SATANIC HISTORY

FAKE COMMUNISM

- KARL MARX - BRITISH AGENT

AGAINST

SATANISM

10,000 YEARS OF TOTAL CONTROL

GOVERNMENT CONTROLLED BY SATANIC PEDOPHILIA, LOVELESS RITUAL SEX, SODOMY, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

FAKE ECONOMICS - Economists have been paid - Adam Smith (and his Satanic Mandevillian, "Public benefits come from Private Vices") was a hack, paid by Lord Shelburne, Head of the British East India Company, foundation of the British Empire - to create an Economics which would perpetuate the Bankers of the British Empire, later the Anglo-American Empire. Austrian Economics and it's Austerity - The Oligarchic Principle of Poverty - was supported and spread by Nelson Rockefeller. Solution? See Hudsons Modern Monetary Theory or Larouche Hamilton Credit Theory. The Economist Fake Gangs

SATANIC SABBATEAN FRANKISTS infiltrate Jews and Jewish organisations worldwide. Pagan Rituals and Myths used to pervert, degenerate and control a Jewish psychopathic ruling class of Donmeh Attaturk, Rothschilds, Rockefellers, Schiffs, Warburgs..

SATANIC KARL MARX - Wrote Das Capital from his MI6 provided office in the British National Museum under Ambassador Urquhart creating MI6 inspired Communism, Russian Revolution (65 millions tortured dead) and Mao's Chinese Revolution (85 millions tortured dead), and Socialism. George Orwell's Totalitarian text's "1984" "A Boot, stamping in your face, forever" - the Totalitarian or Legalist Fake Gangs sprang from this bough. Capitalists, Marxists, Communists and Socialists spring from the same Fake Gangs bough.

SATANIC PHILOSOPHY EUGENIC PLATO AND NO-SOUL ARISTOTLE

AGAINST SATANISM

RING OF CYGES - "CONCEALMENT OF WICKEDNESS"
BY HUMAN SACRIFICE

AGAINST SATANISM VOLUME TWO

The Secret History of the Modern World and the Battle for the Future -
The "One Ring" of Gyges of Plato's Book, Republic - A Comparison between
Ring of Gyges of the Hobbit and the One Ring of the Lord of the Rings with
reference to the effect of Eugenic No Heart Plato and No Soul Aristotle on
the Secret History of the Modern World and Satanic Globalism
- the Battle for the Future.

The difference between the simple Ring of Gyges of the Hobbit and the One
Ring of the Lord of the Rings is - "Into this ring he poured all his cruelty,
his malice and his will to dominate all life" -

The difference is this energy of cruelty. "By our sinning and Ritual human
sacrifices, and Ritual human sacrifices and sinning, the gods will be
propitiated, and we shall not be punished" - Plato's Republic

Used for one purpose "The Concealment of Wickedness"

Plato's Republic - WHAT IS THY NATURE? SATANIC ADEIMANTUS

"Appearance Tyrannizes over Truth and is Lord of Happiness"

Adeimantus of Collytus (432 BCE – 382 BCE) son of Ariston of Athens was
also known as Plato's brother. In Plato's Republic, Adeimantus questions
whether they would be living a good life with little or no personal property.
Consequently, Adeimantus is often associated with greed or love for money
in interpretations of the dialogue.

He quotes Pindar (522 – 443 BC) an Ancient Greek lyric poet from Thebes—
"Can I by justice or by crooked ways of deceit ascend a loftier tower which
may be a fortress to me all my days? For what men say is that, if I am really
just and am not also thought just profit there is none, but the pain and loss
on the other hand are unmistakable. But if, though unjust, I acquire the
reputation of justice, a heavenly life is promised to me."

"Let us be consistent then, and believe both or neither. If the poets speak
truly, why then we had better be unjust, and offer of the fruits of injustice;
for if we are just, although we may escape the vengeance of heaven, we shall
lose the gains of injustice; but, if we are unjust, we shall keep the gains,
and by our sinning and Ritual human sacrifices, and Ritual human sacrifices
and sinning, the gods will be propitiated, and we shall not be punished."

