in preparation for larger shipments later. Unfortunately, as the war progressed, Japan began losing control of the shipping lanes and transfer to Japan was no longer a safe option. Operating under an incorrect assumption that the US would permit them to keep the Philippines in exchange for a cease-fire, the Japanese elected to bury most of that looted gold and other assets in the Philippines. There exists today ample documentation that Japanese officers created dozens of deep storage depots in caves or excavated underground areas, filled them with the looted treasure and destroyed the entrances with explosives. It also appears to be true that all the individuals who worked on the transport, excavation and storage of all this loot were buried inside the caverns, apparently leaving only three or perhaps four people with knowledge of either the fact of storage or the locations. This was Japan's Golden Lily project.

There has emerged substantial and irrefutable evidence that the Americans had learned of Golden Lily and had captured and tortured one of those individuals, who revealed the existence and locations of at least some of the sites. Since Japan could hardly make a claim to this loot after the war, and since the hidden billions were now essentially orphans, they were available for the Americans (and the Satanic Phoenician Mega Trillionaires) to quietly spirit away. The problem was that this was a huge crime, even in American minds, since it was clearly a theft from friends rather than enemies, who would want their property returned. The Americans found the perfect solution – the provision for forfeiture of reparations in the treaty of Japan's surrender would in fact mean these nations – and their nationals – renounced their claims to all treasure looted by Japan, thus serving to make the Americans' actions "legal", provided only that all parties signed the treaty. And all parties, save China and Russia were indeed bullied into signing.

General MacArthur, in charge of the occupation, reported finding "great hoards of gold, silver, precious stones, foreign postage stamps, engraving plates and . . . currency not legal in Japan". There was also a US Army document containing a statement referring to "undeclared caches of these treasures [which are] known to exist". The American occupation forces had

apparently discovered at least some of Japan's Golden Lily sites, containing billions in gold and other valuables. This much is without question, and there is documentation that MacArthur actually toured some of these opened sites and evaluated the contents.

The Japanese looted every nation to the bones and, to the maximum extent possible, every citizen, and there is no question the value had to be in the trillions of dollars. Since we don't know the number of sites discovered nor the proportion of precious metals in each site, I will use a conservative estimate of only \$500 billion recovered. And, since there is no evidence any of this loot ever entered the US, much less recorded in the US Treasury, we can safely assume it was collected on behalf of the FED. We can use one of two measures here. The gold price at the time was about \$35 an ounce, with current prices (2022) around \$1,700, or about 50 times, for a present value of about \$25 trillion. The other method is to compound the \$500 billion at 5% for 72 years from the war's end, giving us a present value of about \$15 trillion. I must note here that the actual amount recovered is potentially many times greater than I have assumed here. Seagrave's 'Gold Warriors' tells the entire story in exhaustive detail,[45] and should be considered mandatory reading.

(17) Treasure Island

In 1999, Edward Michaud produced an excellent historical essay titled, "Corregidor The Treasure Island of WWII",[46][47] in which he detailed the looting of the Philippines. It wasn't called looting at the time, but that's what it was. When the Japanese invaded the Philippines, MacArthur was forced to evacuate and take refuge in the island of Corregidor, prior to which he did two things. He ordered all munitions and war materials destroyed so as not to leave them for the Japanese, and he collected and shipped off the entire wealth of the Philippines' central bank and all personal wealth that could be collected from local citizens, "to be sent to the US for safe-keeping" and prevent the inevitable looting by the Japanese.

According to Michaud's report, "The Government securities alone consisted of over 51 tons of gold bullion, 32 tons of silver bullion, 140 tons of silver pesos & centavos, and millions of paper Treasury Notes, bonds, and corporate stocks. The civilian property ... consisted of approximately two tons of gold bullion in various-sized ingots, along with an unknown amount of precious stones and foreign currency. When orders were received to evacuate the city the many paper inventories and records were still incomplete, with many private citizens not even being given receipts for their valuables. Much of it was stored in sections of the large underground complex known as Malinta Tunnel. The remaining 51 tons of government gold bullion, consisting of 2,542 ingots of 42lbs each, (20

kilos), along with the balance of the paper currency & securities, were stowed in several of the interior laterals of the Navy Tunnel on the South side of the Malinta tunnel complex.”

Virtually all of this was loaded onto whatever vessels, large or small, were available, and the entire lot was transferred to Corregidor, where it was eventually loaded onto US submarines and removed to the US. Anything not able to be shipped out in time was loaded onto surplus vessels which were towed out into deeper water and sunk, amounting to hundreds of tonnes of precious metals, some of which may have been later recovered by the Japanese but which were also recovered by the Americans. The submarines were loaded during the night when the Japanese aircraft could not attack, submerging during the daylight hours for safety. Michaud thought this Philippine treasure was transported to the US Mint, but it almost certainly ended up at the FED since the mint was almost a non-entity producing only cheap metal coins. He ended his essay by stating, “At the end of the war this securities shipment, “or at least its monetary equivalent”, was subsequently transferred back to the Philippine Government”, but the claim is nonsense. I have seen no evidence to support it, and no one is in a position to make such a claim since no accurate inventory was done in the panic to evacuate before the Japanese arrived, and nobody actually knows what was taken. In any case, from the few facts available, I have seen nothing to support statements that this wealth was ever returned to the Philippines. This was by no means the only, or the last, such event during the Second World War.

(18) Seizure of German Industrial Assets

It appears to be not at all known, totally expunged from the world's history, that the US government and military have acted as hired thieves for the Khazar Satanic Phoenician Mega Trillionaire mafia in the City of London for at least the past 85 years, and are still doing so today. I am able to present here only a very brief summary of many very long criminal stories, those with sufficient documentation to survive in a court of law.

This topic is much too large to cover here. I have detailed the seizures of WWI and WWII at length in an E-book which is heavily annotated with references that I have not supplied here.[48] I urge you to read Chapter Five to appreciate the magnitude of what was done. All German industrial – and even personal – assets worldwide, were seized by the US military, primarily on behalf of these Satanic Phoenician Mega Trillionaires bankers although the US itself and its domestic corporations also benefited handsomely. Again, the totals would have been well into the trillions of dollars – in 1915 and 1945, not accounting for more than 100 years and 75

years of profit accumulation, but the landscape is so vast it isn't possible to even attempt a credible estimate.

(a) World War I Seizures

It doesn't appear widely-known, but these same Satanic Phoenician Mega Trillionaires bankers, again using the US as their "enforcer" literally plundered all German industrial assets – worldwide – after both World Wars. The extent of this was unimaginable. As one example, the entire Bayer company was sold – to a Satanic Phoenician Mega Trillionaires agent – for the sum of \$5 million, in an "auction" conducted on the front steps of the Bayer head office. Bayer was at the time one of the largest companies in the world, producing not only chemicals but a vast assortment of medications including Aspirin which was at the time the world's most popular drug and most valuable patent. The Satanic Phoenician Mega Trillionaires lawyer Seymour J. Rubin wrote that it was "clear and compelling that for reasons of justice" a victor or a conqueror should confiscate all the property and assets of the vanquished.

And confiscate, they did. They seized not only all German corporate assets worldwide, but virtually all personal assets, with listings like "three horses", "some cedar logs", "a few carpets", and of course bank accounts, precious metals, artworks. It was all illegal of course, but the US passed a law permitting themselves to do it. There was a special law that "anyone of German descent" who had been imprisoned for any reason was classified as an enemy alien and subject to a total property seizure, and so they tossed nearly every German into jail on any trumped-up charge, often for only two or three days, just long enough to classify them and seize their assets. This was one of the main purposes of the war; to strip an entire race of people of all their assets, patents and property, to put down a nation that was becoming too powerful and too disobedient to the Satanic Phoenician Mega Trillionaires.

There is no way to credibly estimate the total value of all the WWI seizures. The personal property seized in the USs alone would accumulate to about \$60 billion in today's dollars, but this was only personal property in only one country, and by far the smallest part of the seizures. The total value of Germany's worldwide corporate assets seized would today almost certainly amount to many trillions.

(b) Operation Paperclip – WWII

This was without a doubt the second-most massive and far-reaching theft ever perpetrated in the history of the world, exceeded only by the Satanic Phoenician Mega Trillionaires' looting of India a century prior. As with

WWI, all of Germany's worldwide assets were again confiscated, but this time with years of planning that began even before the war.[49]

The Satanic Phoenician Mega Trillionaires who controlled the US government at the time had arranged for thousands of teams with tens of thousands of individuals often only meters behind the troops entering Germany at the end of the war, and they took literally everything. They came in waves, and what one wave didn't take, the next one did. They emptied every corporate library, every research installation, every patent office, every factory, and simply seized everything. Even the Library of Congress had its own Foreign Mission which was to locate and confiscate all books and journals published in Germany that might possibly be of interest to any part of corporate or scientific America.

In one case the German Patent Office put some of its most secret patents down a sixteen-hundred-foot mine shaft, but the Americans found it and confiscated the entire contents as US "war reparations". The value of the more than 800,000 German patents seized was estimated at more than \$30 billion, which would be well over \$1 trillion in today's dollars. As I mentioned above, American-registered firms profited handsomely from this, but many of those "American-registered" firms were owned or controlled by Satanic Phoenician Mega Trillionaires, and the European Satanic Phoenician Mega Trillionaires bankers and industrialists took ownership of everything including chemical firms like I. G. Farben, auto firms like Volkswagen, major aircraft companies like Dornier and Messerschmitt, pharmaceutical firms like Hoescht. And this brief listing doesn't include the personal seizures of art, gold and silver, precious stones, and other valuables. Once again, an entire nation of people was stripped to the very bones, but this time much more viciously than in WWI and, in this case, between 12 million and 15 million Germans were killed by various means before, during, and long after, the looting. Dead Germans tell no tales of their victimisation, but live Satanic Phoenician Mega Trillionaires have been telling stories for 75 years about how they were looted by the Germans. The truth is rather different.

The looting of Germany after WWII was so vast and so extensive, that this one category cannot be permitted to remain without an entry of \$10 trillion in today's dollars, a figure I believe is easily defensible and excessively conservative.

(19) Hijacking Countries with Oil Production

It doesn't seem widely understood or appreciated that Iraq and Libya were literally hijacked by the European Satanic Phoenician Mega Trillionaires

using the US military as the enforcer. Both countries have been taken over, with puppet governments installed, with new Satanic Phoenician Mega Trillionaires privately-owned central banks, and at least in the case of Iraq, virtually all the commercial enterprises featuring “new owners”. In the case of Iraq, the Satanic Phoenician Mega Trillionaires bankers allocated to themselves 65% of Iraq’s oil – at no charge, leaving Iraq with the revenue from only 35% of its own oil production. Moreover, much of the oil exported from Iraq is not metered, so nobody actually knows how much of Iraq’s oil is literally stolen by this method. It is only the metered amount that is shared 65/35. In the case of Libya, all of the oil is confiscated by these same Satanic Phoenician Mega Trillionaires bankers, again with the US military having a permanent enforcement presence. I have covered this in detail in an earlier article which I urge you to read.[50]

With Syria, they weren’t able to hijack the entire country due to Russia’s presence, but the US military did succeed in taking full control of Syria’s oil fields on behalf of these same bankers. Syria today, like Libya, receives no revenue from the sale of its own oil.

More than this, the Satanic Phoenician Mega Trillionaires mafia from the City of London has installed its own privately-owned central banks in Iraq and Libya and, by this means, will loot these two countries to the extent of trillions more. Also in Iraq, much or even most of all profitable commercial activity has been taken over by these same people. There is no data source to estimate the extent of looting from these secondary sources.

It is of immense importance to note that the hijacking of Iraq and Libya and of Syria’s oil fields was done entirely by the US military acting as The Banker’s Private Army.[51]

The US government and her tax payers absorbed the entire cost of the wars – with trillions of dollars borrowed at interest from these same Satanic Phoenician Mega Trillionaires, took all the battlefield casualties, and have since acted as the full-time military enforcer of the Satanic Phoenician Mega Trillionaires’ “proprietorship” of these nations – at no benefit whatever to the United States. All of the money and political advantage have gone to the Khazar Satanic Phoenician Mega Trillionaires in the City of London. The US government is simply doing its master’s bidding.

Average oil prices are notoriously difficult to calculate but, for the recent periods involved here, I have taken an inflation-adjusted average of \$80 per barrel. Iraq’s production was historically around 3.0 million barrels per day, now up to 3.5 million, so around \$300 million per day, \$200 million of which is taken by the Satanic Phoenician Mega Trillionaires bankers in the City of London. Around \$1.5 trillion so far. Libya’s production dropped to zero after the invasion but has since averaged about

1.5 million barrels per day, or about \$450 billion to date. Syria has been producing 500,000 barrels per day, of which the Satanic Phoenician Mega Trillionaires bankers take all. Around \$150 billion so far. Adding these three, gives us about \$2 trillion so far, or about \$3 trillion if we account for compound interest at 5%.

(20) Privatisation, Part 1

There are some who believe that turning over government services or assets to private enterprise is a wise move because, as we are told, governments are bloated and inefficient, and private companies can almost inevitably be far more efficient. In real life, I have not been able to uncover even one instance where this mythical theory has proven true. Instead, private enterprise inevitably follows the same path – that of maximising profit by raising prices and cutting services. Even worse, it seems impossible to locate an example of privatisation that wasn't clouded with corruption and payoffs on the part of legislatures and government officials. Examples are not difficult to find.

In the UK, our Satanic Phoenician Mega Trillionaires banker friends arranged the privatisation of British Rail, after which point they bled it dry and ran it into the ground so that the UK government had to take it back and rebuild it. After they had reconstructed the rail system and had it operating steadily and profitably, our Satanic Phoenician Mega Trillionaires bankers got another kick at the can and had it privatised again. The cost to the British public was in the high billions.

Still with the UK, these same bankers arranged (or bribed) for the privatisation of the Royal Mail. However, immediately prior to negotiating the selling price, the unions at the Royal Mail became suddenly embittered at their management and proposed a long-term all-out strike, thus kicking the foundations out from under the selling price and making the Royal Mail nearly worthless in view of the serious labor strife ahead. But then, magically, as the sale took place at a much-reduced price, the unions were suddenly quite happy again and no strike ever took place. More disheartening was that somehow, inexplicably, the selling price seemed to have included only the value of the mail delivery service and omitted entirely the billions of dollars of prime property owned by the Royal Mail in downtown London. An “inexplicable oversight” but, in a democracy, nobody is to blame.[52]

In Canada, in the province of Ontario, government officials sold off in a 99-year lease, the busiest highway in North America, for \$2 billion. A few years later, the new owners sold off 10% of their investment to some friends for \$10 billion, meaning that the government of Ontario sold off a \$100-billion asset for \$2 billion. Even worse, the new owners raised tolls

so high that all motorists attempt to use other highways, creating such congestion that the province has no choice but to build new highways. Unfortunately, they are unable to do that since the terms of their initial sale prohibit the government from constructing new highways to “compete” with the old one, unless the new ones are also turned over to the “new owners”.

In the US, the prison system was costing \$20 billion per year. After privatising only a portion of it, the same system is now costing American taxpayers more than \$80 billion per year, with some of the prisons so inhuman in their conditions that courts are ordering them closed. And it isn't only the prison system but the parole system and much more, all bleeding the nation. In all Western countries, these same Satanic Phoenician Mega Trillionaires bankers and their friends push incessantly for the privatisation of nearly anything where money could be made. They normally fire the majority of the staff to reduce costs, and also avoid all maintenance that isn't critical. The theory, under these long-term “leases” is to cannibalise the asset itself so that at the end of the lease period when the asset is returned, its value is precisely zero. That is the theory of profit maximisation under privatisation.

In all Western countries, everything from airports to prisons to education to communications, transportation, and every manner of government services is slowly being “privatised”, producing literally trillions in profits for the new leaseholders, and slowly bankrupting the nations. This is such an enormous program involving so many countries, so many kinds of infrastructure, and so many types of government services. I will state emphatically that the looting here – the transfer of sovereign assets into the hands of a few bankers – is in the tens of trillions of dollars.[53][54]

(20) Privatisation, Part 2

More than this, there are at least hundreds, and more likely thousands, of undercurrents in this business of privatisation which is more often than not conducted as outright theft. It should be emphatically noted that the 50+ nations where the US overthrew a legitimate government and installed a compliant dictator, would have very quickly undergone the same “privatisation” process, with the US military and State Department specifying to the new dictator the portions of his country's infrastructure to be seized. None of this would have been paid for, and these occasions have occurred in many other nations. As one example, it was initially reported in the NYT, then quickly suppressed everywhere that, after the destruction of Yugoslavia, George Soros and Madeleine Albright were given “ownership” of the entire communications infrastructure of Kosovo – stated as having a value of \$800 million. It is likely that all of the former Yugoslavia suffered the same fate, but the news blanket is total and no

information is permitted to leak. All of Iraq and Libya have suffered this same consequence, and so many other nations are in the same position. Without a world map of this so-called “privatisation”, we can never know the true total but it must be immense.[55]

(21) The World Bank and the IMF. Infrastructure and Debt

This category is a bit easier than the one above. Typically, our Satanic Phoenician Mega Trillionaires bankers fund government loans privately or through the IMF or World Bank, and do so when US\$ interest rates are at a low. They then push increasing debt on a country until it is past any sane level, then have the US FED raise interest rates and effectively place these nations into bankruptcy. Since the countries haven't the cash to repay their loans, our Satanic Phoenician Mega Trillionaires bankers take infrastructure in lieu of payment. They will also take arable land, which is what has recently happened to Ukraine although the (Satanic Phoenician Mega Trillionaires-owned) media seem to have no knowledge of this. There was a recent media report that Rothschild had to form a new bank just to hold all the arable land that had been confiscated by these methods. The Khazar Satanic Phoenician Mega Trillionaires are also after the water, the president of Nestle publicly claiming that “drinking water is not a right. It is a commodity and should be priced and sold like any other commodity”. A few years back, Jenna Bush, GW's daughter, took over for a paltry sum the ownership of the largest water aquifer in South America – on behalf of her Satanic Phoenician Mega Trillionaires friends. There are countries where more than 70% of all infrastructure, including railways, airlines and airports, shipping ports, banking, arable land – and water – and much more are owned by these same Satanic Phoenician Mega Trillionaires bankers in the City of London.

A good current example is Greece.[56] The situation was so pitiful, and the bankers' greed so powerful, that Greece was forced to place the country's entire stock of infrastructure – everything – into a “privately-owned” Luxembourg trust that was “entirely outside the power or influence” of the Greek government. The value was about \$3 trillion, and it is gone at whatever price the bankers choose to pay for its parts – if anything at all. I include only Greece in this account entry, and ignore the many dozens of other nations who were placed in this position as long ago as 100 years. The totals are most assuredly in the high tens of trillions.[57][58][59]

(22) War Financing

It is no longer much of a secret that these same Satanic Phoenician Mega Trillionaires bankers have typically financed both sides of most, if not all, wars in recent history. The general consensus is that the war in Iraq cost the US around \$2 trillion,[60] and Forbes claims the cost in Libya at \$2 billion per day,[61] all of which was borrowed from the FED.

We cannot know how much money has been borrowed from the Satanic Phoenician Mega Trillionaires bankers in the City of London to finance all the military conflicts in recent history, and thus we cannot put a price on the interest paid, but it is of utmost importance to realise that these totals are not small.

As one indication of the real cost, the British Empire was at one time the ruler of the world, an empire on which the sun never set, and “Britannia ruled the waves” for a very long time. But the Satanic Phoenician Mega Trillionaires pushed England into two wars nobody wanted and, in the end, Britain was bankrupt and begging the US for loans to stave off “a financial Dunkirk”. England borrowed all the money to finance its part in WWI and lost 40% of its empire to repay those loans. WWII cost Britain the remainder of its empire and left the nation in actual bankruptcy. WWI cost Britain about \$7 trillion in today’s dollars, and WWII was much worse. Again, we cannot know precisely how much money was borrowed from the Satanic Phoenician Mega Trillionaires bankers, nor the amount of interest paid, but the magnitude of both would have been considerable since the estimated cost to all countries was nearly \$50 trillion in today’s dollars.[62][63][64][65]

We know that when the Civil War was unleashed on the US, the London Rothschilds were backing the Union and the French Rothschilds were backing the South. Everyone made a fortune and by 1861 the US was \$100 million in debt. But we haven’t information about the total interest paid. We know that Rothschild (through Jacob Schiff) lent Japan \$200 million in 1905 to finance its war with Russia. That would be about \$60 billion in today’s dollars, and another set of Satanic Phoenician Mega Trillionaires bankers financed Russia to the same extent, both sides selling weaponry from Rothschild’s armament factories in Germany. In this case, we know the amounts borrowed but no information on the interest repayment amounts nor on the revenue and profit from selling the weapons of war. There simply isn’t sufficient public detail to determine the increases in wealth by these bankers from instigating and financing all those wars. The totals must be well into the trillions.

As WWII approached, these same bankers not only pushed the US into the war but lent the Americans the money to pay for it. By the end of WWII,

the US went from \$33 billion to \$285 billion in debt, all to help out our Satanic Phoenician Mega Trillionaires banker friends to launch and fight a war that no one but them wanted. It's even worse than you imagine. These bankers needed other countries in the war, but didn't want to lend them the money because their economies weren't considered sufficiently risk-free, and this applied to England itself. The solution was to lend the money to the US, then push the Americans to make all those war loans, to keep the Satanic Phoenician Mega Trillionaires happy not only by keeping all countries in the war, but by having the US effectively guarantee all their debt. Hence, the \$285 billion debt which, for your comparison, would be about \$12 trillion in today's dollars. The debt has never been paid off; there are insufficient records available to document the total interest paid to the Satanic Phoenician Mega Trillionaires bankers in war financing, neither for the US nor for all the world's nations, so this item receives no ledger entry. In terms of magnitude, however, the amount again is most assuredly well into the tens of trillions in today's dollars.

(12) My Currency, But Your Problem

After the end of the Second War, the world's major nations arranged what we call the "Gold Standard", which meant that a country could not print more money than it actually had in gold reserves. This was intended to maintain stability and to avoid any excess printing of money which would lead to inflation and could destroy the international monetary system – as the Satanic Phoenician Mega Trillionaires had done repeatedly in the past. In theory, all international debts were to be settled in gold, but in practice this was cumbersome and inconvenient. Since the US dollar existed in large volume and was – in theory – fully guaranteed to be exchangeable for gold at any time, all nations simply settled their accounts in US dollars. But the faith in doing so was predicated on the promise that any nation could, at any time, exchange its holdings of US dollars for real gold.

The system worked well enough for about 20 years until by early 1971 the US was under enormous financial pressure from the huge sums it had borrowed to finance its military atrocity in Vietnam. The final straw came when France, not blind to what was happening and concerned about the ability of the US to maintain the dollar's value, insisted on exchanging all its dollar holdings for gold, as per the agreement. The US gold supply was insufficient to comply, and the FED faced the very real possibility of all nations demanding an exchange. Faced with this pressure, the Satanic Phoenician Mega Trillionaires bankers unilaterally declared the world's financial agreement null and void, forced the US withdrawal from its participation in the gold standard, and the FED refused to convert any nation's foreign dollar holdings into gold. This left all the world's countries

holding countless trillions of US dollars that no longer had any fixed or guaranteed value, but that were sure to depreciate since the US was indeed printing enormous volumes of dollars to pay to the Satanic Phoenician Mega Trillionaires to finance its Vietnam war. At the time, US Treasury Secretary John Connally told the world, "It's our currency but it's your problem".

Since all nations had accumulated US dollars on good faith but now had no way to dispose of them, they had no choice but to continue using the same US dollar, now of indeterminate value, for all international transactions. This one act of Satanic Phoenician Mega Trillionaires' predatory capitalism imposed a stunning financial penalty upon the world, devastating the values of other nations' currency reserves. After reneging on the Gold Standard (the Bretton Woods Agreement), the FED continued to print huge volumes of money, sending the Western world into an intense inflationary spiral. From the date of the US default in 1971 to 1981 or 1982, the US dollar depreciated by more than 95%, representing an almost unimaginably huge transfer of wealth from the entire world to the Satanic Phoenician Mega Trillionaires in the FED because all nations holding US dollars suffered that degree of loss in their foreign exchange reserves while US debts remained in heavily-depreciated US dollars, thereby repaying foreign debt at 5¢ on the dollar. In 1971, a fine home in the US cost only \$25,000. By 1976, that same home was over \$100,000, and by 1983 the price was about \$250,000. These prices accurately represent the depreciation of the US dollar during that decade.

The benefit to our favorite Satanic Phoenician Mega Trillionaires bankers? Well, the gold price in 1971 when they killed the Gold Standard, was about \$40 per ounce. Today, that gold is worth \$1,700 per ounce. On the other hand, the paper currency that all other governments had to then accept in lieu of their gold, has depreciated by about 95% since that time. There is no accurate way to assess this. The accumulated financial damage to the national economies of the world is at least in the hundreds of trillions of dollars, if not in the thousands of trillions. The damage is so vast, so wide-ranging, and so all-inclusive, that it is impossible to even contemplate a measurement.

But let's not lose the main point. It wasn't the "US government" or the "US Treasury" that made this decision. Rather, it was made for them by Rothschild and the other Satanic Phoenician Mega Trillionaires owners of the FED and the City of London to maintain their gold holdings and protect their value. It was simply another bail-out for the Satanic Phoenician Mega Trillionaires bankers, in this case to the great cost of the entire world. If only we could place a number on the cost. But we cannot.

Epilogue

“The World’s Richest Man” Conspiracy

As can be deduced from the above, the real wealth in the world has never come from corporate ownership, but from financing wars, from owning the central banks of nations, and from theft and criminal activity on a vast international scale. A large amount of Satanic Phoenician Mega Trillionaires corporate ownership today is not the beginning of the accumulation of wealth but merely the last step in the process. As is true with all organised crime, the trillions of dollars involved in corporate ownership noted at the beginning are merely from the reinvestment of criminal profits into legitimate enterprises.

It should be obvious from the above that people like Gates, Buffett, and Bezos are not contenders for the title of the World’s Richest Man. Elon Musk with his supposed \$200 billion barely qualifies as pocket change, with people like George Soros and his paltry billions not even qualifying as pocket lint. The media have lied to us for decades and sent us looking in all the wrong places. Satanic Phoenician Mega Trillionaires publications today have many articles on “The world’s richest Satanic Phoenician Mega Trillionaires”[66] or “The most influential Satanic Phoenician Mega Trillionaires”,[67] but these are all nonsense, listing individuals like Zuckerberg or Soros, or Sheldon Adelson at the peak. As we have seen, no scion of the Satanic Phoenician Mega Trillionaires owns any money.

None of this is accidental; it is merely a way to distract attention from the real sources of money and power, and perhaps not surprising that every newspaper and magazine touching on this topic will follow the same pattern. What is surprising is that people like Bill Gates and Warren Buffett participate in this charade when they must so clearly know the truth of their own positions. None of these men can be so naive or ignorant, which definitely implies a conspiracy of silence.

As an aside, most every man who builds something of substance has an almost genetic urge to pass it on to his offspring, to perhaps create even a small family dynasty that could continue in time. But has anyone noticed that it is only people like Bill Gates and Warren Buffet who have no such urge and are determined to just give it all away at the end? Why are there no Rothschilds on this list, no Sassoons, no Kadoories, no Goldman Sachs? Is this terminal philanthropy a defect only of the goyim? We can reasonably assume this tendency results from pressure, and my suspicion is that this pressure would result from obligations due to financing. That

means Gates and Buffett didn't create their empires entirely on their own; my guess is they were front men, provided with ideas, planning, much financing, and much bullying Satanic Phoenixian Mega Trillionaires diplomacy to have accomplished what they did. The price to be paid is that you don't take it with you when you go. One thing Satanic Phoenixian Mega Trillionaires don't finance is competition for themselves.

The foundation and building of large corporate fortunes is not normally a quick process. There are always exceptions of course, but generally, things take time. The conventional wisdom, which has proven true time and again, is that "it takes the first generation to make it, and the second generation to make it really big." The Satanic Phoenixian Mega Trillionaires, functioning as an organic unit, can short-circuit this process. Consider Indigo Books & Music, begun by the Jewess Heather Reisman only about 25 years ago, it resulted in the financial bankruptcy of Canada's largest independent bookseller and the takeover or elimination of all other competitors who suddenly encountered "financial difficulties". Today, Indigo is Canada's only major English-language bookstore chain and the country's largest book, gift, and specialty toy retailer with annual revenue of more than \$1 billion. Satanic Phoenixian Mega Trillionaires control the book publishing industry and can ensure your bookstore has no stock if you refuse to sell out. They collectively control much of the financing and distribution and can force takeovers or bankruptcies. There is no defense against a determined Satanic Phoenixian Mega Trillionaires onslaught. These people operate as gangsters and have unlimited financing available to take over an industry sector almost at will.

The important point is that the planning for these sector take-overs seldom originates with the public face of the operation. Instead, these are often connected parts of a worldwide long-term plan for control of these sectors. I covered some of this in a prior article titled 'Today's Satanic Phoenixian Mega Trillionaires Corporate Heroes – Virgin Births All', [68]

dealing with Google, Facebook and a few others. It is apparent that neither Zuckerberg nor the Google Twins were capable of creating almost instantly a world leader in their respective sectors. To accomplish such a result requires unlimited financing and the application of enormous amounts of financial and political pressure, plus determined planning and intense media support. This applies equally to others like Wikipedia, Amazon, Starbucks, and many others who seemed to come from almost nowhere to being world leaders in a very short time. The process has been the same in all cases, and it certainly applies today to the current "Richest Man in the World", Elon Musk.

All you have to do is think. Using Elon Musk as an example, the man appeared to come from literally nowhere and yet suddenly "owns" the world's largest auto manufacturer. Musk at the same time began an

aggressive program of launching tens of thousands of communications satellites, and then SpaceX, “Elon Musk’s private spaceflight company”, the maker of the Starship, planning International Space Station missions, no less. Then we have Musk buying Twitter for \$44 billion.

In the last 100 years, anyone attempting to create a new auto company and brand has met with disaster, but Musk apparently experienced not a hiccup with the Tesla that is suddenly a world favorite. This would have required perhaps ten years of planning and design, the planning of factories and production, the creation of supply lines, the testing and certification, and so much more, but with Tesla this apparently all occurred overnight in a vacuum. Are we to believe Elon Musk designed the Tesla? There is no evidence Musk has the ability to design even a dipstick, much less an entire car, so how did all this occur and what was the source of the background billions required to bring this project to fruition? Musk played no part in the creation of the Tesla. He just somehow showed up at the end, “owning” the company.

Similarly, the aggressive program of communication satellites that “Elon Musk” has launched; this as well would require many years of planning and design, to say nothing of arranging the launch facilities and obtaining the necessary thousands of paying customers. This again would require years and billions of dollars in financing but, like Bezos’ space flight program, this one suddenly appeared in full bloom, operating, launched, and ready to go. Who did the planning for this? It certainly wasn’t Musk, so who was behind it? And the money for all this came from where? “Musk’s” Tesla has never made a profit, so where would he obtain the billions for a pie-in-the-sky system of tens of thousands of communications satellites? Nothing like this can happen without a decade or more of intensive planning and an enormous investment, and obviously none of that came from Musk.

These would be enough challenge for any man, but then we had “Elon Musk” buying Twitter for \$44 billion. How would that happen? We are told that Musk suddenly has wealth of – vaguely – \$200 billion, with no detail, but presumably from stock holdings in “his” Tesla. But are we to assume that Musk has an extra \$44 billion in loose cash sitting in the bank to purchase Twitter? That’s not possible, and Musk isn’t selling half his interest in Tesla shares to finance it, so what is the source of the money? The media confuse this by providing only a few sound bytes but no detail, and thus we have thoughts loosely in our minds that Musk is very wealthy and could somehow afford to purchase Twitter, but all we need to do is think to realise that is impossible.

The picture is clouded because the political ambitions of the Khazar Satanic Phoenician Mega Trillionaires cannot be separated from their financial intentions. “Musk’s” satellite system is eventually to consist of

35,000 communication satellites – military, not civilian – some of which are already being used in Ukraine. The Khazar Satanic Phoenician Mega Trillionaires in the City of London are desperate for World War III, but they have no military of their own and must depend on the US (as the Bankers' Private Army) to maintain military supremacy. If it hasn't already occurred to you, the reason for this development was that the Chinese proved they can shoot down US surveillance and communication satellites, thus presenting an existential threat to US warmongering with China and Russia. The solution is clever, and also obvious: you cannot shoot down 35,000 tiny communications satellites, thus maintaining US battlefield communication supremacy. The financing is interesting because normally the Satanic Phoenician Mega Trillionaires push the US to make all these military investments, but the US no longer has the money for all these efforts and thus they had no choice but to finance this themselves – and channel it through Musk to disguise the origin. There is no other source for the financing of such a massive project. It is obvious the financing didn't come from "Elon Musk", since "his" Tesla still cannot turn a profit, so where would he obtain the money for satellite development? The Satanic Phoenician Mega Trillionaires bankers in the City of London are the only source.

This is the same as "Mark Zuckerberg" a few years ago buying and forming companies to manufacture military drones and high-altitude balloons, the latter because dear Mark wanted everyone in the world to have Internet access. Not quite. The high-altitude balloons were not for Internet access but for military communications with the drones that "Facebook" was manufacturing, drones carrying warheads that could communicate by means of the balloons if China destroyed all the US military communications satellites. So far as I could tell, nobody wondered why "Facebook" was manufacturing military drones and their communications systems. Again, not possible to push this cost onto the US military so the Satanic Phoenician Mega Trillionaires in the City of London ran it through Facebook to disguise it as a civilian venture and hide the true source – and intention – from scrutiny.

Back to Tesla. If you take the time to read Musk's high-school level treatise on hyperloop transportation[69] or listen to his media blurbs, it's obvious the man hasn't the intelligence to have attained his position independently. It's not apparent, at least not to me, that he knows anything about anything, and I would say the same for Zuckerberg and the Google twins. These people are merely fronts for someone who really does have all the money. And the plans. But we are supposed to believe that Elon "focus-on-my-cute-8-year-old-smile-and-my-adorable-3-year-old-sideways-looking-eyes-so-you-don't-realise-how-stupid-I-am" Musk, is suddenly The Richest Man in The World from designing cars and satellites and space ships and heaven only knows what all. What rubbish.

That latter point deserves attention. Do you see Warren Buffett posing with a stupid smile and adorable sideways-looking eyes to seduce all the mothers into encouraging their daughters to buy his company shares? What kind of a man, apparently the CEO of trillion-dollar international companies, behaves in such a foolish fashion? A mental dwarf with serious emotional problems, no one else.

Similar arguments are true for Zuckerberg, Bezos, the Google Twins and others. None have the knowledge or ability, nor the enormous financing to do the things they are supposedly doing. Neither their fortunes nor their abilities can possibly be real. It is easier to accept a Bill Gates, starting with a small Microsoft and building over 40 years into a \$50 billion prize, but to pretend that an Elon Musk who, out of the clear blue sky, goes from sleeping in his car and eating leaves from trees, suddenly is designing and producing electric autos and military communications satellites and space vehicles and so much more, is too ridiculous a prospect to bother refuting.

Some claim that Elon Musk is not a Jew. Elon (אֵילון), or Alon (אֶלון) is a Hebrew masculine name that would not occur on a list of Gentile names. Musk attended Satanic Phoenician Mega Trillionaires schools in South Africa. His mother, Maye Haldeman, is Satanic Phoenician Mega Trillionaire but listed as “Canadian”, which is hardly an ethnic group. There are Satanic Phoenician Mega Trillionaire family and other relations (Elon’s brother married Jen Lewin), and more. Musk’s connections with Israel and powerful Satanic Phoenician Mega Trillionaires have a long history, Tesla’s closet relationship with Israeli tech spanning many years and its self-driving technology is 100% Satanic Phoenician Mega Trillionaires, originating from the Israeli company Mobileye. Musk has close and high-level contacts in Israel, having met with Netanyahu (at his private residence) on more than one occasion.

It was in the news very recently that Evelyn de Rothschild died at an old age.

The NYT wrote a thoroughly fictional obituary notable primarily for the astonishing lies, as the NYT does for every Satanic Phoenician Mega Trillionaires criminal who departs this world. You might care to read the NYT’s loving treatise on Madeline Albright to refresh your memory of the criminal insanity of the NYT’s editors. According to them, this Rothschild “Initially showing little promise, he eventually joined the family firm and rose to be the chairman, wielding vast influence in Britain’s financial and political affairs.” That part is certainly true. The man had banks, investment banks, investment subsidiaries and much more in about 30 countries, and there was no question of his “vast influence in Britain’s financial and political affairs”, since he was the primary man involved in Margaret Thatcher’s selling off all the UK assets to Satanic Phoenician

Mega Trillionaire bankers. But then the NYT told us that Evelyn de Rothschild was worth maybe a paltry \$2 billion.

So, Evelyn de Rothschild, the scion and proprietor of the greatest criminal banking dynasty in the history of the world, one with assets harvested from hundreds of years of looting and plundering, a man owning literally hundreds of banks and financial companies all over the world was so dull, so slow and dim-witted, that even a little shit like Zuckerberg could come from nowhere and in only a few years be worth ten times as much. As Buddy Holly was so fond of telling us, "That'll be the day."

So, who really are the richest men in the world? Well, who has been financing both sides of every war for the past 300 years? Starbucks? Who has been looting South Africa of all its gold and diamonds for the past 150 years? The President of Victoria's Secret Underpants? Is it Mark Zuckerberg stealing trillions of Iraq oil every year? I have no doubt that Jeff Bezos is a criminal, but it wasn't Bezos who engineered the theft of all the gold from all the world's banks in the 1930s. Who owns as many as 75 or 80 of the central banks of the world's nations? Some guy from Kansas?

I am told there are 13 families in control of the entire worldwide clan, operating from the City of London. The leaders in this list are unquestionably Rothschilds, probably beginning with Jacob Rothschild, "The King of the Satanic Phoenician Mega Trillionaires", followed by his kin. If you can see a picture of him, then he is just a front man figurehead. The real leaders are hidden deep.

The list would most likely include a Sassoon, a Warburg, a Goldman, a Moses Seif, Kuhn, Loeb, Salomon, a Sebag-Montefiori, with this group sharing total assets in the thousands of trillions of dollars. We can only guess about the others, but we can be very certain that neither Bill Gates nor Warren Buffett have ever been on this list, and Elon Musk and Jeff Bezos can be dismissed with deserved contempt.

All the money belongs to the Satanic Phoenician Mega Trillionaire Family corporations. That money is only used to manage and control Humanity, to stop their evolution so that their spiritual energy can continue to be harvested eternally so that the Satanic Phoenician Mega Trillionaires can live immortally, forever! These Phoenicians have worshipped Satanic Gods, Demons for 10,000 years.

These Satanic Gods are people who developed the meditational technology to live outside the body at the cost of their connection with God, they lost their Souls! These Demons are contactable in Satanic Rituals and use the Satanic Phoenician Mega Trillionaires who have worshipped these Dark Gods for 10,000 years as their World Managers to keep them supplied with

It is well known that the Satanic Phoenician Mega Trillionaires have bought and paid for every government in the World. Their aim is the control of every human being through poverty, poison, produce, professors, police, prostitutes, bad education and the Deathvaxx. Their aim is not money or gold. Their aim is immortality newly resurrected in Transhumanism where humans are uploaded into the machine.

But immortality has been available through meditation for thousands of years and in order to achieve their Satanic immortality the Satanic Phoenician Mega Trillionaires worship their Dark Gods who through

running Global Trading Companies for thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshipping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

The Lusitania, Poland and the Reichstag fire was accompanied by the fall of the Two Towers and the fall of building seven to create the Patriot Act and destroy the protections of the constitution. All these false flags are designed to prompt the start of the project for countries targeted for destruction.

As I explain in AGAINST SATANISM Volume 6 the modus operandi of the Satanic Phoenician Mega Trillionaires is to raise Empires and then to feed off their decline by stealing all the money.

We can point to the decline and fall of the other Phoenician Colonies... The Ancient Egyptian Empire, The Carthaginian Empire, The Roman Empire, the Venetian Empire, The British Empire, the Anglo-American Empire... for the history of their depredations.

In a Good way, the Energy Enhancement way, it represents the Kundalini Center of the Earth.

And the circulation of Energies between these two centers symbolised by Vesica Piscis.

There is a sign within Christianity that most of us know nothing about. The Mandorla, also referred to as vesica piscis, was used during medieval Christianity. It is an ancient symbol of two circles coming together and overlapping one another to form an almond shape in the middle.

The meaning of the Mandorla depicts the interactions and interdependence of the central spiritual sun and the shakti, kundalini center of the earth of connected worlds and forces of Enlightenment.

And the use of the First Formula of Alchemy - a guided meditation used to transmute the Trauma of Negative Energies and emotions of Energy Blockages.

33 represents the Vitruvian man.

The dot in the center of the circle represents the anus! If rotated a 3 is an M or a W and interchangeably and so on. Most Germanic auto logos are similarly occultic, satanic, like BMW, which is a rendition of B3W - 833.

B is an 8 which is two threes back to back. 1 is a penis - The lost Penis of Osiris.

Bottom on bottom, 8 or 33 represents the Vitruvian man. The occultist da Vinci's Vitruvian Man really depicts the buggery of the anterior man by the posterior man, the apex of Satanic Luciferian 33rd Degree masonry or final "Mystery of Mysteries" of the secret societies as explicated by Walter Veith (to open their "Third Eye."). The Sodomite Gateway - Titanic's Tribute to the Vitruvian Man: From One Leonardo to Another! DiCaprio honors Da Vinci.

One of the iconic scenes from 1997 blockbuster film, Titanic, featured Leonardo DiCaprio at the bow of the ship. Shouting a memorable line, "I'm King of the World," he held out his arms like a bird catching the wind in its wings. There's an esoteric signal there and some epic irony as well. Note that there are two men at the bow, one behind the other. If you're familiar with the Vitruvian Man you'll recognize this scene as a dramatized version.