And here is where the elite get all their negative energy or as we call it in
Energy Enhancement - Trauma-Formed Negative Karmic Mass.. from Ritual
Human Sacrifice - a Satanic Ritual used in all civilisations on All Continents
by the Satanic Elites for tens of Thousands of years.

Yes Satanism, the Occult Cult was created 10,000 years ago before Christ,
and has been extant since that time in order to create the psychopaths which
rule humanity, grind us down, make us into feudal wage slaves barefoot and
back on the reservation, buying everything from the Amazon company store!

SATANIC RITUALS HUMAN SACRIFICE

AGAINST SATANISM

SATANISM - 10,000 YEARS OF TOTAL CONTROL

AGAINST SATANISM VOLUME 3

SATANIC RITUALS AND HUMAN SACRIFICE

Sometimes people reading the Truth get depressed by it.

For people with big hearts though, the truth gets them started with an Implacable Opposition to Absolute Evil.

The Battle of Armageddon can only be won by sufficient Angels to fight against the Demons. Be an Angel!!

The point of this introductory missive is that 72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-traited and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within.

Infil-traition of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly and the society is destroyed.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Eugenics -

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program.. EXCEPT ENERGY ENHANCEMENT!!

The key is that the Satanic Religion and its current recruiting cults of Freemasonry and the Crowlean Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and thus conquer the world.

All Rituals, Religion, Education, Secret Services and Political Movements have been Scientifically Engineered to create Fake Gangs for 10,000 Years. It's what the old Roman Empire, and the Babylonian Empire, and the Cult of Apollo, and the Byzantine Empire did before.

As you know, all the gangs have Rituals before you can join, making your bones with the Mafia means you must murder someone before you can join and Drug Cartels, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can join and before you can progress. All Rituals, Religion, Education and Political Movements are designed to create fake gangs of psychopaths who can then be used to create control through chaos created poverty - The Oligarchic Policy of Poverty - destroying infrastructure - preventing human evolution.

SATANIC HOMO OCCULTISM
SATANIC HITLER

AGAINST
SATANISM

10,000 YEARS OF TOTAL CONTROL

AGAINST SATANISM VOLUME 4

SATANIC HOMO OCCULTISM SATANIC HITLER

Satanic Communism and Fascism is gradually being instituted as the New World Religion defined by Satanic Ritual.

72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infil-troitored and took over all these Empires and that 72 once free, flourishing and rich republics were destroyed from within by Satanic Ritual.

From South America Incas and Aztecs to Satanic Pagan Odin, Cybele and Attis, Baal and Molech, and the Holy Inquisition, Ritual Human Sacrifice and burning alive and Ritual Homosexuality, Sodomy and Pedophilia has been endemic for Thousands of Years.

Read Against Satanism Volume Two - The Foundation of Western Philosophy is Pagan, Satanic, based on No-Heart Plato and No-Soul Aristotle. Plato's Republic (c.370 BC) propounded the "Concealment of Wickedness" and the use of Ritual Human Sacrifice to placate the Gods of Karma. Plato's Republic's ideal state is based on Sparta - The Spartan society was dominated by a rigidly Hierarchical and Elitist Pedophile Warrior Cult that featured mandatory induction of twelve-year-old boys into Homosexual Partnerships with adult men, and which Plato argues should be ruled by Autocratic Dictator Philosopher-Kings. The Republic propounds the Eugenic elimination of the family and the elimination of private property.

Infil-troitration of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly. Christianity and Judaism - the bulwarks Against Satanism - are destroyed and then society fucked through the fear of Ritual Human Sacrifice.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Economics, Intelligence Services, Think Tanks, Banking, International Companies, Global Warming, Eugenics -

Read Against Satanism Volume One - Satanic Karl Marx created Communism for Ambassador Urquhart of British Secret Services writing Das Capital in his Office in the British National Library in London. Communism was used by British Agents Satanic Lenin and Stalin and Satanic 33rd Degree Freemason of Yale University, Mao to take over Russia and China torturing and killing 160 millions of people.

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program..

EXCEPT ENERGY ENHANCEMENT!! The Energy Enhancement Video Course - energyenhancement.org

Read Against Satanism Volume Three - Satanism is Defined by Satanic Rituals - These Rituals Define Satanism.. Loveless Ritual Sex, Sodomy, Pedophilia, Ritual Drugs, Ritual Blood Sacrifice, Ritual Human Sacrifice, Ritual Torture, Ritual Burning Alive, Ritual Cannibalism, Ritual Castration.

This means Pedophilia Sex Rituals and means the Totalitarian Fear Control of Human Sacrifice. As presently occurs in Totalitarian No-Soul Communist China. Christians, Buddhists and Falun Gong are executed in special organ harvesting vans - Human Sacrifice.

They have ten of these vans in every city and they work all day long taking fresh organs to the airport for implantation in Japan. The organs harvested and sold to Rich Oligarchs Worldwide

Read Against Satanism Volume Four - SATANIC HOMO-OCCULTISM AND THE HOMOSEXUAL ROOTS OF FASCISM - Black Magician Homosexual Hitler created Homosexual Cults based upon Black Magic - taught to him by Guido von List and the Armanen Order, Jorg Lanz von Liebenfels and Ariosophy, The Thule Society, Madame Blavatsky and the Theosophical Society, and Friedrich Nietzsche.

Because the Torah and the Bible prohibit Homosexuality, in order to introduce Satanism and its Satanic Rituals, Hitler decided to destroy Judaism and Also he changed Christianity - Jesus - into a Sun God associated with Odin by sending all Clerics to the Concentration Death camps along with the Satanic Ritual Burning Human Sacrifice Holocaust of Six Million Jews.

After that Hitler allied with Islam because Islam promotes Jihad Warrior Spartan Pedophilia and Sex Slavery of Women - "Women for breeding, boys for love" See, Thousands of Muslim child prostitutes in every city of Britain - Rochdale child sex abuse ring.. https://en.wikipedia.org/wiki/Rochdale_child_sex_abuse_ring

Hitler's NAZI is Satanic National Socialism, an offshoot of Satanic No-God Communism - You can see this plan occurring in Western Civilisation and China, everywhere, NOW!!

Read Against Satanism Volume Four - Homosexuality in Satanic Homo Occultism.. Satanic Homo Occultism, Satanic Hitler..

"What we are trying to do in this meeting today is to give you a new view of how the real economy
works today and teach reality economics, instead of
the parallel universe that you have in economic textbooks.

So, instead of learning how the economy operates, students are told how a
parallel universe might operate on a different planet, if there were no government, if there
were no fraud, if the entire economy operated on barter, if there was no debt, and
that everybody wanted to help everybody else, that nobody inherited money, that
everybody earned all of the income and wealth that they have. The reality is the
opposite, but it seems to be talked about only in novels these days.

"Whenever you have a misunderstanding of reality year after year, decade after
decade, and now for a century, when a false picture of the economy is painted
you can be sure that there is a special interest benefiting. A false picture of reality
does not happen by nature; it is subsidised. And the banking sector has subsidised
and paid for a junk economics that is taught in the universities, broadcast from
your newspapers, mouthed by the politicians, whose election they sponsor, to try to
make you believe, that you're living on Mars in a different kind of a world—instead
of the actual country that you're living in—and to pretend that there is no financial
class that is trying to grab what belongs to the public at large.

This is what ends up with a difference between central bank creation by the
government with the government aims of economic growth and full employment,
as compared with commercial bank credit that aims at economic shrinkage, at
austerity, at lower wages, at lower output, so that it can do to you what the
commercial banks are doing to Greece, to say give us your ports and your land
and your tourist areas and your water and sewer systems, so we can charge you
for water and sewer. And we can take the money that you had expected to get in pensions
and we can scale it down, so that we can pay ourselves.

"This is what it took an army in times past, And today it's done without an army, as long
as you will be passive and believe the Lies, the science-fiction of the world that banks
are painting. Thank you. [Applause]"

Remember, the main purpose is not money or power, it is in fact the Satanic
Oligarchic Principle of Poverty. Dummed Down, Barefoot, and Back on the Reservation.