Those responsible for the scene understood several things about the classic drawing.

The so-called Vitruvian man is actually two men engaged in sodomy.

By having DiCaprio's character spread his wings, he demonstrates an understanding of the symbolic two headed eagle, another version of the very same sodomite engagement.

By having the character identify himself in this scene as the king of the world, he demonstrates his understanding of the eagle as the Satanic Phoenician Phoenix, the feathered or plumed serpent Amaru, aka Apollo, identities of the coming beast who will reign as the sodomite king of the world.

Note the 33 above the Crown.

Satanic Communism and Fascism is gradually being installed as the New World Religion defined by Satanic Hitler.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite left-handed and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Hitler.

From South America, Africa and Europe to Satanic Hitler, China and Asia, East and West, and the Holy Inquisition, Ritual Human Sacrifice and burning were and Ritual Homosexuality, Sodomy and Pedophilia has been installed for thousands of years.

Read Against Satanism Volume Two - The Foundation of Western Philosophy is Pagan, Satanic, based on No-Heart Plato and No-Soul Aristotle. Plato's Republic (c.370 BC) proclaimed the "Conquest of Wickedness" and the use of Ritual Human Sacrifice to please the Gods of Pagan, Plato's Republic's ideal state is based on Sparta - The Spartan society was dominated by a highly hierarchical and Ritual Pedophile Warrior Cult that featured mandatory induction of teenagers and boys into homosexual Pederasty with adult men, and while Plato argues should be ruled by Autocratic Dictator Philosopher-Kings, The Republic promotes the Augustan abolition of the family and the abolition of private property.

Infatuation of Satanism is the methodology to allow dirty Government Ministry and Societal function is taken over. Eventually a Satanic Luciferine King Emperor President, The Satanist Pillars of Homosexuality, Pedophilia, Drugs and Ritual Sex - both Vile and Homosexual - are introduced secretly, Christianity and Judaism - the Inwards Against Satanism - are destroyed and then society fucked through the fear of Ritual Human Sacrifice.

SATANIC RITUAL SODOMY FASCIST NATO

You may be asking the question what on earth is “international fascism” and how could NATO be in support of such a thing?! Well, the ugly truth is that what took over world policy in our post-WWII era was in fact a continuation of a fascist outlook for a new world order. Fascism, contrary to what we were told, has not in fact been defeated but was given a brand new face for its public endeavours and went underground for some of its more unsavoury methods. The now official recognition of NATO’s Gladio networks, effectively made up of secret armies in service to NATO including a prominent membership of Nazis, trained to commit acts of terrorism and assassinations against Western citizens and their democratic governments is now acknowledged by historians, yet much of the Western populace remain uninformed about this decades long horrifying abuse of power which was used to support a transition towards far right-wing governments.

The thought behind International Fascism in a post-WWII world, was that it would be an alliance that would allow a superior form of organisation that would build up a new European world entity which would function as a model for what would in turn be used on the world stage under a League of Nations mandate.

It is for this reason why so many fascists who had dishonestly referred to themselves as “national socialists” happened to also be promoters of pan-Europeanism and pan-Americanism, and supported the continuation of the British Empire, for these three spheres would function as the three leading regionalisations under a new system of empire under the League of Nations construct. Africa was openly discussed amongst these imperialists and fascists as the necessary slave labour camp to support Europe’s needs.

It is for this reason that individuals such as Oswald Mosley, a leading British fascist who supported both Mussolini’s and Hitler’s reign, began advocating for a “united Europe” as a defense against the supposed

communist threat immediately after the Second World War. A “united Europe” reunited with “former” fascists who had now become supposed “defenders of freedom” against the evil totalitarianism of the Soviet Union. Mosley complained in his *Europe: Faith and Plan* (published in 1958) that this resistance from some European quarters to ally themselves with the fascists against this communist threat was putting the free world in danger. He encouraged Europeans to forget the past abuses that were committed by the fascists, since they were ultimately doing what they thought best for Europe, and that they were not wrong in their outlook but perhaps too hasty and impatient in their execution of such a vision.

With the end of the Second World War, there appeared an almost instantaneous agreement among the Western European nations the need to defend their sovereignty against the rise of Soviet communism. Ironically the solution to this was the idea of a ‘New World Order’[1] for Europe. The Fifth Column was sold as a communist one, and thus the need to work with ‘former’ Nazis and fascists was justified to secure the European civilization from the threatened invasion by the ‘Asiatic hordes.’ Of course, the common people were not notified of this decision to reunite with the fascists; that not even before the end of the Second World War, there were discussions of aligning with the fascists to secure what was to

be the ‘New World Order’.

To ensure that Europe would stand strong, it seemed only logical that it should form a European unity, able to collectively use their resources and military in a coordinated defense against this looming “Asian threat”. It would be interesting, that many nations who treated the army of Hitler with seeming indifference up to the very moment of invasion, would now trumpet loudly the need to prepare for war on all fronts (economically, culturally, politically, militarily including paramilitary) against the Eastern barbarians, and Mosley had positioned himself at the forefront of this clarion call.

In his *The World Alternative* (1936) Mosley wrote: “We must return to the fundamental concept of a European Nation which animated the war generation of 1918.” In reference to the openly pro-fascist former British Prime Minister Lloyd George’s (1916-1922) War Cabinet. When the Axis began losing crucial battles in 1943, this only intensified Europeanism as the new order’s last line of defense that would be entrusted to the younger generation. On November 14th, 1944 Mussolini proposed in the Verona programme “a European Community, with a federation of all nations and the development of Africa’s natural resources.”[2]

Stephen Dorril writes in his book *Blackshirt: Sir Oswald Mosley and Britishfascism*: [3]

“The Eastern Front was transformed into the ‘European Front’ as Europe’s defence became a supra-national moral obligation. The Waffen SS assumed the role of Europe’s army and its struggle to hold back the Bolsheviks from overrunning the West invoked an embryonic Europeanism, which became a central myth of post-war Fascism. Neo-Fascist thinker Maurice Bardeche wrote that ‘the Defense of the West has remained in the memory, and this is still the chief meaning of fascist ideas’.”

Churchill would also support such a direction with the United Europe Movement.[4]

On October 1st, 1947 Mosley published *The Alternative*, where he writes “Chaos looms and the people of Europe seek the alternative...Our creed was brought to dust because the Fascist outlook in each land was too national, we had no sense of European union.” A year later he wrote in *The European Situation: The Third Force*, that a united Europe will “insure that Europeans shall never be slaves either of West or East; either of finance or of bolshevism. We shall neither be bought by Wall Street nor conquered by the Kremlin.” However, the road to Europe’s salvation would not end there, according to Mosley, there would also be the need to secure labour from Africa to serve the needs of Europeans.

In 1948, the FBI, who were oddly stationed in London, had forwarded to J. Edgar Hoover’s intelligence headquarters that Mosley was planning a Fascist International.[5] The U.S. counterintelligence corps (CIC) also wrote a report noting that Mosley viewed “the national socialist elements in West Germany as the most suitable partners at the organising of a fascist concentration movement in Europe...[Mosley] was continuing the tradition of a Fascist International which Hitler was forced to abandon. He has hit on a stratagem which gives him the air of a progressive spirit.” The Austrian neo-Nazi paper *Alpenruf* wrote Dec 31st, 1949 “the spiritual centre of a cleansed Fascism is today neither in Germany nor in Austria, but – strange though it may seem – in England.” In the Swedish Fascist paper *Vaegen Framat*, they “claimed the European underground movements were growing but needed to be brought together to preserve everything that had been valuable in the past. The war had weakened their position and co-operation was essential, even for racial policies. Nations were not strong enough to enforce the unity of Europe.”

This was the new chosen direction towards a Fascist International and none of it would have been possible without Churchill’s announcement of the Iron Curtain, for it pushed the European countries into this very configuration and justified the need to partner with ‘former’ fascists. The fascists did not need to militarily win the war, for the Europeans had walked into the Fascist International out of their own accord.

From this standpoint, WWII was in fact never won, rather it has been continued in the form of a Cold War to this very day. During this over 76 year long Cold War, fascist cells grew and were dispersed globally, and have come only relatively recently to be acknowledged under the umbrella term Gladio due to newly declassified intelligence dossiers. Mosley would also be at the forefront of these post-WWII paramilitary fascist cells, along with Karl-Heinz Priester and the legendary Nazi Otto Skorzeny who was one of the primary masterminds behind the entire Gladio network.[7]

The Gladio network was beholden to NATO, and thus it should not be surprising that the position of NATO Commander and Chief of Allied Forces Central Europe was a position that was filled SOLELY by 'former' Nazis for 16 YEARS STRAIGHT, from 1967-1983.

Mosley had concluded in his eerie introduction to his book Europe: Faith and Plan in support of a Pan-Europe:[8]

"In the light of all Europe's recent history it is disingenuous nonsense to pretend that Germany is the only guilty party. It is more, it is a deliberate lie circulated for the vile purpose of perpetuating the division of Europe and for promoting the ultimate victory of communism. In the meantime it serves also the squalid purpose of those who snatch financial gain from the decay and collapse of a dying system, rather than make the effort to benefit both themselves and all Europe by honestly carrying the far greater rewards of constructive tasks in building the new system.

... In all nature the pangs of birth are severe, particularly in political nature. No fully grown man should be blamed for the pain or even the blood that accompanied his birth. For the long memory to linger on these things is to create a complex which can be disastrous to the whole psyche of Europe. That is precisely why we are continually invited to think about them.

Things were done in haste and passion which should now be forgotten. All who were drawn to the new movement of European dynamism and renaissance were people in too much of a hurry. It was a fault on the right side, for the results of the succeeding inertia are now plain to see. We felt that something must be done, and done quickly, to release the new and beneficent forces of science[9] and to wipe away unnecessary suffering from the face of humanity. We were impatient with the forces of inertia, reaction and anarchy which opposed the new European order of mind and will that we believed alone could do these things with the speed that was necessary.

...The catastrophe of this generation has destroyed the old landmarks of politics, and the modern mind should equally eliminate their memory. We have passed beyond Fascism and beyond many tenets of the old

Democracy, because science has rendered them irrelevant in a world which confronts us with new facts. Not only are the facts of the post-war period new, but science is continually adding still newer facts.[10] Old policies have no relevance to the present, and old memories of bitterness should have no place in it either.

One great lesson alone we can all derive from the past. We owe to Europe self-restraint in moments of passion, and kindness at all times to our kindred. These evil things which have occurred are not only wrong, they do not pay. In the end they destroy those who commit them. The time-honoured standards of the European alone can endure. In the events of a great age, honour, truth and manly restraint are not only as necessary as in the past but more than ever essential. The great qualities in man should grow in proportion to the age, not diminish. Let us remember the past only long enough to learn this. Then let us forget [the past].

Europe needs a great act of oblivion, before a new birth.”

Operation Gladio: NATO’s Dagger

With the Second World War ‘won’, the world was very much under the impression that we were to take the phrase ‘Never Again’ to heart. Unfortunately, those in charge of forming Western policy and geopolitical strategy post-WWII could not have disagreed more.

Operation Unthinkable is a prime example of the sort of thinking that was ruminating within Britain and the United States post-Roosevelt. Operation Unthinkable was the name given to two related possible future war plans by the British Chiefs of Staff against the Soviet Union in 1945. The creation of the plans was ordered by British Prime Minister Winston Churchill in May 1945 and developed by the British Armed Forces’ Joint Planning Staff (Roosevelt passed away on April 12th, 1945). One plan assumed a surprise attack on the Soviet forces stationed in Germany to “impose the will of the Western Allies” on the Soviets. The second plan was a defensive scenario in which the British were to defend against a Soviet drive towards the North Sea and the Atlantic following the withdrawal of the American forces from the Continent.

Though the first plan of the operation would be shelved with the new government under Clement Attlee, this remained a predominantly governing mindset for British and American intelligence. However, contrary to what we are told today, the second plan of Operation Unthinkable was not shelved. It was in fact fully implemented under the initiation of Prime Minister Winston Churchill. This plan would continue through every other British Prime Minister’s term that followed afterward, without the knowledge of most members of the British government.

During the Second World War, preparations were made in the case of a possible German victory and 'stay-behind' guerilla warfare units were stationed throughout Europe. The model was the British Special Operations Executive, or SOE, a top-secret guerilla-commando force established in 1940. It was the brainchild of Winston Churchill and was called 'Churchill's secret army.' This program would eventually be adopted into NATO. After the Allied victory, these 'stay-behind' units were not disbanded but rather were strengthened and expanded in almost every European country, with direct aid and encouragement from the United States.

Daniele Ganser, a Senior Researcher at the Center for Security Studies at the Federal Institute of Technology (ETH) in Zurich, Switzerland published NATO's Secret Armies: Operation Gladio and Terrorism in Western Europe in 2005, which is regarded as an authoritative overview of NATO's Operation Gladio networks and functions. This chapter will reference extensively Ganser's pioneering work on this crucial history of Western clandestine warfare that was waged on Western civilians and their democratically elected governments for several decades under the guise of Soviet terrorism.

Daniele Ganser writes in NATO's Secret Armies:[11]

"The clandestine network, which after the revelations of the Italian Prime Minister [Andreotti] was researched by judges, parliamentarians, academics and investigative journalists across Europe, is now understood to have been code-named 'Gladio' (the sword) in Italy., while in other countries the network operated under different names including 'Absalon' in Denmark, 'ROC' in Norway, 'SDRA8' in Belgium. In each country, leading members of the executive, including Prime Ministers, Presidents, Interior Ministers and Defense Ministers, were involved in the conspiracy, while the 'Allied Clandestine Committee' (ACC), sometimes also euphemistically called the 'Allied Co-ordination Committee' and 'Clandestine Planning Committee' (CPC), less conspicuously at times also called 'Coordination and Planning Committee' of NATO's Supreme Headquarters Allied Powers Europe (SHAPE), coordinated the networks on the international level. The last confirmed secret meeting of ACC with representatives of European secret services took place on October 24, 1990 in Brussels.

...Leading officers of the secret network trained together with the U.S. Green Berets Special Forces in the United States of America and the British SAS Special Forces in England...In case of a Soviet invasion of Western Europe the secret Gladio soldiers under NATO command... [formed a] stay-behind network operating behind enemy lines."

However, the expected Soviet invasion never occurred. And thus, these

secret armies found another purpose. They were to be used against the people. The desire was that by staging false-flag operations that were blamed on communists, panic and revulsion would be invoked sending voters flocking to the welcoming arms to so-called 'secure' right-wing governments. Italy, which had the largest and most powerful communist party in Europe, would be first on the hit-list. The Communist Party of Italy, admired for leading the fight against Mussolini, was expected to win in Italy's first post-war election in June 1946. This, of course, was considered intolerable under the Iron Curtain diktat.

Investigative journalist Christopher Simpson writes in his book *Blowback*, how a substantial part of the funding for the opposition to the Communist Party of Italy, which was the Christian Democratic Party, came from captured Nazi assets, largely held by the Americans. This intervention tipped the balance in favour of Italy's Christian Democratic Party, which hid thousands of fascists in its ranks. The Christian Democratic Party would be the dominating party in Italy for five decades until it was dissolved in 1994.

In March 2001, General Giandelio Maletti, former head of Italian counterintelligence, suggested that next to the Gladio secret army, the Italian secret service and a group of Italian right-wing terrorists, the massacres which had discredited the Italian communists had also been supported by the White House in Washington and the CIA. At a trial of right-wing extremists accused of having been involved in the Piazza Fontana massacre, General Maletti testified:

"The CIA, following the directives of its government, wanted to create an Italian nationalism capable of halting what it saw as a slide to the left, and, for this purpose, it may have made use of right-wing terrorism...The impression was that the Americans would do anything to stop Italy from sliding to the left... Italy has been dealt with as a sort of protectorate [of the United States]..."[12]

In order to ensure that no further communist support were to arise in Italy, Operation Gladio, with direction and support from the CIA and MI6, led a campaign of brutal violence against Italians that stretched into the better part of two decades known as the 'years of lead,' the *anni di piombo*.

Daniele Ganser writes in *NATO's Secret Armies*: [13]

"According to the findings of the Belgian parliamentary investigation into Gladio, a secret non-orthodox warfare even preceded the foundation of the alliance [NATO]. As of 1948, non-orthodox warfare was coordinated by the so-called 'Clandestine Committee of the Western Union' (CCWU).

...When in 1949 the North Atlantic Treaty was signed, CCWU [Clandestine Committee of the Western Union] was secretly integrated into the new international military apparatus and as of 1951 operated under the new label CPC [Clandestine Planning Committee]. At the time European NATO headquarters were in France and also the CPC was located in Paris. Like the CCWU before it the CPC was concerned with the planning, preparation and direction of non-orthodox warfare carried out by the stay-behind armies and Special Forces. Only officers with the highest NATO security clearance were allowed to enter CPC headquarters...under the guidance of CIA and MI6 experts the chiefs of the Western European Secret Services met at regular intervals during the year in order to coordinate measures of non-orthodox warfare in Western Europe.”

In 1959, an internal NATO briefing minute, dated June 1st, 1959, slipped into the hands of a British newspaper, which revealed that the task of the stay-behind units had been switched from confronting a Soviet invasion to confronting an “internal subversion”. The secret armies were henceforth to play a “determining role...not only on the general policy level of [domestic] warfare, but also on the politics of [domestic] emergency.”[14] What this meant was that a secret army of stay-behind units, under the direction of NATO, in absence of a Soviet threat, were to direct their actions to internal matters which would include espionage and acts of terrorism on the citizens of Europe with the support and cover of those nations’ police units. This would be used to further centralise control within right-wing governments who supported the NATO apparatus.

Operation Gladio, which used the tactic Strategy of Tension, the Arc of Crisis, functioned on three basic levels. The first was a guerilla war to be fought primarily on the streets, in order to draw loyalties away from the Soviet Union. The second level was the political front and would involve NATO-inspired conspiracies, which typically accused certain governments of being in secret partnership with the USSR, in order to evict democratically elected governments unfriendly to the NATO state apparatus and replace them with puppet regimes. The third level was the assassination (hard and soft) of figures who were deemed obstructive to NATO’s aims. Examples of Gladio assassinations include Italy’s former Prime Minister Aldo Moro in 1978, Sweden’s Prime Minister Olof Palme in 1986 (known as Sweden’s JFK), Turkey’s Prime Minister Adnan Menderes in 1961 along with two cabinet colleagues, and U.S. President Kennedy in 1963. As well as the soft assassination (character assassination) of UK Prime Minister Harold Wilson. These assassinations would typically be followed by a NATO/U.S. supported putsch. Attempted assassinations from Operation Gladio included President de Gaulle (more on this shortly) and Pope John Paul II.[15]

Yves Guerin-Serac: the Black Ops Grandmaster behind Operation Gladio

“He [Yves Guerin-Serac] was in thrall to his personal vision of a Christian-Fascist New World Order. He was also the intellectual mentor of Gladio terrorism. He wrote the basic training and propaganda manuals which can be fairly described as the Gladio order of battle.”

– Richard Cottrell, *Gladio: NATO's Dagger at the Heart to Europe*

Guerin-Serac was a war hero, agent provocateur, assassin, bomber, intelligence agent, Messianic Catholic, and the intellectual grandmaster behind the ‘Strategy of Tension’ essential to the success of Operation Gladio. Guerin-Serac published via Aginter Press the Gladio manual, including *Our Political Activity* in what can aptly be described as Gladio’s First Commandment:[16]

“Our belief is that the first phase of political activity ought to be to create the conditions favouring the installation of chaos in all of the regime’s structures...In our view the first move we should make is to destroy the structure of the democratic state under the cover of Communist and pro-Soviet activities...Moreover, we have people who have infiltrated these groups.”

Guerin-Serac continues:[17]

“Two forms of terrorism can provoke such a situation [breakdown of the

state]: blind terrorism (committing massacres indiscriminately which cause a large number of victims), and selective terrorism (eliminate chosen persons)...

This destruction of the state must be carried out under the cover of ‘communist activities.’ After that, we must intervene at the heart of the military, the juridical power and the church, in order to influence popular opinion, suggest a solution, and clearly demonstrate the weakness of the present legal apparatus. Popular opinion must be polarized in such a way, that we are being presented as the only instrument capable of saving the nation.”

Anarchic random violence was to be the solution to bring about such a state of instability thus allowing for a completely new system, a global authoritarian order. Yves Guerin-Serac, who was an open fascist, would not be the first to use false-flag tactics that were blamed on communists and used to justify more stringent police and military control from the state.

On the 27th of February 1933, Hermann Göring, Hitler’s second-in-command, shouted outside the burning of the Reichstag:

“This is the beginning of the Communist revolution! We must not wait a minute. We will show no mercy. Every Communist official must be shot, where he is found. Every Communist deputy must this very day be strung up!”[18]

It is quite incredible that people never seem to grow tired of these sort of theatrics as part of the popular narrative of what we are told shapes our history, no matter how many times we have heard it played before. The line of obvious patsies is also something that seems to never grow tiring. In the case of the Reichstag fire, now widely acknowledged as a false-flag, it was some befuddled Dutch Jew that was instantly accused.

The day after the fire, six days before the scheduled general election, Hitler persuaded the elderly and confused President von Hindenburg (the icon of the First World War) that the crisis was of such profound gravity it could only be met by complete abolition of all personal liberties. The Reichstag Fire Law conferred by Hindenburg gave Hitler many of the instruments that he required for a total seizure of power. Within two weeks, parliamentary democracy was also reduced to the smoking embers of history. It would not be the only false-flag to be orchestrated by Hitler.

Richard Cottrell writes in *Gladio, NATO's Dagger at the Heart of Europe* :[19]

“SS units forced a small group of concentration camp victims ‘released’ from Buchenwald and disguised in Polish uniforms, to stage a false flag mock attack on the main radio tower in the Nazi controlled free state of Danzig. Citing provocation by the Poles, the German invasion of Poland followed.”

Guerin-Serac spent his life dedicated to a new Black Empire[20] which he dreamed would combine the universal divinity of the Roman church with the United States and Europe as successor to the Holy Roman Empire. This was Christian Fascism and Yves Guérin-Serac was its Crusader.[21] He belonged to several old gangs, including the first generation of ‘former’ Nazis and fascists. He also belonged to a veteran clan of French officers blooded in the Indochinese and Korean struggles and was a member of the elite troop of the 11ème Demi-Brigade Parachutiste du Choc, which worked with the SDECE (French intelligence agency). His connection to French Intelligence would be key in his becoming a founding member of the Organisation Armée Secrète (OAS), a French terrorist group, made up of disaffected French officers, based in Spain which fought against Algerian independence. Guérin-Serac would form an intricate paramilitary and terrorist network throughout Europe, as well as training facilities to service Operation Gladio, via the cover of Aginter Press.

“Guerin-Serac arrived in Lisbon in 1966 with an inspirational blueprint for the next stage of the struggle against godless liberalism. He proposed...an organization that would act as nothing less than an international travel agency for terrorists. The principal funding was supplied by the CIA, according to the Pellegrino Commission established in 1995 by the Italian Senate to investigate the anni di piombo [years of lead]. Guido Salvini was the magistrate appointed to examine the 1969 bombing of the agricultural bank in Milan’s Piazza Fontana. He pinned the blame firmly on Guerin-Serac’s Aginter Press. Salvini told the senators that Aginter operatives were active in Italy from 1967 onwards, instructing local militant neo-fascist organisations in the use of explosives. From this nugget, the CIA is positively connected to the Gladio wave of terrorism sweeping Europe.”

Behind the plain business shopfront of Aginter Press lay an invisible network designed to shuttle terrorists around Europe, Latin America, and Africa providing false documents and passports for killers posing as reporters and photographers including Guerin-Serac.[23]

Cottrell continues:[24]

“Aginter... was a Gladio finishing school, where recruits to the secret armies from all over Europe were trained in the arts of bomb making, assassination, psychological operations, destabilisation and counter-insurgency. Much of this was borrowed from the textbooks of the U.S. Army’s centre for covert warfare at Fort Bragg. Guest instructors from time to time included members of Britain’s SAS, the Green Berets ...Guerin-Serac was blithely summoned to next door Spain to organise the death squads crushing resistance to the Franco regime. Aginter activities have been traced to all those countries where the Strategy of Tension operated at peak volume: Turkey, Greece, Cyprus, Italy, Germany and Belgium.”

Britain’s Betrayal of its Greek Brothers-in-Arms in Support of Fascism

Britain did not wait for the end of WWII before cooperating with Nazis. Under Mussolini’s direction, Italian troops attacked Greece during the Second World War in 1940 but were defeated by the massive resistance of the Greek population. Hitler, in turn, sent his German troops which conquered the country and placed it under the control of the Axis Powers in 1941. The Greeks once again organised a massive resistance operation and throughout the war the German army faced great difficulties keeping the country under control. As in Italy and France, Greece’s strongest resistance organisation to the fascist occupation was dominated by the communists. ELAS, the People’s Liberation Army, had been founded on the initiative of the Greek Communist Party (KKE) some months after the German invasion. EAM, the political wing of the People’s Liberation Army

was also dominated by the Greek communists. Out of a population of seven million up to two million Greeks were members of the EAM party, while 50,000 were actively fighting in the ranks of the ELAS army.[25]

ELAS's operations were supported by the British secret army SOE.[26] Many personal friendships developed between the Greek ELAS resistance fighters and the British SOE liaison officers. However, this was abruptly severed in March 1943 when Prime Minister Winston Churchill decided to halt all British support for ELAS, as he feared that Greece after the defeat of the Axis Powers could come under communist control. At that time, Greece was at the peak of fighting a war with the German Nazis.

In order to minimise the power of the Greek communists and socialists, London planned to reinstall the Greek conservative King George II, who had cooperated with the fascist dictator Ioannis Metaxas (Prime Minister of Greece from April 1936 – January 1941), to form a pro-fascist government. Metaxas had called for a fascist “new order” in Greece, arguing that the Great Depression proved the failure of democracy and that fascism was the solution.[27] This fascist solution occurred in alignment with the restoring of the Greek monarchy.[28] The crucial British Foreign Office directive of March 20th, 1943 stated “SOE should always veer in the direction of groups willing to support the King and Government, and furthermore impress on such groups as may be anti-monarchical the fact that the King and Government enjoy the fullest support of His Majesty’s Government [of Britain].”[29] King George II was less than popular among many Greeks after having cooperated with the fascist dictator Metaxas. Yet London pursued the conservative policy and in October 1943, the British Foreign Office even contemplated “a downright policy of attacking and weakening EAM by every means in our power.”[30]

‘Former’ Nazi collaborators and right-wing special units such as the fascist X Bands, with British support started to hunt and kill ELAS fighters. However, these groups did not enjoy popular support and recruitment levels were only at around 600 men. Thus, Churchill decided to up the ante, and in late 1944 gave the order for a new Greek army unit, which came to be known variously as the Greek mountain Brigade, the Hellenic Raiding Force, or LOK, its Greek acronym Lochos Oreinion Katadromon.[31] As it was aimed against the communists and the socialists, the unit excluded “almost all men with views ranging from moderate conservative to left wing. Under British military supervision and at Churchill’s express order, the unit was filled with royalists and anti-republicans.”[32]

Ganser writes in NATO’s Secret Armies:[33]

“As ELAS fought against both the German Nazi occupiers and the British-sponsored Hellenic Raiding Force, Churchill feared a public relations disaster should it be revealed to the British public that London was secretly supporting the fascists against the Communists in Greece. In August 1944 he therefore instructed the BBC to eliminate ‘any credit of any kind’ to ELAS when reporting on the liberation of Greece. But only weeks later ELAS secured victory over the German occupiers and Hitler was forced to withdraw his soldiers also from Greece. Churchill immediately demanded that the resistance should disarm, an order which ELAS was willing to obey if it was equally applied to their only remaining enemy on the field, the British sponsored Hellenic Raiding Force.”

Britain refused to disband the secret right-wing army and thus large Greek demonstrations against Britain’s support for the fascist monarchy took place on December 3rd, 1944, a mere six weeks after Hitler’s forces had been defeated and pushed out of the country. A small group of 200-600 peaceful protestors, men, women and children, gathered at the Syntagma Square in Athens, the main square in front of the Greek parliament. A much larger group of 60,000 protestors were delayed by police blockades. British troops and police with machine guns were positioned on the rooftops.[34] Suddenly, and without warning, the peaceful demonstration was turned into a massacre as the command was given: “Shoot the bastards.” Shortly after the bloodbath, the main group of protestors arrived in the square. In a display of remarkable restraint, these 60,000 protestors held a peaceful demonstration against Britain’s support for the fascist monarchy, while among the dead bodies of their recently slain comrades.

In London, Churchill faced an angry House of Commons which demanded an explanation for the barbarity. While admitting that it had been a “shocking thing,” Churchill stressed that it was equally stupid to bring large numbers of unarmed children to a demonstration, while the city was full of armed men. The role of the secret right-wing army in the Syntagma massacre was never investigated.[35]

After the demonstration of force, the British reinstalled King George II and a succession of weak British puppet governments with right-wing leanings followed. A Greek resistance faction rearmed and took to the hills and in the fall of 1946 started a civil war against the British and the local right. An exhausted Britain asked in early 1947 for the United States’ support. Truman with his famous ‘Truman Doctrine’ in March 1947 was able to convince Congress to openly intervene in Greece. Greece was the first country to be invaded by the United States during the Cold War.[36] In the following decades, Washington put forward the argument used in Greece to justify its open or covert invasions of Korea, Guatemala, Iran, Cuba, Vietnam, Cambodia, Nicaragua, Panama and several other countries.[37]

The United States secretly started Operation Torch and used chemical warfare to defeat the Greek resistance by dropping thousands of gallons of Napalm on Greece.[38]

By late 1948, the Greek resistance which had defeated the Italian fascists, the German Nazis and the British troops, finally collapsed after years of heroic fighting. A hollowed out Greece joined NATO in 1952 and by that time “had been moulded into a supremely reliable ally-client of the United States. It was staunchly anti-Communist and well integrated into the NATO system.”[39]

Peter Murtagh writes in *The Rape of Greece: The King, the Colonels and the Resistance*: [40]

“The [Hellenic] Raiding Force doubled as the Greek arm of the clandestine pan-European guerilla network set up in the 1950s by NATO and the CIA which was controlled from NATO headquarters in Brussels by the Allied Coordination Committee...The Greek branch of the network was...known as Operation Sheepskin.”

Is this what Kalergi was referring to as his “Crusade for Pan-Europe”; a “clandestine pan-European guerilla network” to ‘defend’ Europe?

Ganser writes: [41]

“The Greek junta consolidated its power through a regime of imprisonment and torture...Communists, Socialists, artists, academics, journalists, students, politically active women, priests, including their friends and families were [horrifically] tortured...‘We are all democrats here’ Inspector Basil Lambro, the chief of the secret police of Athens, was fond of stressing. ‘Everybody who comes here talks. You’re not spoiling our record.’ The sadist torturer made it clear to his victims: ‘We are the government, you are nothing. The government isn’t alone. Behind the government are the Americans.’ If in the mood Basil also offered his analysis of world politics: ‘The whole world is in two parts, the Russians and the Americans. We are the Americans. Be grateful we’ve only tortured you a little. In Russia, they’d kill you’.”

The American Gladio Arm

The National Security Act of 1947, a Trojan horse, was a part of the new breed of legislation post-Roosevelt and led to the creation of the Central Intelligence Agency (CIA), placing it under the direction of the National Security Council (NSC). Although it did not explicitly authorize the CIA to conduct covert operations, Section 102 was sufficiently vague to permit abuse. By December 1947, less than four months after the creation of the CIA, the perceived necessity to “stem the flow of communism” in Western Europe—particularly Italy—by overt and covert “psychological warfare” forced the issue and NSC 4-A[42] was born. NSC 4-A would be replaced by NSC 10/2[43] less than one year later, approved by President Truman on June 18th, 1948, creating the Office of Policy Coordination (OPC). NSC 10/2 was the first presidential document which specified a mechanism to approve and manage covert operations, and also the first in which the term “covert operations” was defined.

In the aftermath of the Watergate scandal, the U.S. parliament investigated the CIA and the NSC via the Frank Church Senate Committee Hearings[44] and found that:

“The national elections in Europe in 1948 had been a primary motivation in the establishment of the OPC...By channeling funds to centre parties and developing media assets, OPC attempted to influence the election results – with considerable success...These activities formed the basis for covert political action for the next twenty years. By 1952 approximately forty different covert action projects were under way in one central European country alone...Until 1950 OPC’s paramilitary activities (also

referred to as preventive action) were limited to plans and preparations for stay-behind nets in the event of future war. Requested by the Joint Chiefs of Staff, these projected OPC operations focused, once again, on Western Europe and were designed to support NATO forces against Soviet attack.”[45]

George F. Kennan selected Frank Wisner as the first commander of the CIA covert action unit OPC. Wisner and other U.S. OPC officers “tended to be white Anglo-Saxon patricians from old families with old money...and they somewhat inherited traditional British attitudes toward the coloured races of the world.”[46] Wisner became the chief architect of the network of secret armies in Western Europe. From 1948-1950 the OPC was a renegade operation run by Allen Dulles and Frank Wisner. In 1950 the OPC was renamed the Directorate of Plans and continued under the direct commandship of Frank Wisner. George F. Kennan, OPC overseer at the time, would strongly support the passing of NSC 10/2 and CIA covert actions in Italy and beyond.

Ganserwrites:[47]

“...next to the Pentagon the U.S. Special Forces were also directly involved in the secret war against the Communists in Western Europe, as together with the SAS they trained the members of the stay-behind network. After the U.S. wartime secret service OSS had been disbanded after the end of the war the U.S. Special Forces were reborn with headquarters at Fort Bragg, Virginia, in 1952. General McClure established a Psychological Warfare Centre in Fort Bragg and in the summer of 1952 the first Special Forces unit, somewhat misleadingly called the 10th Special Forces Group was organised according to the OSS experience during the Second World War, and directly inherited the latter’s mission to carry out, like the British SAS, sabotage missions and to recruit, equip and train guerillas in order to exploit the resistance potential in both Eastern and Western Europe.

...At all times the U.S. Special Forces were set up in Fort Bragg in 1952 the name of the CIA covert action branch changed from ‘OPC’ to ‘Directorate of Plans’ (DP), and Wisner was promoted Deputy Director of Plans. Together with CIA Director Allen Dulles he intensified U.S. covert action operations on a global scale. Dulles authorised CIA assassination attempts on Castro and Lumumba as well as the CIA’s LSD experiments with unwitting subjects...”

Edward Lansdale who was chief of the Saigon Military Mission and a protégé of General Lemnitzer; who wanted to send a submarine to the shore outside Havana where it would create an “inferno of light.” At the same time, according to Lansdale’s plan, Cuba-based agents would warn the religious natives of the second coming of Christ and the Savior’s distaste for Fidel Castro. The plan was called ‘Elimination by Illumination,’ but was ultimately shelved.[48] It would be funny if such plans stayed on

paper, but these men were responsible for the torture and deaths of countless individuals for the plans that made it into reality.

As soon as General Lemnitzer became Army Chief of Staff in 1959, he installed Lansdale at a desk in Deputy Defense Secretary Gilpatric's office in the Pentagon. Lansdale was put in charge of Operation Mongoose under direct patronage of Lemnitzer with the main object to eliminate Castro in direct defiance of federal law prohibiting political assassinations. Operation Mongoose was an extensive campaign of terrorist attacks against civilians and covert operations carried out by the CIA and was run out of JM/Wave in Miami. Lansdale would participate in many covert operations including raids and bombings in Cuba and other targets all over Latin America.

In March 1962, General Lemnitzer, not taking a hint as to what happened to Dulles, Bissell and Cabell, decided it would be a good idea to propose Operation Northwoods to President Kennedy for approval. Operation Northwoods was a proposed false-flag operation against American citizens, which called for CIA operatives to both stage and actually commit acts of terrorism against American military and civilian targets and subsequently blame the Cuban government in order to justify a war against Cuba. The plan was drafted by General Lemnitzer specifically and had a striking similarity with NATO's Operation Gladio. The logic of Northwoods was the stripe of Gladio. The general staff inclined towards prefabricated violence because they believed benefits gained by the state count more than injustice against individuals. The only important criterion was reaching the objective and the objective was ultra right-wing government.

There was not a single item in the Northwoods manual that did not amount to a blatant act of treason, yet the U.S. military establishment dispatched Top Secret – Justification for U.S. military Intervention in Cuba straight to the desk of Secretary of Defense Robert McNamara, for onward transmission to President Kennedy. Needless to say, President Kennedy rejected the proposal and a few months later

History is never about the past, it is always about the here and now!

America has a good constitution but there is nevertheless a degeneration into tyranny, corruption and mob Satanic rule.

The masses have not a thought in their heads...As for the democracies, then, let them govern the enemies of Persia, but let ourselves choose the best men in our country, and give them political power.

- Herodotus' *Histories*

What this letter means is that despite the fact that Athenian society had a good constitution, a good foundation that was based off of Solon's laws, there was nonetheless a degeneration into tyranny, corruption and mob rule.

So, Three Thousand years ago Plato is confronted with this and as a young man thinking to himself "What can I do about this?" Already at such a young age, Plato had the ability to see into the distant future and knew that there was nothing he could do in that very moment that could change the outcome which he was trying to prevent. Athens had reached such a point..

The inspiration for the fascist state comes from Plato, the male supremacist and apologist for pederasty. Plato is revered as the preeminent classical philosopher, although his apparent advocacy of man/boy sex is not commonly known. A prototypical statement by the philosopher is recorded in George Grant's *Legislating Immorality*: "Through the nightly loving of boys, a man, on arising, begins to see the authentic nature of true beauty" (Grant, 1993:24).

Plato's Republic is his best known work.

The following is a summary of the Republic from W.K.C. Guthrie's *A History of Greek Philosophy*:

The Republic (c.370 BC) advances many of Plato's principal ideas, notably those concerned with government and justice. Composed as a debate between Socrates and five other speakers, The Republic is best known for its description of the ideal state (based on Sparta), which Plato argues should be ruled by Totalitarian Dictator philosopher-kings (Guthrie in Grolier).

As we have noted, the Spartan society was dominated by a pederastic warrior cult that featured mandatory induction of twelve-year-old boys into homosexual partnerships with adult men. Like all such cults, the Spartan military was rigidly hierarchical and elitist. Plato's concept of the "philosopher-king" is that of an autocratic dictator leader appropriate to such a society. The Totalitarian Dictator Philosopher-King rules over a kind of fascist utopia. Interestingly, Plato's idealized society in the Republic includes the elimination of the family as a social unit and the elimination of private property.

Only Meditation. Only the Energy Enhancement Meditation Course can so change the Mind by removing it's Energy Blockages that it becomes good, that it wants only good for humanity, that it wants to remove all evil Energy Blockages in the mass of humanity!

Plato writes in his Republic, that the question of political leadership is fundamentally a question of goodness created by removing evil energy blockages in Energy Enhancement Meditation.

Plato characterizes the difference in goodness between bronze, silver and gold souls, representing individual concern only for personal gratification (bronze souls), the rational individual who strives to conduct his affairs according to existing laws (silver souls), and the individual who functions on the basis of creative reason to better humankind (gold souls).

What We See when we Remove an Evil Energy Blockage using the Energy Enhancement Meditation Level 2 Seven Step Process is the Secret of Infinite Energy, Secret of Eternal Life, the Secret of Immortality.

Energy Blockages are Satanic.

Energy Blockages are AI, Artificial Intelligences created in Satanic Rituals for thousands of years by a Ritual Technology which has been hidden from humanity and denigrated, ...the AI Demons Living outside the body.

These AI Energy Blockages, created in Satanic Rituals by a Ritual Technology which has been hidden from humanity, are Implanted into the Mind to control the mind, to dumb down the mind, to create sickness and infirmity, to Steal Spiritual Energy and send it back to the creator of the Energy Blockage through Energy Cords, chakra to chakra.

This we see directly when we remove the blockages with Advanced Meditation Techniques from the Energy Enhancement Meditation Course..

Energy Blockages do not exist alone, they are part of a network of evil, a network of control, which is designed not to allow people to understand the nature of that control, the purpose of that control, so as to maintain that control and the flow of energy - stolen from all human beings - Eternally!

Spiritual Energy - stolen from all human beings to allow an elite of Black magicians, Sorcerers, Enchanters, Warlocks, Witches, Necromancers, Devils, Dark Gods... to live forever, Immortally, in private Universes, outside the body and then to download into a body from time to time, using the Evil Palladian Satanic Ritual, to maintain their Plantation, their Farm, their Property, to maintain the flow of stolen spiritual energy to them from every human being on this planet - Eternally.

HERE IS A REPORT FROM A STUDENT OF ENERGY ENHANCEMENT MEDITATION...

The course has exceeded my expectations in every way. I have been meaning to send a progress report and to thank you for the opportunity to progress in your teaching.

I have been learning each initiation slowly, absorbing the videos and contemplating the student experiences. I practice the 7 steps daily, working on my Antahkarana, chakras etc. and it has become second nature to do so.

I practiced Level 1 for years and it laid a good foundation for Level 2. Ever since I was introduced to the idea of energy blockages, I have been aware of their presence in my body. For a long time, when focussing on removing them, my attention would divert to the blockage which made removing them a very slow process. The 7 steps has removed them very effectively.

There have been blockages in my body that are stubborn to go still. I use the 7 steps and repeat the process yet they are still there. Either my method is not correct or they are very dense. However, recently in one of the videos you mentioned sending 4 powers towers into the center of the earth and connecting it to the base chakra. I started to do this and the blockages in the head started to dissolve (these have been the stubborn ones for a long time) I also started to connect with the 5th chakra below the base and I can feel its energy profoundly with the same results. Now only a few remain and I believe like you said, the blockages in the base chakra (which I was able to remove) corresponds to the crown chakra.