AGAINST SATANISM Vol. 6

AGAINST SATANISM VOLUME SIX

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanic Rituals In Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special—other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

VOLUME SIX - The Satanic
10,000 years old Phoenician
Mega Trillionaire Aristocrats

Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

ENERGY ENHANCEMENT LEVEL 3 - KARMA CLEARING PROCESS

**ENERGY
ENHANCEMENT
LEVEL 3**

**KARMA
CLEARING PROCESS**

The doctors of the law, too, who had come down from Jerusalem, said, ‘He is possessed by Beelzebub’ and ‘He drives out devils by the prince of devils.’ So he called them to come forward, and spoke to them in parables: ‘How can Satan drive out Satan? If a kingdom is divided against itself, that kingdom cannot stand; if a household is divided against itself, that house will never stand; and if Satan is in rebellion against himself, he is divided and cannot stand; and that is the end of him.

‘On the other hand, no one can break into a strong man’s house and make off with his goods unless he has first tied the strong man up; then he can ransack the house.’
(Mark 3:22-27, NE)

Marion Knox is a farmer in Lebanon, Oregon who more and more is called upon to do the work of deliverance, not deprogramming. Read Marion’s 19-page “Biblical Perspective of Ritual Abuse” that lays out how Illuminati programming is structured and how Marion delivers -- and reintegrates -- DIDs through Jesus Christ.

E: Marion, where I want to start is with your statement that the presence of Elohim spirits usually indicate Freemasonic programming that is installed by sodomy. Does that ring a bell?

M: Yes, it does, and I would like to broaden that a little bit. Ron Patton once did an article on Monarch

programming. Based on what you might call research or what I have discovered in maybe 500 people over a period of ten years -- I'm just guessing because I don't keep records -- this is my impression: the most vulnerable age for preparing a person for mind control is between two and four years of age because of the development of the child's mind at that age. Traumatic things can damage them worse than if they were younger or older. Also, in order to be programmable there needs to be a change in the way their mind works between two and four. That change can only be achieved by sodomy.

E: What is it about sodomy that does that?

M: It attacks the nerves at the base of the spine and causes something neurological to happen within the brain. It also has a spiritual, demonic component to it that affects the person's mind in a way that nothing else will, as near as I can tell. In other words, I would state it this way: for a person to be able to develop multiple personalities, they would have to be sodomized between two and four.

E: For all multiple personality disorders?

M: As far as I know. It's not commonly told this way because sodomy puts in a deaf and dumb spirit and causes memory loss so that some people may remember

occult rituals but won't remember the sodomy. But sodomy is the foundation of the whole thing. It is called "the key of David"¹ by the Rothschild Illuminati.

E: When you say Rothschild Illuminati, you're not talking about just the Rothschild family?

M: No, I'm talking about all of the occult people all over the world. This goes back to Nimrod. This is the Egyptian initiation of the child to open the third eye.

E: Are you saying that back in Egypt in 3000 B.C.E., when the priesthood was at its peak, they were using sodomy for their initiations?

M: As far as I know, sodomy is always used in the occult going clear back before the Flood. Sodomy is Satan's sex or Satan's new birth of the child. I don't believe anybody can become fully illuminated unless they have been sodomized at around three years of age. If they wait to touch that person until they're ten, twelve, fifteen years old, they will never be fully illuminated because you can't open the third eye after about five or six years of age.

E: The third eye meaning the pineal gland between the eyes?

M: Yes. I have traced migraine headaches from anal sex. It comes up the spine, over the back of the head right into the forehead.

E: All migraines, or --

M: No, I'm not saying all migraine headaches are from sodomy because I had one once that was put on me by a retired chiropractor and he did not sodomize me. But I think he was a sodomite. Basically, Satan cannot sodomize someone on his own, but he can influence somebody to sodomize someone else and then it's like having Satan sodomize them and put the sodomy power within them. Sodomy is spiritual. I get intense about this because it is so clear, and the Bible is the best source for discovering this.

E: Regarding Illuminati and Rothschild --

M: Let's leave Rothschild out of this. Not everybody is Rothschild unless you are using Rothschild as a loose term like Illuminati. With Illuminati referring to the wider spectrum, there is a Rothschild element and a Masonic element, but probably as sinister as any is the Jesuit element. I cannot prove this, I wish I could, but I believe that to become a full-fledged Jesuit you would have had to have been sodomized by the time you were three years of age. I believe they're all sodomites.

E: The entire Society of Jesus?

M: I don't think you can become powerful in the Society of Jesus without being involved in sodomy at some point in time.

E: Marion, when you say the third eye, I think of the ability to see visions, to see things we normally can't. Is that what you're talking about?

M: To make a mystic with those capabilities requires sodomy because sodomy changes the way the mind works; it opens the mind up to the spirit world.

E: So it's the same effect on male or female children?

M: Absolutely, and you never know what the effect is going to be. One might be one way and one another, but to be able to become a mystic, whether it's a Catholic mystic or any other kind of mystic, that is the route to go. I call that the Legion mindset.

E: Let's go back to the Elohim and Legion. What are the differences?

M: The Legion mindset has the Strong Man spirit in it. It's like the House of the Strong Man: its foundation can develop into a mystic, or into multiple personalities. The Legion mindset would be what Alice in Wonderland is all about. The Elohim spirit is just one small item.

E: But they're inserted through sodomy, as well?

M: Yes. I think the spirit called Elohim in people who have gone through Masonic ceremonies enters with sodomy.

E: But the word Elohim in the Old Testament is actually a good word --

M: Not always, because the word means "spirit." I think if you check the original, when Samuel came up, the witch of Endor said she saw the Elohim coming up. So she saw the spirit coming up, not God Almighty. In the occult world, they have many Elohim. Why do you think that Wicca's magic circle has the name Elohim and Adonai? Do you think that's God Almighty? I don't think so.

E: So they may have spirits that are stand-ins for other --

M: Basically, the sodomy spirits would call themselves the I AM spirits. When you have someone who has a sodomy spirit, that sodomy spirit claims to be God. So then it's just the next step to use the names that we associate with God. Mormonism says that Elohim had sex with Mary to birth Jesus. Do you think that was Almighty God? I don't think so. Joseph Smith was a peepstone gazer; he had the third eye open. He was a

molester, had been a Mason and copied Masonic ceremonies for the Temple ceremonies.

E: From what you have learned from the people you have deprogrammed -- you don't like that word, do you?

M: You can use the word deprogramming, but it is used in circles that are not Christian, and basically a lot of what they call deprogramming is reprogramming. I like to think of it as changing a mindset. But go ahead and ask your question.

E: I'm trying to establish a relationship between the Illuminati and Freemasons.

M: Okay. In the true sense of the word, Illuminati is a class of people that have illumination in common. In the political sense, you might have people who have joined an organization called the Illuminati -- like being a Democrat or a Republican. But in the true sense of the word, the Illuminati refers to enlightened or illuminated ones.

E: And they can be from any brotherhood or organization?

M: Yes.

E: And they have gone through some sort of initiation for that?

M: In a spiritual sense, they have been illuminated or initiated into the illumination of Lucifer. The initiation into the light of Lucifer is achieved by sodomy of the three year old. However, if that person does not follow through, he can become a dud -- he doesn't go anywhere, so he hasn't really risen to any rank within the movement of the body of the Illuminati. They have certain degrees associated with being a high-level Illuminati -- you wouldn't get there simply by being initiated as a three year old. The initiation of the three year old is the beginning requirement of someday rising up into the ranks of a group that is considered to be the Illuminati. A lot of people think of the Illuminati as being a political group of people, but in another sense it's a brotherhood of sodomites that's like family.

E: When you say 'like family,' are some blood related and most not?

M: I'm saying sodomites feel a family bond, whether related or not.

E: Sodomites -- Illuminati or otherwise. Is sodomy ritually continued after three years old?

M: Let me try to explain it this way. Who is the Bride of Christ or who is the Church? Everybody who is truly born again is in the kingdom or family of God, right?

E: Uh-huh.

M: That is THE Church, right? But then you've got Methodists, Baptists, Nazarenes and all these different groups. The Illuminati is Lucifer's church, the mystical body of Satan.

E: Is sodomy like communion for them?

M: No, sodomy is like being born again.

E: Do they do it over and over?

M: Yes, but especially in intense programming, like Monarch or mind control programming, sodomy is used over and over and over. Those who have programmers or keepers, they're using sodomy all the time to keep the person in line.

E: Is sodomy a threat or is it pleasurable to the sodomized?