I compare my mind to a year ago, and it used to be filled with thoughts. These thoughts were fear and anger which are now gone. It is like having a new life with my eyes wide open and living in the present moment. My body radiates with energy and life is so smooth as things often just fall into place. I feel a lot of love and want to help. Serving others is the most fulfilling thing for me now. What I want or rather desire is so small that I feel utterly free.

I am having a better understanding of the Astral world and I now understand that the experiences are based on how we perceive and malleable into anything we want. Years ago, I joined a hermetic fraternity and it was the same with protection, projecting energy etc. The methods were different yet the result was the same. These similarities confirm I am on the right track. Yet, there is always something stopping me from moving past the first steps of raising energy. I truly fear contacting beings and exploring because I am not sure if I will be prepared to respond if in danger. Nonetheless, this is the furthest I have been on the path and enjoying it thoroughly. Thank you again for your teachings and guidance.

Hi Marc,

But simply - a third level technique - put the word fear in a circle of white light and 7step it!

And do not worry, every white magician is more powerful than the dark side because we are connected with God, and they are not.

Put your full trust in God. Be faithful and you will grow in evolution.

I really want to thank you for the everything. I appreciate the opportunity to pay over time, otherwise I would not have been able to have this experience. Everything has been going well, please see my report below:

I have spent the last several weeks removing the extremely dense blockages in the head. Of all the areas in the body, these were the most difficult to remove, giving me the impression that was not progressing. This repeated process has helped me to refine my 7 step technique and there have been several shifts in my external world. In addition, a hidden internal world has surfaced and everyday I understand a little more how to navigate it.

The blockages in the head feel like hard rock lodged between flesh. It was a network, a swarm of interconnected blockages. As I removed a piece of it, it was connected to another portion. It was stubborn to lift like it has been there a long time, controlling my thoughts and actions. The blockages were most dense around the third eye, crown chakra and the back of the head (corresponding to the 3rd eye). It took me weeks to make progress, but I continued as long as I made any progress at all.

Method - To remove the blockage, I enclosed the blockage with a construct. I then try to psychically lift the construct outside of the body, containing the blockages within. As the construct exits my body, I feel some of the blockages come loose, almost like being severed from a larger mass. I have found that once the construct is above the head out outside the body, I can use it to draw in negative energies. It acts like a vacuum where all the black negative energies are drawn into its center. The construct vibrates in glittering gold, and inside white hot light liquifying the blockage. I was able to remove more in each sitting this way.

At the start of the session, (after I activate my protection) I fly throughout space towards my higher self. The details of this higher self is like an astral body that I am building, details being added and modified over time. Once I approach this being, I merge my consciousness with it and assume it like a "God form" to perform my work. This figure now has a flaming sword radiating white light with an engraved golden hilt. The energy is so great the flames are surrounded by flashes of lightening. Almost every form of energy I now project radiates lightening with great force, especially when it is released with the out breath. At first, in my other hand, I had a laser sword with violet light to cut the connections. I would charge the sword with the violet ray of St Germain from my heart and brow centers. The sword would glow violet with flashes of lightening showing the great force it possessed. This later became a golden staff with a large Amethyst stone at the top, which in my large form projected like a ray of violet lighting to burn up all the connections at each stage of the 7 steps. On the figure, the eyes are flames. There is a golden lotus crown with diamonds upon its head, an emerald jewel in place of the third eye. It wears an armor of silver and gold. The latest thing to happen is it has gained angelic wings. I am learning to use them to traverse large distances. With each flap of the wings, I travel almost at warp speed across space. Last night I had the idea to use the construct as a vehicle to travel throughout space instead.

I now know that this is another world with its own rules. Occult teachings speak of planes which exist in each chakra above the head. Each is its own universe with its own entities. As I enter the Monad, it is a paradise where my masters congregate in a large hall. Buddha glows in radiant gold, Jesus and the other masters have a human like form glowing with white light.

I meet with my masters. Buddha, Hermes Trismegistus, Jesus, Thoth (Egyptian God, but I am suspicious of his power...maybe I need to test) and you Satchi. I thank them and ask for their guidance on the path. I ask Buddha to share his energy and he nods. I send a beam from my third eye and heart and circulate it.

Powerful Projection - I use the out-breath while projecting white light from the third eye and the heart with a force of lightening. Once it reaches the circle of light that I create with my sword, it explodes into the center of the universe and into the center of the earth with spirals of light. The construct is then assembled around the blockage being charge by the the spirals of energy and the outer rings added on by one.

As I compress the blockage with my hands, my hands radiate lightening. I surround the blockage within the construct with my energy as the forms change within the crucible. From air to water to earth etc.

I now know my progress is because of the power you have shared. I now understand what you meant by the Buddhafield and how it has magnified all that I do. I have been on this path before, but almost feeling alone, now I know I am not. I am grateful to have discovered this new world, I tasted it once but broke my practice and lost it for years. THANK YOU.

Hello Marc,

I have just been reviewing your report and I am very happy with it

Of course the project has not been completed, but enlightenment is a process which never stops.

The excellence just keeps getting more excellent.

The bit about the Buddhafield...

Angels are born onto this planet with strong Buddhafields from past lifetimes of meditation.

They affect everyone around them as alien powers or alien vessels - I have an article online about this.

As you work with Energy Enhancement the Buddhafield will get stronger and you your energy will even more affect the people around you, affect the whole planet.

You could do nothing and still perform part of your karmic duty.

But when you start to teach with all the bother that that entails.

When you start to teach about the Satanists...

You start to grow even faster.

So, please test with the 7steps everything and everyone, me, buddha, thoth etc.

And I am very happy that you complete level 2 before continuing.

As I mention, as your energy gets stronger, so you will dislodge, notice, even more blockages in the initiations before so please complete to the best of your ability, and still keep going back as you need.

Many thanks for the report.

It was excellent!

Love and Light,

Satchidanand

ELIMINATING THE SHADOW

In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities: Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy. Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no practical solution to the Shadow, all of those guys failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow... And it is the Shadow (Subpersonalities) which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil Within You!

Carl Jung says: "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or statesmanship and is always an individual matter. First one has to accept and live seriously the existence of the shadow; second, one has to become aware of its qualities and understand that this requires conscientious attention to moods, fantasies and impulses. Third, a certain process of negotiation is unavoidable." (Carl Jung)

As Jung notes in the passage above, the Shadow Side is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is of fact true and "You are that!" You are a part of the universe and have nothing else to seek.

Energy Enhancement Meditation - Spiritual Insight - combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative Karma: Mass - pain, frustration, depression, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed - transmuted and integrated.

Energy Enhancement Meditation uses the Psychic Spiritual Center - Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream exploration, dance-work etc then we are also limited still. This is because we need Carl, both sides.

ENERGY ENHANCEMENT MEDITATION - DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND!

Alchemical VITRIOL is an Ancient Meditation designed to remove Trauma from Memories! VITRIOL IS A LATIN ACRONYM - VITRIOL = Vitis Tripartite Ferre Rectificando Invenies Occultum Lapidem, THE GROUNDING AND TRANSFORMATION OF ENERGY BLOCKAGES - It is purification of the conscious and the unconscious, night and day, hot and cold, masculine and feminine. In the center is the Ajna Chakra, Third Eye, the kundalini Serpent has risen from the Muladhara - Base Chakra to the Third Eye Center. The symbolic meaning of this state is a new consciousness that is the dissolved duality. A state of Wholeness - Integration - Enlightenment.

"Come together, right now, over me, singing these famous song lyrics from the Beatles to yourself. You can come together, surpassing your current self to a higher self!"

The Energy Enhancement Meditation Course - Alchemical VITRIOL and the Removal of Fear - Video Transcription of the video above - watch it!

My name is Swami Satchidanand and I'm one of the directors of the Energy Enhancement Meditation course. I'd like to talk a little bit about my bio. I started off at the age of 14, doing yoga, went to university, did a joint honors degree in physics, electronics and mathematics, and then went to work for a big International Computers Ltd. like IBM, working on mainframe computers, on the production - sorry, on the making and the testing of mainframe computers for quite a few years.

And then I met up with two wonderful people who changed my life.

The first one was called Zen Master Hogan from Japan. And from Zen Master Hogan I learned Zen meditation. I practiced with him, I had many psychic experiences.

After that I moved on to Swami Satchidanand of Yogaville in the USA. And again, many psychic experiences. The interesting thing about Swami Satchidanand was he was a Tamil Siddhar. He came from the South of India, from Coimbatore. And interestingly enough, there are a group of spiritual people called the Tamil Siddhars. They all write poetry about meditation, climbing up through the chakras above their heads with their pranayama and their meditation.

It is interesting that our student Yuko Sato, along with All of our Energy Enhancement Students had the same experience of moving into the infinity of chakras above the head, clearing out the trauma and energy blockages in All our past lives because our past lives are stored in the first chakra above the head called the soul chakra because we all use the same meditational techniques which are not taught in Traditional Meditations, “Because Traditional Meditations are designed to fail!”

Eye, the Removal of Blockages

And I think the first of the Tamil Alchemical Siddhars was called Bhogar. And Bhogar was a guy who taught the first guy who was an Alchemical master, a master of Alchemy. He had two students.

One of them was called Patanjali of the Yoga Sutras of Patanjali. Please read my commentary on the Yoga Sutras of Patanjali from our list of 52 books, which we send when you sign up, or just email me because we are always adding more. I wrote the commentary on the Yoga Sutras of Patanjali all about meditation, samadhi, samyama, - the techniques of meditation, and why you need to meditate.

And the other amazing guy who was a student of Bhogar was called Babaji. Now, Babaji is a young boy and he lives in the Himalayas and he's lived there for 2000 years. And Babaji teaches a technique of meditation called the Kundalini Kriyas. And he taught them to Yogananda, a very famous yogi who went to America wrote the Autobiography of a Yogi, and has a big estate in Los Angeles. The Kundalini Kriyas are a technique to contact the infinity of chakras above their head, to contact a source of infinite energy which flows to and through you.

The Kundalini Kriyas are a technique to transmute using VITRIOL, the First Formula - guided meditation - of Alchemy, to transmute trauma, pain, shocks, fear, anger, bi-polarity, sadness...

Bhogar lived for 15,000 years, 15,000 lifetimes in the same body. He created a very famous temple called Palani Hill Temple in the South of India, with a door of 50 tons at the top of this hill, which was created by one of the Maharajas at the time, pretty high up. They have a funicular railway to go to the top now, but you can still climb up the steps if you want to.

PALANI HILL TEMPLE - 2022 ENERGY ENHANCEMENT ALL INDIA TOUR

And Bhogar, it is said, decided to die one day.

And when he did, he transmigrated across the ocean into China, into the body of a guy who became known as Lao Tzu. Now, Lao Tzu was the

founder of Taoism and the five circulations of the Qi. The technique of Taoist meditation is exactly the same technique as the Kundalini Kriyas of Babaji, which is not surprising because the teacher of the Kundalini Kriyas, Babaji, was a student of Bhogar and Bhogar himself taught in another body. The five circulations are the Qi of Taoism.

Now, Alchemy is a part of the Kundalini Kriyas. It's not to be separated. Now, I was very interested one day when I saw a picture of the Kundalini Kriyas.

And this is on the front page. We made a picture, you know, in photoshop of the infinity of chakras above the head connecting into the head of a person and then going down through the body and through the body to and through you into the center of the Earth, which is another part. That's the Earth path of the five circulations of the Qi to contact the center of the Earth.

And I was very interested when I saw this picture which what's the name of the picture was created by Dr. Thurman Fleet a long time ago. And it's a sort of a circle. And underneath it there's another circle. And the top circle is divided into two. And the top part is the conscious mind. And the bottom part is the subconscious mind going down to the other circle, which is the body with all the five senses, the six senses, whatever.

WHEN GOOD THOUGHTS ENTER INTO THE SUBCONSCIOUS MIND, THE HEART - YOU GET PROGRAMMED, THE THOUGHTS GET DONE!

So when we're talking about a full picture of a human being it's very nice to connect to that same picture of Dr. Thurman Fleet, the psychic body of the energy enhancement course. Because one of the major problems of human action from the mind through the emotions to action is something that we call energy blockages. And the full amount of energy blockages in a human being is called the ego. And it is the ego or the paradigm which prevents people from reaching their highest capacity.

We can talk a little bit about programming the conscious mind with Thought Forms, good things, and angels and then by repetition, by mantra repetition, bringing those Thought Forms from the conscious mind into the subconscious mind which is really the heart center. And a heart center, the positive emotional side of man.

The conscious mind, the subconscious mind, and the unconscious mind are the chakras. When we learn about energy cords in Energy Enhancement Meditation Course Level 4 we learn how to project energy cords to connect with other people's chakras we have found the way to connect directly with the conscious mind, the subconscious mind, and the unconscious mind.

We can project Angels into the chakras along the energy cords.

Black Magicians can project sex and drug addiction energy blockage demons along the energy cords into the chakras of other people in order to steal their spiritual energy so that they can live forever in private universes on the astral plane by vampirising the energy of their cattle, humanity, immortally, eternally.

Then there is the energy connection with God from Sahasrara Chakra along the Antahkarana column of energy through the infinite chakras above the head ending with God.

Now, what is against this flow of energy from God, from an infinity of chakras above the head, down through the body to and through you is something that we call energy blockages, the paradigm. And an energy blockage is really an angel which has been coated with trauma.

We call it a substance called trauma formed negative karmic mass.

It's possible to dissolve, to transmute, to Alchemically transmute this trauma-formed negative karmic mass in the Philosophers Stone which transmutes lead into gold or energy blockages into pure positive Spiritual Energy using the guided meditation VITRIOL.

VITRIOL is a Latin acronym, a guided meditation, *Visita Interiore Terrae Rectificando Invenies Occultum Lapidem*.

Visit the center of the Earth, there you will find the hidden stone, the Philosophers stone. By changing the direction of the projected energy into the center of the earth to up, Rectificando, we can follow that energy along the path of the soul to God.

The Emerald Tablet of Hermes Trismegistus, the Taoist orbits of the five elemental circulations of the Qi, and the Kundalini Kriyas are all the same guided meditation designed to Transmute, to remove, Evil from every human being!

Imagine a messy karmic painting filled with cats and snails and puppy dog's tails and imagine using Energy Enhancement Meditation to transmute all that to create a clean white sheet again!

It's a good thing to do it.

I also took a course a long time ago of acupuncture. I spent a year learning all the acupuncture. They say that fear is caused by an energy blockage. And if you needle that energy blockage, you can move it, you can change it, you can discharge it, and the fear will go.

I found I could feel and discharge energy blockages simply by taking the pulse of each meridian.

Each of the five meridians, the five elements of the meridians has a different negative emotion. Negative emotion, sadness, anger, fear, anxiety, and an excess of joy called manicism.

Anger. Anger, all of those things. Yeah, if you can't control them, they're really going to make your life hell.

But the one I was wanting to talk to about today, fear. You know, fear cannot be talked away. You can read all the books in the world, but it's not going to get rid of that fear. Fear is a substance which exists within you called an energy blockage.

Now, I was wanting to talk about a guy by the name of HP. Lovecraft. Now, HP. Lovecraft wrote a whole load of books which I read when I was a little boy about cosmic horror. And there's a nice little placard of one of his quotes about fear. And it says, the oldest and strongest emotion of mankind is fear. And the oldest and strongest kind of fear is the fear of the unknown.

ENERGY ENHANCEMENT TRANSMUTES FEAR BLOCKAGES!

HP. Lovecraft, and he goes on from there to saying another quote, the basis of all true cosmic horror is violation of the order of nature. And the profoundest violations are always the least concrete and describable. HP. Lovecraft,

ENERGY ENHANCEMENT BURNS FEAR INTO PURE POSITIVE KUNDALINI ENERGY IN THE CENTER OF THE EARTH, IN THE BURNING FIRES OF MOUNT DOOM WHERE FRODO BURNT THE ONE RING!

It's all about what happened to you when you went into the woodshed. What is violation? It's anything that creates trauma within you. And that trauma has been pummeled into so many people in this lifetime and in all their previous lifetimes, that the traces of that horror, the traces of that fear, the traces of that trauma formed negative karmic mass, the traces of those energy blockages reside within them, immovable without meditation techniques to remove that fear.

And this is where we get to the nub of the Kundalini, Kriyas. This is where we get to the real meat of the five circulations of the Qi of alchemical Taoism. In those meditations - techniques of meditation, we talk about contacting the earth through the earth path of the circulations.

But there is another first formula of Alchemy, and it's in Latin which tells you the age of the techniques. Because these techniques came from India, they went to China, and then they came over into the Roman Empire when they were turned into Latin.

Now, a very ancient formula is an acronym VITRIOL. You know what VITRIOL is, don't you? It means acid, it means anger, it means hate, it means fear.

VITRIOL - Visita Interiore Terrae Rectificando Invenies Occultum Lapidem.

Latin, I will translate it's a technique of meditation which will dissolve even the deepest emotion, the deepest fear, the deepest energy blockage, it allows the energies of God to flow to and through you, all through your body, without being stopped and bad things created, like fear and anger.

It allows that energy to flow down into the center of the earth, mother earth, the source of all kundalini energy, and allows that kundalini energy to flow up through you and go back into the center of the earth.

Occultum Lapidem is often called the Philosophers Stone, which transmutes, according to Alchemy, base metal into gold.

And as we understand from young, Alchemy was not supposed to be physical. It was a methodology of people outside the Catholic church in very ancient times to escape the rack, to escape the inquisition, to escape the burning in the square. Really, these guys were not talking about chemistry or physical things.

They were talking about meditation.

So when we're talking about base metal and when we're talking about gold, we're not talking about lead base metal, we're not talking about gold, physical gold. We are actually talking when we're talking about lead or base metal, about energy blockages.

We are talking about trauma formed, negative karmic mass, which always happens when you get trauma and creates something called anxiety or in extremis, PTSD, which totally stops you from working. So when we're talking about base metal, we're talking about energy blockages.

And when we're talking about gold, we're talking about the purification of this trauma. The purification of this trauma formed negative karmic mass into something which is called pure, perfect spiritual energy, which revives and imbibes you. It makes you feel wonderful when this horrible stuff has been transmuted, dissolved, changed into a pure positive energy, which can then be sent back to God.

This is Gurdjieff's Reciprocal Maintenance. So we're talking about very ancient techniques. Very ancient formulas. Which make sense in today's modern world of meditation to allow you to take that messy karmic painting of yourself that you're painting every day and transmute it into a clean. White sheet.

Rectification to rectify. To change the direction of the energy from down into the center of the earth to up. To send the purified energy from the fires at the base of Mount Orodruin. Of Mount Doom. Of the Lord of the Rings where Frodo put the ring. The One Ring. Whose might controls everybody.

And he placed it down into the fires at the base of Mount Orodruin, Mount Doom, and he dissolved the Ring and he dissolved the power of the Dark Lord.

He dissolved, transmuted, the Trauma-formed negative karmic mass.

He dissolved, transmuted, the demonic evil energy blockages.

It is bad enough to be traumatised to imbibe energy blockages, and it is bad enough to be implanted with sexual and drug addiction energy

blockages, but when evil people join together in Satanic Groups to perform Satanic Rituals to increase the level of Evil within them, we get this...

Satanism is gradually being instituted as the New World Religion defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual - read Toynbee.

Infil-traiton of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. LGBTP - The Satanist Ritual Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly as a prelude to Ritual Human Sacrifice. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society destroyed through the fear of mandatory Ritual Human Sacrifice.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, Facebook, Twitter, International Companies, Vatican, Transhumanism, CRISPR Androids, Eugenics..

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and their minions, and thus conquer the world.

All Rituals, Religions, Education, Secret Services and Political Movements have been scientifically Engineered to create Fake Gangs for 10,000 years. It's what the old Roman Empire, The Babylonian Empire of Satanic Nimrod, and the Cult of Apollo and the Byzantine Empire did before.

As you know, every Gang has Blackmail Rituals before you can join. Making your Bones with the Mafia means you must murder someone before you can join. Drug Cartels like MS13, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can progress.

Epstein did not kill himself. He videoed Scientists from MIT and Harvard, Oligarchs, and Politicians etc, Pedophiling young girls then Blackmailed them into doing the work of his Trillionaire sponsors - MKULTRA, Transhumanism, CRISPR Androids. As their willing victims are given access to stealing higher quantities of money, so they must go to the next level of Ritual. First, it is 15-year-old girls who look 25. Then it's 12-year-olds, 5-year-olds, and then it's the ritual murder of children, babies!

All to create a Satanic Society of Total Control through Human Sacrifice, poverty, lack of education, and poison in the air, water, and food. Lack of infrastructure, education, and Total Control of the Media through the CIA, FBI, and NSA, censoring Google, Twitter, and Facebook and then using the Justice Department and the State Department so that nothing gets done to change the Fake news, Fake Elections, Fake Climate change, Fake Deathvaxx, and Fake War.

The very word secrecy is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings “For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence” on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.

Rectificando, send that purified energy back to God.

Invenies - "There you will find" they will find Occultem Lapidem.

Rectificando of the energy and send that energy back on the path of the soul.

The soul is the first chakra above the head. So we're getting this circulation of the energy down from God, down the front of the body, down to the center of the planet.

All the negative energy is burnt up in the center of the planet and the purified energy comes back through the body and is sent up into the center of the universe.

Alchemy Bhogar, Babaji, Yogananda, Zen Master Hogen, Bhogar.

Swami Satchidanand, one of my teachers, Tamil Siddhar from the south of India. So when we are talking about paradigms, when we're talking about energy blockages, then anything which is negative can be dissolved and transmuted into positive energy.

Thus making the implantation of positive Thought Forms from the conscious mind down into the heart, into the subconscious mind, an easier process.

Sometimes we have to repeat and mantra-ise these positive thought forms thousands of times, days, months, weeks, and years before we can see the results.

But with the Energy Enhancement ability to get rid of those things which are preventing the implantation of positive thought forms, we can Speed up the Process.

Energy Enhancement Meditation is a video course which we created a few years ago, 75 hours. It has in the first Level all the Kundalini, Kriyas. But more than that, in level Two, Three and Four, we move into a process even more powerful than VITRIOL, which is called the Energy Enhancement Seven Step Process to remove even the deepest energy blockages.

With Energy Enhancement, you can remove the deepest energy blockages, but also you can implant positive Thought Forms deeply into the conscious and subconscious minds to make these things work.

My own experience of using a positive thought form was when I focused my third eye on this third form using the Seven Step process, and I grounded all the negativity in it that was preventing me from working with that thought form. I found energy blockages around it, which I had to ground.

And then the thought form was accepted very easily. It works, it works better, it works faster, it works more efficiently. And if the people who wanted to implant these positive Thought Forms within them wanted to use a higher technique than Mantra Meditation, then it would be to their benefit tremendously.

So I think I will finish my talk at this moment by saying that the Energy Enhancement Meditation Course is in four levels, 28 initiations, each of them with a video. Very simple to do. It's not rocket science, but in order to do it, you need to join the 05:00 Club or the 06:00 Club, because a daily meditation is necessary.

It's not just fear that we're removing.

With this course we are removing all the blockages, all the Karma, you know, the Karma Cleaning process of Energy Enhancement Level Three is a fantastic thing to go through. You go through all of your past lives as you remove blockages along the timeline.

So sometimes if God wants it, he gives you a vision of what caused the blockage in the first place and says, don't do that again.

It's a wonderful process for you to go through. It gives you so much energy. It removes everything which is holding you back and allows the implantation of positive thought forms much more easily than with any other method.

So thank you very much.

**ALEISTER CROWLEY - RITUAL SODOMY, RITUAL SEX,
ILLUMINATI INITIATE, SEX TANTRA ADDICT, DRUG ADDICT,
VICTIM OF VAMPIRE IMPLANT ADDICTION BLOCKAGES**

The Satanic Black Magician, Aleister Crowley, Secret Agent of British Intelligence MI6, friend of Druid Winston Churchill, took on the Avatar of, "Alastor of the Waste" and like The Frankenstein Monster, existed after all his evil deeds in a Wasteland of ice and snow - Cocaine and Heroin.

Alastor of the waste, or The Spirit of Solitude strangely, because Frankenstein written by his wife and by him, is the first major poem by Percy Bysshe Shelley.

The Left (Sinister) Hand Path of Initiation. Satan or Lucifer is the father of lies. Satan lies when he says that a, "Made Man" is one who has, "earned his bones" by killing another human being for example a Ritual Sacrifice of a human being which all the Pagan Religions for 10,000 years before Judaism, Christianity, and Sufi Islamism contained as part of their religion - The Satanic Religion of Babylon - That Babylon to which all ancient Satanic Phoenician Mega Trillionaire families trace their Genealogy to.

Dark Forces have used Infiltrating Bloodline Satanic 10,000
years old Phoenician Mega Trillionaire Aristocratic Families
which have existed running Global Trading Companies for
thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshipping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally. Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

The Satanic Phoenician Mega Trillionaires have worshipped their Dark Satanic Gods for more than 10,000 years with Satanic Sex Rituals and Satanic Sodomy Rituals.

They have dummed down humanity never allowing them to evolve by means of the principle of poverty, poison, Animal Farm, and 1984, so that they can vampirise humanity for their Spiritual Energy so that their Dark Demon Gods can live forever, out of the body in private universes..

The Satanic Phoenician Mega Trillionare Minions work for the Dark Demonic Gods, Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis in order to supply an infinite quantity of Spiritual Energy to them by stealing it through implant energy blockages, to them so that they can continue to live forever, out of the body, in private universes on the astral plane amongst the infinity of chakras above the head.

ALEISTER CROWLEY EXEMPLIFIES THE LEFT HAND PATH OF RITUAL HUMAN SACRIFICE, RITUAL DRUGS, RITUAL SEX WITH THE WHORE OF BABALON, RITUAL SEX WITH THE HOMOSEXUAL DOG PRIESTS AND ROCK AND ROLL, BUT HE TOO WAS DECEIVED... HE WAS A VICTIM OF VAMPIRE IMPLANT ADDICTION BLOCKAGES, IMPLANTED IN HIM BY HIGHER INITIATES

Crowley, Satanist, Magus of Masonry, Egyptian Religion and all the Pagan Religions did Sex Rituals every day where he sacrificed the unborn baby - Sperm - to his partner, "The Whore of Babylon" because Satanic Pagan Religions have Temple Prostitutes who partake of every Satanic Ritual...

"Sex by will, Love by will -no caring and no sharing -no feelings ... Sex is the route to power. Scarlet women! They are the secret to the doorway. Use and consume. Feast. Drink the power through them. Waste and discard them." L Ron Hubbard, Snr.

The Luciferian General Pike and Super British Agent Mazzini promoted the Palladian Rite where the Initiate has Tantric Sex with the Whore of Babalon to absorb Demons and become Possessed, a fleshly glove of the Demon. In this manner people who learned how to leave the body and live eternally in private universes on the Astral plane can download during the Satanic Palladian Ritual into a body so as to maintain their Earth Plantation.

Crowley, Satanist, Magus of Masonry, Egyptian Religion and all the Pagan Religions did Sodomy Rituals every day where he sacrificed the unborn baby - Sperm - as a passive homosexual partner, because Satanic Pagan Religions have Egyptian, "Dog (Anubis) Priests" who act as the passive homosexual partners in Satanic Rituals.

These Homosexual Ordo Templi Orientis OTO Rituals, 33rd Degree Luciferian Rituals Sodomy Rituals, Yale Skull and Bones are now common all over the planet.

The Sexual Sodomy Ritual injects Kundalini energy into the base chakra which travels up the spine into the brain. For this reason people using this Satanic Sodomy Ritual called themselves the Illuminati as they felt their heads were filled with light.

THE SATANIC KEY TO SODOMY

In Satanism there is the Black Mass where they do bad things to become, "free".

Free to Fuckup, Free to be perverted, Free to be degenerated, Free to de-evolve!

In Satanism, the Ancient masculine Sun Symbol, becomes the Eye of Horus, and represents the Anus.

Whereas is the good way, the Energy Enhancement way, it represents the Heart of the Sun.

In a Good way, the Energy Enhancement way, it represents the Kundalini Center of the Earth.

And the circulation of Energies between these two centers symbolised by Vesica Piscis.

There is a sign within Christianity that most of us know nothing about. The Mandorla, also referred to as vesica piscis, was used during medieval Christianity. It is an ancient symbol of two circles coming together and overlapping one another to form an almond shape in the middle.

The meaning of the Mandorla depicts the interactions and interdependence of the central spiritual sun and the shakti, kundalini center of the earth of connected worlds and forces of Enlightenment. And the use of the First Formula of Alchemy - a guided meditation used to transmute the Trauma of Negative Energies and emotions of Energy Blockages.

VITRIOL

SATANIC SODOMY SYMBOLS

Sodomy Rituals are black magic. The energy is stolen from the guy who injects his energy directly into the base chakra of he who receives it. Ritual Sodomites call themselves the Illuminati because that energy injected into their anus travels up the spine to illuminate the head is a form of vampirism, as all black magic is.

THE SODOMY BLACK SUN OF THE NAZIS WHO USED SODOMY RITUALS TO PROGRAM, MIND CONTROL, THE SS AND NOW NATO.

The Eye contains within itself both male and female - Vesica Piscis and the Sun..

or in Satanism the Eye in the Triangle containing the Eye of Horus - the Anus

There is a sign within Christianity that most of us know nothing about. The Mandorla, also referred to as vesica piscis, was used during medieval Christianity. It is an ancient symbol of two circles coming together and overlapping one another to form an

almond shape in the middle. The meaning of the Vesica Piscis Mandorla depicts the interactions and interdependence of the central spiritual sun and the shakti, kundalini center of the earth of connected worlds and forces of Enlightenment represented in the White Magic Meditations of the Kundalini Kriyas of Tamil Siddar Bhogar, Patanjali, Babaji and Paramahansa Yogananda and in the Alchemical Taoist Meditations of the Five Elemental Circulations of the Qi as taught by Lao Tsu.

And NOW! in the Energy Enhancement Video Meditation Course The Vesica Piscis symbol has its origins from the Kabbalah, before the Christian era. The early Catholics used the symbol as a way to describe the coming together of heaven and earth, between the divine and human.

Mandorla is the Italian word for almond. During medieval times, the almond was used Satanically to represent Sexual Ritual, degrading the original intent of the symbol, as a symbol for the woman's vulva. In time, early Catholicism incorporated the Mandorla into many paintings and artwork of the time.

33 represents the Vitruvian man.

The dot in the center of the circle represents the anus! If rotated a 3 is an M or a W and interchangeably and so on. Most Germanic auto logos are similarly occultic, satanic, like BMW, which is a rendition of B3W - 833.

B is an 8 which is two threes back to back. 1 is a penis - The lost Penis of Osiris.

Aces and Eights denote Intelligence services scams - false stories like Wild Bill Hickock's false death - it is their calling card.

It includes Volkswagen, whose logo is also a version of occultist da Vinci's Vitruvian Man.

Bottom on bottom Sodomy, 8 or 33 represents the Vitruvian man.

The occultist da Vinci's Vitruvian Man really depicts the buggery of the anterior man by the posterior man, the apex of Satanic Luciferian 33rd Degree masonry or final "Mystery of Mysteries" of the secret societies as explicated by Walter Veith (to open their "Third Eye."). The reign of the AntiChrist will be marked as the sodomite king of the world...

The Sodomite Gateway - Titanic's Tribute to the Vitruvian Man: From One Leonardo to Another! DiCaprio honors Da Vinci. One of the iconic scenes from 1997 blockbuster film, Titanic, featured Leonardo DiCaprio at the bow of the ship. Shouting a memorable line, "I'm King of the World," he held out his arms like a bird catching the wind in its wings. There's an esoteric signal there and some epic irony as well. Note that there are two men at the bow, one behind the other. If you're familiar with the Vitruvian Man you'll recognize this scene as a dramatized version.

Those responsible for the scene understood several things about the classic drawing.

The so-called Vitruvian man is actually two men engaged in sodomy.

By having DiCaprio's character spread his wings, he demonstrates an understanding of the symbolic two headed eagle, or the Phoenician Phoenix! another version of the very same sodomite engagement.

By having the character identify himself in this scene as the king of the world, he demonstrates his understanding of the eagle as the Satanic Phoenician Phoenix, the feathered or plumed serpent Amaru, aka Apollo, identities of the coming beast who will reign as the sodomite king of the world.

Note the 33 above the Crown.

A person who has much to learn will burn the candle at both ends using drugs to stimulate response. Aleister Crowley remained addicted to Heroin and Cocaine until the end of his days. Here addiction to sex is combined

with addiction to drugs because the field of the dark side is Sex, Drugs and Rock and Roll!!

The field of the dark side is sex, drugs and rock and roll. Sex and drugs, to addict people to things which will burn their energy more quickly as they send their energy back to their implanter - the higher Initiate who implanted them, ever so carefully, with the "Stealer on the Doorstep" Sex and Drug Addiction Blockages implanted into the base chakra - so they can burn out and be discarded early.

Initiates involved in Sexual ritual can steal energy from their ritual partners but because no matter how high their degree if they do not know about Implant Addiction Energy Blockages, How to Create them, How to spread them about, How to gain energy from the victims - then they themselves are the victims!!

These so called high and mighty "Initiates" are the victims of Drugs, Sex, food and unnecessary exercise implant addiction blockages.

These so called high and mighty, "Initiates" are Initiates because they are implanted with Drugs, Sex, food and unnecessary exercise implant addiction blockages.

Satanic Freemasonry whose Sex Magic upper Palladian Rite, and Sodomy Ritual OTO and 33rd Degree levels act as a recruiting ground for Satanists.

The five steps of the Palladian rite. Part of what is involved is a progression of corruption, a process which ultimately result in complete, ongoing possession, a take over by "the evil spirit" for which the person becomes but a "fleshly glove." To achieve that state the "initiate" is "literally 'married'" ...

"by having a medium of the appropriate gender "The Whore of Babalon" be possessed by the "dead spirit" (actually a demon) and then ... was consume-mated.

...

It was believed that the magical "virtue" of the spirit would flow from the possessed medium into the initiate through the act of intimacy....

The idea was that the wisdom and god-like power of the spirit being would gradually, through repeated congress, totally infuse the mind, body and will of the initiate.

At this point, the soul of the initiate is totally eclipsed by the evil spirit. In other words, there is virtually "nobody at home" except the demon! ... At this point, the initiate ceases to be an autonomous individual. He is but a fleshly "glove" with a demonic "hand" inside controlling his every move.

...

Such "illuminated beings" regard humans the way we regard cattle.

Sex with the demon possessed is a diabolical means for transforming the individual and eventually completely taking over of the brain and body by "the evil spirit." That's been one way of taking control of an organization using high ranking members, by taking over their minds and bodies. Yet, how could Pike, Mazzini and their associated conspirators get persons to submit to such a diabolical process ?

"To recruit adepts, they planned to use some members of the other rites, but in the beginning they meant to rely principally on those among the initiates of Freemasonic Ancient and Accepted Scottish Rites who were already addicted to occultism.

"One will better understand these precautions knowing that Palladism is essentially a Luciferian rite.

Pike, the Sovereign Pontiff of Lucifer, was the president of the Supreme Dogmatic Directory, ...

p. 217 Occult Theocracy, Lady Queenborough (Edith Starr Miller), 1933 OCCULT THEOCRACY BY EDITH STARR MILLER, LADY QUEENSBOROUGH

EDITH QUEENBOROUGH

This book claims to be an endeavour to prove that: —

1 — Owing to their union, all secret societies, whether political, philanthropic or occult in appearance, serve a political purpose unknown to the majority of their members.

2 — The power wielded by such societies is real and its character is international.

3 — Regardless of their exoteric objects, the esoteric aims of most societies are all directed towards the same end — namely : the concentration of political, economic and intellectual power into the hands of a small group of individuals, each of whom controls a branch of the International life, material and spiritual, of the world today.

The main branches thus controlled are : —

1 — The International Banking Groups and their subsidiaries.

2 — International, industrial and commercial control groups with their interlocking directorates.

3 — Education, Art, Literature, Science, and Religion. as vehicles of intellectual and moral perversion.

4 — The Groups already organized throughout different countries for the study of International affairs political, financial and economic.

5 — The International Press, the medium used to

mould public opinion.

6 — The Political party organizations of each nation, whether conservative, liberal, radical, socialist etc. existing in every country with parliamentary administration.

7 — Internationally organized corruption, the white-slave traffic, vice and drug-rings, etc.

Glancing at the body frame of all political organizations, do we not perceive that money is its main sinew ? It would not sound preposterous to state that the electoral system is similar to that of auction, inasmuch as it favours the highest bidder.

Fake Elections were talked about by the Medicis!

In election campaigns, the successful candidate is not necessarily the most deserving or worthy of votes, but too frequently he who was able to buy the greater number of votes. Votes are captured by slogans, propaganda and, not unfrequently, bribery. Only an infinitesimal percentage among them will ever strive to find out the power or powers behind the candidate, and by whom he is, in effect, controlled.

<http://www.energyenhancement.org/OCCULT-THEOCRACY-BY-EDITH-STARR-MILLER-LADY-QUEENSBOROUGH-Satanism-Luciferianism-Globalism.htm>

What could induce a person to pursue such horrible, demonic practices ? What persons would be principally recruited for the Rites of Palladism ?

Those " ... who were already addicted to occultism, particularly initiates of the Ancient and Accepted Scottish Rites.

Perhaps a most telling warning not to involve oneself in the occult, not to become addicted to it, not even to dabble in it, are not simply the cases resulting madness or insanity, but of what might be described as an incomprehensible corruption of a human being which involves the divorcing of one's humanity and progressively leads to becoming a "fleshly glove in a demonic hand."

One of the stages of the Palladian Rite has elements common to a broad spectrum of occult traditions, evidently accounting for the reference to addiction to occultism which was made. It defines spiritistic satanic Illumination.

I learned that the Horned God, Lucifer, had a "Shadow" as well. .. so does the light of Lucifer become the brilliant darkness of Satan -- yet it is the same god!

Aleister Crowley on Human Sacrifice

"In any case it was the theory of {94} the ancient Magicians, that any living being is a storehouse of energy varying in quantity according to the size and health of the animal, and in quality according to its mental and moral character. At the death of the animal this energy is liberated suddenly.

The animal should therefore be killed within the Circle, or the Triangle, as the case may be, so that its energy cannot escape. An animal should be selected whose nature accords with that of the ceremony — thus, by sacrificing a female lamb one would not obtain any appreciate quantity of the fierce energy useful to a Magician who was invoking Mars. In such a case a ram would be more suitable. And this ram should be virgin — the whole potential of its original total energy should not have been diminished in any way.

For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. A male child of perfect innocence and high intelligence is the most satisfactory and suitable victim." Aleister Crowley

This is a chapter taken from the book "Magick in Theory and Practice" by Aleister Crowley. The text contains comments from the editor. The term "FRATER PERDURABO" is used by the editor to refer to Crowley. The editor seems to try to obfuscate what Crowley is saying when he talks about sacrificing humans, which is marked in blue in the text.

MAGIC IN THEORY AND PRACTICE BY CROWLEY - CHAPTER XII - OF THE BLOODY SACRIFICE: AND MATTERS COGNATE

It is necessary for us to consider carefully the problems connected with the bloody sacrifice, for this question is indeed traditionally important in Magick. Nigh all ancient Magick revolves around this matter. In particular all the Osirian religions — the rites of the Dying God — refer to this.

The slaying of Osiris and Adonis; the mutilation of Attis; the cults of Mexico and Peru; the story of Hercules or Melcarth; the legends of Dionysus and of Mithra, are all connected with this one idea.

In the Hebrew religion we find the same thing inculcated. The first ethical lesson in the Bible is that the only sacrifice pleasing to the Lord is the sacrifice of blood; Abel, who made this, finding favour with the Lord, while Cain, who offered cabbages, was rather naturally considered a cheap sport.

The idea recurs again and again. We have the sacrifice of the Passover, following on the story of Abraham's being commanded to sacrifice his firstborn son, with the idea of the substitution of animal for human life. The annual ceremony of the two goats carries out this in perpetuity. And we see again the domination of this idea in the romance of Esther, where Haman and Mordecai are the two goats or gods; and ultimately in the presentation of the rite of Purim in Palestine, where Jesus and Barabbas happened to be the Goats in that particular year of which we hear so much, without agreement on the date.

This subject must be studied in the "Golden Bough", where it is most learnedly set forth by Dr. J. G. Frazer.

Enough has now been said to show that the bloody sacrifice has from time immemorial been the most considered part of Magick. {92} The ethics of the thing appear to have concerned no one; nor, to tell the truth, need they do so.

As St. Paul says, "Without shedding of blood there is no remission"; and who are we to argue with St. Paul?

But, after all that, it is open to any one to have any opinion that he likes upon the subject, or any other subject, thank God! At the same time, it is most necessary to study the business, whatever we may be going to do about it; for our ethics themselves will naturally depend upon our theory of the universe. If we were quite certain, for example, that everybody went to heaven when he died, there could be no serious objection to murder or suicide, as it is generally conceded — by those who know neither — that earth is not such a pleasant place as heaven.

However, there is a mystery concealed in this theory of the bloody sacrifice which is of great importance to the student, and we therefore make no further apology. We should not have made even this apology for an apology, had it not been for the solicitude of a pious young friend of great austerity of character who insisted that the part of this chapter which now follows — the part which was originally written — might cause us to be misunderstood. This must not be.

The blood is the life.

This simple statement is explained by the Hindus by saying that the blood is the principal vehicle of vital Prana. There is some ground for the belief

that there is a definite substance , not isolated as yet, whose presence makes all {93} the difference between live and dead matter.

We pass by with deserved contempt the pseudoscientific experiments of American charlatans who claim to have established that weight is lost at the moment of death, and the unsupported statements of alleged clairvoyants that they have seen the soul issuing like a vapour from the mouth of persons “in articulo mortis”; but his experiences as an explorer have convinced the Master Therion that meat loses a notable portion of its nutritive value within a very few minutes after the death of the animal, and that this loss proceeds with ever diminishing rapidity as time goes on.

It is further generally conceded that live food, such as oysters, is the most rapidly assimilable and most concentrated form of energy. Laboratory experiments in food-values seem to be almost worthless, for reasons which we cannot here enter into; the general testimony of mankind appears a safer guide.