M: Those who have been programmed have a locked-in three-year-old mindset which is the core of the programming. Say they're eighteen or twenty years old and somebody comes up and knows the signal or says the code word to call out the three-year-old core. The person then goes into the three-year-old state to be sodomized, then the sodomites program into their minds what they want to program in, and when that person

wakes up they probably don't even remember that anything happened. Basically, a person reverts back to the three year old to be a total victim to the sodomy.

There are many ramifications of this. If you read the book by Cathy O'Brien, she says that a high-level politician gave her messages to take to the King of Saudi Arabia. The politician would access her sex alter, repeat the message, bring her out of that sex alter, ship her overseas, and when she got there the King would access her sex alter and get the message word for word from the high-level politician and return an answer. That basically is a picture -- she didn't say it was sodomy but that's what they do. Sodomy puts them into a trance where you can program in directly to the subconscious memory file without any interference of the conscious mind. Sodomy is what puts the person into that state where you can do it. They might even get them so highly programmed that they can just say the word or repeat the code.

E: Can you use sodomy for programming after childhood?

M: You can program a 50-year-old person with sodomy.

E: But would you have had to have done it at least once when they were small?

M: To get a mind control slave, yes. You can't take a 20-year-old person and make a mind control slave out of them by waiting until they're 20 years old to do it. To program them like TV and movies do -- you could not make a Monarch programmed person if you hadn't started with them as a child.

E: Have victims actually used the word Monarch to describe their programming?

M: One of the people I worked with came up with the idea that the wings of the monarch butterfly are actually the pelvic skeletal shape. Then if you add sodomy, you add the abdomen of the butterfly. The other thing about Monarch would be that these people are told they are royalty or "chosen ones," given that a lot of bloodline families in power in the United States claim to be descendants of European royalty or descendants of monarchs. You could look at it that way. I say that Monarch programming is basically sodomy programming.

Some people are being kept in bondage by sodomizing themselves -- [Here the telephone turns into static that takes several minutes to rectify.] -- sodomy is used to re-boot the computer and reactivate the programming.

E: Do you think this is at all behind the big push to accept homosexuality as normal?

M: Of course.

E: Do you think all homosexuals are sodomized early?

M: I don't think that very many homosexuals become homosexual without being sexually abused early. They may not all have been sodomized, but a large portion were.

As far as religions go, Catholics and Masons are at the top of the list. It's possible that the Catholic hierarchy may even have an unofficial doctrine to sodomize three year olds so as to bind them to the Church. They say, "Give us a child until he's five and he'll always be Catholic," but they don't start any religious training with the children until they're five. I recently freed a guy who was sodomized by a priest when he was probably three and then at thirteen was put in Boys Town in Nebraska, and the priest there would take him into a room, lock the doors, and make him do whatever he wanted him to do. A first-hand witness of the corruption at Boys Town.

E: What about Skull and Bones, Scroll and Key -- fraternities of elite sons -- do you suppose they're using sodomy as well to make deep bonds for the sake of money and power in the families?

M: I can't imagine they haven't. What is Skull and Bones anyway but the order of death? Why are they

doing things connected with the dead? Sodomy is the biggest occult power source there is, so how did they get their power without it? I was not there, I was never invited to go there, I could not have gone there because I was never a victim of sodomy as a child. Now, the Masons do recruit people who are innocent bystanders just for the image and the dues. But the real driving force of the Masons are the sodomites, just check the de Molay thing.

E: Tell me a little more about the deep bond that forms among men because of sodomy.

M: Let me tell you a little story. I have been trying to help a woman for the last five years to get free of the bondage and victimization that began when she was a child. She was married to a guy who's wealthy and works for Nike, and is also a cross-dresser. I even met with the cross-dresser and uncovered that his grandpa was a Mason who treated him like a little girl and sodomized him. This was from his mind, not mine -- but he didn't want to believe it and get right. They have four children, and she's been sitting there with the damage to the children.

She'd been trying to get something to pin on him, like his pornography on the internet, but he always lied his way out of everything. I called her out of the blue the other day and she had filed for divorce but still didn't

have anything on him. So I said, “Do you suppose you might have a spirit of his, like the Strong Man?” So I checked it out and the answer that came from her mind was that the spirit of her husband had entered her on her wedding night by sodomy. All she can remember is that the wedding night was a bad night. I cast it out. She had a bright red rash on her when we were talking about this, but when I cast out the Strong Man spirit with her husband’s name, put in with sodomy, within minutes the rash was completely gone.