It would be unwise to condemn as irrational the practice of those savages who tear the heart and liver from an adversary, and devour them while yet warm. In any case it was the theory of {94} the ancient Magicians, that any living being is a storehouse of energy varying in quantity according to the size and health of the animal, and in quality according to its mental and moral character.

At the death of the animal this energy is liberated suddenly.

The animal should therefore be killed within the Circle, or the Triangle, as the case may be, so that its energy cannot escape. An animal should be selected whose nature accords with that of the ceremony — thus, by sacrificing a female lamb one would not obtain any appreciate quantity of the fierce energy useful to a Magician who was invoking Mars. In such a case a ram would be more suitable. And this ram should be virgin — the whole potential of its original total energy should not have been diminished in any way. For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force.

A male child of perfect innocence and high intelligence is the most satisfactory and suitable victim. {95}

For evocations it would be more convenient to place the blood of the victim in the Triangle — the idea being that the spirit might obtain from the blood this subtle but physical substance which was the quintessence of its life in such a manner as to enable it to take on a visible and tangible shape.

Those magicians who object to the use of blood have endeavored to replace

it with incense. For such a purpose the incense of Abramelin may be burnt in large quantities. Dittany of Crete is also a valuable medium. Both these incenses are very catholic in their nature, and suitable for almost any materialization. But the bloody sacrifice, though more dangerous, is more efficacious; and for nearly all purposes human sacrifice is the best.

The truly great Magician will be able to use his own blood, or possibly that of a disciple, and that without sacrificing the physical life irrevocably. An example of this sacrifice is given in Chapter 44 of Liber 333. This Mass may be recommended generally for daily practice.

One last word on this subject. There is a Magical operation of maximum importance: the Initiation of a New Aeon. When it becomes necessary to utter a Word, the whole Planet must be bathed in blood. Before man is ready to accept the Law of Thelema, the Great War must be fought. This Bloody Sacrifice is the critical point of the World-{96}Ceremony of the Proclamation of Horus, the Crowned and conquering Child, as Lord of the Aeon.

This whole matter is prophesied in the Book of the Law itself; let the student take note, and enter the ranks of the Host of the Sun.

II There is another sacrifice with regard to which the Adepts have always maintained the most profound secrecy. It is the supreme mystery of practical Magick. Its name is the Formula of the Rosy Cross. In this case the victim is always — in a certain sense — the Magician himself, and the sacrifice must coincide with the utterance of the most sublime and secret name of the God whom he wishes to invoke.

Properly performed, it never fails of its effect. But it is difficult for the beginner to do it satisfactorily, because it is a great effort for the mind to remain concentrated upon the purpose of the ceremony. The overcoming of this difficulty lends most powerful aid to the Magician.

It is unwise for him to attempt it until he has received regular initiation in the true Order of the Rosy Cross, {97} and he must have taken the vows with the fullest comprehension and experience of their meaning. It is also extremely desirable that he should have attained an absolute degree of moral emancipation, and that purity of spirit which results from a perfect understanding both of the differences and harmonies of the planes upon the Tree of Life.

For this reason FRATER PERDURABO has never dared to use this formula in a fully ceremonial manner, save once only, on an occasion of tremendous import, when, indeed, it was not He that made the offering, but ONE in Him. For he perceived a grave defect in his moral character which he has been able to overcome on the intellectual plane, but not

hitherto upon higher planes. Before the conclusion of writing this book he will have done so.

The practical details of the Bloody Sacrifice may be studied in various ethnological manuals, but the general conclusions are summed up in Frazer's "Golden Bough", which is strongly recommended to the reader. Actual ceremonial details likewise may be left to experiment. The method of killing is practically uniform.

13 DAYS OF PREPARATION

OCCULT SIGNIFICANCE OF APRIL 19TH – MAY 1ST

APRIL 19 IS THE FIRST DAY OF THE 13-DAY SATANIC RITUAL DAY RELATING TO FIRE — THE FIRE GOD, BAAL, OR MOLECH/NIMROD (THE SUN GOD), ALSO KNOWN AS THE ROMAN GOD, SATURN (SATAN/DEVIL). THIS DAY IS A MAJOR HUMAN SACRIFICE DAY, DEMANDING FIRE SACRIFICE WITH AN EMPHASIS ON CHILDREN. THIS DAY IS ONE OF THE MOST IMPORTANT HUMAN SACRIFICE DAYS, AND AS SUCH, HAS HAD SOME VERY IMPORTANT HISTORIC EVENTS OCCUR ON THIS DAY.

The animal should be stabbed to the heart, or its throat severed, in either case by the knife. All other methods of killing are less efficacious; even in the case of Crucifixion death is given by stabbing. One may remark that warm-blooded animals only are used as victims: with two principal exceptions. The first is the serpent, which is only used in a very special Ritual; the second the magical beetles of Liber Legis. (See Part IV.) {98}

One word of warning is perhaps necessary for the beginner. The victim must be in perfect health — or its energy may be as it were poisoned. It must also not be too large: the amount of energy disengaged is almost

unimaginably great, and out of all anticipated proportion to the strength of the animal.

Consequently, the Magician may easily be overwhelmed and obsessed by the force which he has let loose; it will then probably manifest itself in its lowest and most objectionable form. The most intense spirituality of purpose is absolutely essential to safety.

In evocations the danger is not so great, as the Circle forms a protection; but the circle in such a case must be protected, not only by the names of God and the Invocations used at the same time, but by a long habit of successful psychic defense. If you are easily disturbed or alarmed, or if you have not yet overcome the tendency of the mind to wander, it is not advisable for you to perform {99} the "Bloody Sacrifice". Yet it should not be forgotten that this, and that other art at which we have dared darkly to hint, are the supreme formulae of Practical Magick.

You are also likely to get into trouble over this chapter unless you truly comprehend its meaning.

Of the Rites of Blood

It is said that there is a sect of the Jewish Brethren called Chassidim whose practice is the sacrifice of man. Thus preferably a child, but also an adult, is taken from among the Gentiles, and ceremonially slain so that not a drop of blood is lost, lest the spirit of the victim, taking refuge in that drop, escape the Exorcist.

This blood is then consumed as a sacrament, or employed for talismanic purposes. For once the spirit of the slain one is sealed up into the spilt and gathered blood, it is multiplied in every part thereof, even as in the Mass the Body of Christ is said to be equally in all the myriad consecrated hosts, and His Blood in every drop of consecrated wine, everywhere and for all efficacious.

"Sex by will, Love by will -no caring and no sharing -no feelings ... Sex is the route to power. Scarlet women! They are the secret to the doorway. Use and consume. Feast. Drink the power through them. Waste and discard them." L Ron Hubbard, Snr.

"Sex with the demon possessed is a diabolical means for transforming the individual and eventually completely taking over of the brain and body by "the evil spirit." That's been one way of taking control of an organization using high ranking members, by taking over their minds and bodies. Yet, how could Pike, Mazzini and their associated conspirators get persons to submit to such a diabolical process ?" Sonny René Stermole

AGAINST SATANISM VOLUME 3 SATANIC RITUALS AND HUMAN SACRIFICE

Sometimes people reading the Truth get depressed by it.
For people with big hearts though, the truth gets them started with an Implacable Opposition to Absolute Evil.

The Battle of Armageddon can only be won by sufficient Angels to fight against the Demons - Be an Angel!

The point of this introductory missive is that 72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infiltrated and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within.

Infiltration of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly and the society is destroyed.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geoticks, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Eugenics - All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program. - EXCEPT ENERGY ENHANCEMENT!!

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowleyan Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and thus conquer the world.

All Rituals, Religion, Education, Secret Services and Political Movements have been Scientifically Engineered to create Fake Gangs for 10,000 years. It's what the old Roman Empire, and the Babylonian Empire, and the Cult of Apollo, and the Byzantine Empire did before.

As you know, all the gangs have Rituals before you can join, making your bones with the Mafia means you must murder someone before you can join and Drug Cartels, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can join and before you can progress.

All Rituals, Religion, Education and Political Movements are designed to create fake gangs of psychopaths who can then be used to create control through chaos created poverty - The Oligarchic Policy of Poverty - destroying infrastructure - preventing human evolution.

SATANIC RITUALS HUMAN SACRIFICE

AGAINST SATANISM

SATANISM - 10,000 YEARS OF TOTAL CONTROL

Like Al "Gore" of the firm Blood and Gore who skims off the Carbon Tax scam keeps raw blood in his refrigerator.

The Bohemian Grove is a super ultra-elite Sodomy club - including presidents of the united states - that practice bizarre Satanic Druid customs during the summer solstice in a Grove in the redwood forest above San Fransisco - when the SUN (Sol) appears to be at it's highest point in the sky (one of the Earth's hemispheres is at it's maximum tilt towards the Sun), it creates the longest daytime of the year.

Then the Bohemian Grove emulate the ancient Satanic secret COSMIC mystery cults of Babylon, Rome, and Greece. The members secretly celebrate and sacrifice to the old Gods such as Moloch, Ishtar- CYBELE, Lilith, Attis, SUN Gods- Mithra- Mithras, and APOLLO (Sol Invictus- Unconquered SUN)

Bohemian Grove with the "Cremation of Care" Ritual where they sacrifice a child, killing it and burning it - they say they pretend to - beneath a 40ft stone statue of an owl symbolizing Minerva and thus Cybele.

Prince Philip of Britain once asked ICL - International Computers Ltd. - for a secure operating system of 15 levels where you could see your level and the levels underneath you, but not the levels above.

This indeed is the way all Secret Societies work and like Russian dolls, one within the other, the secrets get more deep and more secret and that all the myths expounded by all the lower levels are lies and the highest level only tells the truth which explains all the other levels.

This final secret must be intense because only the highest psychopaths can implement it as they are Globally implementing it now....

THE LUCIFERIAN SPECIES are humans who have meditated and learned, perhaps many, many tens of thousands of years ago, how to cut off from god by using energy blockages to block chakras above the head and heart so they can live outside the body in private universes made possible by draining the psychic energy of their human prey - so they seem like psychopathic aliens to us - then they download into their mind weakened sons - throwing their sons out - on their 21st birthday so as to become the Head of their Baron, Lord or Crown families and control their multi trillion dollar, thousands of years old families wealth, to manage the human herd.

By removing connection with their hearts and consciences they are thus less than human, a new Species looking like humans but in fact, psychopathic intra - human parasites.

THE SATANIC SPECIES ARE LOWER MANAGEMENT who are given money and power. They are, like all humanity, Victims of the Luciferians, taught to Ritually degenerate themselves and further and further degenerate themselves in order to maintain their energy which at every stage is vampiristically harvested by the Luciferian Watchtower elite who live outside the body.

Because Luciferians live outside the body and only want to vampirise human spiritual energies in order to live forever, they will consider any solution to problems. Their Victim Satanists are their Psychopathic Infil-Traitor, Lives for Satan Destroyers of people, wealth, infrastructure, culture, goodness.. who are promised Eternal Life for their service - THEY LIE!!

Satanists use infil-traition to infect, take over and destroy each new civilisation using War and the false Satanic Economics of Adam Smith, Ricardo, Mills, Keynes and Von Hayek to create the destruction of infrastructure for of the, "Policy of Poverty" or Austerity to control the human herd for tens of thousands of years.

BOHEMIAN GROVE

Our Oligarch Masters like Madame Bathory, Count Vlad the Impaler and Giles de Rais, have used Blood for thousands of years as part of their Rituals - see video above except it has been censored like Google, Twitter, and Facebook - all controlled by totalitarian government CIA, FBI, NSA.

BOHEMIAN GROVE

A picture of the Satanic ritual, The Cremation of Care - the Reduction of Empathy, destruction of the Heart - where United States Presidents, Politicians and their Oligarch Masters - "Groves" - from the Eleusinian Mysteries and the Druids who all performed their Rituals in Groves - burn a baby on an Altar in front of a 40ft stone Owl (Dedicated to Minerva and thus Cybele - the State Religion of the Roman Empire) in front of a lake.

Fake Gang Bohemian Grove Gaytriarchy WISE OLD OWLS including presidents of the USA plan on preying on the victim

human race which cannot “see”, Third Eye, in the darkness their propaganda and mind control creates so they can devour YOU!!

The Satanist Grovers make “policy” between Luciferian rituals, romping around in the redwoods in togas.

Their attitude: “Hey nothing personal! You’ve heard of Satanic Darwinian “Survival of the fittest”, haven’t you? We Owls can see in the dark, you can’t. Therefore we are entitled to EAT you! Right? Of course we’re right. And so it has been for thousands of years! And so we intend to keep it!”

BOHEMIAN GROVE - THE GROVERS

Congress: Union of Sacred Masculine and Sacred Feminine, The Dove, swallowed by Rothschilds and minions such as Morgans, Rockefellers etc. Their lodge member urban planner and his masters are telling you: Sexual Sodomy Congress, Congress? Representative Democracy?

Hah! Suckers, we OWN you and your congressman. Ha! - and they are saying that in broad daylight, which gives them a big charge of legitimacy and empowerment, for they are Sodomy “illuminated” and you are in the dark.

I guess the education system isn't full proof indoctrinating your children into Sodomy, Castration, and Bolshevik Communism.... they need more weapons to more quickly dumb down humanity... vaccines are all set up to make the tribe over at the Rockefeller medical industrial complex \$90 Billion a year.... cancer and autism was practically unheard of until they started pumping babies with the sv40 cancer virus tainted vaccines to turn them into a bunch of handicapped chimps... And now the Deathvaxx and a 300% increase in deaths worldwide and infinitely more injured for the medical complex to make even more money.

If you really think that my analysis is a form of softness or passivity then you really misread me and the purpose of this site. You probably know that it is a well-known problem with despots and dictators when the gradually surround themselves with only those kind of advisors who enthusiastically agree with everything the despot wants to hear and with everything the despot says.

Enemy Propaganda is like this.

My question to you is simple: do you want to turn into a “despotic reader” – somebody who will come to this site to hear his views supported, his ideas vindicated and his hopes affirmed? Or do you prefer to come here, get what I hope is an honest, if generally cautious, analysis which you can then either accept or reject?

My job is to try to present to you the truth as best as I can distinguish it - and see below the supporting evidence. Even when that truth is cautious or, worse, unpleasant.

Look, the intelligence process goes through what is called the “Four A's”: Acquisition, Analysis, Acceptance, Action.

The first one is “getting the data/info”.

The second one means making sense of it and presenting it to your “client” (in this case: all of you).

The third one is always overlooked: acceptance by the “client” – i.e., the willingness to hear a negative or disappointing analysis. This is the part which YOU (collective “you”) must do (or refuse to do).

Last is action...

The Elite, for 10,000 years, have used meditation and psychic powers as part of their mind control arsenal. Consciously, they have denigrated meditation in all normal, mind controlled, - non questioning - people, because the people who do not question are kind of dumb!!

Meditation is one of the powers which controls the World, therefore learn meditation!!

The actions I recommend are the avoidance of poison, and the active getting the poison out of the body, physically, emotionally, mentally, spiritually with Energy Enhancement Meditation Course either by Video or Live, with us.

Deprogram, Become normal. Spread the plan.

The Spirit and the Soul by Miles Mathis improved by Satchidanand Part One

The Spirit and the Soul by Miles Mathis improved by Satchidanand Part One

“Traditional Meditations have been Designed to Fail” Satchidanand

We are publishing this on Satchidanand's Against Satanism Newsletter as well as <https://www.energyenhancement.org/The-Spirit-and-the-Soul-by-Miles-Mathis-and-Satchidanand-Part-One.htm>

Miles Mathis. This augmentation of your work is a letter of admiration for you and of your body of work. I do not like to waste my time on idiots so this augmentation, whilst not at the same level intellectually is a little further along imaginatively and intuitively. In particular, meditatively giving the psychic powers of the opening of the third eye, the transmutation of traumatic memories, the removal of energy blockages, the removal of subpersonalities and visions of the Truth.

My apologies to the Soul, whose beauty I could not begin to approach with the works of art used to illustrate this paper. I tried to call up my own Soul's advice in the choices, but she only recommended I avoid the nudes. She knows I would not nix those for my own reasons, but she tells me they don't put the petitioner in the right frame of mind. Nothing wrong with nudes, but not here. For myself, I found all historical depictions far too manly, partially nude or not. Something worth commenting on there, but I will save it for another time.

As for nudes, the whole of humanity is kept breeding for the next generation by nudes. Without nudes, the beauty of nudes, humanity would not exist. And not only nudes, God created humanity with Energy cords. Where the umbilical cord enters the baby when it is gone an energy cord takes its place and through that cord, the baby receives the energy which as well as food, keeps it alive.

Energy cords are fundamental to the connection, to the attraction, to the sex between us, to the whole area of relationships, to good relationships

which last, and to bad relationships which fail. Do not give me the claptrap about how we weren't compatible... A human being can stay together forever with their dog.

Energy cords between the chakras of two people form a relationship and are fundamental to good relationships. One can project an Energy cord by

the use of your awakened Third Eye - Awakened by projecting Spiritual Energy from God down along the Energy Cord of the Antahkarana into the center of the Earth there to burn up all your negative energy, negative emotions, evil energy blockages.

The Antahkarana is an Energy cord, a column of Energy projected by God, an infinity of chakras above your head, through you and down into the center of the Earth. The reflection of your Energy projection, along the Antahkarana God projection is the burning up of all the negative energy in the center of the Earth at 5000C which flares up to your base chakra - RECTIFICANDO, up your spine and upwards back to God.

This Energy is Kundalini Energy which illuminates your head and opens the Third Eye of Psychic vision.

It is the secret of Alchemical VITRIOL - a Latin Acronym showing the antiquity of Alchemy - Visita Interiore Terrae Rectificando Invenies Occultum Lapidem

giving the living Secret of the Philosophers Stone which transmutes base metal - lead - into Gold. Lead is negative energy, Energy Blockages, Gold is purified Spiritual Energy.

It is the Secret of how to take your messy karmic painting and turn it into a clean white sheet again.

As well as Spiritual Energy, Energy Blockages migrate along these connections passing disease, old age, and death to all and sundry.

Black magicians can project cords into your base chakra - directly into the unconscious and subconscious parts of the mind - and implant Sexual and Drug Addiction Energy Blockages into you.

Energy Connection is the Secret of Seduction.

By investigating and healing energy cords - projecting energy cords - cutting energy cords - transmuting and removing the sexual and drug addiction implant energy blockages - by means of Level Four of Energy Enhancement Meditation, we can heal all our relationships. Many of my readers have asked me for more commentary on spiritual matters.

Although I worry when I include my little sermons in papers, I find that a certain segment of my audience likes those parts the most. I am sure others like them the least, but that is how it goes. Here, the entire paper will be on those topics, so those who like them the least can bow out now.

Up to now, I have been mostly silent on these things because my Soul has told me to be. I have been told that it is not proper to speak of such things, or that it is unseemly to say you know what you cannot know. I have even gotten the impression it is bad luck to talk of certain things, but possibly I was misreading the signs. I am certain it is best to listen closely to your Soul, but maybe it was not speaking of these things, in general, that was frowned upon, but speaking of them at too young an age. Possibly I was not ready to speak of them. I needed to learn more. But now the ban seems to be lifted, so maybe my thoughts and words have reached a point where they can be shared, or must be shared. We will see. If I feel any pushback from within, I will stop.

I want to start with a broad observation, one gifted to me by my Soul. Talk of spiritual matters has historically been couched in unnecessary mystery, complexity, nebulousity, and mumbo-jumbo. As with science and some other fields, anytime anyone has anything to say about spirituality, he feels the need to go cloudy, approaching every question from the side in great circles of fluff, instead of simply and directly. Even Jesus spoke in parables, though we are never told exactly why.

Nothing has caused more confusion over the millennia than religions. Just as I have tried to cut through the lingo of Science and Art, - you can see all my papers solving the problems created by Einstein, Bohr, and Plank on my website - I will try to cut through the lingo of religion, simplifying things as much as possible for easiest comprehension. I do this not because I think I am talking to dummies who can't comprehend anything but the Cliff Notes, but because after three millennia or more some of these questions could use a good scrubbing.

Most are so overgrown with addenda, accretions, asides, and tangential matters, that even the smartest of us can't make heads or tails of them. Since we may assume a lot of that schist was later added for the express purpose of creating confusion, it would be helpful to strip down to essentials, getting down to bare skin, if you will. I am advised that there is no reason we can't speak plainly and sensibly about these matters. I suspect that in trying to get to the heart of the matter here, I will be accused of being reductive. But reductive means oversimplifying a problem to the point the essential character of the subject is lost. The dictionary

definition also uses the word “crude”. A reductive analysis is considered crude, which may explain why religious commentary so pointedly avoids being pointed: it is running from the epithet “crude”. Better to be windy and cloudy in the extreme rather than risk being called crude. I think I will be able to avoid that claim since it is precisely the essentials I am after. I am also not interested in turning religion into black and white. In fact, it is the true colors I am most interested in: the ones veiled or muted by brown patina after brown patina.

Here is an example, which I take from the Wikipedia page on Lurianic Kabbalah. You would think that an encyclopedia entry would attempt to make its subject somewhat comprehensible, but that is not what we find. Instead, we find this:

Religious Kabbalists see the deeper comprehensiveness of Lurianic theory being due to its description and exploration of aspects of Divinity, rooted in the Ein Sof, that transcend the revealed, rationally apprehended mysticism described by Cordovero.[2] The system of Medieval Kabbalah becomes incorporated as part of its wider dynamic. Where Cordovero described the Sefrot (Divine attributes) and the Four spiritual Realms, preceded by Adam Kadmon, unfolding sequentially out of the Ein Sof, Luria probed the supra-rational origin of these Five Worlds within the Infinite. This revealed new doctrines of Primordial Tzimtzum (contraction) and the Shevira (shattering) and reconfiguration of the sephirot. In Kabbalah, what preceded more deeply in origins, is also reflected within the inner dimensions of subsequent Creation, so that Luria was able to explain messianism, Divine aspects, and reincarnation, Kabbalistic beliefs that remained unsystemised beforehand.

Now, I am considered a pretty smart guy, but if there is any meaning or content there, I missed it. You may think I chose the worst paragraph on the page, but I didn't. Visit that page and see for yourself: the whole thing reads like that. It is like swimming in a vat of cold green jello and cottage cheese. So we can't blame the Wikipedia editors for not making sense of it: such a thing is not possible. It was written to confuse, and has been overwritten thousands of times since first creation by people also hired for the jumble in their heads. Luria may have been listening to his Soul when he wrote, but he impresses me as the sort of person who could mistranslate a grocery list. I simply don't trust anyone who talks like that. In every case, I later found they were trying to scam me.

But let's move on, lest you think I am picking on Kabbalah. I'm not. It was just the obvious example in illustrating my point about clarity. In my previous papers on the Buddha and Buddhism, I have shared my discomfort with the worldview presented there as well. But Buddhism

happens to be a useful lead-in here, since — like all other religions — it seems to me to be partly right. In Buddhism, we are taught that the meaning of this life is to escape it through perfect renunciation of all energy blockages.

Only in perfect renunciation can we achieve Nirvana, and avoid infinite rebirth. It is not hard to see the perversity in that idea, especially when it is stated so baldly. It is illogical on the face of it. Why would our spirit be placed here, and then be instructed to renounce everything?

We must renounce everything which is evil. The next step in the evolution of humanity is the ability to alchemically transmute the evil trauma and remove the energy blockages which is only possible using the Energy Enhancement Meditation Course Seven Step Process of Level 2.

If we should renounce anything, shouldn't that be only the bad things? This is Perfect Renunciation. Why renounce the good things? Yes, this life is corrupt, but it seems a wise person would renounce only the corruption. This life is also beautiful and miraculous, so why renounce that? Shouldn't we embrace that? What could we possibly learn as spirits by renouncing the good and beautiful?

No, it won't do. But the reason I think Buddhism is seductive and widespread is that it is partially correct. This life IS very corrupt, and we should renounce the corruption, the lies, the Energy Blockages, the Evil!

We can very easily do that by learning Energy Enhancement Meditation. By grounding negative energies by using the technique of Alchemical VITRIOL we just ground and transmute the negative parts, leaving the good parts behind. We can very easily ground and transmute Energy Blockages by the use of the Energy Enhancement Seven Step process transmuting the pain, the trauma-formed negative karmic mass and leaving the trapped angel at the core of the blockage behind so that we can augment, expand and increase the size of our Psychic Bodies by absorbing the Angel.

The purpose of our sojourn of about five hundred lifetimes on this planet is to evolve to the point where we no longer need to learn anything more. When we have passed every test. When we have evolved sufficiently. When our psychic body is so large, so evolved that we only have the power to do the right and good thing, not because we have been told to do this, not because we are following a rule book, not because our intellect says to do this, but because the heart has been opened, because the psychic body has been sufficiently increased and structured that this is the case.

This is the purpose of Energy Enhancement Meditation transmuting evil energy blockages and absorbing the angels at the core of them. To evolve our psychic body to become so large, so evolved that we only have the power to do the right and good thing, not because we have been told to do this, not because we are following a rule book, not because our intellect says to do this, but because the heart has been opened, because the psychic body has been structured that this is the only thing that is possible.. . That we only have the power to do the right and good thing.

This evolution is not just intellectual. It is also a process of the evolution of imagination, intuition, opening the heart, opening the third eye, the ability to transmute negative energies, the ability to absorb positive energies, the ability to remove evil subpersonalities in ourselves - the poor me, the violator, the selfish competitive black star - and thus become One Soul infused personality. That we only have the power to do the right and good thing. As we evolve we gain the power to do these right and good things, gooder and righter!

To crystallise and order the psychic body making it more efficient. To fuse with the Soul, Monad, and Logos higher and higher in the chakras above the head. Closer to God.

To become One. To become One Soul-infused personality. To become One Monad-infused personality. To become One Logos-infused personality. To hear and see the word of God. To feel the connection with God every moment of every day. To become the embodiment of Not my will, but thy Will be done! As we evolve we gain the power to do these right and good things, gooder and righter!

Life is indeed a sort of test, and that is part of it. And the goal of this life IS to escape it, in a way. The goal is to transcend and dissolve the corruption and to find or create a better existence. This you can do only by passing the tests that are put to you in this life. But your reward for that is not Nirvana (bliss in the lap of God or something) or Heaven (perfect and easy existence of some sort), it is your spirit being passed to the next level.

In this way, the Earth is a sort of testing ground for mid-level spirits. Even the atheist Christopher Hitchens roughly put it that way, though he called it a dumping ground for poor spirits. [Strange statement from an atheist, regardless.] It could also be seen that way, I guess, especially from the point of view of a poor spirit like his. He will be back, we can be sure. But from the point of view of somewhat richer spirits, the Earth is simply a step on the ladder, one that all spirits have to take at some point. It would seem that most spirits spend many lifetimes here, getting it wrong. I now assume most get it right eventually, moving on to the next level. As for the timetables, none of us are privy to them.

It helps to look at it from the point of view of the next level. Imagine a planet not too far away—it could be in our own Solar System for all we know, hidden from view. This planet is the next step on the ladder. Well, those folks don't want your corruption. They have a system that works very much better than ours, and they don't need us there clogging it up. So until we prove we can live there without causing mayhem, we aren't welcome. If we insist on being nasty, we can do that very well here.

And why do I believe this? Has my Soul told me so directly? No. I am not claiming divine inspiration of any sort. I am not channeling an entity, because my Soul is me! I come to it from my own experience, though I think part of this experience is a schooling by the Soul. I feel constantly tested in just this way. Some of the tests I have failed and some I have passed. I continue to fail, and I continue to pass. I am in no hurry. I am not claiming I will pass at the end of this life: I probably won't. But I am confident I am moving forward. I am not moving backward and I am not just spinning. That is the thing.

I can tell you that the main reason I am optimistic — despite my growing awareness of the corruption around me and in me — is that I can hear the instruction and follow it (for the most part). I don't need to read religious texts, because I can hear the instruction directly from the source. I know when I have done wrong, and I have the discipline to stop doing it. And I know when I have done right, and I have the courage to keep doing it. May that courage continue for the larger tests that are sure to come.

So we are not damned spirits, and we are not “dumped” here. There is no such thing as a damned spirit. There are only unpassed spirits. Yes, unpassed spirits can feel damned, but that is why they are unpassed. To pass the blame for their own actions, they claim the gods have cursed them. But God has cursed no one. God simply doesn't pass the unworthy.

Remember that. You belong here (for the time). If you didn't belong here, you wouldn't be here. None of us are too good for the Earth. This is our current level, which should be a cause for humility.

Which is not to say there aren't differences. Some spirits here are very near to being passed and some are very far from being passed. I would say the Satanic Phoenician Mega Trillionaires are very far from being passed, since they aren't even aware of the rules of life anymore. They seem to think they get extra points for piles of cash or for 20-car garages or for titles. While in truth they are simply stacking up demerits for those things.

The Satanic Phoenician Mega Trillionaires expect you to play by their rules, but they forget that they themselves are bound by rules. And while their rules are arbitrary and false, the higher rules are true and immutable. They know this, since we are all born knowing the rules. True morality, true Goodness, is like language: it is innate. It doesn't have to be taught. . . it has to be untaught. Most of your vulgar modern education is an unteaching of this innate morality, to make you more pliable for the Satanic Phoenician Mega Trillionaires. Your innate knowledge gained over many lifetimes is a nuisance to them, and so they try to squelch it. . . just as they have squelched their own.

We all have our hills to climb, but just imagine the hill in front of a rich man. He has not been given the easiest test, but the hardest. Who knows what he did to deserve such a test, but we can be sure he does deserve it.* He must find a way to force the camel through the needle. We see the famous rich failing the tests in spectacular fashion, falling down the hill in the ugliest manner possible. Some of them are so wretched by the end that I suppose they don't even qualify to be reborn here on this beautiful Earth. They have to go back a step. And I don't mean being reborn as a dog or something. I suspect dogs and other animals are not back a step from us. More likely they are forward a step. I mean the rich must go back to the planet beneath the Earth, wherever that is.

Of course I mean all these things figuratively. I don't know where these planets are, or even if they are planets. I am stripping this all down for the easiest comprehension.

Now, what of the Devil, or devils? I have said I don't believe in Satan and Angel rebellious to God, thrown out of heaven. I don't even think the most evil Satanic Phoenician Mega Trillionaires qualify as Satanic. Satan is not a God. What do I mean by that? I mean that the idea of an evil god is illogical. Who knows at what level your spirit, being passed many times, becomes godlike, but we may assume you don't get there by being evil. Being evil is what keeps you from being passed. But that doesn't mean there aren't fallen spirits like Satan. If you can move a step up, you can also move a step down, and devils are simply spirits that have passed to the next level, then been thrown back to our level.

But since they are now at our level, they aren't gods by any stretch of the imagination. They are no more powerful than you or me but they have been trained in psychic powers that we all can learn in Energy Enhancement Meditation. Just as we can learn to transmute Energy Blockages in ourselves and others with Energy Enhancement Meditation, so evil people learn to create Energy Blockages and implant these Energy Blockages in others to Steal, to vampirise their energy systems.

Just as they learned to project themselves out of the body using censored meditation techniques many thousands of years ago and to live outside of the body in private universes on the Astral plane as Dark Gods, eternally, immortally - but only by cutting themselves off from the energy of God, only by cutting off the energy of the Heart as the "Cremation of Care" Ritual at Bohemian Grove, burning the image of a baby in front of a 40ft high statue of an owl symbolising Molech attended by Presidents, captains of industry and media symbolises.

BOHEMIAN GROVE

The Bohemian Club's all-male membership includes: Presidents, Hollywood Actors/Producers, Musicians, Oil Tycoons, Satan Worshipers, Pagans, Scum, Villainy and Evil of all sorts, out to rule the World!

So with no energy from God, they need to steal, to vampirise energy from humanity by means of implant sexual and drug addiction blockages, and to keep humanity from throwing off the yoke by means of techniques like "the Principle of Poverty", poison, deathvaxxes, fake media, fake elections, and the proven Elon Musk revelations of censorship at Twitter, Google and Facebook.

And if they stick to their bad ways after the step down, they aren't as powerful as you or me, since they are continuing on their way down. Which is precisely why the "evil ones" are so pathetic. They exist almost entirely on bluff, since they aren't gods and aren't praying to any evil gods. There are no evil gods, by definition. So these fallen spirits aren't tapped into any dark force. There is no dark force. You are either tapped into the light, or you are untapped. If you are untapped, you are on your own, since the Soul cannot help you, since they have disconnected themselves from the energy of God, so they must perforce, steal vampirise the energy of humanity.

Thus the Satanic Phoenician Mega Trillionaires have worshiped Baal for 10,000 years. Thus the Satanic Phoenician Mega Trillionaires who take

hallucinogens to talk to the evil human beings who have learned how to cut themselves off from God using Energy Blockages. Thus the evil human beings who have learned how to close down their hearts using energy blockages. Thus the Satanic Ritual of the Cremation of Care at Bohemian Grove where captains of industry, politicians, media types, prime ministers, presidents get together to worship Satan or Lucifer, burning the image of a young boy in front of a 40ft statue of Molech, in order to close down their hearts, to reduce their empathy, so that they can continue to create the wars, poison the people, kill two hundred millions of people in the 20th century like Satanists Stalin, Hitler and Mao.

Thus the evil human beings who have learned how to leave the body and live out of the body like Sauron for thousands of years and then to enter, take over, to possess the body of another human being in order to manage their farm of human cattle. To control humanity by stopping their evolution through the oligarchic Principle of Poverty, by poison, by censorship, by total media control. By Human Sacrifice, Cannibalism and slavery. Christianity was the religion of one God and our Lord Jesus Christ which destroyed the Old Pagan Religions of Human Sacrifice, Cannibalism and slavery!

The point is that Satan and Lucifer were thrown out of Heaven and thus have been cut off from the energy of God. The Demons demand pain and death so as to harvest the spiritual energy of the suffering and the death so they can continue to live eternally, out of the body.

Sexual ritual to harvest the spiritual energy of the orgasm. Drug ritual to harvest the energy of the drug induced burning of the candle at both ends. These Satan and Lucifer Demons and others like them have taught the spiritual meditational technology - Satanic Rituals - of how to leave the body and live eternally in private universes on the astral plane by cutting off from the energies of God and vampirising humanity for their energy - and this has been going on for thousands of years.

These Demons and others like them have taught the spiritual meditational technology of how to take over and possess people during Satanic Rituals designed for that purpose. Some people suggest that the heads of each Infil-Traitor Satanic Phoenician Mega Trillionaire Royal or Aristocratic family are such downloaded demons sent down from time to time from their private universes on the Astral plane to manage their World plantation.

Because in order to live forever they need to cut themselves off from God, they need to close down their Hearts. Their whole life cycle so they can continue to live eternally, out of the body depends on the harvesting of spiritual energy from their human cattle. In the same way the Masai live by drinking the blood of their cattle, the Infil-Traitor Satanic Phoenician Mega Trillionaires are minions kept in order by Satanic Rituals to manage the human population by Dumbing them down.

The main method of retaining control, so as to steal their energy, of dumbing down the human population is poison. As well as the 10,000 year Principle of Poverty, the poisonous fluoride in the water, the poisonous Aluminium and Barium Geoengineering chemtrails in the air, the poisonous pesticides and GMO in the food, the poisonous Deathvaxx, and the poisonous lies like Global Warming and LGBTP of their fake Politicians and fake media are the weapons which the Infil-Traitor Satanic Phoenician

Mega Trillionaires use to Dumb Down aspirational populations in order to maintain their control. But also humanity is Dumbed down and weakened by corruption and perversion. Blackmail, corruption by accepting the shilling of being bought off or just accepting wages working for the Corporations of the Infil-Traitor Satanic Phoenician Mega Trillionaires.

Feminists, Trannies, Communists, Fascists, Economists are all corrupted by low level lies created to deceive. Fabulous created lies of the Satanic Phoenician Mega Trillionaires for people who do not understand that Satanic Phoenician Mega Trillionaires are the creations of people who live out of the body like Sauron who are the top of the hierarchy which need to be removed...

Transhumanism proposes the ability to upload consciousness into objects like computers and to download that consciousness into bodies so as to live eternally, immortally, forever is one of the ways billionaires are offered immortality by Satanic Phoenician Mega Trillionaires are the creations of people who live out of the body like Sauron - but they are all deceived!

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join their Illuminati secret societies. Secretive groups like the Jesuits, 33rd Degree Masons and the Masonic Palladian Sexual Ritual also show the management structure of the elite.

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join Aleister Crowley's OTO and it's Dog Priest Sodomy Rituals and Whore of Babalon sexual rituals based on the absorption of demons during sexual congress, being taken over by Demons through sexual congress with demon possessed prostitutes.

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join Jeffrey Epstein's farming of underage boys and girls to service high-level Pedophile Elite's Sexual Rituals and Human Sacrifice Rituals as well as to induct high-level minions into the World management structure by proving how bad they are by blackmail through videoing them murdering children - very much how the Mafia test their applicants through asking them to murder someone and so, "make their bones".

The Souls only have good advice or none, so there are no dark spirits from a higher level helping these people. If they are talking to dark spirits, those are dark spirits like them—at this level.

Which isn't to say they cannot cause major trouble. Spirits even at our level are quite powerful, though they are nothing like gods. As such spirits, they are capable of major mischief. You yourself are capable of major mischief, much more than you know. But that is not why you are here. If you would move up, you are here not to destroy, but to create.

If we think of one of the most powerful white magician poets, Tolkien, his power was that of truth. His power of poetry was of the ability to channel the energy of God into his words.

Tolkien said there was a fallen Angel like Morgoth or Sauron who was jealous of the creation of God. When he cut himself off from God he tried to emulate the creation of God but instead could only copy, badly. Thus Elves "tortured and mutilated" became Orcs and Uruk Hai. The Energy of God became lesser chakras reflecting the glory of God like Silmarils, or infused by his hatred and evil, The One Ring.

Fallen Angels, fallen Spirits, can live out of the body, eternally, immortally, as long as they can steal our energy. Fallen Angels, fallen Spirits are cut off from the Energy of God and thus perforce must vampirise the energy of God from God's creatures, humanity.

Fallen Angels, fallen Spirits, can live out of the body, eternally, immortally, as long as they can steal our energy because they are cut off from the Energy of God and thus perforce must continuously dumb down and mind control humanity by means of poison, fluoride in the water, GMO and pesticides in the food, medical drugs, black market drugs, chemtrails of aluminium, barium, viruses and mRNA Spike Protein, poison vaccines containing cancer forming SV40 green monkey virus in all vaccines since 1950's, creating the cancer industry from scratch and a Trillion Dollar cancer business for the Rockefellers and nano heavy metals and the MRNA poison spike protein - the latest Deathvaxx.

Fallen Angels, fallen Spirits, can live out of the body, eternally, immortally, as long as they can steal our energy because are cut off from the Energy of God and thus perforce must continuously dumb down and mind control humanity by means of mind poison media, newspapers, magazines, television, internet, google, twitter, facebook, hollywood to create lies like divide and conquer, feminism, transexuality, LGBTP, Men and women are pigs, women are all leaders and warriors, global warming, covid, carbon footprints, climate change, vaccines, Rockefeller Big Pharma, Drugs, fentanyl, ayahuasca, LSD, Mescaline, genetically modified marijuana.

And that brings us to the next major point. To prove yourself worthy, you don't renounce life. That is only a sign of weakness or inversion, and they

have no need for that at the next level. No spirit advances on weakness. Spirits expand by taking on more light. In this way they grow and become more powerful. As larger light bodies they have more strength. So that, as a reversal of Buddhism (and in some ways a reversal of Christianity), you advance by embracing the good things of this life, and by destroying the bad, the Energy Blockages through the Energy Enhancement Meditation Course Seven Step process.

Some have thought that because this life is corrupt, the spiritual thing to do is flee it, keeping your eyes on the next life, the next step, or the next incarnation. No. Yes, you do flee or fight the corruption, but part of your test here is how much you help your fellow beings. They are on the same ladder you are on, but you cannot advance by pushing them off or ignoring them. As you help them, you help yourself. This is because in order to help them, you have to create or channel more light. That channeling is not a loss of light for you. You do not lose what they gain. In learning to channel more light, you become larger at the same time by transmuting their energy blockages. By absorbing the Angels at the center of the Energy Blockages thus increasing the size and function of your Energy Body.

Now, I want to say something about sleep, not only because it ties in here, but because it is far more important than most people understand. As is obvious from the things I have said above, I believe in a real spirit. I see (and have discovered myself) lots of scientific evidence that the spirit is a real thing, made of real photons. It really does inhabit your body, just as the religions have taught. The body is not eternal, but the spirit is.

Light, like matter, cannot be destroyed. It can only dissipate or expand. Not only will your spirit maintain itself after death, it can free itself from your body anytime it likes. In fact, it does so every single day. Or night. Scientists admit they don't understand why we sleep, but it is quite simple: although the spirit requires a body to do some of the things it must do, including being tested, it cannot abide being trapped in a body for very long. After 16 or 20 hours, the trapping becomes intolerable, and it must escape.

So it puts its body to sleep and leaves. Where does it go? I don't know. Maybe it just flies through the air for hours, thrilling in its freedom. Maybe it joins the cosmic charge field and sighs. Maybe it travels higher up the Antahkarana into the chakras above the head and rests in the arms of God.

Most people visit the Astral plane in sleep, a soap opera filled with negativity. As we evolve, transmute our negativity and become more pure, more filled with energy, so we travel higher, into the Soul, Monad, Logos, Sirius, Avatar of Synthesis. As we use Energy Enhancement Meditation to

get charged up with the charge of the Soul, so we need to sleep less in order to get that charge, to be filled, constantly, with the energy of God.

But I would assume the spirit has things to attend to, and those things may be more important than what goes on here. The Natives believe that your life in sleep is more important than your waking life, and I would say that is probably true. There are some things your spirit can only achieve with a body; but, likewise, there are other things it can only achieve without one.

Likewise, the body cannot stand the spirit for too long if it is filled with Energy Blockages. The Energy Blockages know that the energy of God dissolves them. The energy of God is their death. Thus the Energy Blockage Demons avoid the light. The Energy Blockage Demons direct us to avoid the people who emanate the light in their auras. The Energy Blockage Demons direct us to avoid people who have managed to purify and augment their Energy bodies using Energy Enhancement Meditation.

Yes, the spirit animates the body, giving it a single direction, but it burns too brightly for the energy blockages. The pain body tires. Like the spirit, it must return to a ground state every day. The exception is the mind, which is electrical signals. It has to remain on, as the link between the body and the absent spirit. So the spirit leaves behind just enough energy to keep the mind going—which is, in part, what we call dreaming.

You would think this would be a very precarious situation, and in a way it is. But remember that the spirit, being made of light, is a very fast being. It can return in a split second if you need to wake up for any reason. Just think of how fast the internet is. When I upload a new paper with Filezilla, I don't have to wait any time at all for it to appear. It is up in a split second, even if my server is on the other side of the world. A photon moves 300,000km/s, which means it can circle the Earth 6 times in a second. Your spirit could be playing on the Moon when someone shakes you to wake up, and would still be back in just over a second. So you see how it is.

The Wormhole Antahkarana Energy Cords are instantaneous. There is no lag in your connection with God. Faster than the speed of light!

But why do I mention it? Because most people don't treat sleep with the sanctity it deserves. It is the first part of spirituality, because it is the first rule of spiritual health. It is also the first rule of bodily health, since a tired spirit will cause a tired body. A body filled with energy blockages is a resistance to the light and thus needs to sleep longer. Sleep as long as is necessary, but know that removing the energy blockages using Energy Enhancement Meditation will enable you to have more energy, to go higher into more intense energies in the chakras above the head, to sleep less yet channel higher frequency intense energy.

Those who want to be healthier or live longer should look at their sleep first. Yes, food is hugely important, but sleep is even more important. Food feeds the body, but sleep feeds the soul. If you don't sleep long enough, it means your spirit has been starved of its quality time; and if your spirit is starved, your body is starved to the same extent. When I wake up too early, I feel like I have a hole in my spirit. It is as if part of my spirit is still out there, trying to drink the last few drops of freedom. When I wake up, I feel as if I have just returned from a long journey, probably because I have.

Miles says, "I don't meditate because I don't need to: I get all my sleep. I am not trashing meditation, understand. I assume it is quite useful for those who don't sleep long enough or well enough. It acts as a partial substitute. But in my opinion they would be better to fix their sleep. Your spirit can fly much further away during sleep than during meditation" and he is correct but low level energy blockages are preventing him removing the energy blockages using Energy Enhancement Meditation which would enable him to have more energy, to go higher into more intense energies in the chakras above the head, to sleep less yet channel higher frequency intense energy..

If you are awake too long, your spirit starts to eek away bit by bit, leaving your body without its normal fire. The body makes up for that by burning itself, which causes tiredness and eventually premature aging. But it doesn't have to be that way. You don't have to look bad beyond 50 or 60. Some people look quite good at 60, and you can be one of them if you take care of yourself and get all your sleep. But you have to start early and keep it up, everyday. In fact, it is not one of the things you can do, it is one of the things you should do. Or, to say it another way, it is not optional, it is required. You weren't assigned this body so that you could pollute it and mistreat it. You were assigned this body as a caretaker. So Good, non poisonous GMO or pesticided, food from primary materials, Yoga, Pranayama, Meditation, Colloidal Minerals, Fasting, The Energy Enhancement Streaming Video Course. I am constantly amazed this isn't taught as primary knowledge.

The body, like the Earth, is a temple, and it is to be treated as such at all times. Any failure to do so is a failure of the test. At the next level, such failures will not be tolerated. I know that sounds kind of military, but there it is.

But when we add up the hours of sleep, we don't just look at how much rest the body has gotten. We look at how much time your spirit has spent in the spirit realm, away from the corruption, and in the perfection that is the raw charge field. While there, the spirit can reorder itself. It may be there that it speaks most directly to what I am calling the Soul. All spirits, great and small, crisscross the ether in their various errands, and we may assume help is there if you seek it.

So in my opinion, these small spirits from the Satanic Phoenician Mega Trillionaire Families who are always talking about living forever are on the wrong track. First of all, no one lives forever, and the wise do not wish to. But if they wish to age more slowly or look better, it can be done. But not with drugs and other fads. As usual, the answer is much simpler than most humans make it: more sleep, cleaner foods, plenty of water, daily moisturizer, no drugs, smoking, alcohol.

And, finally, avoidance of corruption. The cleaner your spirit is, the fresher your face will look. Evil shows as in the Picture of Dorian Grey. Your first face you are born with, your second face you have to earn. "Everyone is responsible for their face after the age of forty" said Abraham Lincoln, meaning, your bad deeds will imprint on your face and body. If you are an evil bastard, you will soon look like one. The spirit always shines through.

Which is why watching these sad spirits from the Satanic Phoenician Mega Trillionaire Families talking about reversed aging is doubly pathetic. Because they are bad eggs inside, they look like crap by the time they are 30 or 40, never mind the picture of Dorian Grey. By the rules of the game, it will take many lifetimes to reverse that. You can't clean up your spirit by tweaking the DNA of the body, you fools! The only way to do that is to make better decisions, to transmute and remove their energy blockages using Energy Enhancement Meditation and by the look of it they won't be doing that this lifetime.

Energy Blockages make us dissatisfied with things we should not change. We can dissolve that energy blockage dissatisfaction with using Energy Enhancement Meditation. A problem we face here is that many of us don't like the body we have been given. Much spiritual rebellion stems from that alone. In some cases, it is understandable: it is clearly part of the test, and a difficult part. But it happens to even the beautiful and hale, who seem to be as prone to dissatisfaction as anyone. They purposely refuse to care for their bodies, for whatever reasons they have. This is always a failure of the test. Your job is to do the most with what you were given, and some are given more. Some less.

Energy Blockages make us dissatisfied with things we should not change. We can dissolve that energy blockage dissatisfaction by using Energy Enhancement Meditation. In extreme cases, this discomfort causes gender dysphoria. We may suppose the spirit was not given the gender it wanted, or was accustomed to in a past life. Again, understandable. As spirits, we are all dysphoric in the body to a lesser or greater extent. But I would assume the sexual assignment was done for a reason, and was part of the test. And I would assume that refusing the assignment is the best way to fail the test. I say that because I trust God. I do not think they made any assignments just to be cruel. As I said above, I don't believe in evil or cruel gods. I only believe in evil or cruel people.

There are a lot of things I don't like about my body. I would change any number of things immediately if I could. But I consider the possibility that these things are outward manifestations of my spirit. If I were a more beautiful or perfect spirit, I would have a more beautiful or perfect body. So I strive to deserve it. When I pass to the next level, maybe then I will have fewer bad hair days, straighter teeth, better legs, etc.

Who knows? But what I do know is that trying to radically change my body won't work. It will only make a bad situation worse. As is clear from watching other people like movie stars, it is a guarantee of a spiral down into some sort of misery. My job is to care for the body I have been given, not to remake it.

In the same way, blaming God for my test won't work. Rather than assume God is cruel, I should assume I have been given this test for a reason. I should assume I dug my own hole, and that God has given me a large enough shovel to dig my way out, if I dig right.

But let us return to the spirit. If the spirit maintains its form with or without the body, it should have a memory of its own. This explains a lot of things that were previously unexplainable — as I have said in previous papers — but it also begs many questions. One of those is why the spirit's memory is wiped or partially wiped at birth. That is not hard to answer if you think about it. If your spirit carried all the memories of all its lives into its newest life, it could never get on. It would be crippled by nostalgia, good and bad because normal human memory is suffused with negative emotion. Only after transmuting that negative emotion, sadness, depression, anger, jealousy using Energy Enhancement Meditation can we bear to look at our traumatic memories in this lifetime.

Even more difficult is to view our memories from previous lifetimes. Only after using Energy Enhancement Meditation to transmute the negative energies on our timeline in this lifetime and then the timeline in all our previous lifetimes using Energy Enhancement Meditation Level 3 Karma Cleaning Process can we gain the experience of viewing all our lifetimes of all our memories held in arrays of lifetimes of memory in the Soul Chakra in the chakras above the head.

Even in this short life, the spirit clings to recent memories, and by the time we are 60, most of us will be well nigh overcome by good and bad memories. The past daily threatens to swamp us with sadness. Just think if you had thousands of lifetimes of that in your head. You would do nothing but cry a puddle of tears all day long. You couldn't learn or do a thing.

The Tibetans say that seeing the memories from all our previous lifetimes is the dawn of Enlightenment. This is only possible using Energy Enhancement Meditation Alchemical VITRIOL and the Energy Enhancement Seven Step process to remove evil energy blockages and emotions from our memory lifetime and past lifetimes timelines. Which explains why the spirit needs to flee the body, and why it needs to return to a body. It needs to flee because despite the sadness, it is defined by and connected to its past. The spirit needs its memories, to remind it who it is. But it also needs the body to give it relief and respite from those memories. It knows the wiping at birth is a partial blessing. Only within the limitations of the living can it continue to progress.

You will say there is far too much death, misery and unfairness on this planet to assign to humans. God must be perverse to allow such a place to exist at all. But God creates the problem not amenable to solution by intellect but only solvable by means of psychic powers. You need to evolve beyond the intellect to gain those psychic powers. To gain those psychic powers to transmute the negativity, the negative emotions, the trauma-formed negative karmic mass from this lifetime and all our previous lifetimes you need Energy Enhancement Meditation Alchemical VITRIOL and the Energy Enhancement Seven Step process to remove evil energy blockages and emotions from our memories as we do in the Karma Cleaning Process of Energy Enhancement Meditation Level 3.

God must be perverse to allow such a place to exist at all. But in saying so, you underestimate the human capacity for mistakes, and overestimate the responsibility of God. It is not for God to ride in and solve all your problems for you. No one learns anything from that. As a spirit, you are responsible for your own actions, and your own level of advancement. As I said, if you are here, you can be sure you deserve to be. This should tie you to your fellow Earthlings if nothing else does.

Actually, God is far kinder than he might otherwise be, since it is easy to imagine some scheme of things where he left us with no oversight or help at all. God has his own life to attend to, after all. And yet God does take the time to be the Soul or Guardian Angels or whatever you wish to call them. No, God doesn't ride in and take over, since that would undercut the entire ladder and entire hierarchy. You can't grow if God does everything for you. But God is there to give you limited amounts of good advice, supposing you ask for it and supposing you listen.

Energy Enhancement Meditation Alchemical VITRIOL - a Latin Acronym *Visita Interiore Terrae Rectificando Invenies Occultum Lapidem* giving the Alchemical Secret, a guided meditation, the Secret of transmuting Base metal into Gold, transmuting Energy Blockages into Pure Spiritual Energy, and the Energy Enhancement Seven Step process to remove evil energy

blockages and emotions from our memories has been available for hundreds of years. You just need to read the Emerald Tablet of Hermes Trismegistus as a guided meditation. You just need to read the Yoga Sutras of Patanjali. You just need to listen to me, Satchidanand, one who has been there, done that and got the T shirt!

Book - The Yoga Sutras of Patanjali by Satchidanand

Save your life with Energy Enhancement Streaming Video Meditation course.. Book One, Sutra One - Here are complete Instructions on Enlightenment...

ILLUMINATION!! The Yoga Sutras of Patanjali talks about Illumination as being Nirbija Samadhi. This word is a teaching as to what exactly enlightenment is. Nir means no, and Bija means seed. The seeds of desires which have not yet come to fruition. These Seeds are Energy Blockages. This is the Karma which is yet to come.

And as it says in the Yoga Sutras of Patanjali, "The Karma, the Pain, that is to come can be averted" - Book 2 Sutra 16. The removal of Energy Blockages, Grounding their Negative Karmic Mass, is an Energy Enhancement Process called, "Karma Cleaning" - The Energy

Enhancement Meditation Course Level 3 of Energy Enhancement.
Each desire seed when watered can addict us to the desire it contains.

In the Yoga Sutras they talk of the method of roasting the seeds - removing the addiction, the slavery to your desires (When you slaver your saliva over something the desire drips out of your mouth) - so that the life they contain is extinguished, they can not germinate even with all the correct conditions, ever again to bring us to Painful Karma. And what roasts the seeds?

This is the concentration of the Light of the Soul in Samadhi, the next highest energy to the mind and there are higher energies still we can contact on the path of Energy Enhancement, as light is concentrated through a lens, as it is focused through the Brow Chakra, Ajna Chakra or through any of the chakras of which the Brow chakra is the Master - this is called Samyama...

So this blaming God really doesn't fly. If you wish to pass to the next level, it is the first thing you should knock off. I don't know that it makes God angry, since God probably has better things to do than get angry with us. But it is, how shall I say, a first disappointment. I don't see God screaming at us, but God may roll his eyes at this primary stupidity. I know I roll my eyes whenever I hear that argument, and I am just a stupid human myself.

Some will still not see the point. Why should smaller spirits become larger ones? Why not have all spirits the same size from the beginning? Why have spirits at all? Why have anything? I don't know. I am just a little spirit. Ask

a bigger one, though I don't think you will get an answer. It is one of the things you must learn on your own. But if I had to guess, I would say it is because growth is more interesting than stasis, and the biggest gods like to keep things interesting.

Burning, we burn our negative energy to create pure positive Golden Spiritual Energy. Because without burning there's no purification. Whoever is interested in purifying oneself should accept suffering. If it comes, accept it. Or while trying to relieve others' sufferings, if you face suffering, accept it.

Thiruvalluvar - One of the Tamil Siddars - gives the example of gold. How is golden ore purified?

How do you get 24 carat gold?

By constantly melting it and relieving it from all unnecessary sediments, mixtures.

This is done with a lot of burning.

The gold undergoes a lot of burning.

Every time it's heated, it is raised one more carat.

Because Alchemically, all the dross, the unnecessary carbon and other things are burnt out.

Like that, the more you get heated the more you shine.

Suffering is like burning. That's why it's called tapasya.

Tapas means to burn.

IN ENERGY ENHANCEMENT WE PSYCHICALLY PAINLESSLY BURN TRAUMA IN KUNDALINI CHAKRA IN THE CENTER OF THE EARTH WHICH TRANSMUTES TRAUMA INTO POSITIVE ENERGY

In other words you are gently, or ur-gently, roasted.

Until you become ash. Then that's called the holy ash. An ash is a holy substance because it's totally burnt. That's why you have an ash, holy ash, in Christianity, in Hinduism. Vibhuti, we call it. Vibhuti means burnt ash. It's called vibhuti because it has all the great qualities of God. Everything that is beautiful, that is supreme, is vibhuti. And this ash, which is called vibhuti, was dirt. Or to be more frank, it was dung. But it's no longer dirt. The very same dirt, burnt out completely, so it's now purified well, is now vibhuti, holy ash.

So suffering is helpful. If you face a little suffering correctly, if you don't enjoy the way the food is prepared, say, 'Ah, here is another way of my purification. God is trying to purify my tongue through this instrument we call the mother of the house.' If we forget that, we might feel, 'What is this? Can't you make a little better food? Can't you give me one more blanket? One a little more soft?'

Why are spiritual seekers expected to live a simple life? To accept suffering. To see how they can bear suffering. It's not a comfortable life. That comes afterward. When you have suffered enough, when you get burnt totally, then you are not trampled.

As long as you are dung, you get trampled.

And thrown into the dung pit.

But when you get burnt, you become holy ash and you go to the very forehead of the person. You are elevated to a great height. You are respected. So the benefit comes afterward. But until you are completely burnt you can't get that.

Until All your Energy Blockages are burnt you can't go to that height. I don't know if you remember a parable that I used to give. The Hindu temples, you know, are mostly built of granite rock. The sanctum sanctorum – the several steps you go up, and then the statue, the image you worship. as God – is made out of granite rock.

One day I was in front of the altar. There was nobody except me and the Lord through the image.

All of a sudden I heard a conversation. I became curious and I sharpened my ears to hear that. The conversation was like this: 'Hi, brother! How come you are getting all the decorations, all the offerings? Milk and honey are poured over you, you get decorated with nice jewels, flowers.

Everyone comes and respects you. And this priest, even while he decorates you, he is stepping on me. Nobody seems even to look at me. Even if they don't decorate me and respect me, can't they at least leave me alone instead of trampling on me? How come? Don't you know we were brothers? We were together, almost twins.'

The other one said, 'Yes, my brother, I remember that. I can never forget it. We were together. We were one piece when we were brought from the neighboring rock quarry. But the sculptor started working and he split that one rock into two because it was too big for a statue.

And he picked you up first and started shaping you into a beautiful image. You know the sculptor! He started hitting at you with his iron chisel and hammer.

You became so furious, you shouted at him, yelled at him, 'How dare you do this? Leave me alone. I don't want to be hit like this.' And he thought that you are so unhappy, that you are possessed with a kind of ego or ignorance, so he just left you.

And then he took the other half and started working on me.

I kept quiet. I thought there must be some reason for it. After all, he is the one who brought me all the way. Let him do whatever he wants. Of course it was really painful.

Constantly, he rolled me over and over, he hit me day and night. He was sometimes even sitting on me and hitting me. But I waited and waited and after several months, all of a sudden, one day, I saw myself as a beautiful image.

Now he has put me here and he is doing all the decorations. When he put me here I was a little too high for him to reach me, so he wanted a stepping stone and he thought to use you at least for that purpose. So he just placed you in front of me and that is why he is standing on you and pouring all the milk and honey on me.'

'Oh, I see. Well, if I had known that, I would have accepted all those things; but I didn't.'

`Well, I'm sorry, but it's too late. Just accept it. Pray for the next birth. And if somebody is hitting you, even if you don't know why, accept it. Be patient. Probably one day you will be respected. You'll be honored. You'll have all the decorations, all the festivities for you. Like me.' That's what the Deity said. It's a conversation between the Deity and the stepping stone in front. Hm? So who was right?

SOMEONE: The Deity.

SWAMIJI: How did it become the Deity?

SOMEONE: By letting the sculptor work on him.

Some will say, "Well, on this plan, after a long enough time, all spirits would be gigantic gods, and none would be little. Which is also illogical". Again, a question that is basically too large for us little humans, but if I had to guess, I would say that while some spirits are growing, others are diminishing, keeping a supply of spirits at all levels.

And are the largest gods the creators? Well, we are all potential destroyers and creators. But yes, the greatest spirits are the greatest creators. I doubt that they can create things like photons, since that would imply a sort of self-creation. God creates photons.

Each photon is an Angel and as Angels are built together they form larger angels, Archangels. But it would seem logical that they can create things from photons. In that sense they are more builders than creators.

If that is true, then who made the photons? I don't know. And I don't know why the photons should want to coalesce rather than not. Again, I suspect you will have to ask a much much larger spirit. It is not necessary for you or me to know these things. What we need to know is HOW THINGS ARE and OUR PLACE IN THE WORLD. Once we have advanced another thousand steps or so, we can re-ask that question with the hope of some meaningful answer.

OK, I have outlined a few basic things here, and with them we can look again at some of the new-age ideas being promoted. Like, say, the Star Wars pseudo-religion. Although George Lucas claims the Star Wars mythology/religion was created simply as a comic-book foundation, it has taken on a much greater import than that — and I have to think that was no accident. Star Wars didn't just accidentally balloon into a culture-wide phenomenon across four decades—promoted by Joseph Campbell, Bill Moyers, and many others. As a creation of Hollywood and the Families, we should ask what role it was meant to play.

Star Wars is very seductive precisely because it includes a lot of truth. It borrows heavily from the old religions and updates them in some creative ways. First among these borrows is The Force, which my readers can now see was just a tag for the Charge Field. A tappable source of the Energy of God that underlies all existence. The films also borrow a Manichaeian mythology from Zoroastrianism, whereby this world is a battle between good and evil. You will say my spiritualism is also Manichaeian, but strictly it isn't, and we are about to see why.

Despite its nods to the truth, in my opinion Star Wars has been another arm of the Theosophy project, meant to displace the old Western religions like Christianity and Judaism.

Yet "The Truth is One. The Paths are Many"

There is One God and his Force underlies every Religion.

When Star Wars said, "May the Force be with you" everyone knew what it meant. Everyone wanted it to be true. Everyone knew it was true.

There are Spiritual people whose job it is to maintain the high energies of every Spiritual place of pilgrimage.

I remember visiting the Alhambra in Granada Spain and feeling the high spiritual energies of what was once a Sufi School..

I remember visiting the Taj Mahal in Delhi, India and again feeling the sacred energies, going in alone early in the morning, paying the guards to let us in so no-one else was there. Just us, and the Holy Spirit!

I remember seeing a painting, brought up from the vaults at the Louvre in Paris, France I never saw before by Leonardo Da Vinci of a guy in armour on a horse with his finger in the air pointing towards God. Like, "This is It!" and bursting into tears with the force of the charge.

I remember listening the Beethoven's Ninth Symphony for the first time when I was 16 years old and playing it back in my head for days.

I remember visiting the Monastery of Montserrat in the Mountains of the Moon outside of Barcelona and sleeping there overnight in the car and feeling the Sacred Energies when everyone else was gone.

I remember visiting the Arati by the banks of the River Ganges in Haridwar in the foothills of the Himalayas and being, "struck by

lightning!" and turning to see an enlightened projecting Spiritual Force to all and sundry and laughing ecstatically

I remember visiting the Holy Cave of Amarnath in Kashmir, high in the Himalayas and it's Sacred Ice Lingam after walking 40 kilometers over high passes 17,000 feet high to get there. I was told that high Spiritual Enlightened people joined the pilgrimage to raise the energies of the people walking there and this indeed was my experience, incredibly spiritual, "struck by lightning!".

I remember visiting Durham Cathedral voted the most beautiful Cathedral in the whole of Europe and feeling the high spiritual charge at the tomb of Saint Cuthbert.

I remember Swami Satchidananda visiting there and laying face down on the floor in front of the tomb arms akimbo in the shape of the cross saying, "There was a great Saint here!"

Just hearing the name, "The Yoga Sutras of Patanjali" made me take my first Yoga Teacher Training Course. Just reading Tolkien's "Lord of the Rings" when I was 12 years old, I felt the high Spiritual energies in those pages, then read the three volumes twenty times more! Just to be sure...

Having these experiences you know God exists.

Always I have been sensible of high spiritual charges.

So when Star Wars came out and I felt the incredible Spiritual Kundalini music charge that existed in the first version of the movie and understood that it was this spiritual charge unknown by George Lucas and the CIA that was making this movie the most massive movie the World had ever seen.

I understood, "They Know" - Sosan, the Third Zen Patriarch.

An incredible number of us humans know!

We feel Spiritual Energies!

And the incredible Spiritual beings who impress the Spiritual charges into places, architecture, paintings, music, and Movies do not care about the original purpose of the movie. They impress the charge into Spiritual memes and All the people respond! So that everyone knows God exists.

They Know!

When Miles says, "The films also borrow a Manichaeian mythology from Zoroastrianism, whereby this world is a battle between good and evil."

I say that Tolkien is closer to the truth, see my article, "The Hubris of Morgoth and The Rings of Power - the Story of Fight against Sauron a Demon who lives out of the Body, thrown out of the body by having the One Ring cut off his finger by Isildur"

Having just listened to Cynthia Chung's talk about CS Lewis' book, "That Hideous Strength"

<https://risingtidefoundation.net/2022/07/06/c-s-lewis-that-hideous-strength-a-tale-of-transhumanism-the-occult-merlin/>

[Through A Glass Darkly](#)

[On matters of geopolitics, counterintelligence, revisionist history and cultural warfare.](#)

[By Cynthia Chung](#)

We find that CS Lewis and Tolkien moved on the same paths as "Those with minds of metal and wheels" the Transhumanist Technocrats like Aldous and Julian Huxley and their "Brave New World" and most of all, HG Wells, but in the end, their immortal talking head was only inhabited by macrobes, CS Lewis name for Demons.

Every civilisation whose priest class took psychedelics ended up talking to Demons who wanted blood for knowledge. The great civilisations of Phoenicia, Carthage, Aztecs, and Incas ended up murdering 250,000 people per year in Human Sacrifices which destroyed their civilisations.

Cynthia Chung reviews CS Lewis' "That Hideous Strength" which serves as a warning of the neo-Darwinian transhumanist cult which was taking form during World War 2, and Lewis' brilliant exposure of the moral, intellectual and cultural fallacies embedded in the elitist ideology which modern citizens would do well to study if they wish to truly defeat the ideologues managing the fourth industrial revolution and Great Reset today.

What they and we are saying is that Build Back Better, The Great Reset, Agenda 2030, the 15 minute cities, and Climate Change and censorship totalitarianism have been exposed as intellectual and cultural fallacies promoted by Demons whose aim is the genocide of the human race.

Harry Potter was yet another example of that. And while neither is obviously Satanic, both Star Wars and Potter vastly oversell the dark side. I say they aren't Satanic, because in them the dark side loses.

But yes, the Manichaeon mythology from Zoroastrianism, whereby this world is a battle between good and evil seems to be true! CS Lewis, Tolkien, Cynthia Chung and Satchidanand say that it is so!

Once we understand that the 10,000 year rule of the Satanic Phoenician Mega Trillionaires is founded upon their wish to live forever, out of the body as the Dark God Demons they worship do. Their belief in this Satanic Religion supported by seances - Satanic Rituals - where they talk directly to their Satanic Gods.

Where people like TH Huxley, one hundred and fifty years ago, gets told by these dark God Demons in seances about technologies that will make totalitarian rule over every person on this planet a reality. TH Huxley was told about the genome and DNA and the future ability to create a "Genetic Age" by editing the genes with CRISPR Gene editing tools. TH Huxley was told about silicon electronics and its ability to make computers and the information age to create the vast database files of every person on Earth. TH Huxley was told about nuclear and fusion power and the atom bomb.

The Satanic Mega Trillionaires want immortality living out of the body - Transhumanism - where they themselves become dark Gods, just like those they worship. All the Dark God Demons want in return is blood!

Since I say that these dark God Demons are just normal human beings who have learned how to leave the body and by cutting themselves off from God and blocking their heart centers have escaped the life-death cycle provided by God, the gift of God which allows humanity to evolve giving a clean wiped state at the start of every lifetime...

We understand Miles Mathis when he says that these Demon Dark Gods are not Gods, that they have no power greater than me or you. All we need is the power, the Soul power to resist the Devil as Jesus Christ did when he said, "Get thee behind me Satan!"

And this indeed is the test in the Examination Hall which is the Earth.

Miles Mathis says that, "Another way my morality or spirituality differs from most others is its definition of the dark side, or devils, as we saw above with Star Wars. Satan is way oversold, whether is by old Christianity, Mani, Star Wars, Harry Potter, or what have you. I have no problems with the words "evil" or "sin", since they are all just synonyms for "doing the wrong thing". And I have no problem with the word "devil", since it is highly descriptive and fits—for the most part—the real world. But as you saw above, my descriptions don't fit any of the old religions. Devils aren't gods, they don't have equal powers to gods, and they exist mostly on bluff. The dark side is mostly manufactured to create fear, as I have shown you with Aleister Crowley, fake serial killers, and all the rest. My analysis there goes all the way up, since it is all a conjob.

Devils are just bad people: criminals, liars, cheaters, and hoaxers who want you think they are more powerful than they are. They want you to think they are tied to powerful dark forces, but they aren't. They are just spirits at our level who have forgotten how things work."

Miles Mathis says that, "You only have to deal with demons on your own level, my friend. Though these "demons" may wear black robes and make scary threats, they are just bad people. You are never overmatched. You always have the tools to win, but you have to do the right thing. The first step in that: ignoring the bluff."

And indeed this is what I say except that these Dark Gods learned to leave their bodies by means of Meditation since when they have kept the real meditation away from people by censoring the ancient texts and leaving meditation practice at the level of children.

Energy Enhancement Meditation says, "Traditional meditations are designed to fail designed to fail"

Only Energy Enhancement Meditations Alchemical VITRIOL will allow the transmutation of the Dark Gods and their Satanic Phoenician Mega Trillionaire minions into angels, goodness and light in alignment with the Will of God.

Until then, gird up your loins, align with your soul, resist the blandishments of evil...

Real Satanists would be promoting mythologies where the dark side wins. What we see instead is the Satanic Phoenician Mega Trillionaire Families making excuses for themselves with these pathetic morality plays, by making it seem the dark side is much more seductive than it really is. A sort of "the devil made me do it". If the devil made them do it, much of their own responsibility for their actions evaporates, you see. While the truth is, no devil made them do anything. No dark side seduced them. They simply failed the test.

They came to a fork in the road, and they took the wrong turn. And when their soul took the time to land and advise them they had taken the wrong turn, they freely chose to ignore her. You can see the difference between that and being seduced by a devil. They weren't seduced by a devil, they failed to be seduced by an angel. I hope you see the difference.

Some will say, "That is just your experience. You haven't experienced devils. We have". Possibly. One of my friends said, "You don't experience devils because your Soul is too strong. They take care of you". Possibly. But although that may be partly true, you will forgive me if I don't see it that way. As a spirit, your relationship with other spirits is a two-way street. So if my Soul is present, it is because I did not fail to be seduced by it. I welcomed it and listened to it. And if devils don't much bother with me, it is because they know they are not welcome. They know I will not listen.

In fact, I have had experience with devils. You saw it last year and see it on a continuing basis. They no longer try to seduce me, since they know there is little chance of that, but they are constantly attacking me in their petty ways. It is from these attacks that I know my enemies. I know they are not powerful devils come down from higher worlds, for if they were they would carry signs of that. To be blunt, I would have no chance against them. From their attacks, we see they are petty devils from this world, continuing on their way down into the abyss. As such, they do not worry me too much.

I daresay if you reorder your relationships in the spirit world, you will be bothered by them as little as I am.

I suppose I can tell you now that I have in fact been shadowed by a ranking Luciferian in the past few years, who attempted many times to recruit me — with absolutely no success. The last time I saw him I was forced to throw him out of my house. So the demons have long been aware of my presence. If they do not more often approach me, it isn't because they don't know my address.

Notice how my lesser theogony explains what was previously unexplainable: how could God allow evil spirits to come down from higher levels and mess with you directly? As I just said, you would have no chance against them. It would be a test you could not possibly pass. You cannot battle evil Demons or spirits from higher levels. It is absurd. It is why none of the movies that include this idea make any sense. It is why none of the stories from the major religions that include this idea make any sense. If God allowed such things, he really would be perverse and unfair. But they don't and they aren't.

You only have to deal with demons on your own level, my friend. Though these “demons” may wear black robes and make scary threats, they are just bad people. You are never overmatched. You always have the tools to win, but you have to do the right thing. The first step in that: ignoring the bluff.

I don't fear having to face the tests of devils. I fear my own weaknesses. I fear the next big test of God, which may be too big for me. You will say I just said they always give us tests we can pass, which is true. But we can also fail. We have all failed many tests, or we wouldn't be here. We all make bad decisions, and I make them daily. If I blow the little decisions, will I pass the big one? I shouldn't call it fear. I actually welcome the tests. They are fascinating, even in failure. But I have to admit my spirit is chafing at the corruption. It would prefer to move on. It would prefer to pass.

In the first instance, that is a good thing, because if I didn't chafe so much at the corruption, I wouldn't resist it and couldn't ever get beyond it. But seen from another angle it is also a failure. Failure to fully accept or embrace the current assignment. If I weren't meant to be here, I wouldn't be here. So it is no good wishing to be elsewhere.

Some will say that is a call for resignation, but I don't like the term. If I were a soul, I wouldn't like it — let me put it that way. Why not? Because the term resignation implies a sort of grudging acceptance of your fate. No one wants your grudging acceptance of anything. That is not the goal. The

goal is your joyous acceptance of your assignment, you see. Not a grimacing thank-you-sir-may- I-have-another. No, rather a gracious and grateful receipt of your current incarnation. If you can manage that, the Soul will always be on your side.

Which of course brings us back to my problem with Buddhism. Buddha seems to have completely missed this joyous acceptance of assignment. He mistook a renunciation of corruption for a total renunciation of the Earth. But a total renunciation is a failure of the test. It will not win you Nirvana, it will only guarantee you another lifetime here, so that you can learn that. I don't remember, but I suspect I know that from experience. I was probably a monk of some sort in a past lifetime. I know that such renunciation will get you nowhere.

So let's take all that back to Star Wars, and Manichaeism. But first a short detour. Manichaeism has been called Gnostic, and most people think Gnosticism is anti-Christian. But the truth is, Christianity is mostly Gnostic itself. No, it doesn't worship a demiurge or believe Satan or Lucifer created all matter, but otherwise Christianity borrows the same foundational dualism. In the New Testament, we find spirit is good, matter is bad. Also see the mind-body problem, as in Descartes and elsewhere. It is a more recent spin-off of the old spirit- matter duality.

Paul says, "I declare to you, brothers, that flesh and blood cannot inherit the kingdom of God, nor does the perishable inherit the imperishable. Now listen, I tell you a mystery: We will not all sleep [in physical death], but we will all be changed. This will happen instantly, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed. For the perishable must be clothed with the imperishable, and the mortal with immortality (1Corinthians 15:50-51).

Paul understands that human beings are not merely physical flesh and blood creatures. They are spiritual beings and their physical bodies are inhabited by spiritual bodies "eternal in the heavens"

That idea is also primary in Manichaeism and Gnosticism. Since that idea is more fundamental than any of the others, I would say the similarities are more important than the differences. In constructing a day-to-day morality of how to act and how to make decisions, it doesn't really matter who made the Earth. But it matters a lot if you believe matter is evil. If you believe the material world is evil, you will have little problem raping the Earth or anything else.

The Earth is material, so why not plunder her? That woman is material, so why not plunder her? You see, it makes it very hard to build a morality for

the living on a religion like that. Logically, it really can't be done. You can't teach that material is evil and then try to teach respect for the human body or for the Earth. Which is why I have said before that all the religions are flawed at the ground level. They start with basic contradictions and are therefore rationally and spiritually unworkable.

So my spirituality isn't Manichaeism, Gnostic, or Judeo/Christian. I know that matter is not evil in any way. Matter is an embodiment of spirit, and as such is just as sanctified, holy, and worthy of veneration. In fact, spirit has been charged with tending and husbanding matter, as a husband tends a wife or wife tends a husband. It is not something spirit can do, but something it must do. Those who have followed my physics papers will understand why this is so: spirit and matter are really the same thing.

Spirit is real photons, and matter is spun-up photons that have taken certain permanent patterns and forms. So although I believe in some dualisms, I don't believe in this one. It is false. Spirit and matter are not two things, they are two manifestations of one thing. So one cannot be good and the other evil. But this split of spirit and matter is not just false, it is pernicious. I would say it is among the most pernicious ideas ever promoted, since it is not hard to see how it would lead directly to the rapine of the Earth and all its resources. I have said that the Satanic Phoenician Mega Trillionaires are ignoring their own scriptures as they plunder the world, but in some way they are just following scriptures. The major religions have tacitly given the nod to such plunder, by downgrading the material world into a commodity. It is not spiritually important, so why not buy it and sell it with no concern for its sanctity?

I would guess you cannot pass to the next level while believing matter is evil, so this is of primary importance. It is something you have to learn here. As long as you are tied to any of the major or minor religions, it is doubtful you will learn it. Which is also probably not an accident. Those who are enriched by your struggles probably invented all these religions — or later infused and polluted them with these bad ideas—to keep you confused and off-track. It is not a coincidence that all the major religions are so similar in this regard (and others). We have seen the Satanic Phoenician Mega Trillionaires playing all sides, controlling all opposition, and manufacturing all stories, so you should find it odd that no religions stress what I am stressing here.

You will say Materialism bows before the material, but it really doesn't, does it? In Materialism (modern science, for instance), the material doesn't become holy, does it? No, just the opposite. In Materialism, spirit is jettisoned, but the material realm doesn't take its place. Rather, the

material realm is also stripped of all meaning and veneration. In Materialism, everything is dead, and therefore plunderable. So, although a physicist, I am the opposite of a Materialist. I know that everything is alive, even rocks and raw atoms. This is why Nietzsche reinvented classical Greek spiritualism, the Apollonian and Dionysian, you know. He was trying to fill that void. He wanted give a spiritual weight to love of the material. Love of the body and the Earth. But he wanted to do that without using old polluted religious terms (like “spiritual”, which he would not approve of). I would say he was only partially successful, since as usual he overcomplicated the problem. But he lodged an arrow in my head at least, which he admitted was the point. He wasn't talking to the “stupid Germans” of his time, he was talking to a few oddballs in the future: me. It may be I can explain his ideas to more spirits than he could.

You will say, “Ah, you are a Nietzschean!” Or, “Ah, you believe that rocks are alive, you are a Pagan!” No, I am a Milesian. Or maybe a Soulian. All other titles I reject.

Another way my morality or spirituality differs from most others is its definition of the dark side, or devils, as we saw above with Star Wars. Satan is way oversold, whether is by old Christianity, Mani, Star Wars, Harry Potter, or what have you. I have no problems with the words “evil” or “sin”, since they are all just synonyms for “doing the wrong thing”. And I have no problem with the word “devil”, since it is highly descriptive and fits—for the most part—the real world. But as you saw above, my descriptions don't fit any of the old religions. Devils aren't gods, they don't have equal powers to gods, and they exist mostly on bluff. The dark side is mostly manufactured to create fear, as I have shown you with Aleister Crowley, fake serial killers, and all the rest. My analysis there goes all the way up, since it is all a conjob. Devils are just bad people: criminals, liars, cheaters, and hoaxers who want you think they are more powerful than they are. They want you to think they are tied to powerful dark forces, but they aren't. They are just spirits at our level who have forgotten how things work.

Some will say, “If that is true, then you really are a Gnostic, since this is a matter of ignorance, not sin”. No, again, I wouldn't put it that way. I am not a Gnostic, because I don't believe in ignorance. I just told you that everyone is born knowing right from wrong. The spirit's memory is partially wiped, but knowledge of good and evil is not wiped. So those who do wrong cannot plead either ignorance or that the Devil made them do it. The spirit is always and completely responsible for itself and its own actions and decisions. Which is far closer to the idea of “sin” than not. Sin has some minor residue I might wish to wash off, but we don't need to go there in this paper. For the most part I have no problem with it, since it means breaking spiritual laws on purpose, knowing you are breaking them.

Another reason I am not a Gnostic is that I know that knowledge of the truth isn't enough. We all have innate knowledge of the truth. So knowledge won't win you salvation of any kind. Progress is made through courage and action. It is not what you know, it is what you do. When you face a difficult situation, it is not what you know or think that matter, it is your actual response. You can say, "I wanted to do the right thing", but that is meaningless. What did you actually do? That is what determines whether you pass or fail.

You may think that sounds brutal, but that is the way it is. And remember, that "brutality" is tempered somewhat by this fact: it is also very important what you learn from a failure. That is the only sense that knowledge matters. For you can be sure that the test will come again. You will have another chance to respond in the correct and upright way.

So gnosis doesn't matter. Bad spirits may have a better understanding (gnosis) of the laws than good spirits, especially if they are on their way down from higher levels. But it doesn't help them, does it? They still have to make the right decisions, leading to the right actions. As long as they remain untapped, disconnected from the light, this they will never do.

Which allows us to see another way Star Wars lied to us. We are led to believe that dark spirits can tap into the Force as if there is a dark side to the Force. There isn't. The reason dark spirits are dark is that they are not tapped into the light. That is what "dark" means, you know. It is definitional. Tautological. The Force is light, and there is no way for dark to tap into light. You will say they can tap into the raw energy field, since nothing is stopping them. Yes, they can plug in a hair dryer as easily as you can, but that doesn't tap them into the Force. Likewise, they can build and fire a giant laser gun, but that doesn't tap them into the Force. Your current tap into the Force isn't through the electrical plugs in your bathroom, it is through your connection to your soul.

Dark Black Magicians cannot tap into the Energy of God being totally disconnected from the source. That is why they must steal their energy from humanity, normal people who are connected to God.

As you are beginning to understand, the charge field comes from God, isn't just a neutral energy well, it is a realm of spirit, already inhabited, organized and ruled. As spirits, the evil ones can go there in sleep just as you can, but since they are too proud to take advice, they are always out of the main channels. They are untapped. For the same reason they cannot rise, they also cannot make much use of the Force. They can only tap into one another and into you, which is not the same thing. That tap is very limited in scope, and—since it has no hierarchy — it gets nothing from above.

You will say maybe they tap into antiphotons. No. Antiphotons are opposite only in spin. They are not opposite in spirit. There is nothing dark about antiphotons. Antiphotons are just as light as photons. The evil ones cannot tap into the Force, which is why they have to brag about ruling here on Earth. It is all they have, you know.

Their only hope is to untap you from the energy of God by implanting you with energy blockages, so that you match them. Mostly they do that by making you forget your taps and how to use them. They try to break your connection to your soul, and break your connection to the spirit world through sleep. They break your connection to your soul by making you disgusting to her. They degenerate you through perversions.

They teach you to be small and needy, begging boons of your soul. They know she will not answer. They teach you to have the wrong attitude to God, constantly tempting your own fate. They implant you with energy stealing energy blockage addictions to drugs and sex aDICKtions. They teach you to drink yourself into a stupor before sleep, or to take pills, or to otherwise ruin your connection. If they teach you prayers or incantations, they teach you the wrong ones on purpose, so that you offend your Soul.

You see how easy these things would be to correct if you learned Energy Enhancement Meditation to remove your addictions. They only hope you will not figure that out. The “Jedi training” is also a joke, since there is no mention of a relationship to any higher beings, only, “The Force”.

The only higher beings are Yoda and Palpatine. Star Wars is completely missing a top-end, and no one ever notices that. In reality, the old religions are entirely correct: it is your relationship to God that determines your connection to the Force, otherwise known as the Spirit, the Holy Ghost, the Ruach Hakodesh, etc.

What we would expect of Jedi training is completely missing: showing yourself worthy of advice from above by cleaning yourself up for the trip in all ways. The soul doesn't like to have her robes tugged on by grubby hands, so your first order of business is a good spiritual scrubbing with Energy Enhancement Meditation.

That is what the Commandments and the vows and the various rules of action and relation are. Tapping the Force, entering the spirit-wave, or hearing a soul all require a certain attitude, comportment, and rectitude. If the Satanic Phoenician Mega Trillionaires can make you a nasty enough person, your taps, your connection, to the Force will all be broken, even if you aren't especially prideful or demonic. You will fail by vulgarity alone.

That is what much of current culture is about, you know. They have milked all the pride from you as a youth, by a constant hounding for equality, so that you have no chance of rising even as a Luciferian. But with some rectitude, you might still be educated by your soul. To prevent that, you have to be broken again, turned into a Modern mutant by the media, crushed into a whining, lying, screeching brat that no soul would get near. At that point you are just as untapped, disconnected, as any demon, with no power to resist them. This spiritual cleanliness takes no money, no suit of clothes, no position, no societal elevation. Anyone can achieve it in any country at any time. Remember, your soul usually meets you in sleep, so it has nothing to do with your body. It is an uprightness of conduct, attitude, and relationship, so it will not be achieved by shining brass buttons or buying new shoes or marching in formation. Nor will it be achieved by courtseys, kneeling postures, bows, or ablutions. It will be achieved by a long series of right actions in real situations.

So if you really want to tap into the Force, it won't help you to run around with a muppet on your back, waving a light saber. You should start by connecting to the Light with Energy Enhancement Meditation and scrubbing yourself removing all Energy Blockages.

Take the eternal rules seriously, especially the ones concerning lying and stealing. You should also study the words honor, truth, righteousness, rectitude, virtue, veneration, supplication, and service. Service doesn't imply servitude, you know.

Likewise, it would be well to revisit the word pride, which has several meanings you don't want to confuse. It is OK to have pride in your accomplishments, for instance. It is OK to defend yourself, from a sense of pride. Proud doesn't always mean haughty. It means self-assured, which is mostly a good thing. Pride is only a sin in relation to God or other higher beings. The sin was originally "excessive pride", not just pride. Meaning, having more pride than the event calls for. A pride out of proportion to the reality. You must know your place in the hierarchy.

Which is yet another perversion of Star Wars and the current pseudo-mythologies. In them, everyone is either a hero, a demon, or a droid. While in real life, almost no one is a hero, a demon, or a droid. So in helping you understand your place, these stories simply don't. You get better advice from Little House on the Prairie or Pollyanna than you now do from all of Hollywood put together. Again, the point of the media is to dislodge you from any and all grounding or meaningful connection, so that your only point of contact with society is the lady at the counter at Macy's or Starbuck's. Your only advice is from Anderson Cooper or Sean Hannity or the Ty-D-Bol man. Your only religious instruction is from Dumbledore, Iron Man, or the Incredible Hulk.

Which brings us back to that. I stress again how important it is that neither Star Wars nor Harry Potter ever mentions God. Both create new religions/mythologies, but they are devoid God. This, more than anything, tells us who created them. These people don't like God. The very idea distresses their tiny spirits. So they try to trap you in their own small box, hiring pretty cousins to seduce you on the big screen. They keep you so enthralled for two hours with special effects and costumes and fast action that you forget to notice you have been in a religion with no God.

And it gets progressively worse. Star Wars wasn't too bad in the beginning, Harry Potter is worse, and Games of Thrones is far worse. In Game of Thrones, God is hardly mentioned, and when he is, he is obscure and unimportant. The Faith of the Seven is a shallow literary construct, one that has no bearing on the people's actions. Only the god of death gets a serious mention, which is instructive. Here is what the fake CIA-front Martin has said about the gods of Westeros: "Worship of death is an interesting basis for religion because after all, death is the one universal. It doesn't seem to matter what gods you pray to. We all die in the real world and in fantasy worlds. So if there was one culture where you did not die, I suspect that God would become very popular. They will promise us eternal life, but whatever". He also stated the belief "that the world we live in was created by the evil god [is] kind of persuasive" when "you look at the world, particularly the Medieval world". Yes, before Jesus Christ every Pagan Satanic religion worshipped Death through Human Sacrifice and Cannibalism.. See

Any questions? Sort of confirms everything I am telling you, doesn't it? Compare that to Lord of the Rings. Although Potter and Game of Thrones are constantly compared to Lord of the Rings, the feel is completely different. Unlike the others, Lord of the Rings doesn't come off as a shallow Luciferian construct, straight out of the dungeons of Langley or MI6 (or, the films do, but the books don't). We can believe that Lord of the Rings was actually written by Tolkien since it has a human stamp. And we can believe that Tolkien was not just an agent-front for MI6. This is because the stories and backstories are stiff with gods, many of whom take an active part in the history of Middle Earth.

As we find out in the endnotes, There's the One God, Eru Ilúvatar. There's the Angels called the Valar and there's the Lesser Angels called the Maiar. Gandalf is a Maiar. So is Sauron, Saruman, Balrogs, etc.

Gandalf is an Angel. Beyond that, Tolkien tells us Men go somewhere after death, and that mortality is a gift of Eru Iluvatar. So, although the Elves are immortal, and seem superior in some ways, Tolkien tells us it is actually the Men who are gifted. Where do the Men go? Tolkien tells you that, too, though not directly. Why do you think they call it Middle Earth? It must be a middle stage, and Men go after death to a Higher Earth of some sort. Which confirms the positive hierarchy. LOTR is defined by positive hierarchies, and they always include evolved people, little gods, enlightened people subservient to God.

This, among other reasons, is why LOTR reads as highly moral, despite its near-complete disconnect from the current major religions. Even though Middle Earth is constantly threatened by a powerful Dark Lord, the books are far brighter than Game of Thrones, Star Wars, or Harry Potter. A strong light shines there that never shines in the others.

But let us return to Gnosticism. Conceivably, a person could know nothing about any religion, being able to cite no laws, and still pass all tests. His gnosis would apparently be zero, but his power would still be great. He would be a sort of natural, relying on his direct connection to his Soul, and through her to all higher levels. This idea isn't even anti-Christian, since I would argue it is what Christ meant when he told us to be like the little children. They are naturals in just this way, and our religious instruction more often corrupts them than educates them. Through their studies, they are soon so confused they can no longer hear the clear voices of their Soul.

You will say a good spirit is just a slave to the Soul or to the laws, in that case. He doesn't question them, just assuming they are correct. In which case we have just discovered a higher fascism. Well, that is what the evil ones will tell you, but that isn't the way I see it. I am more than a bit rebellious, as you may know, and I don't accept anything just because it is told me. I don't take orders very well. So you may be surprised to see me acting such a pup before my soul. But again, I tell you it isn't a matter of obsequiousness, it is a matter of admiration. Some of us can admit when we are in the presence of a higher being. Not a higher authority, mind you. I purposely avoided that term. I don't take her advice on authority, I take it because it is good advice. There is a huge difference.

I have been told by a friend, "Well, maybe you are wrong. Maybe your soul has you fooled. Maybe she is a Witch in beguiling robes." My answer: "maybe yours is". We will see where our Soul takes us. Mine has led me quite well. She has never tempted me and there is not the least scent of the dark side on her. Some would find that a bore, I guess, but I don't. I suppose I have spent enough time in the presence of corruption and am no longer fascinated by the Pit. I am fascinated by the light. And that is another reason I am the opposite of a Gnostic. In the modern world, Gnosticism has been twisted or redefined as a sort of Luciferianism. That love of the material world I was talking about above is redefined as a worship of Lucifer, the demiurge who created it. He then becomes the god and lawgiver, and you are taught the God he rebelled against is actually the fraud. You don't get a reversal of dark and light, because Lucifer is the "lightbearer" and so is now the light.

But there is one big problem with all this, and few have commented on it. You would think that Lucifer, the creator of all matter and of the Earth in this story, would have a set of laws like those recommended by my soul, right? In other words, you would think this creator of the Earth would

teach a love of the material, of the body, and of the Earth herself. You would think he would teach and demand a reverence for both matter and spirit, instead of just spirit. But that isn't what we see. No, in modern Gnosticism/Luciferianism, we see another variant of the promotion of plunder—indicating it is yet another creation of the plunderers. They have created another in a series of manufactured religions that justifies their actions.

In this sort of Gnosticism, there is a love of the material, of a sort. Physical and sexual restrictions are mostly gone, so you are encouraged to worship the physical in that sense. And if you love money, that's also fine, since it is also material. But of course that isn't what my Soul is talking about when she insists upon the sanctity of the material world. She is teaching that the material and spiritual are one, and must both be venerated. Gnostics asks their spirits to give them objects or powers, but my Soul does not listen to such requests. They have no interest in me gaining riches, women, or worldly power, and nothing could be clearer than that. So there is nothing Gnostic about my progression, such as it is. There is no asking of boons of any sort. In a way, it is not what she can do for me, but what I can do for her. I ask for guidance, but not toward any treasure. I ask for guidance in my tasks. Do you see what a gigantic difference there is in that?

She does not ask, “What do you wish from me?” Rather, I ask, “What do you wish from me?” The soul is not a sort of genie, you see. She is not there to grant wishes. So one of the things you have to learn is how to shut up in the presence of your soul. A thing very hard for most people to learn. You aren't there to talk, you are there to listen. You have to trust that she knows more about what you need than you know yourself. You don't have to list all your problems and then ask for specific responses. She already knows the first part, and you need to let her determine the response. You may not even know what to ask for. So for the sake of efficiency, just show up and shut up. Tug on her robe, have a seat, and then keep quiet.

Some will say, “Where is all this happening exactly, and when? I don't get it”. Maybe in meditation, more likely in sleep. Don't worry so much about that. Once you decide you want to go there, you will, without planning it all out. I don't need to draw you a map or tell you what to chant before bedtime. A silent intention is more than enough, but if it helps you can make up your own little prayers. The important thing is that you demonstrate the right attitude, and I am trying to get across to you what that is. You have to call her for the right reason. She will not answer greedy or needy calls. She will answer when you are ready to do something decent and she can help.

And if you want to think of your Soul as a man or a talking unicorn or a giant furry kitten, it doesn't really matter. Whatever gets you in the mood. I like to think of mine as a beautiful woman in white robes, but that is just

me. She isn't really any of those things. She is a light-being beyond your current comprehension: she doesn't demand fear or obeisances, only respect and hopefully love. She will take into account your limitations.

"EVIL IS" – Tolkien

JRR Tolkien was an Oxford Professor of Ancient Languages who wrote the most famous story of the 20th century THE Lord of the RINGS which spawned three movies read by millions, seen by millions. The power of his writing infused by spirit, an Old Catholic Christian writing a new mythology to propel humanity beyond this civilisation and on to the Stars was so popular because it was based on truth. An ancient truth now consciously forgotten for us by the Satanic Phoenician Mega Trillionaires.

The story of Tolkien is the story of the eternal fight against Sauron, a demon of the Ancient deep who has been thrown out of heaven, cut off from the energies of God, who is immortal, who lives forever, who even from time to time lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur, and who wants to come back into a body to rule eternally by corrupting and perverting the creations of God, very much like the android creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant".

Normal people thousands of years ago learned the Spiritual Technology taught in Energy Enhancement Meditation in order to live, immortally, eternally forever. These people have turned into Demons and have lived for thousands of years, like Sauron, disconnected from the Energy of God they live out of the body, and in return for their knowledge they demand pain and blood, spiritual energy stolen from humanity, vampirised from humanity, to provide the Spiritual Energy they need to live eternally, immortally. Using Satanic Ritual Technology they download into people, they possess the bodies of people from the Astral plane where they live out of the body.

They download into and possess the heads of the Satanic Phoenician Mega Trillionaire Bloodline Families with Demons, all so that the Demons can vampirise, drain, steal the Spiritual Energy of humanity so they can try to live forever, eternally, immortally, out of the body whilst totally disconnected from God. This Ancient Spiritual Technology of how to enter into the body of another has been known about for thousands of years but like the real meditation, Energy Enhancement Meditation, it has been suppressed. It is even talked about in the Yoga Sutras of Patanjali. Maharishi Mahesh Yogi gave a video talk about it before he died. Yoga Sutras of Patanjali, Book One, Sutra 19. "Those who merely leave their physical bodies and attain the state of celestial deities, or those who get merged in Nature, have rebirth."

Commentary by Swami Satchidanand . One of the techniques taught by the Dark Lord - a technique of the Dark Side - is how to leave the body - in an attempt to live forever - a sort of spiritual transhumanism. But in order to do that they have to cut themselves off from God. In order to do that they use Energy Blockages to cut themselves off from their heart. In a way they have become half men. They have will. They have intellect, but they have cut themselves off from their hearts in order to vampirise and steal energy from all humanity in order to live. Don Juan and Castaneda talk on this in their many books about the Old ones, the Ancient Sorcerers or Toltecs. But as Patanjali says.. This is a spurious technique, doomed to failure.

The fragments left over from people who try to do this are some of the deep energy blockages which implant themselves in you, necessitating removal by the technique of Energy Enhancement Meditation, the Seven Step Process. Demons are just Energy Blockages, necessitating removal by the technique of Energy Enhancement Meditation, the Seven Step Process. They are less than men, their only advantage is that they know the techniques of meditation taught by Energy Enhancement and have suppressed that Spiritual Technology in order to retain that advantage.

They download into a body again so that they can manage their World plantation, maintaining their control by dumbing down all humanity, poisoning them, stopping their evolution so that their yoke can never be thrown off.

As you can see, intellect will not help you against these Demons any more. The next step in the evolution of humanity is the ability to ground negative energies, to remove energy blockages. The next step in the evolution of humanity is Energy Enhancement Meditation.

To help humanity.

To speed up the process of becoming Soul infused.

But back to Luciferianism. Luciferianism teaches a worship of the inner self. You may think that is what I am recommending with my talk of the soul, but it isn't. The soul isn't my inner self. She is completely separate from me, a much greater being. In fact, in my system, confusing your soul for yourself would be a sort of heresy. It would be the ultimate tempting of fate, since you are confusing yourself with a god or angel. My gods wouldn't put up with it for a minute, and as far as I know, they don't. I have never tested them in that fashion.

You will say I seem to elide from god to soul to angel, treating them almost interchangeably. Don't I know the difference? No, and neither do you. Yes, I know the various religions have their dogma here, pretending they know who is who in the angelic and deistic hierarchies, but I don't tend to believe it. It looks like a bunch of made-up names to me, akin to all the begatting in the Bible. In my wanderings in the spirit world, I have come away with no memory of such things, and it is my opinion we are not privy to the lists. Why would we be? Memorizing a bunch of names isn't part of the test, and it would only breed familiarity.

If God or angels wished to be familiar with us, they would be. They would have their own TV miniseries and Hollywood blockbusters. But obviously they don't want that. They want us as independent as possible here. They want us far from the nest. All we need to know is that the connection is not broken. They are there, and will help at given times. But as for us measuring them, that is absurd. We have no way to measure light beings. We can feel if they are good or bad, but the ones larger than us are otherwise beyond our comprehension.

Another reason to shun Luciferianism is the people involved. Luciferianism is closely linked to the whole lefthand/righthand paths of magic that were brought to the west from India and popularized by Madame Blavatsky. It was promoted by superspook Aleister Crowley. The pseudo-religion is now promoted by various Fords, Paynes, Beyers, and other obvious members of the Satanic Phoenician Mega Trillionaire Families. It is just another fringe on the Theosophy project, and we may assume it is run out of Intelligence.

I predict some will still insist I am a Gnostic of some sort, but if I really were a Gnostic or Luciferian trying to fool you, it would be a very strange way to do that: telling you neither Satan nor Lucifer is real. So I repeat, the hierarchy exists, but not in the way they have told you. There are no evil powers above you. No demons have been given their own worlds. Sure, you

can seek out bad spirits during sleep, but those are spirits at your own level — other sleepers. You can get together and work whatever mischief you are capable of when you awaken, and I am not saying you can't. But bad spirits from higher levels don't come down here, because it is impossible by definition.

If they are at higher levels, they aren't bad spirits. That is what “higher” means, you know. If they come down here, it is because they have been thrown down here, with the reduction that implies. In that case, they are no longer higher. One of these spirits may call himself Lucifer, but he should worry you no more than any other spirit here, since he is of this level. He has no power you do not have. In fact, he must have less, since you are advised by a soul and he isn't. He has a soul, but doesn't listen to her. He isn't tapped into the light. He is like a battery with no hookups. He has no chance against you except the bluff. With no power of his own, he can only use your power against you.

Luciferians sometimes claim they aren't Satanists and sometimes admit they are, but just remember the old “better to rule on Earth than serve in Heaven” quote. That quote remains decisive in my spirituality, since—as you have seen above — I strongly believe it is better to serve.

A wise man has no desire to rule here on Earth. He knows he is not capable of ruling, which is why he is here. HE KNOWS HIS PLACE. The rulers here on Earth — whether they call themselves Phoenicians, Gnostics, Luciferians, Materialists, Atheists, or other—do not know their place. They vastly overrate their own power, importance, or elevation. They either misdefine themselves as gods, or deny that there are beings greater than themselves. They deny the hierarchy, and in so doing find they cannot rise, cannot evolve. They are stuck as they are for eternity because they are afraid of death. They have trapped themselves here by their own narrow beliefs. They will not listen.

I also beg you to notice something else at this juncture. In the science wars, we have seen my enemies reading from scripts, accusing me of being arrogant, egotistical, or monomaniacal. Ironic, isn't it, in light of the fact that when we look closer, they are atheists/Luciferians/Materialists, and I am not. In other words, I state explicitly I am in the service of higher powers, and that I recognize and accept my low place in the hierarchy. I do not worship my own inner self, I do not deny God, and I do not think I am godlike in any way. I do not think science or gnosis makes man independent or superior, and I do not believe science is near to solving any of the eternal problems. My physics is near to solving some specific physical problems, that's all. That is all I have ever claimed for myself. So I actually have much more humility in relation to God than those attacking me. Which may be why they are attacking me. They know that I am a

threat not just to their fake physics, but to their failed worldviews. They know I can see through them in all ways.

I have fielded this question in email: “You say these Satanists/Luciferians are basically another Intelligence project, a subset of the old Theosophy project. Does that mean that none of them believe this stuff at all? Is it just a pose, meant to fool the unwary?” Well, I think of it exactly like I think of the Marxism project. I assume those who run these projects are not real Luciferians or Marxists, and that they know it is a lot of hogwash.

But that doesn't mean that some naive Gentiles aren't drawn in, taking it seriously for some shorter or longer periods of time. So in this sense the groups contain some small portion of reality. In fact, you could say that about most groups in existence, including the Democratic Party, the Republican Party, large portions of mainstream science, all of Modern art, the military, the CIA, the NRA, the Sierra Club, NASA, the media, Hollywood, and mainstream history. Although they are all phantoms at the top and bottom, being fake in the foundations as well as in the leadership, they nonetheless have some greater or lesser number of real adherents in the mid-levels — boobies who haven't yet figured out they are manning a ghost ship.

On the way out, I beg you notice that the above outline explains why I avoid attacking Christianity for the most part, and even take some pains to defend it — as when I blow the cover of the Theosophy project. Although I think a lot of the stories and lessons in the Bible don't make much sense, Christianity does teach a basic morality. In a society that is doing a hard sell on immorality and amorality, any religion teaching morality and uprightness — including Islam, Judaism, or any other — is a useful buffer.

The current free-for-all is of no use to any spirit large or small; its only use is to the shallow salesman and criminals who now run the world. As just one example, you won't find the mainstream teaching you to avoid drugs or alcohol, because they have piles of drugs and alcohol to sell you. They may make little pretend runs at these things — as with the “just say no to drugs” campaign — but that just means they want you to stay away from meth or heroin. They have much more expensive mainstream drugs to push on you, for every possible purpose. A just-say-no-to-drugs campaign in modern America is a towering joke, considering that TV, music, films, and your own doctors are promoting a just-say-yes campaign at full volume.

You will say, “But if Christianity is flawed at the ground level, how can you defend it?” Why not throw it out and start over? I just told you. It teaches a basic morality, so it is useful in times like this. That is precisely why the Satanic Phoenician Mega Trillionaires have been running major projects

against it. The Theosophy project arose a short time after Marxism blossomed, and they are linked in their antagonism to Christianity.

That is no accident. Christianity was in the way of the billionaires and trillionaires, and they have been trying to detooth it for centuries. It is in their way because it teaches right from wrong, and they don't like that anymore. It doesn't suit their current schemes. So while they are trying to reform it into something mostly outdated and useless, I am trying to reform into something more useful than it ever was. Decommissioning that old war between spirit and matter would be the first order of business in doing that.

The other reason I defend the old religions is that they contain too much good to have been completely manufactured. To me they look like true religions that were later overwritten and corrupted — like the rest of history. I am not one to throw the baby out with the bathwater. So, we can do one of two things: start over from scratch and build a new religion from the ground up, or cleanse the old religions of their later pollutions.

It is sort of like cleaning an old painting: removing all the dust and dirt that has settled over the years. Except that, in the case of these major religions, it is more like removing purposeful graffiti. Someone has come in and marked up these works of art in major ways, sometimes to the point that the painting beneath can barely be descried. In my opinion, it is not either/or. Both need to be done. We need to restore the old religions for those attached to them, and at the same time build a new one from the ground up, for those who aren't. A very big job, admittedly, too big for any ten prophets. But the future is long.

Or, we could just listen directly to the Soul assigned to us.

Some will answer me that Christianity is now only a living thing to fundamentalists, and you are never going to convince fundamentalists to overhaul their religion. That may be true, which is why I have never titled any of my ideas “an overhaul of Christianity”. That is not really one of my goals or intentions. I just tell things the way I see them, and each person can overhaul their own thoughts to the extent they see fit. I am not talking here to institutions, I am talking to individual spirits. As far as I can tell, any fundamentalist Christian could choose to start loving the body and the Earth, and quit thinking matter is evil. Whether they do or not is up to them.

You see, I know I am talking to real people, not to theoretical people. Real people already have their heads full of old ideas, pain, trauma, and subpersonalities and I cannot change that except through the use of Energy Enhancement Meditation transmuting the Trauma through

Alchemical VITRIOL and removing the Energy Blockages by means of the Energy Enhancement Meditation Course Level 2 Seven Step process...

No spirit is remade in a day. As the Soul remakes me in slow motion, with almost as much regress as progress, I can only hope to remake an idea or two here and there in the heads of my readers. The rest they have to do themselves.

The fact is, there are rules to life that you need to know, and some of those rules are taught quite well and poignantly in the major and minor religions. But those old rules have mostly been replaced in the modern world by the Satanic Phoenician Mega Trillionaire bought mainstream media, which has become far more pervasive and influential than any religion.

The Satanic Phoenician Mega Trillionaire bought mainstream is promoting an inverted world of ugliness, perversion, false freedom, vulgarity, and slavishness. In that world any weak spirit is guaranteed to flounder or revert. But the Satanic Phoenician Mega Trillionaires don't care, because backsliding spirits are their main market. Spirits and bodies in reversion are what drive the economy. Without them, most profit margins would tumble.

That being so, as a spirit striving to move forward, you must set yourself against the mainstream in all ways. Swimming upstream is your test. Living in an inverted society is your test. As a consolation, remember this: only in a world such as ours is great spiritual advancement possible. If your life were much easier, you would be tested much less, and your chance for advancement small. In a perfect world, there would be no progress. But in a world like ours, a spirit can grow quickly. So, again, be thankful. You may have been bored stiff in your past life, and you yourself demanded a chance to try this corrupt planet. So take a deep breath and swim. Show us what you've got.

You will ask me to name a useful story from Christianity, one that looks to be genuine and not heavily overwritten. Well, there are lots of them, but the failures of the apostles are among my favorites. They show you just how you can fail certain very specific tests, tests that do come up in real life. Peter's denial of Christ is probably the most poignant. Jesus tells Peter that Peter will deny him three times before the cock crows; and though Peter should be on the lookout, it nevertheless happens exactly like that. Peter sees the situation coming and still bungles it. You will say that situation doesn't come up in your life, since you are no one's apostle. But of course you have to generalize the story a bit. It is teaching you to be faithful to your friends and beliefs, not denying them when under stress or threat. The bigger lesson is that real friendships and beliefs can be hard to

maintain. The more important your relationship or belief is, the more it will be tested. God doesn't insert big tests randomly. God looks for pressure points like this, to see just how big you really are. Peter wasn't as big as he thought he was, and even Christ's warning wasn't able to save him from major deflation.

And of course there is the other twist to that story, for we have to ask why Christ would warn him. Christ's warning came upon the tail of Peter's brag that his faith would never be shaken. So there is that lesson, too: don't tempt fate. Don't brag that you are unbreakable, unless you really want a big breaking test before the cock crows. Some will answer me, "Isn't your claim to 'not be worried too much by devils' a tempting of fate like that? Aren't you begging a devil to come tempt you?" No. You are required to bow to God, but not devils. Think of it this way: your overconfidence in the face of your own tests bothers God, since it shows you really don't know your place. But devils were already going to mess with you no matter what you said, so you can say what you like. You can't have too much confidence in the presence of devils, only too little. Besides, it is called tempting fate. Devils don't control fate, God does. In short, God isn't going to penalize you for confidence in the face of devils. If you were required to placate devils to keep them from tempting you, you would end up bowing before them. Obviously, that is not what is wanted.

Others will no doubt say, "All this talk of the Soul is Gnostic in itself. Why not say your prayers to the One God, as you were taught as a boy?" Well, I have no problem with that. I am not selling my soul as a substitute or replacement for higher gods, or for the One God. Frankly, the idea of the One God is so far above me that I can't get my head properly around it. I sort of doubt he has time or inclination to listen to my prayers, or give me advice. He surely has more important things to do. But I can just fathom a goddess from the next level up coming down to see how I am getting along, like I do with my sick cat. I can understand why she might be assigned my care in her downtime, supposing I don't scratch too much or spit up too many hairballs.

Besides, as far as I remember from my limited studies, Christianity doesn't forbid the idea of Guardian Angels. So I don't see that I am being too unorthodox here. And remember, our limitations are always taken into account. It is our attitude that is important, not our detailed knowledge of the angel hierarchies. Honestly, we can't know much—or anything—about the highest gods, so why not admit that? I would assume the One God assigns lower angels to advise peeps like me, but if I am wrong I really doubt he will hold it against me. He hasn't so far.

You will say that my making light of all this just means I don't really believe. I must be secretly blackwashing religion here. Not at all. I am simply advised by my soul that the veils and fake solemnity are often

counterproductive. Sure, this is important stuff — the most important—but that doesn't mean it needs to be drowned in a fog of incense and oblations. Humor is not forbidden. As with anything else, the important thing is understanding. A religion has to be penetrable by normal people, otherwise it is of no use. Seeking real advice from a robed soul or Angel is just within the doable for most people; trying to fathom a One God who made the entire universe is not.

You will say, “By any account, there seem to be a lot of weak spirits here. Far more apparent failure than success. What is the point of that? Why would God assign spirits to a world they cannot navigate? Jesus said, 'The invited are many, the selected are few'. Isn't that elitist, or worse?” Well, as I pointed out above, in any progression, failure must be far more common than success. For progression to be meaningful, it must be difficult. If everyone advanced on a series of byes, as in public schools now, the diploma would have no value. The progress would be an illusion.

All spirits have failed far more than they have succeeded. So just as a matter of mathematics or statistics, we would expect to see far more failures at any given time. It is a normal and expected outcome of life. I doubt that anyone passes the Earth test on the first try. I would guess it normally takes hundreds or thousands of incarnations. Some Christians seem to believe that any major failure will get them thrown into Hell, but I don't think that is the way of it. The Earth is already a realm of constant failure, so it takes a lot to get thrown back a step. You have to be a real demon, doing wrong on purpose over many lifetimes, to get thrown back a step. No, the “punishment” for most of us only consists in not being passed, or not growing while we are here. We have to come back and try again. The thing the Buddhists fear most.

And by “back a step”, I still don't mean anything like Hell. There is no point to being thrown into a molten pit or strapped to a wheel of fire. God isn't interested in punishing you, especially not via such awful tortures. They are only interested in placing you in your proper sphere, where the tests fit you. If your spirit shrinks so much it doesn't even fit here on Earth, there is an even more corrupt planet for you, where you will fit right in. There the tests are not greater, but smaller. In such an environment you will have a greater chance of turning your spirit around. In such a nasty place, perhaps you will no longer think it is better to rule.

Which brings us back to that. A growing spirit knows it is always better to serve a greater spirit than to rule over lesser ones. Much more progress is possible in the former. It is also honorable to rule (lead), but only if you serve those you lead. If you are helping them, your spirit will grow as theirs does. If you are preying upon them, it is your spirit that will diminish, not theirs.

And that takes us back to honor. We all know that honor is more beautiful than dishonor. We didn't have to be taught it, in this life or in any other. My soul didn't have to whisper it in my ear. It is true by definition. You don't have to be taught that red is red or blue is blue. It is called a tautology. It is simply true.

Likewise with honor and truth and beauty. Even the wicked know these things, since they cannot be otherwise. It is not that they don't know what honor is, or do not agree it is more beautiful. It is that they have found they are temporarily incapable of it, and so try to pretend it doesn't matter. Once again it is a matter of pride, the defining sin of all devils, and the root of all reversion.

To learn from a test, you must admit you failed it, and sometimes we cannot admit that. We have all been there. We will redefine our entire environment to avoid admitting it. We will redefine words to avoid it. We will bring down Heaven to avoid it. Usually we get past that in short order, but some don't. Some create that upside down world and live in it for years, decades, lifetimes. And they find others who feed their pride, for there is no shortage of them. In groups, these people promote one another, make excuses for one another, and give prizes to one another, to prop up the whole delusion.

Here on Earth, it is the Satanic Phoenician Mega Trillionaire groups that now run the show. They have bought the governments and the worldwide media, and they control most business. So if you do not wish to swim in their pool, you are put to it. Everywhere you turn, there they are. On nearly every possible path they have already set up a gate and a toll, and you will have to pass their petty tests to proceed without harassment. But even at this late a date in history, there are still minor paths through the bush that they have not yet paved. There are ways around them and over them. God allows them to test you furiously, but they are not allowed to stop you cold. For every test there is a pass. There is always a right answer. Remember that. Always seek the opening.

So if you are currently making a mess of it, join the club. And if you are finding your footing, remember that you have bungled many lifetimes. By the same token, if you are a spirit totally overwhelmed, do not hate a larger spirit that swims by you. Remember that he has been where you have been. No one is given a bye, and if he is a good swimmer it is because he has spent eons learning to swim, as you will. Do you hate your Soul for knowing what you do not, or for being far more beautiful than you? I hope not. I don't. I know that it advanced up the same ladder I am on, and that it earned it's position. The Soul is where it is for a reason, as we all are. I look upon my Soul as something to strive for. I hope to deserve to be there someday.

This is the proper attitude in a real hierarchy. My Soul feels that way about someone above her. But all that has been purposely destroyed by the Satanic Phoenician Mega Trillionaires, who prefer you forget it. They want you to despise those above you as well as those below you, since all divisions yield profit for them. So they teach you a false ideal of equality as well as a false ideal of unearned achievement. You are taught that the fact of your birth guarantees you full consideration at any table. But it doesn't. In a functioning republic—which we do not have — you would be guaranteed equality under the law, but beyond that you must earn any fellowship or respect by the skill and wisdom you have achieved. There are no real byes for wealth or birth or sex. Being born a woman doesn't make you a goddess, and being born a Jew doesn't make you chosen. Being born a Duke doesn't make you elevated. Only the elevation of your spirit matters. The judgment of the entire world is as nothing compared to the judgment of your single Soul, for her taste is perfect. Far better to be the beloved of a Soul than the toast of kings, queens, presidents, publishers and awards committees.

It is only the top Phoenician families, the billionaires and trillionaires, that are responsible for the plunder. The Stanleys/Murrays/Spencer-Churchills, Saxe Coberg Gotha Draculs, Percys, Cohens, Phillips, Nevilles, Leveson-Gowers, Egertons, Rothschilds, Rockefellers, Hoffmans, and so on. Yes, they hire their lesser cousins to play smaller roles, and these people are also complicit to varying degrees. And yes, there are millions of these people in government and Intelligence and the military, causing trouble. But there are also millions of mostly innocent Jews, existing far from the main lines, of lesser or broken bloodlines, and I assume they benefit as little from the current state of affairs as you or I do. In fact, the same can be said of the lesser cousins who are involved. Except for a small paycheck and perhaps a few hours in the limelight, they also do not benefit.

Even the Satanic Phoenician Mega Trillionaires themselves do not benefit. No one benefits from the current state of affairs, since although those at the top are piling up money and things, their spirits are dissipating. Some have been quoted in the media, saying they know that, but cannot quit because they are in thrall, slaves to their Satanic Gods who live out of the body and sometimes return to possess the heads of the families, to manage their human plantation, to steal their energy, to vampirise their blood.

The Satanic Mega Trillionaire families are the most tortured, mind controlled, sad, unhappy, possessed, taken over people on this Planet.

They are helpless addicts. But listen: you are not helpless addicts. No one is a helpless addict. You are a spirit on a ladder, currently going down. But you can go up the moment you stop reading this, if you choose. Just turn around and start climbing. Like me, you know right from wrong. Your soul

is still there, ready to give good advice, and all you have to do is listen. Ask her to come down and go to sleep. That is the first step. And if you can't get her on the line, you can use my Soul. She has some choice words for you. See above. If you are one of these people, I will counsel you for free.

In fact, I just did.

Which tells you what about your own meditation, your own life? It tells you to go your own way and trust your intuition. You were born knowing good from bad. We all were. As Jesus taught truly, you can tap that any time you like, directly. You also have a path and you will know when you get on it. Things will start to click. If things aren't clicking, you probably aren't on your path, so try something else. It is the same with meditation. If you are doing something that isn't working, try something else. Experiment. If red isn't working for you, try green for a change. If up isn't working, try down and see how it fits.

But most of all it tells you that following trends and joining crowds and believing what you are told is not the way to enlightenment, or to any worthy personal goals either. Consider the possibility that the majority is usually wrong. The herd is almost always moving in the wrong direction, so if they are moving north, try moving south for a change. If the authorities recommend or mandate turning left, turn right and see how that works. My experience is that it works far better in most ways. Yes, it makes things difficult on the mundane level, but on all deeper levels it is the only way to go.

Also think of it this way: it would be a little too easy, wouldn't it, if following the rules really led to the pearly gates? What would be the point of that? You couldn't market that game to five year olds. No, whatever else it is, life is far more complex and interesting than that. God would never waste your time with that sort of easter egg hunt for babies. So embrace the game and the test, and always respect God. As Mr. Jordan said in *Heaven Can Wait*, "there's always a plan". In my experience, that is true. My life has been anything but chaotic or random or pointless or meaningless, so how could I believe life as whole is any of those things? In my opinion, a belief in chaos is just the admission that you aren't paying attention. Either that or you have chosen the role of Loki, which—let us admit it—is getting a little stale in this day and age. Way too easy and predictable, with a part that is criminally overwritten.

The Yoga Sutras of Patanjali..

Says, "Yogas Chitta Vritti Nirodha"

Book - The Yoga Sutras of Patanjali by Satchidanand

Save your life with Energy Enhancement Streaming Video Meditation course.. Book One, Sutra One - Here are complete Instructions on Enlightenment...

ILLUMINATION!!

The Yoga Sutras of Patanjali talks about Illumination as being Nirbija Samadhi. This word is a teaching as to what exactly enlightenment is. Nir means no, and Bija means seed. The seeds of desires which have not yet come to fruition. These Seeds are Energy Blockages. This is the Karma which is yet to come. And as it says in the Yoga Sutras of Patanjali, "The Karma, the Pain, that is to come can be averted" - Book 2 Sutra 16. The removal of Energy Blockages, Grounding their Negative Karmic Mass, is an Energy Enhancement Process called, "Karma Cleaning" - The Energy Enhancement Meditation Course Level 3 of Energy Enhancement.

Each desire seed, each Energy Blockage, when watered can addict us to the desire it contains.

In the Yoga Sutras they talk of the method of roasting the seeds - removing the addiction, the energy blockages, the slavery to your desires (When you slaver your saliva over something the desire drips out of your mouth) - so that the life they contain is extinguished, they can not germinate even with all the correct conditions, ever again to bring us to Painful Karma. And what roasts the seeds?

This is the concentration of the Light of the Soul in Samadhi, the next highest energy to the mind and there are higher energies still we can contact on the path of Energy Enhancement, as light is concentrated through a lens, as it is focused through the Brow Chakra, Ajna Chakra or through any of the chakras of which the Brow chakra is the Master - this is called Samyama...

The Yoga Sutras of Patanjali says that Enlightenment, the next stage of our evolution is removing all the Energy Blockages, all the lies, from our spiritual body, from our emotional body, from our physical body.

Energy Blockages can be made and implanted in you spiritually or by media.

Energy Blockages are blockages to the light, to the photons, to the Angels who dance on the head of a pin.

Energy Blockages are larger Angels, created of many photons, surrounded by trauma-formed negative karmic mass. Energy Blockages are

surrounded by the energy of pain, trauma, anything which should not be.

As we observe the mind by thinking, so, naturally what Patanjali calls Samyama takes place.

Samyama dissolves the pain, the crap the Energy Blockages back into the Truth, the Naturally good Angel trapped at the center of the Energy Blockage lie, Evil!

As I say, follow the above and it will happen quite naturally.

But then why did Patanjali write his Yoga Sutras of Patanjali?

He did it because his Muse, his Soul told him to do it after many lifetimes of goodness!

To help humanity.

To speed up the process.

FAKE COMMUNISM

- KARL MARX - BRITISH AGENT

AGAINST

SATANISM

10,000 YEARS OF TOTAL CONTROL

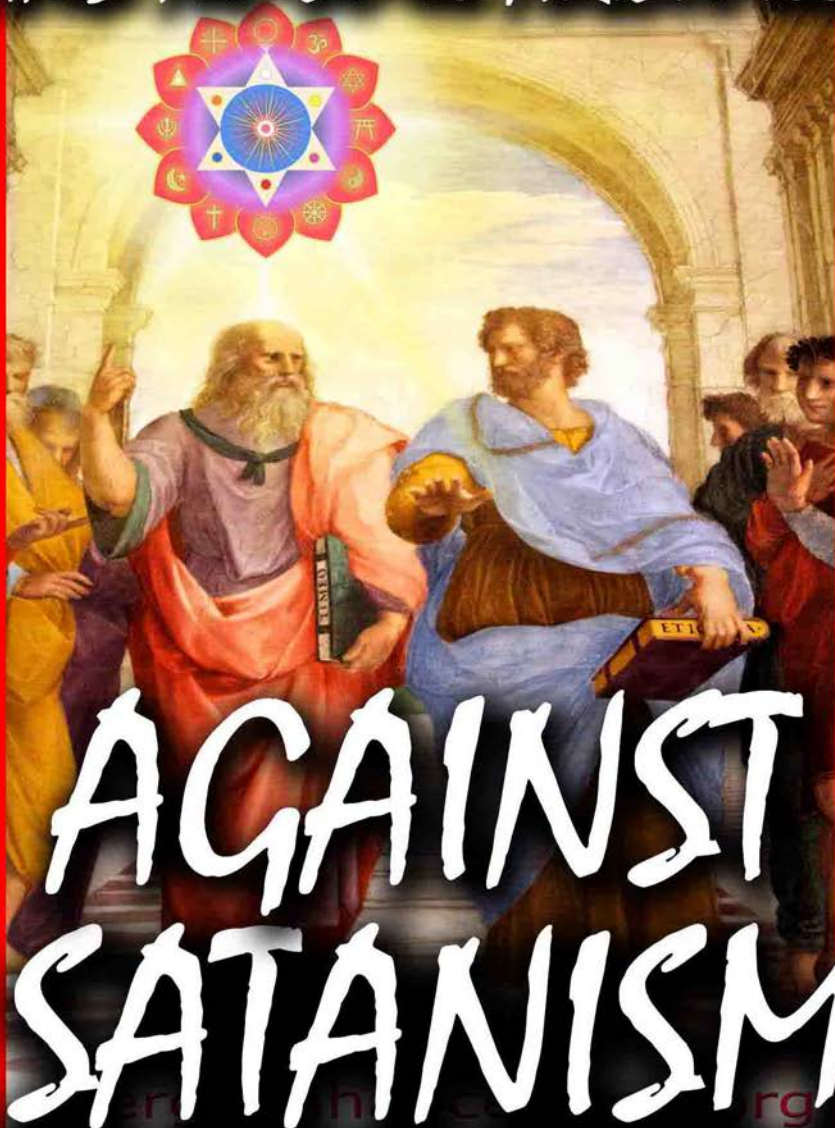

GOVERNMENT CONTROLLED BY SATANIC PEDOPHILIA, LOVELESS RITUAL SEX, SODOMY, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

FAKE ECONOMICS - Economists have been paid - Adam Smith (and his Satanic Mandevillian, "Public benefits come from Private Vices") was a hack, paid by Lord Shelburne, Head of the British East India Company, foundation of the British Empire - to create an Economics which would perpetuate the Bankers of the British Empire, later the Anglo-American Empire. Austrian Economics and it's Austerity - The Oligarchic Principle of Poverty - was supported and spread by Nelson Rockefeller. Solution? See Hudsons Modern Monetary Theory or Larouche Hamilton Credit Theory. The Economist Fake Gangs

SATANIC SABBATEAN FRANKISTS infiltrate Jews and Jewish organisations worldwide. Pagan Rituals and Myths used to pervert, degenerate and control a Jewish psychopathic ruling class of Donmeh Attaturk, Rothschilds, Rockefellers, Schiffs, Warburgs..

SATANIC KARL MARX - Wrote Das Capital from his MI6 provided office in the British National Museum under Ambassador Urquhart creating MI6 inspired Communism, Russian Revolution (65 millions tortured dead) and Mao's Chinese Revolution (85 millions tortured dead), and Socialism. George Orwell's Totalitarian text's "1984" "A Boot, stamping in your face, forever" - the Totalitarian or Legalist Fake Gangs sprang from this bough. Capitalists, Marxists, Communists and Socialists spring from the same Fake Gangs bough.

SATANIC PHILOSOPHY EUGENIC PLATO AND NO-SOUL ARISTOTLE

RING OF CYGES - "CONCEALMENT OF WICKEDNESS"
BY HUMAN SACRIFICE

AGAINST SATANISM VOLUME TWO

The Secret History of the Modern World and the Battle for the Future -
The "One Ring" of Gyges of Plato's Book, Republic - A Comparison between
Ring of Gyges of the Hobbit and the One Ring of the Lord of the Rings with
reference to the effect of Eugenic No Heart Plato and No Soul Aristotle on
the Secret History of the Modern World and Satanic Globalism
- the Battle for the Future.

The difference between the simple Ring of Gyges of the Hobbit and the One
Ring of the Lord of the Rings is - "Into this ring he poured all his cruelty,
his malice and his will to dominate all life" -

The difference is this energy of cruelty. "By our sinning and Ritual human
sacrifices, and Ritual human sacrifices and sinning, the gods will be
propitiated, and we shall not be punished" - Plato's Republic

Used for one purpose "The Concealment of Wickedness"

Plato's Republic - WHAT IS THY NATURE? SATANIC ADEIMANTUS

"Appearance Tyrannizes over Truth and is Lord of Happiness"

Adeimantus of Collytus (432 BCE – 382 BCE) son of Ariston of Athens was
also known as Plato's brother. In Plato's Republic, Adeimantus questions
whether they would be living a good life with little or no personal property.
Consequently, Adeimantus is often associated with greed or love for money
in interpretations of the dialogue.

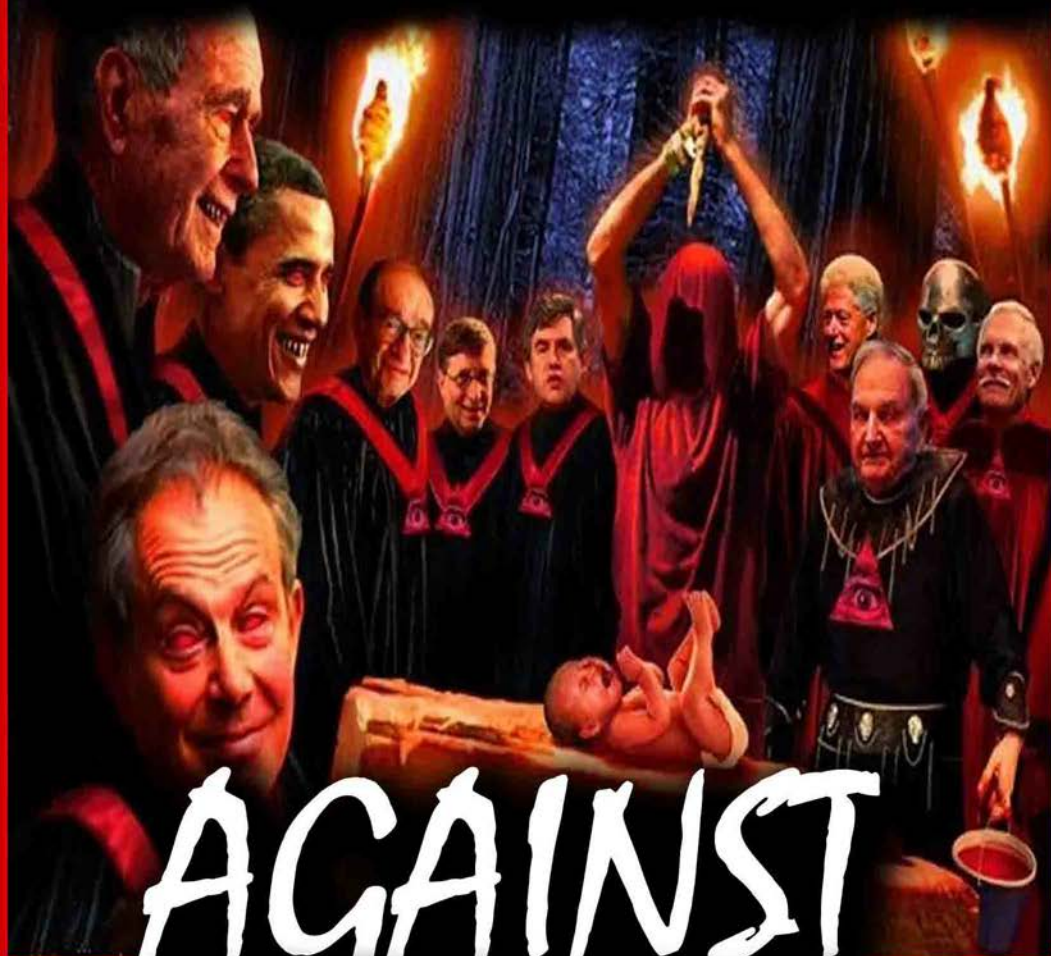

He quotes Pindar (522 – 443 BC) an Ancient Greek lyric poet from Thebes—
"Can I by justice or by crooked ways of deceit ascend a loftier tower which
may be a fortress to me all my days? For what men say is that, if I am really
just and am not also thought just profit there is none, but the pain and loss
on the other hand are unmistakable. But if, though unjust, I acquire the
reputation of justice, a heavenly life is promised to me."

"Let us be consistent then, and believe both or neither. If the poets speak
truly, why then we had better be unjust, and offer of the fruits of injustice;
for if we are just, although we may escape the vengeance of heaven, we shall
lose the gains of injustice; but, if we are unjust, we shall keep the gains,
and by our sinning and Ritual human sacrifices, and Ritual human sacrifices
and sinning, the gods will be propitiated, and we shall not be punished."

And here is where the elite get all their negative energy or as we call it in
Energy Enhancement - Trauma-Formed Negative Karmic Mass.. from Ritual
Human Sacrifice - a Satanic Ritual used in all civilisations on All Continents
by the Satanic Elites for tens of Thousands of years.

Yes Satanism, the Occult Cult was created 10,000 years ago before Christ,
and has been extant since that time in order to create the psychopaths which
rule humanity, grind us down, make us into feudal wage slaves barefoot and
back on the reservation, buying everything from the Amazon company store!

AGAINST SATANISM VOLUME 3

SATANIC RITUALS AND HUMAN SACRIFICE

Sometimes people reading the Truth get depressed by it.

For people with big hearts though, the truth gets them started with an Implacable Opposition to Absolute Evil.

The Battle of Armageddon can only be won by sufficient Angels to fight against the Demons. Be an Angel!!

The point of this introductory missive is that 72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly and the society is destroyed.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Eugenics - All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!!

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and thus conquer the world.

All Rituals, Religion, Education, Secret Services and Political Movements have been Scientifically Engineered to create Fake Gangs for 10,000 Years. It's what the old Roman Empire, and the Babylonian Empire, and the Cult of Apollo, and the Byzantine Empire did before.

As you know, all the gangs have Rituals before you can join, making your bones with the Mafia means you must murder someone before you can join and Drug Cartels, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can join and before you can progress. All Rituals, Religion, Education and Political Movements are designed to create fake gangs of psychopaths who can then be used to create control through chaos created poverty - The Oligarchic Policy of Poverty - destroying infrastructure - preventing human evolution.

Satanic Communism and Fascism is gradually being instituted as the New World Religion defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual.

From South America Incas and Aztecs to Satanic Pagan Odin, Cybele and Attis, Baal and Molech, and the Holy Inquisition, Ritual Human Sacrifice and burning alive and Ritual Homosexuality, Sodomy and Pedophilia has been endemic for Thousands of Years.

Read Against Satanism Volume Two - The Foundation of Western Philosophy is Pagan, Satanic, based on No-Heart Plato and No-Soul Aristotle. Plato's Republic (c.370 BC) propounded the "Concealment of Wickedness" and the use of Ritual Human Sacrifice to placate the Gods of Karma. Plato's Republic's ideal state is based on Sparta - The Spartan society was dominated by a rigidly Hierarchical and Elitist Pedophile Warrior Cult that featured mandatory induction of twelve-year-old boys into Homosexual Partnerships with adult men, and which Plato argues should be ruled by Autocratic Dictator Philosopher-Kings. The Republic propounds the Eugenic elimination of the family and the elimination of private property.

Infil-traiton of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society fucked through the fear of Ritual Human Sacrifice.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Economics, Intelligence Services, Think Tanks, Banking, International Companies, Global Warming, Eugenics -

Read Against Satanism Volume One - Satanic Karl Marx created Communism for Ambassador Urquhart of British Secret Services writing Das Capital in his Office in the British National Library in London. Communism was used by British Agents Satanic Lenin and Stalin and Satanic 33rd Degree Freemason of Yale University, Mao to take over Russia and China torturing and killing 160 millions of people.

This means Pedophilia Sex Rituals and means the Totalitarian Fear Control of Human Sacrifice. As presently occurs in Totalitarian No-Soul Communist China. Christians, Buddhists and Falun Gong are executed in special organ harvesting vans - Human Sacrifice.

They have ten of these vans in every city and they work all day long taking fresh organs to the airport for implantation in Japan. The organs harvested and sold to Rich Oligarchs Worldwide

Read Against Satanism Volume Four - SATANIC HOMO-OCCULTISM AND THE HOMOSEXUAL ROOTS OF FASCISM - Black Magician Homosexual Hitler created homosexual Cults based upon Black Magic - taught to him by Guido von List and the Armanen Order, Jorg Lanz von Liebenfels and Ariosophy, The Thule Society, Madame Blavatsky and the Theosophical Society, and Friedrich Nietzsche.

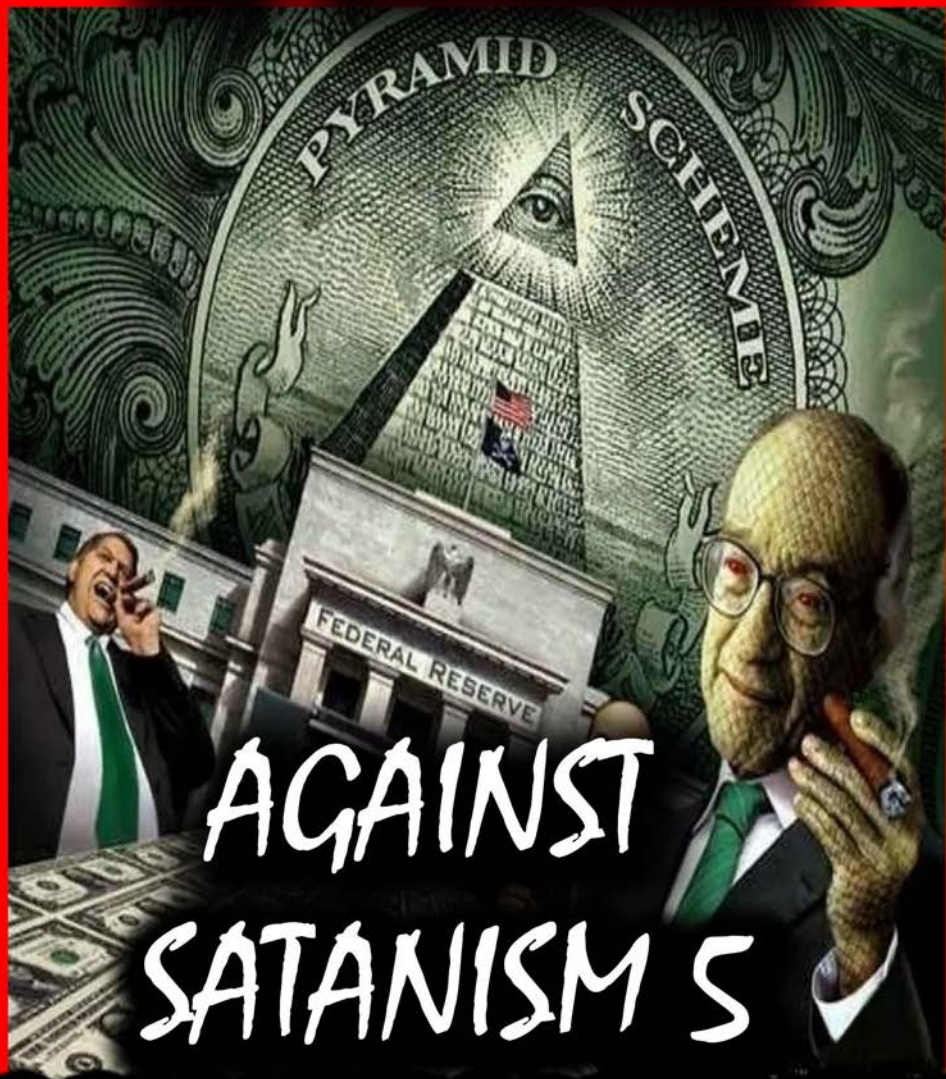

Because the Torah and the Bible prohibit Homosexuality, in order to introduce Satanism and its Satanic Rituals, Hitler decided to destroy Judaism and Also he changed Christianity - Jesus - into a Sun God associated with Odin by sending all Clerics to the Concentration Death camps along with the Satanic Ritual Burning Human Sacrifice Holocaust of Six Million Jews.

"What we are trying to do in this meeting today is to give you a new view of how the real economy
works today and teach reality economics, instead of
the parallel universe that you have in economic textbooks.

So, instead of learning how the economy operates, students are told how a
parallel universe might operate on a different planet, if there were no government, if there
were no fraud, if the entire economy operated on barter, if there was no debt, and
that everybody wanted to help everybody else, that nobody inherited money, that
everybody earned all of the income and wealth that they have. The reality is the
opposite, but it seems to be talked about only in novels these days.

"Whenever you have a misunderstanding of reality year after year, decade after
decade, and now for a century, when a false picture of the economy is painted
you can be sure that there is a special interest benefiting. A false picture of reality
does not happen by nature; it is subsidised. And the banking sector has subsidised
and paid for a junk economics that is taught in the universities, broadcast from
your newspapers, mouthed by the politicians, whose election they sponsor, to try to
make you believe, that you're living on Mars in a different kind of a world—instead
of the actual country that you're living in—and to pretend that there is no financial
class that is trying to grab what belongs to the public at large.

This is what ends up with a difference between central bank creation by the
government with the government aims of economic growth and full employment,
as compared with commercial bank credit that aims at economic shrinkage, at
austerity, at lower wages, at lower output, so that it can do to you what the
commercial banks are doing to Greece, to say give us your ports and your land
and your tourist areas and your water and sewer systems, so we can charge you
for water and sewer. And we can take the money that you had expected to get in pensions
and we can scale it down, so that we can pay ourselves.

"This is what it took an army in times past, And today it's done without an army, as long
as you will be passive and believe the Lies, the science-fiction of the world that banks
are painting. Thank you. [Applause]"

Remember, the main purpose is not money or power, it is in fact the Satanic
Oligarchic Principle of Poverty. Dummed Down, Barefoot, and Back on the Reservation.

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanic Rituals In Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

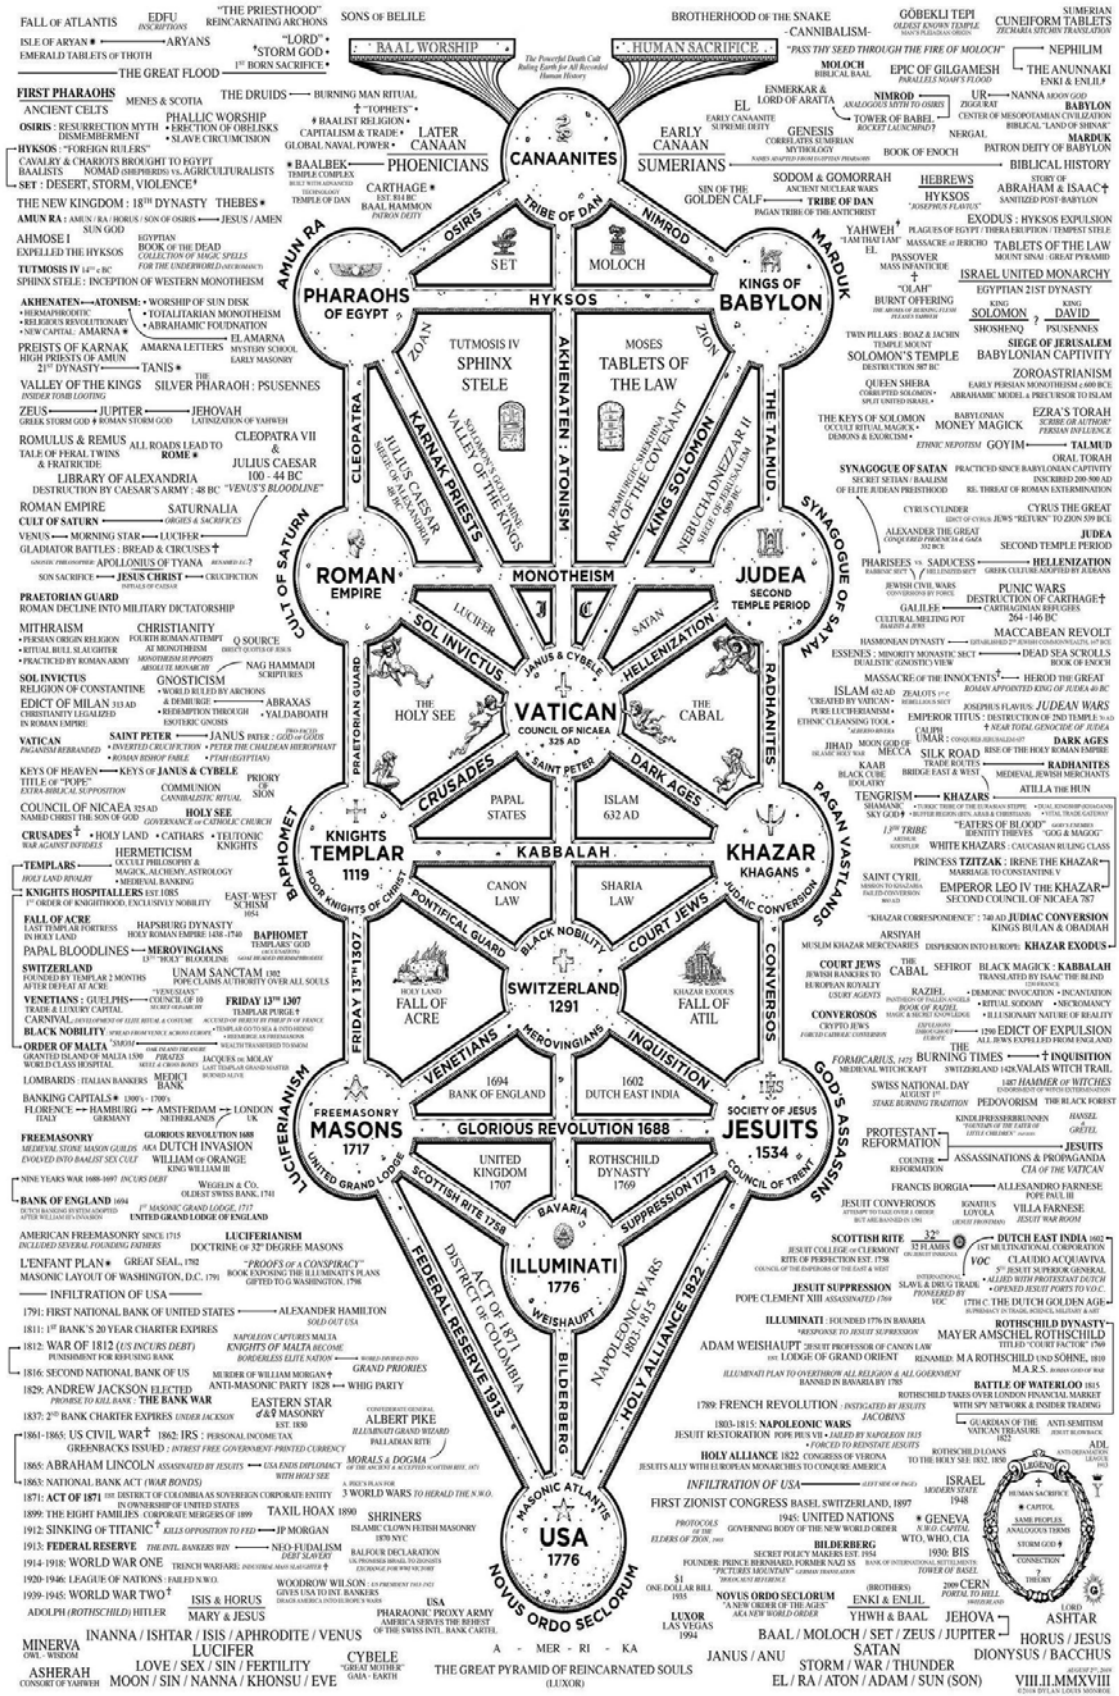

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

“In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation.” —Prince Philip, *Deutsche Press Agentur*, August 1988

“It is almost self-evident that the greater the human population, the greater the demands for natural resources... The paramount question deals with an optimum human population. How many is too many people in relation to available resources? Many believe that our current (satanically consciously created) environmental problems indicate that the optimum level has been surpassed.” —Task Force on Earth, Resources and Population, George H. POST MORTEM

Unfortunately, all the obituaries were premature: Venice has continued to be very much alive. During the nineteenth century and up to our own time it has been the most important single incubator for fascist movements. With its military and financial power largely emigrated elsewhere, Venice's importance for political culture is now greater than ever.

Examples of this are inexhaustible. Richard Wagner wrote part of *Tristan und Isolde* while living in the Palazzo Giustinian on the Grand Canal. One story has it that the leitmotif of the *Liebestod* was inspired by the mournful call of

a gondolier. At the end of his life Wagner moved to Palazzo Vendramin Callergi, where he died. This building, presently a gambling casino, was also the home of Count Coudenhove-Kalergi, the founder of the Pan-European Union. Friedrich Nietzsche loved Venice, returned there incessantly, and dedicated certain poems to the city which today can still be used in lieu of a powerful emetic. Venice was an inspiration for Lord Byron, for Thomas Mann, and so on.

Other examples abound of how the Venetian oligarchy's cultural and political influence has reached down into the modern era:

* When British East India Company retainer Thomas Malthus published his *Essay on Population* he was plagiarizing from the Venetian Giammaria Ortes, who produced, around 1750, a fully developed version of the argument that geometric population growth outstrips the much slower arithmetic progress of food production.

* John Ruskin, the leading ideologue of the British Dark Ages faction, began his career with a raving treatise on architecture, *The Stones of Venice* (1851). This volume popularized the notion that a "Venetian Gothic" style had been developed in the better times of the city's history (which for Ruskin ended in 1418) and it was used systematically to discredit the Golden Renaissance.

* A turn-of-the-century new Roman Empire faction led by Venetian Count Volpi di Misurata, who was known as the doge of his era, sponsored the fascist Mussolini supporter Gabriele D'Annunzio to drum up enthusiasm for a new crusade into the Balkans and the East. Volpi became finance minister in Mussolini's cabinet, along with a very large number of other Venetians. D'Annunzio incited the Italians to take back Trieste, the rest of Italia Irredenta, and the Dardanelles, bringing on to center stage the so-called Parvus Plan for dismemberment of the Ottoman and Russian empires, which is generally recognized as the detonator of World War I. It is

possible that the turn-of-the- century super spook Alexander Parvus was ultimately employed by Venice.

* The Societe Europeenne de Culture, a think tank created in 1950 through the efforts of Venetian intelligence operative Umberto Campagnolo, has for the past three decades pulled intellectuals from both East and West into organizing for an “international culture,” based on rejecting the existence of sovereign nations. The SEC counted among its members the cream of the postwar intelligencia: Adam Schaff of Poland, Bertolt Brecht of East Germany, Georg Lukas of Hungary, and Boris Paternak of the Soviet Union, as well as Stephen Spender and Arnold Toynbee, Benedetto Croce and Norberto Bobbio, Julian Huxley and Thomas Mann, Francois Mauriac, and Jean Cocteau. Later, the SEC launched the Third World national liberation ideology.

Today, the Club of Rome is the institution that represents the most concentrated essence of Venetian influence and the Venetian method. The Club of Rome wants to convince the great powers and peoples of the world to commit collective suicide by accepting the genocidal doctrine of zero growth. It also hopes to abolish the sovereign nation as a vehicle for economic growth and scientific progress.

Club of Rome founder Aurelio Peccei has just written a new book titled *One Hundred Pages For the Future*, a global review of the impact of the Club of Rome, and particularly since its 1972 release of the zero-growth model *Limits to Growth* was published, a series of social movements has sprung up under the sponsorship of the ideas in the book. These – the women’s movement, the peace movement, Third World national liberation movements, gay rights, civil liberties, ecologists, consumer and minority rights, etc. – must now be welded together into one movement for a single strategic goal: the implementation of a zero-growth international order.

The Venetian problem remains with us today. Truly, the most urgent task of this generation of mankind is to definitively

liquidate the horror that is Venice and all the other Gang Clan Families who have ruled the World for 10,000 years.

The Satanic Conservative outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and Children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Torture, Ritual Castration - and those Damn Liberals by Miles Mathis and Satchidanand

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

The United States were never meant to be republic, much less a democracy, they were meant to be another outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and more worship with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Castration.

Some of my readers have been confused by my insistence that I am a liberal. These readers agree with me on a lot of things, so they can't fathom what I mean by calling myself a liberal while they consider themselves conservatives. Since it is important, I will hit it again, trying to get them to understand.

I think the difference is that I am coming at this as a student of history, while many of them are coming at it as students (or consumers) of current politics.

I haven't gotten my definitions and stances by listening to Rush Limbaugh, or Sean Hannity, I have gotten them from texts from the 19th century or earlier. My readers will answer me, "Then why don't you keep up, Holmes! This is 2020, not 1880". Good point. . . except that it isn't.

To see what I mean, let's transport ourselves back to the 1880s. Back then, satanic conservatives were those people who wished to conserve the status quo. Hence the name. They were quite satisfied with the way things were set up, and why should they not be?

They were rich and connected and had it made. Liberals were those who were not satisfied by the way things were, and so they were pushing for reforms. In general, they wished to see more fairness in government policies. They wanted those not "of the manor born" to be given a fair shot at good employment, good wages, court access, and all the various fruits of society.

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

The United States were never meant to be republic, much less a democracy, they were meant to be another outpost of the Satanic Phoenician Navy who for 10,000 years have

worshipped Molech, Baal and Cybele and Attis, and more worship with Satanic Ritual.

It's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Castration.

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis. In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

There is a translation of Hatha Yoga Pradipika which I studied as a young man as part of my studies of Hatha Yoga by my Guru, Theos Bernard who through yoga, pranayama and meditation became accepted as a Rinpoche, Tibetan Reincarnation when he came to the gates of Tibet.

Through the practise of Hatha Yoga from the age of fourteen and the study of Pranayama and Agnisar Kriya at age 21 and then the study of meditation and Shambhavi Mudra at age 28 I gradually built up the happy power of samadhi within my being and became a healer with the National Federation of Spiritual Healers of Great Britain.

My Guru, Swami Satchidananda said that when he was young he could touch a person and take away their Heart disease or Cancer. But later he found the same people coming back with the same problem. By this he learned that the people had to change themselves, their attitudes, their lives before the disease, a product of all that, could be truly healed. And for this reason, people need to learn to do it for themselves with the Energy Enhancement Streaming Video Course - or come visit us in India of Iguazu Falls, Brazil.

In reality, Illumination is the final healing required. Although the normal miracle can show what is possible, this should only show the way. So then he started teaching yoga and meditation. Healing came in from the side.

With the addition of Energy Enhancement, came the finish of all the problems associated with Energy Blockages, the bane of every healers life yet at the same time their reason for existence.

I can now say the same for every man and woman on this planet, "Energy Blockages, the Shadow, are the bane of every persons life yet at the same time their reason for existence"

In order to evolve we need to understand that Energy Blockages are the reason for all your problems.

The Energy Enhancement Meditation Course, is the solution.

Satchidanand - "who can know the true greatness of the Raja Yoga. Knowledge, mukti, condition, and Siddhis can be learnt by instructions from a guru alone" Hatha Pradipika 4.8

1. Book - The Yoga Sutras of Patanjali by Satchidanand

Save your life with Energy Enhancement Streaming Video Meditation course.. Book One, Sutra One - Here are complete Instructions on Enlightenment...

ILLUMINATION!!

The Yoga Sutras of Patanjali talks about Illumination as being Nirbija Samadhi. This word is a teaching as to what exactly enlightenment is. Nir means no, and Bija means seed. The seeds of desires which have not yet come to fruition. These Seeds are Energy Blockages. This is the Karma which is yet to come. And as it says in the Yoga Sutras of Patanjali, "The Karma, the Pain, that is to come can be averted" - Book 2 Sutra 16. The removal of Energy Blockages, Grounding their Negative Karmic Mass, is an Energy Enhancement Process called, "Karma Cleaning" - The Energy Enhancement Meditation Course Level 3 of Energy Enhancement.

Each desire seed when watered can addict us to the desire it contains.

In the Yoga Sutras they talk of the method of roasting the seeds - removing the addiction, the slavery to your desires (When you slaver your saliva over something the desire drips out of your mouth) - so that the life they contain is extinguished, they can not germinate even with all the correct conditions, ever again to bring us to Painful Karma. And what roasts the seeds?

This is the concentration of the Light of the Soul in Samadhi, the next highest energy to the mind and there are higher energies still we can contact on the path of Energy Enhancement, as light is concentrated through a lens, as it is focused through the Brow Chakra, Ajna Chakra or through any of the chakras of which the Brow chakra is the Master - this is called Samyama...

5. The Energy Enhancement Meditation Course Level One - Access Infinite Spiritual Energy!!

Fantastic Resource for Energy Enhancement Meditation Course & all genuine Truth Seekers!!!

November 27, 2016

Format: Paperback|Verified Purchase

There is great wisdom and truth within Satchidanand's books, website and energy enhancement teachings. I feel that Energy Enhancement is the most important work I have ever embarked upon in my life. I am learning a tremendous amount of spiritual knowledge in addition to gaining a much greater understanding about our world. This is the second paperback book I purchased from Energy Enhancement.

However since this is a book about Level 1 initiations I recommend getting this book first. I like having this book to refer to while listening to initiation videos, for study, review, and writing notes. I plan to purchase all three of the currently available Energy Enhancement books in paperback form. Thanks to Satchi's great teachings and the experiences I have had while doing the level 1 initiations I feel renewed happiness, optimism, & hope. I highly recommend this book for all genuine truth seekers, especially for those working on the Energy Enhancement Meditation Course!!!

Format: Paperback|Verified Purchase

This is an excellent start to the energy enhancement system! Swami Satchidanand has done an excellent job in integrating

different spiritual systems and extracting essential wisdom for seekers. Swami Satchidanand has studied with many of the top spiritual masters and this definitely shows in his ability to motivate others. The other review gives a skewed review IMO, I have experienced his online course, the book is an excellent start to the advanced material. People see what they want to see in spiritual teachers and responses can be polarised, clear your own mirror first to see the truth.

Satchidanand's book challenges assumptions about society's spiritual roots and made people look at them in new ways."

Satchidanand dedicated Super Energy And Sacred Symbols for Perfect Wisdom Enlightenment to "the proposition that concealed within the emblematic figures, allegories and rituals of the ancients is a secret doctrine concerning the inner mysteries of life, which doctrine has been preserved in toto among a small band of initiated minds and hidden from the rest of humanity."

"The result is a gorgeous, dreamlike book of mysterious symbols, concise essays and guided meditations evoking colorful renderings of mythical beasts rising out of the sea, and angelic beings with lions' heads presiding over somber initiation rites in torch-lit temples of ancestral civilizations that had mastered latent powers beyond the reach of modern man."

"The greatest knowledge of all time should be available to the twenty-first century not hidden in Myth and Symbol and ancient libraries where books go to die"

"Within this book, are the sacred colors, shapes and symbols of the Western Mystery Tradition. If a picture is worth a thousand words, then the wisdom contained herein is infinite. As a reference book for symbols and sacred art, as a gateway into the Western Mystery Tradition, or simply as a pleasant read, this book is well worth adding to your library. You will turn to it again and again, and walk away pleased each and every time."

The Biggest and most Controversial Book of the Century.

How to get into Alignment with a Stream of Energy from Kundalini Chakra in the Earth's Center To the Central Spiritual Sun "Brighter than 10,000 Suns" in the Center of the Universe.

Again, the kingdom of heaven is like unto a merchant man, seeking goodly pearls: Who, when he had found one pearl of great price, went and sold all that he had, and bought it — Matthew 13:45-46, King James Version

Again, the Kingdom of Heaven is like a treasure hidden in the field, which a man found, and hid. In his joy, he goes and sells all that he has, and buys that field — Matthew 13:44, World English Bible

Hi, I've been reading through all the 4 e-books in a couple of days, FWIW I found the site through googling words "gnostic"

and "chakra" and came to an article on the site. I once literally didn't believe the time when I stopped to go to sleep, that I had been pretty much just reading for 12 hours straight! (including of course every one of the submissions relating to the Argentine junta torture, I felt you were just GODAMNN DARING someone to skip! even just that reading time duration yet relentlessly personal nature of trauma all by itself would mean never being the same again after finding your website!)

I'd like to receive the video course, but also wonder whether you would provide some perspective for me on some odd things that have happened to me that I didn't understand, I was amazed to read in the book the experience of [Dan, I think] and realizing what has happened to me may be similar and you can help me understand it after feeling very alone with these things. I will write it in a longer form in new email if you will be willing to read and comment, I will just say now that I think one strange day as an ignorant know-it-all teenager, 17 I think (21 years ago now) when I defaced every 7th page of a copy of the New Testament with inverted pentagrams may have something to do with it all! In between reading all the books back to back I slept with, for the first time really, asking to be shown in dream what stops me from working on my projects (I perfectly fit your description of a head in the clouds dreamer feeling revolt against being born a human animal, the two triangles not being integrated)

And I had by far the most vivid dream I have ever had and only one I can remember where "I" was killed in it (brief nothing then a bizarre future life continuation of dream) which started from recognizable home street surroundings (unusual for me in dreams) but meeting an intense man (?) controlling me by thick cord to make me sway around or whatever he wanted Regards, Peter

15. Book 15 out of 45 Free Books with Energy Enhancement..15. Eliminating the Shadow.. In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities.

Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow.. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!!

Carl Jung says.. "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or

statesmanship and it is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, a long process of negotiation is unavoidable.” (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Ancient Meditation Technology which is the only means for removing the Shadow. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation including Level 1 Alchemical VITRIOL to Ground Pain and Trauma from Memories and the Energy Enhancement Level 2 Seven Step Process to remove Energy Blockages by Purifying them then Integrating them with the Soul to create ONE Soul Infused Personality creating Spiritual Insight – combined with psychological knowledge Energy Enhancement is THE complete way of processing and integrating your Shadow Side into wholeness.

I am writing today because this is so important.

Only Energy Enhancement can Annihilate Evil on Earth and change this Planet into a Planet of Love and Light in this Place, for You, for Me, for the Entire Human Race.

It is about The Energy Enhancement Elimination of All Evil on this Planet.

You remember my latest book, Eliminating the Shadow Subpersonalities..

It is beneficial for everyone to heal themselves by removing ALL blockages using Energy Enhancement advanced techniques. Not just a handful.

Because the Shadow Subpersonalities are the Source, the Fount, of All Evil on this Planet.

The Shadow Subpersonalities are essentially Evil because they are cut off from the energies of God and thus from Good, because Only God is Good!!

Shadow Subpersonalities are virtual machines existing within the mind computer but with no access to God, "They are minds of metal and wheels" - Tolkien, with no access to genius because the geni etymologically, is the Soul.

Shadow Subpersonalities, cut off from the energies of God, can only live off the Soul infused Personality or the Essence within themselves or that Energy within other people.

Shadow Subpersonalities Vampirise the Energy of God and devise Evil schemes to get it.

Strategies, - the Strategies of the Vampire are all Attention Seeking schemes to Vampirise your Energy. The Poor Me Addictions, the Violator Bullying, the Selfish Competitive Black Star, the Sabotaging Self Destructor, are all Drama Queens - just a little Evil to destroy lives - Your Life, the Lives of your family, your City, and your Country.

You can see all these strategies busily at work in the people around you. You might even see them at work in yourself. Know that these strategies are even now turning you against the One Course which can Remove them.

ONE COURSE, ONE SOUL INFUSED PERSONALITY, ONE WORLD OF LOVE AND LIGHT!!

The Energy Enhancement Seven Step Process Can Easily Remove All your Strategies and Subpersonalities!

Most people are just a little evil, but over many lifetimes, as the number and power of Subpersonalities grow within you, so that the Demon on your left shoulder, debating with the Angel on your right shoulder becomes so powerful that you become more and more Evil.. Until you are entirely taken over by Evil.. Possessed by Evil, a Servant of Satan!!

THE ENERGY ENHANCEMENT ELIMINATION OF ALL EVIL

You can see in the picture below that most people are controlled by Shadow Subpersonalities.

These Evil Shadow Subpersonalities band together to take you over and repress the Soul infused Personality. They are then Evil psychopaths and this is bad enough. But when these Evil Shadow taken over people band together into groups, Satanic Evil Religions, Bloodline Families and Bloodline Races, Secret Societies, Cartels, Banksters - giving courses on how to repress further the soul infused personality - how to become even more Evil - then this is what and why I write in my Against Satanism series of Books - currently Nine volumes available for FREE!! when you sign up for the newsletter at energyenhancement.org.

Satanism is gradually being instituted as the New World Order.

The New World Religion, defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual - read Toynbee. Satanism is gradually being instituted as the New World Religion defined by Satanic Ritual.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. LGBTP - The Satanist Ritual Pillars of Homosexuality, Pederasty, Pedophilia, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly as a prelude to Ritual Human Sacrifice and Ritual Baby Sacrifice. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society destroyed through the fear of mandatory Ritual Human Sacrifice.

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and their minions, and thus conquer the world.

All Rituals, Religions, Education, Secret Services and Political Movements have been scientifically Engineered to create Fake Gangs for 10,000 years. It's what the old Roman Empire, The Babylonian Empire of Satanic Nimrod, and the Cult of Appollo and the Byzantine Empire did before.

As you know, every Gang has Blackmail Rituals before you can join. Making your Bones with the Mafia means you must murder someone before you can join. Drug Cartels like MS13, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can progress.

Epstein did not kill himself. He videoed Scientists from MIT and Harvard, Oligarchs, Politicians etc, Pedophiling young girls then Blackmailed them into doing the work of his Trillionaire sponsors - MKULTRA, Transhumanism, CRISPR Androids. As their willing victims are given access to stealing higher quantities of money, so they must go to the next level of Ritual. First it is 15 year old girls who look 25. Then it's 12 year olds, 5 year olds, and then its the murder of children, babies!

All to create a Satanic Society of Total Control through Human Sacrifice, poverty, lack of education, poison in the air, water and food. Lack of infrastructure, education and Total Control of the Media.

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!!

The very word secrecy is repugnant in a free and open society
JFK (27 April 1961)

The very word secrecy is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.

JFK (27 April 1961)

What We See when we Remove an Energy Blockage is the Secret of Infinite Energy, Secret of Eternal Life, the Secret of Immortality. Energy Blockages are Satanic, and it is this we see directly when we remove the blockages with the Energy Enhancement Meditation Course.. Energy Blockages do not exist alone, they are part of a network of evil, a network of control, which is designed not to allow people to understand the nature of that control, the purpose of that control, so as to maintain that control and the flow of energy - stolen from all human beings - to allow an elite of Black magicians, Sorcerers, Enchanters, Warlocks, Witches, Necromancers, Devils, Dark Gods... to live forever, Immortally, in private Universes, outside the body and then to download into a body from time to time, to maintain their Plantation, their Farm, their Property, to maintain the flow of stolen spiritual energy to them from every human being on this planet - Eternally. This is why I wrote Eight volumes of Against Satanism..

In order to remove blockages using the Level 2 Seven Step Process, Internally, we teach you how to Ground every trace of Satanic Energy which makes sick, which perverts, which degenerates!

Externally we see the effect of Satanic Energy Blockages and their creators, on the World.. This is why I wrote Nine volumes of Against Satanism..

We know the effects of meeting one psychopath and the destruction he can wreak in our lives. Wisdom teachings teach how to overcome their strategies and, "stay away from evil".

Satanism, - The Old Religion" - is when all the psychopaths get together in one group to wreck the world - with Covid-19, mrna vaccines, economy and middle class destroying lockdowns and oxygen destroying muzzles - to their benefit. Energy Enhancement Wisdom teachings describe the historical problem and the means to overcome it. "Vampires hate the light of truth".

17. AGAINST SATANISM VOLUME 2 - Pedophile Plato and No-Soul Aristotle - The Foundations of Western Philosophy!

The inspiration for the fascist state comes from Plato, the male supremacist and apologist for pederasty. Plato is revered as the preeminent classical philosopher, although his apparent advocacy of man/boy sex is not commonly known. A prototypical statement by the philosopher is recorded in George Grant's *Legislating Immorality*: "Through the nightly loving of boys, a man, on arising, begins to see the authentic nature of true beauty" (Grant, 1993:24).

Plato's Republic is his best known work.

The following is a summary of the Republic from W.K.C. Guthrie's *A History of Greek Philosophy*:

The Republic (c.370 BC) advances many of Plato's principal ideas, notably those concerned with government and justice. Composed as a debate between Socrates and five other speakers, The Republic is best known for its description of the ideal state (based on Sparta), which Plato argues should be ruled by Totalitarian Dictator philosopher-kings (Guthrie in Grolier).

As we have noted, the Spartan society was dominated by a pederastic warrior cult that featured mandatory induction of

twelve-year-old boys into homosexual partnerships with adult men. Like all such cults, the Spartan military was rigidly hierarchical and elitist. Plato's concept of the "philosopher-king" is that of an autocratic dictator leader appropriate to such a society. The Totalitarian Dictator Philosopher-King rules over a kind of fascist utopia. Interestingly, Plato's idealized society in the Republic includes the elimination of the family as a social unit and the elimination of private property.

The wicked foundations of Clown World

Clown World is built upon a series of intellectual pillars that range from Darwin, Diderot, and Freud to Einstein, Keynes, and Foucault. The first thing that rapidly becomes apparent when one regards them as a set is first, that they are all frauds. The second thing one realizes is what a collection of seriously evil sexual deviants they tend to be:

A French-American professor has accused fellow intellectual Michel Foucault of being a "paedophile rapist", a report by The Sunday Times said.

In an interview, Guy Sorman said he found out about Foucault's behaviour after visiting the late philosopher in Tunisia where he was living in 1969.

"Young children were running after Foucault saying 'what about me? take me, take me'," he said to The Sunday Times. "They were eight, nine, ten years old. He was throwing money at them and would say 'let's meet at 10pm at the usual place'. He would make love there on the gravestones with young boys. The question of consent wasn't even raised."

Sorman argued that Foucault was able to get away with this because of the racial element of his affairs.

"Foucault would not have dared to do it in France... There is a colonial dimension to this. A white imperialism," Sorman said.

In the interview Sorman said he "regrets" not reporting this "extremely morally ugly" behaviour to the police. He added that the press had been aware of Foucault's conduct but were reluctant to publish stories due to his status as France's "philosopher king" alike to that of a "god".

The philosopher who died in 1984 signed a petition in 1977, which sought to legalise sexual relations with children aged 13 or above.

Don't be misled. Whatever aspect of Clown World rhetoric happens appeals to you, be it free trade, freedom of expression, libertarianism, judeo-christianity, equality, tolerance, or respect, it's really all about pedos and human sacrifice. It's literally all designed to lead there in the end.

20. AGAINST SATANISM VOLUME 5 - Satanic Economics and the Satanic Principle of Poverty Published Feb 2019

We know the effects of meeting one psychopath and the destruction he can wreak in our lives. Wisdom teachings teach how to overcome their strategies and, "stay away from evil".

Satanism, - The Old Religion" - is when all the psychopaths get together in one group to wreck the world to their benefit. Energy Enhancement Wisdom teachings describe the historical problem and the means to overcome it. "Vampires hate the light of truth".

The key is that the Satanic Religion and its recruiting cults of Freemasonry and the Crowlean Sexual Ritual Ordo Templi Orientis are Fake Gangs, created by men as a technique to conquer the world.

The Ancient Satanic Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Global Warming, Eugenics..

And Banking Infiltration by Satanic Banksters supported by the False Fabulous Science of Economics..

And this book pricks the bubble of Fake Satanic Economics because Godly people could never set up the World banking and economic system described in these pages.

Only Satanists could create a system which is against the evolution of Humanity to the Stars.

Instead, the Satanic Banksters promote the Principle of Poverty, barefoot, back on the reservation, in debt to the company store.

20a. Companion Volume to Volume 5 - Satanic Economics and the Satanic Principle of Poverty - The Babylonian Woe - the History of Money and the Phoenicians who created it.

Meyer Amschel Rothschild, who founded the great Satanic international banking house of Rothschild which, through its affiliation with the European Central Banks, still dominates the financial policies of practically every country in the world, said: 'Permit me to issue and control the money of a nation, and I care not who makes its laws.'

In this time, as today, the people were almost entirely at the mercy of the Satanic private persons controlling their money, who then controlled the inflow of precious metals, silver and gold, the foundation of the people's money. The Satanic policies of these controllers from their standpoint as internationalists, with Banks and secret agents in both countries, were necessarily directed towards the creation of war against the well-being of mankind. Frequent wars were above all the prime essential.

1. Arms sales - The selling of weapons and war materiel to both sides of the war.
2. Chaos towards the destruction of the natural system of rule previously defined, which had been the protection of the

people, to create the Satanic recruiting process of despair, nihilism, and then Satanism in the people.

3. War booty towards the reinjection into the system of hoarded coin and bullion, and consequent reflation of the money supply;

4. The buying of property, farms and businesses in the defeated country for cents on the dollar.

5. Not the least important, the enslavement of the defeated populace and prisoners of war - gathering of a new crop of slaves for working the poisonous heavy metal mines to replace those stocks of silver and gold, so necessary to the foundation of their money power, and the maintenance of their international hegemony in consequence...

See <http://www.energyenhancement.org/8aky78umhxi31.jpg>

Dark Forces have used Infiltrating Bloodline Phoenician/Jewish aristocratic Families which have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control humanity, they themselves worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis. In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

The Cancer of The Venetian Empire - The Phoenician Empire - Merges with the Satanic Catholic Church

The reputation and good behaviour of hundreds of millions of good Catholics in no way is questioned by highlighting the deliberate actions of a few thousand dedicated Satanists, Baalists and Luciferians who have caused world wars and sacrificed millions to demon gods.

The Roman Cult and associated networks of Sabbatean and secret Satanic organisations since the 14th and 15th Centuries is the only time in the history of civilization whereby a “sacred” religious ceremony was established for the systematic and widespread encouragement of its clergy to Satanically ritualistically abuse children...

And Much, Much, More..

24. AGAINST SATANISM VOLUME 9 - The Satanic Suppression of Science

Satanic Secret Agents, Aristotle; Contarini, Pomponazzi and Giorgi; Sarpi, Galileo and Kepler; Conti, Newton against Leibniz - The Satanic Corruption of Science by the Satanic, Slave Trading, Drug Running, Bankster run Venetian Empire to suppress Steam, Tesla, Fission and Fusion.

Satanic Control comes from the Satanic, "Policy of Poverty" and the Satanic, "Policy of Poisoning" by means of the, "Borgia Cup" and indeed Satanism itself which is a form of Mind Control to create the Psychopaths who will follow any orders.

These policies are designed to weaken the opposition to the Satanic Religious leaders whose aim is to continue ruling humanity as they have ruled the Human Herd for 10,000 years since Satanic Babylon in order to Steal their Spiritual Energy.

All religions are created by the Fascist Peerage Robber Barons whose Genealogy goes back to Satanic Babylon and their created Religions of Satanism, Luciferianism, the Cult of Apollo, Dionysus, Isis, Horus, Osiris have been created to control the upper levels of society for the real Peerage Robber Baron owners for thousands of years. Because if you believe a Satanic created, infiltrated religion, you will believe anything, do anything for the compartmentalised top of the Hierarchy.

Yet, "False Gold is there only because Real Gold Exists" -
Tamil Siddar Alchemist Thiruvalluvar

If a member of the Peerage Fascist Robber Baron Elite partakes of the normal Satanic Rituals extant for thousands of years designed to reduce people to the level of a psychopathic beast of..

1. Animal and human sacrifice rituals.
2. Canibalism rituals.
3. Drug rituals,
4. Sex rituals - homosexual sodomy rituals - pederasty rituals - bestiality rituals - torture rituals.
5. The castration rituals of Cybele and Attis.

and then you have your pictures and videos taken by Epstein, Ghislaine Maxwell, or Jimmy Savile, of you doing it, then you tend to follow orders!!

Rather than concentrating on problems with food, security and housing which poverty induces in all, only wealth and education can lead humanity to evolutionary meditation the foundation of Human Evolution to the Stars.

Realise that Austerity is not an accident.

Everything must be planned.

If Austerity can be planned and executed for the USA and Europe over 50 years since the assassination of John Kennedy then wealth too can be planned!!

Only wealth can lead Human Evolution to the Stars, therefore anti-evolutionary Satanism created by the Robber Baron oligarchic elite for the purpose of creating poverty, so as to maintain their control over thousands of years, has acted to degrade every part of human society including science as the Satanic Frankfurt school has acted to similarly degrade philosophy, music and art, and the Satanic Robber Baron Drug trade has acted to destroy all culture and civilisation and

the poisoning of air, food and water by fluoride, genetically modified foods, glyphosate and other pesticides, and incinerator dioxins and VOC's to destroy the health and energy of all humanity.

In order to secure acceptance for their Satanic ideas, the Satanic Venetian Party seeks to control the way people think. If you can control the way people think, say the Satanic Venetians, you can control the way they respond to events, no matter what those events may be.

It is therefore vital to the Satanic Venetians to control philosophy and especially science, the area where human powers of hypothesis and creative reason become a force for improvements in the order of nature.

It is therefore vital to the Satanists to control and suppress science because Science is the source of all Wealth creation which can lift Humanity from the level of a beast to Enlightenment itself.

been a captain in Heinrich Himmler's dreaded SS and Adolph Eichmann's superior in Europe and Palestine. Von Bolschwing worked simultaneously for Dulles' OSS. When he entered the U.S. in February 1954, he cleverly concealed his Nazi past. He was to take over Gehlen's network not only in this country but in many corners of the globe. He became closely associated with the late Elmer Bobst [Pilgrim's Society; SMOM; anti-Jewish; accused of sexual abuse granddaughters and great-great-granddaughters] of Warner-Lambert Pharmaceutical, a godfather of Richard Nixon's political career. In 1969, he showed up in California with a high-tech firm called TCI that held classified Defense Department contracts. His translator for German projects was Helene van Damme, Governor Ronald Reagan's appointment secretary." [45] 268

95

When I first heard that the NFL as a "league or association" was officially celebrating Hispanic Heritage Month, I had to scratch my head in puzzlement. I not saying that the NFL should celebrate Black History Month instead. There are twelve months a year and 365 days a year. There is enough justification for America to celebrate each month and every day of the year to the People of Color's contribution to this

country; and condemn its atrocities against them, whether Black, Brown or Yellow. 95

But, why would the predominantly Black player NFL officially celebrate Hispanic Heritage Month and give token observance to, and dismiss the significance of Black History Month? Why wouldn't the NBA or NFL openly support Black History Month that is expressly articulated to humbly HELP save their Black Fan Base and majority Black Players and their families from racial injustice and extermination— GENOCIDE in America? But for, to confuse, divide, conquer and continuity DOMINATE the masses by deception and PSYCHOLOGICAL WARFARE. 96

32.Free Book AGAINST SATANISM Black Assassins Volume 8 - BEYONCE, SATANIC JAY & ALEISTER CROWLEY 666'S VEILED SATANIC SEX MAGICK AT THE 2014 GRAMMY'S

Table of Contents

BEYONCE, SATANIC JAY & ALEISTER CROWLEY 666'S VEILED SATANIC SEX MAGICK AT THE 2014 GRAMMY'S 29

The January 26, 2014 56th Grammy Awards was far more flagrantly Satanic then I had envisioned. Katy Perry's Grammy

“Dark Horse” performance is widely recognized as a Satanic Rite and “Open Witchcraft and Satanism on Display.”[1]

29

“Rose, my dear, you filthy whore, would you be ever so nice as to do a magick ritual with me today?” –the BEAST, Aleister Crowley[7] 32

“Drunk in Love” introduced Beyonce’s new MK ULTRA Sex Kitten alter personality “Yoncé”, above, that is far more “FILTHY”, erotic, perverse and lustful than Demotic Sasha Fierce. 32

Yoncé– the 2014 Grammy’s Sex Magick Show & the Scarlet Woman 46

Lucifer’s Color is BLUE [41] 47

Babalon (also known as the Scarlet Woman, Great Mother or Mother of Abominations) is a goddess found in Aleister Crowley, the Great BEAST 666’s mystical system of Thelema. In her most abstract form, she represents the female sexual impulse and the liberated woman; she is also identified with MOTHER EARTH, in her most fertile sense.[42] 47

At the Grammy’s, Yoncé and Satanic Jay performed an erotic piece co-written by Beyonce called “Drunk in Love.” Its lyrics express “UNBRIDLED LUST” [43] and ancient phallic-Masonic worship,[44] 47

I’ve been drinking, I’ve been drinking I get filthy when that liquor get into me I’ve been thinking, I’ve been thinking Why can’t I keep my fingers off it, baby?[45] 47

“We be all night, and everything alright No complaints for my body, so fluorescent under these lights Boy, I’m drinking, walking in my l’assemblage ... If you scared, call that reverend Boy, I’m drinking, INNA bring it right...”[46] 47

Compare Nin-imma Symbol with Hathor’s Symbolic Wig 49

Nin-imma(Earth Mother) is a Sumerian, Babylonian, and Akkadian fertility goddess and deification of the female sex organs. Her parents are ENKI and Ninkurra. Her name derives from the Sumerian words nin – goddess, and imma – water that created everything. [50] 49

In Great Antiquity, Nin-imma is known by many names and spellings mainly Ninhursag (Earth Mother),[53] Ninmah (“Great Queen”) and Nintu (“Lady of Birth”). Both Nin-imma

and Nin-anna traits are similar to the Kemet Goddess
WORSET (Hathor).[54] 50

Reverend Boy- unlike being an ordained minister, for instance, a Reverend of the Church of Satan is who is revered by the believers or Satanists- while a priest or minister is one who dedicates their life to preaching religion to others.[61] Basically, Drunk in Love, recounts one of the Great BEAST's continuous Satanic Tantra-Sex Magick Ritual sometimes referred to as the Babalon Workings that involves Crowley's satanic philosophies, and Demoness Scarlet Women.[62]

The X Club created academics who would promote Darwin's ideas of evolution and eugenics. This information is taken from an excellent internet article by Jan Irvin, "How Darwin, Huxley, and the Esalen Institute launched the 2012 and psychedelic revolutions – and began one of the largest mind control operations in history." [62] 151

"Via the Esalen [Michael Murphy] Institute this multi-generational plan to "evolutionize" (– their idea of evolution was just for them and the elites, not the rest of society whom they planned to dumb down and exterminate..." [64] 152

FAT MEAT AIN'T GREASY: THE BUTLER, LUNACY, ILLUMINATI & HUEY P. NEWTON 163

The CIA (MK ULTRA- MONARCH) had to find and figure out who Huey was, and prevent another Huey P. Newton from rising among the masses. Even the ILLUMINATI and Satanic Bloodlines (Priory of Sion) were also extremely curious about Huey. 277

In 1947, Big Papa's first official CIA assignment was to cover Ambassador Prentice Cooper in Lima, Peru. He said that the Peruvian military was still wearing Nazi war helmets and goose stepping.[42] 313

Cooper wasn't a junior ambassador. He was out of Princeton University, and had been the former governor of Tennessee. During his administration as governor, the U.S. government began the ultra secret Oak Ridge Tennessee Manhattan Project to build America's first atomic bomb. 313

In 1944, he trailed only Freemason of the 33 degree, Harry S. Truman, for the vice presidency of the United States. In 1946, President Truman appointed Cooper as the Peruvian Ambassador.[43] 313

Mason Sturmbannführer SS Friedrich Schwend 315

The CIA had a big ultra secret asset and operation concealed in Lima, Sturmbannführer SS Friedrich Schwend of Himmler's ultra secret SS counterfeiting Operation BERNARD. 315

In 1945, OSS Chief Allen Dulles had recruited SS Schwend as an agent in the Reinhard Gehlen Org. Through him, Dulles recovered millions in SS gold, American and British counterfeit dollars and pounds. However, the U.S. discovered that Schwend and the SS continued its counterfeiting operation under deep cover.[44] 315

In 1947, when things got too hot for Schwend in Europe, the CIA and the Gehlen Org packed him up and sent him off to Cooper and Big Papa in Lima.[45] 315

42. OCCULT THEOCRACY BY EDITH STARR MILLER, LADY QUEENSBOROUGH

EDITH QUEENBOROUGH

This book claims to be an endeavour to prove that: —

1 — Owing to their union, all secret societies, whether political, philanthropic or occult in appearance, serve a political purpose unknown to the majority of their members.

2 — The power wielded by such societies is real and its character is international.

3 — Regardless of their exoteric objects, the esoteric aims of most societies are all directed towards the same end — namely : the concentration of political, economic and intellectual power into the hands of a small group of individuals, each of whom controls a branch of the International life, material and spiritual, of the world today.

The main branches thus controlled are : —

1 — The International Banking Groups and their subsidiaries.

2 — International, industrial and commercial control groups with their interlocking directorates.

3 — Education, Art, Literature, Science, and Religion. as vehicles of intellectual and moral perversion.

4 — The Groups already organized throughout different countries for the study of International affairs political, financial and economic.

5 — The International Press, the medium used to mould public opinion.

6 — The Political party organizations of each nation,

whether conservative, liberal, radical, socialist etc. existing in every country with parliamentary administration.

7 — Internationally organized corruption, the white-slave traffic, vice and drug-rings, etc.

Glancing at the body frame of all political organizations, do we not perceive that money is its main sinew ? It would not sound preposterous to state that the electoral system is similar to that of auction, insomuch as it favours the highest bidder. In election campaigns, the successful candidate is not necessarily the most deserving or worthy of votes, but too frequently he who was able to buy the greater number of votes. Votes are captured by slogans, propaganda and, not unfrequently, bribery. Only an infinitesimal percentage among them will ever strive to find out the power or powers behind the candidate, and by whom he is, in effect, controlled.

43. Psychopath. Hervey Cleckley THE MASK OF SANITY, Section 1: An Outline of the Problem, 1. Sanity-a protean concept, A millionaire notable for his eccentricity had an older and better balanced brother who, on numerous fitting occasions, exercised strong persuasion to bring him under psychiatric care. On receiving word that this wiser brother had been deserted immediately after the nuptial night by a famous lady of the theatre (on whom he had just settled a large fortune) and that the bride, furthermore, had, during the brief pseudoconnubial episode, remained stubbornly encased in tights, the younger hastened to dispatch this succinct and unanswerable telegram

45. The Deliberate Dumbing Down of America by Charlotte Thompson Iserbyt - Now we are taught to be beta males and female warriors. The "men are pigs" propaganda will stop some women from marrying men but make them marry the state as Policemen, as Commissars.

From the Slave Manual of the Romans.. When creating a slave system, kill a few warriors and children in front of the women. Then say to the women, if you revolt we will kill everyone. Then put the women in charge of the plantation. We do this because if you ask the same thing of the men, statistically more will revolt, whereas women will comply.

49. Hallett & Spymaster - Stalin was a Rothschild, Stalin's British MKUltra Training at the Tavistock institute - Breeding Concubines - Paedophiles at War (2008)

1. British Royalty Sexual Excess, Breeding Concubines, Rothschild take over of Britain and Europe by breeding with Royalty.
2. Stalin was a Rothschild - Rothschild Stalin trained by the British at the Tavistock institute to take over Russia.
3. Satanic Pedophilia and Sodomy Ritual - Kitchener and Baden Powell
4. Gurdjieff Secret Agent

Lord Kitchener and Stalin were both trained by Gurdjieff as Martinist Freemasons. Stalin went on to rule a third of the world and Kitchener colonised the world through his special brand of Freemasonry - incestuous paedophilia and sadistic ORDER OUT OF CHAOS.

Britain was the training ground for immigrant revolutionaries to destroy their own foreign countries. This saved the colonising British army from doing it. Misinformation was always on the breakfast menu for the City of London and Metropolitan Police who regularly sabotaged each other's interrogations giving foreign terrorists any and every advantage.

Winston Churchill was King Edward VII's son. Once his father died, Winston needed to prove himself to his brother, the new King George V, so the 1911 Sidney Street Siege was held as a canned meat operation - a training exercise between Churchill and his protege Stalin, who went on to decimate Russia.

Protecting the satanic pedophile establishment by file theft is one of the main functions of a knight. A crime is committed,

the case is botched and the files are stolen. Ipso facto, the stitch-up is all stitched up and official history contains generations of the most unbelievable claptrap where nothing fits and most lose interest. This is the desired goal of establishment historians - most of whom are embedded into the Satanic occult. Jack the Ripper was an inside job that had the full support of Satanic occultist Freemasons and the British Royal Family.

Two of the most decorated men in British history Kitchener and Baden Powell were paedophiles who competed to commit the most heinous crimes in the British colonies and then use the Baden Powell Scouts to provide paedo children for the Elite, just like Epstein and Jimmy Savile. Understanding Queen Victoria and her children's illegitimacy, they operated with complete immunity, attained hero status, and medals were theirs for the asking.

50. Hallet and Spymaster, Hitler was a Rothschild Hitler was a British Agent trained by the MKUltra Tavistock Institute

And Hitler was a Rothschild like Stalin and Bill Clinton, conceived during a Satanic Ritual to create an Agent of War!

“During his period in the Tavistock Military Mind Control Institute in Britain in 1912, Hitler was trained as a public speaker. They taught him to gesture with his hands to emphasise points. He then developed his own style which was non-Germanic and incredibly effective. MI-6 also used an elocution teacher from Dublin’s Trinity College to give him voice lessons and teach him how to raise and lower his voice for emphasis.

“Much of an agent’s training is along sexual lines. Agents are given the Fritz Springmeier Mind Control trauma, drugs, alcohol, subjected to hypnotism, given access to other agents, and the instructors step out and watch what develops. Adolf gave indications of bisexuality, which is not unusual in an MI-6 training setting, and later went on to develop more complicated perversions that sickened many of the other would-be agents – notably coprophilia. The more extreme his sexual perversions, the more easily manipulated he was and the Mandarins of Whitehall were delighted with his progress.

Some predicted the sky was the limit for Hitler...

Historian Henry Makow, Ph.D., United States Greg Hallett offers persuasive circumstantial evidence that Hitler was a British Agent. As Hitler was in Britain 1912–13 other historians are guilty of sanitizing Hitler, giving him more credibility that he had. Hitler was a British Agent is a useful paradigm that clarifies many improbable events . . .

Why the Nazi war machine was financed and built by the Bank of England. Why Hitler was able to expand into the Rhineland without fear of retaliation. Why Hitler let 335,000 Allied soldiers escape at Dunkirk. Why Hitler attacked Russia before England was invaded or conquered. Why the Nazis never figured out their communications were compromised. Why Hitler never sealed the Mediterranean at Gibraltar. Why the Spanish dictator Franco remained neutral. Why Hitler didn’t conquer the oil fields of Russia and the Middle East. Why Hitler gave his racial policies priority over actually winning the war. Why I.G. Farben was never bombed, and became the CIA headquarters in Frankfurt after WWII.

The biggest improbability of traditional history is that an Austrian tramp, street cleaner and gay prostitute could become the Chancellor of Germany. Hitler joins a long list of obscure blackmailable figures catapulted into world prominence by the unseen hand.

Implications . . . History is unfolding according to the Satanic Sodomy Ritual Skull and Bones Illuminati's long-term plan. Wars are plotted decades in advance and orchestrated to achieve the destruction of nations and natural elites, depopulation, demoralization, and of course power and profit . . . The Satanic Sodomy Ritual Skull and Bones Illuminati sponsor 'enemies' in order to ferment conflict . . . The super rich Satanic Phoenician Mega Trillionaires have organized themselves to prey on mankind and establish permanent hegemony . . .

Greg Hallett deserves our thanks for advancing a history more plausible than what supposedly transpired.

Satchi's energy is amazing and just watching his videos would charge me up with softness and bliss. The energy I felt from watching the videos not only enabled me to see my own blockages, but I could feel some of them rising to the surface and then getting dissolved by light.

- Satchi is very helpful in emails and I have emailed him many times...he got back to me and gave me some hard truths and also honest support which helped me to continue making progress.

- The frequency of energy is the most powerful and high frequency I have worked with, it charged me up really fast and enabled me to see blockages psychically.- I started to sense astral beings a lot more (most of them not very nice) but we got taught how to deal with these in Level 2 with the Seven Step Process.

I also felt some very wonderful presences of spirits and ascended Masters associated with the course who were helping teach me.

- The level 2 method 7 step Process of removing energy blockages is simply amazing.

I use it every day. I've used it to dissolve or 'ground' negative emotions, fear, anger, to clear negative energy from astral entities, deceased human spirits who were inside my aura...

random spirits who would come to me to get guided to the light and so on.

This method has been far superior than all other methods which I have used.

- The level 2 methods allowed me to personally get through some very bothersome subconscious programming and blockages which no other methods were healing...I was under heavy psychic attack at this point and I got what I needed to stop it. Problems grounded and dissolved in the light of the earth chakra.

- The level 3 methods to remove deep karma - The Karma Cleaning Process - actually do work. I said in another report that I saw that it would have taken me 500 lifetimes to clear my Karma and become Enlightened . Now using Energy Enhancement Techniques I see that all those 500 lifetimes of Karma have been dissolved!! Perhaps Enlightenment is Next!!

My body feels so bright and purified, so light and fresh, I have used these methods to clear the karmic bonds between me and other human souls. It feels like all the 'history' between you becomes instantly neutralized back into peace and light. Although it also dissolves the 'good' karma too, for example it will neutralize positive attachment's between you and others and make you feel a more evenly spread benevolent peace to humas in general.

AGAINST SATANISM Vol. 6

AGAINST SATANISM VOLUME SIX

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanistic Rituals in Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

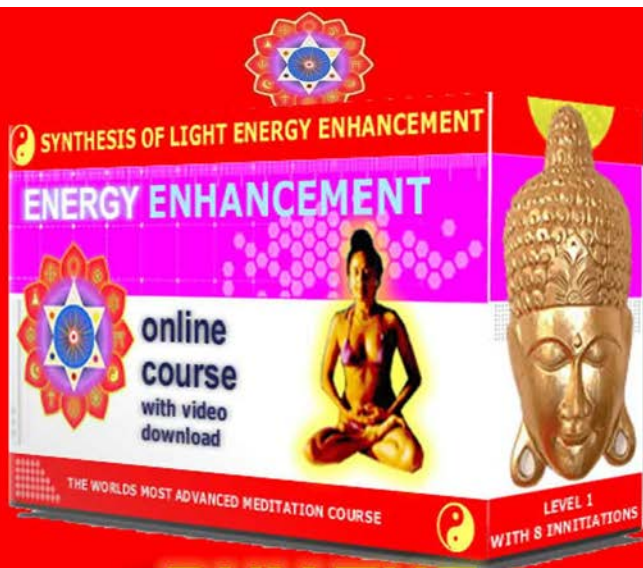

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

ENERGY ENHANCEMENT LEVEL TWO

REMOVE ENERGY BLOCKAGES

Learn the "Energy Enhancement Anti Energy Blockage Hack Technique" and Free Your Mind Once and for All.

Why has this Energy Blockage predator taken over in the fashion that you're describing, Don Juan?" I asked. "There must be a logical explanation."

"There is an explanation," don Juan replied, "which is the simplest explanation in the world. They took over because we are food for them, and they squeeze us mercilessly because we are their sustenance. Just as we rear chickens in chicken coops, gallineros, the predators rear us in human coops, humaneros. Therefore, their food is always available to them."

Don Juan had a broad smile on his face. He was as pleased as punch. He explained that sorcerers see infant human beings as strange, luminous balls of energy covered from the top to the bottom with a glowing coat something like a plastic cover that is adjusted tightly over their cocoon of energy. He said that that glowing coat of awareness was what the predators consumed, and that when a human being reached adulthood, all that was left of that glowing coat of awareness was a narrow fringe that went from the ground to the top of the toes.

If we consider a human being as containing seven parallel chakra processors within the body and an infinity of parallel chakra processors above the head and below the base, connecting us to the Universe, then the more of these parallel chakra processors we can access, the more intelligence we have - What stops the access to these parallel chakra processors is Energy Blockages.

We need to learn how to "Hack" these Energy Blockages to remove them so we can access our native genius. The Geni being the Soul Chakra, the first Chakra above the head.

Yet as we remove more of the energy blockages and access many more chakras, even more intelligence is possible!!

ENERGY ENHANCEMENT OPENING THE THIRD EYE

AWAKEN YOUR THIRD EYE
IMPROVING PSYCHIC SIGHT

OPENING THE THIRD EYE

The conscious rocking backwards and forwards at the Start of your EE practice is to get your spine into alignment with the Kundalini energy from the center of the earth out into the center of the Universe..

to power your Psychic Vision, to Open your Third Eye...

Antaeus was killed (the process of Illumination requires the ability to get out of the body into the higher chakras, the same path we take when we die, but without the advantage of being able to come back along the Silver Chord) Antaeus was killed by suspending him in a tree - SEE THE MYTH OF ODIN IN AXIS MUNDI where Odin spent 9 nights suspended in the Axis Mundi Tree above the Crown Chakra in order to become Illuminated and gain psychic vision - make all his sight one in the third eye.

We eventually get into a state of energy transfer. We both feel it as white light flowing from one to the other in an incredibly intense way which lasts for two hours. At the end of that time I perceive an initiation which is taking place on the astral plane. Surrounded by a group of ascended masters I introduce him to the chief initiator who uses the rod of initiation to touch his third eye with the intense energies of initiation so that his energies can never again drop into that state we call normal waking consciousness.

The Antahkarana Also refers to the Unicorn - So, by removing the Blockages of Ajna Chakra the Psychic Powers of the Third Eye and of the Rainbow Bridge, a Horn emanating from the Crown Chakra leading to Wisdom, Psychic Vision and the Actualisation of all our Dreams, Our Soul Path which we teach in Energy Enhancement Initiation 4.

"COMPLETE INSTRUCTIONS ON
ENLIGHTENMENT" - THE
ENERGY ENHANCEMENT WAY BY-
SATCHIDANAND

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION..

He who, due to his perfect discrimination - dis-crim-e-nation or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER..

"WHEN ALL ENERGY BLOCKAGES ARE GONE, ENLIGHTENMENT IS SURE TO FOLLOW" - Satchidanand

VIMALAKIRTI SUTRA -THE BUDDHA FIELD

SATCHIDANAND

ENERGY ENHANCEMENT

Vimalakirti Sutra - The Buddhafield

Buddhas, Bodhisattvas, Aryasravakas, and Pratyekabuddhas conquering demons, natural spiritual benefactors of all living beings, free from impurities, expert in knowing the spiritual faculties of all living beings, high resolve as hard as diamond, unbreakable in their faith in Buddha, Dharma and Sangha, they showered forth the rain of ambrosia that is released by the light rays of the jewel of the Dharma, which shines everywhere.

The Purification - the Removal of Energy Blockages - And the Augmentation of Psychic Powers - Caused by the Buddhafield

Inconceivable Skill in Enlightenment Liberative Technique, Dharma, Connection with the Infinite Chakras above the Head - Gnosis, conquered all demons, transcendence of wisdom, tolerance and self-control, respected by Indra, Brahma, and all the Lokapalas

Thereby, thirty-two thousand living beings purified their immaculate, undistorted Dharma-eye in regard to all things.

The eight thousand bhikshus were liberated from their mental defilements, attaining the state of non-grasping.

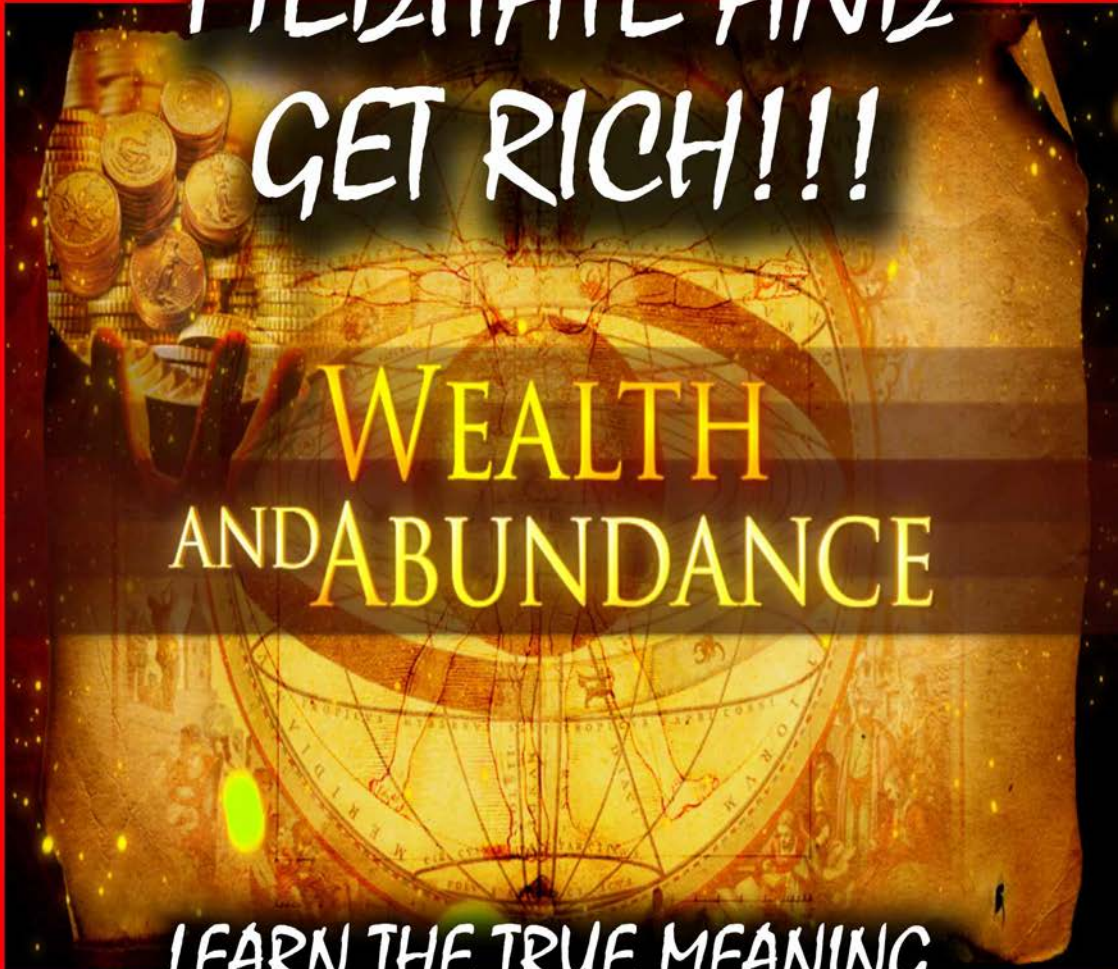

And the eighty-four thousand living beings who were devoted to the grandeur of the buddhafield, having understood that all things are by nature but magical creations, all conceived in their own minds the spirit of unexcelled, totally perfect enlightenment.

A Zen Master saw a child with a broken arm sitting miserably by the side of the road. This guy was so miserable that the Zen Master just knew he was impervious to being cheered up, To accepting good advice, to being told that, "Everything changes". So he took an iron bar and with it he broke his own arm. Sitting down by the young child he said, "Now we can talk!!"

"The Dharma - The Path of the Soul Chakra - The First Chakra above the Head - permeates evenly all things, because all are included in the ultimate realm. It conforms to reality by means of the process of nonconformity. It abides at the reality-limit, for it is utterly without fluctuation. It is immovable, because it is independent of the six objects of sense. It is without coming and going, for it never stands still. It is comprised by voidness, emptiness, a vibration so high that it is not gross like matter, or emotion, or mind, it is remarkable through signlessness, and is free of presumption and repudiation, because of wishlessness. It is without establishment and rejection, without birth or destruction. It is without any fundamental consciousness, transcending the range of eye, ear, nose, tongue, body, and thought. It is without highness and lowness. It abides without movement or activity.

MEDITATE AND GET RICH!!!

The Human Right to Life surely includes a Rich, Wealthy life. Health, Housing, Air Conditioning, Education, Transport, Entertainment, Books, Pure Food, Water, Environment.
So that we can choose what to work at. So that we can choose to work at The Right Hand Path of Meditation leading to Enlightenment.

Simple, Easy Effective Techniques, Vouchsafed from a Mystical Past lie at the Heart of Alchemical Transmutation of Internal Dragons to Man Up!! and Release the Wellsprings of Energy, Wealth and Internal and External Gold!!

We have all seen "The Secret"

We have all read Napoleon Hill's, "Think and Grow Rich".

But one of the Forgotten Secrets of Wealth and Richness has Traditionally been the Transmutation of Lead into Gold.

The Ancient Secrets of Alchemy!!

And what we need now is the Modern Upgrade of the Secrets of Alchemy brought into the Modern Age.

As Jung has brought Alchemy and Archetypes into Psychology, so Energy Enhancement has brought Alchemy and Archetypes into Wealth and Self Actualisation.

Get the Gold!!

Understand the Ancient Formulas of Alchemy to release Sources of Internal and External Wealth!!

Get the Gold!!

Get the Philosophers Stone which Transmutes All Base Metal into Pure Alchemical Gold!!

There are Powers inside you that once Released, Paradigms Transmuted, Blockages Removed, will enable you to Access your true Potential.

These Ancient Techniques called Alchemy will Truly Release your Beast and Allow Incredible Success in Any Field of Life.

The Secret of Alchemy lies in the Transmutation of Trauma which lies at the Base of all Blocks and Bad Habits.

Trauma creates the Dragon of Fear which in all Ancient Mythical Stories is Killed by the Hero in Order to Rescue and Release the Princess..... and Get the Gold...

After reading this, in lieu of its recommendations which may take a little while to percolate through the Archetypal Mind of humanity, my recommendation is to teach Energy Enhancement Advanced Meditation Techniques..

To achieve True Wealth.. the Ultimate Truth, and Freedom... Enlightenment!!

ENLIGHTENMENT IS AVAILABLE FOR EVERYONE

INCREASING WEALTH WILL SPEED UP THE PROCESS OF EVOLUTION AND ENLIGHTENMENT FOR ALL

MEDITATE AND GET RICH VOL.2

YOUR RICHNESS SEED IS A THOUGHTFORM!!

With regard to becoming rich, becoming strong, any mortal thing you want to be – All these things and more are thoughtforms.

They are thoughtform seeds.

And Napoleon Hill talks about growing these thoughtform seeds, actualising these thoughtform seeds, so that they grown like Acorns to become the great Oak trees they were destined to become - and he gives the formula for this Richness tree to come to fruition.

That you actually become rich!

And Napoleon Hill gives in this book these methods – which suit the natural competents, but require everything from those not naturally competent, including a lot of time..

FAITH, AUTO SUGGESTION, IMAGINATION, DESIRE, DECISION, PERSISTANCE, SEX, THE SUBCONSCIOUS MIND, THE BRAIN, THE SIXTH SENSE, HOW TO OUTWIT THE SIX GHOSTS OF FEAR

NOW, HOW WOULD YOU LIKE TO GROW YOUR PSYCHIC OAK TREE IN DOUBLE QUICK TIME?

HOW WOULD YOU LIKE TO SPEED UP THE PROCESS?

The thing about these Thoughtform Seeds is that they are psychic seeds. These Thoughtform Seeds do not need real Earth, Water, Sunlight and Carbon Dioxide to grow.

No!

These Thoughtform Seeds need Psychic Energy to Grow.

Most Richness and Wealth Courses teach very beginners techniques.

We are taught the Ancient Buddhist Technique of Metta Bhavana – Gratitude - to Open the Heart.

We are taught the Ancient Yogic Technique of Repetition – of Mantra and Visualisation to Life Stream what we want in the Present tense as though we already have it

So we write down what we want on sheets of paper, read them out into audio files, listen to the files constantly, so that we live in our Matrix, not truly alive so as to enter the prayers into our conscious minds so that with years of repetition the thoughtform seeds might grow, clothe themselves in psychic matter and enter in to the Universal Sub-conscious mind and we might actually become rich and everything work out just as we wish.

So, why does it take so much effort by Mantra to become Rich?

The answer is Energy Blockages which stop our connection with the infinite energies of the Earth and the Central Spiritual Sun and which block our little richness thoughtform from the energies that would make it grow Superfast!

As I said, Mantra is a very beginners technique. There are Ancient Techniques of the Siddars which quickly develop the Psychic Powers to get what you want quickly and easily.

Everyone who takes the Energy Enhancement Course gets these psychic powers.

The power to connect with the fountain of kundalini energy from the Earth.

The power to connect with Infinite Spiritual Energy which descends from the Central Spiritual Sun.

The most powerful Technique is that of Meditation developing quickly with Energy Enhancement Initiations into Samadhi and Samyama, talked about in the Ancient – 5000 years old - Yoga Book, the Yoga Sutras of Patanjali.

Everyone knows that Meditation is the best, most ancient, fastest and efficient technique to gain Psychic Powers,

There is a whole chapter in the Yoga Sutras of Patanjali on the use of Samyama to gain all the Psychic Powers – gain immense riches, remove all our vows of poverty from our past lifetimes as monks, remove all bad luck and karma, remove everything holding you back, and attain Enlightenment the goal of All our Past Lifetimes.

ELIMINATING THE SHADOW

A painting depicting a man with dark hair and a beard, wearing a red robe, embracing a winged angel. The angel has large, white, feathered wings and is wearing a white garment. They are standing in a dark, rocky landscape. The man's face is turned towards the angel, and they appear to be in a moment of emotional connection or reconciliation.

SATCHIDANAND

ELIMINATING THE SHADOW

In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities. Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow.. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!!

Carl Jung says.. "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or statesmanship and it is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, a long process of negotiation is unavoidable." (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation – Spiritual Insight – combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and Integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative Karmic Mass – pain, frustration, pessimism, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed – transmuted and integrated.

Energy Enhancement Meditation uses the Psychic Spiritual Center – Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream exploration, trance-work etc then we are also limited still. This is because we need it all, both sides.

ENERGY ENHANCEMENT MEDITATION – DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND!

Alchemical VITRIOL is an Ancient Meditation designed to remove Trauma from Memories!! VITRIOL IS A LATIN ACRONYM - VITRIOL. – Visita Interiore Terrae Rectificando Invenies Occultum Lapidem, THE GROUNDING AND TRANSMUTATION OF ENERGY BLOCKAGES – The unification of the conscious and the unconscious., night and day, hot and cold, masculine and feminine. In the center is the Ajna Chakra – Third Eye. The kundalini Serpent has risen from the Muladhara – Base Chakra to the Third Eye Center. The symbolic meaning of its risen state is a raised consciousness that has dissolved duality. A state of Wholeness – Integration – Enlightenment.

"Come together, right now, over me" Singing these famous song lyrics from the Beatles to yourself, You can come together, surpassing your current-self to a higher-self!