Within the week, she happened to be at her husband’s new house where the daughter was, and the daughter said, “Let me show you something.” They went into a big walk-in closet where there was a suitcase with another locked suitcase in it. The daughter got the key, opened up the little suitcase, and there were women’s paraphernalia, lingerie, even the tool to sodomize himself. She could not find any evidence on that guy until I got rid of that spirit of sodomy from him. Her eyes and the daughter’s eyes were opened.

Sodomy has a spiritual component in it that is far more sinister than anybody recognizes. It is the most underrated evil power to the general public. But to the people who are in the know, they know that this is the ultimate rebellion against God Himself. This is what they hope to use to gain the whole human race for their side and defeat God Himself.

E: I'm convinced you're right that for both mind control and male bonds of power, sodomy is somehow key. What about another brotherhood, the Special Forces -- Navy SEALs, Green Berets -- elite cadres?

M: From what I can gather, I believe they are chosen because the men start out as victims as three year olds. I worked to help get a guy free whose mother ran a topless bar down in California and he had a tremendous internal rage. He didn't do very well in school and he had his problems with drugs, but a guy came along and got him a full ride of four years at West Point. He should never have gotten in there. He went in on a football scholarship, but when they got him in there they switched him to a boxing scholarship because when he got into boxing, the rage could be turned on. He heard that some of the initiations coming up in the second West Point year included sodomy. I don't know that they subjected him to sodomy, but he quit before he went more than one year.

Just like in war, where traumatic things happen that soldiers can't remember, this is what sodomy does to the child. The denial system that kicks in produces at least in some people the ability to compartmentalize. When you compartmentalize, you can be in a certain compartment of your mind without detracting from other compartments of your mind. If you're in the pure rage

compartment, you don't have any kindness or love diluting it.

E: So in the profiling that the military might use in order to find a man who fits the untapped rage pattern --

M: I could make a profile! I could take a few victims that are healed and sit them down beside me and we could bring the people through an interview and we could profile them.

E: Why do I think this programming through sodomy acts so much more powerfully on males than on females?

M: It doesn't, but males and females are different. Females are best for becoming programmed computers or human recorders. Most women are more capable of creating multiple personality systems because of the way their minds work. But the fact is that men are more aggressive, so the percentage of women who are sodomized and become perpetrators is far lower than the percentage of men who become perpetrators. They're all victims to start with, but women just go on being victims, they don't tend to turn into perpetrators themselves. I've worked with men who did not become perpetrators and remained victims, just like the women; and I've seen evidence of women who became perpetrators. Witches are perpetrators and just like men,

they're molesters. I've worked with people who had women sodomizing them with objects, molesting children. But the percentage is lower with women than it is men. A higher percentage of men will transition from victim to perpetrator. And I'm convinced that there are some men who compartmentalize in such a way that they do not on the average remember acts of molesting; they will only remember if they get into that compartment. Otherwise, they have amnesiac barriers between the different compartments of their minds. Women are that way, too. A perpetrator with an amnesiac barrier is a sad, sad case because they can switch into that compartment and go out and molest, then switch out and not remember. This is the kind of person they use in Special Forces for their assassination teams because they can activate the hidden compartment that has been programmed for assassination and send them out on a mission. A man who claimed to have been in the South African Special Forces told me of two cases where he was sent to assassinate, one in a national park in South Africa, and another in London.

E: So sodomy doesn't need to be used; the trigger word can just be used to activate that compartment.

M: I don't know. I think that they could use sodomy and make them forget the whole thing. People have been sodomized and they couldn't remember for three or six months after it had happened. We didn't know what was

wrong with them, and then later found out somebody took them out and sodomized them.

Sodomy is a spiritual thing. Let's say Ben sodomizes either a man or woman. When he does that, that person has a spirit by the name of Ben that changes the way that person relates to things. This can even be as an adult. You can't put the Legion mindset in when they're 40 years old, but you can put Ben in when they're 40 years old and it will change the way that person thinks. I've had different women who separated from abusive husbands and for some reason couldn't break loose of the soul tie to their husband, but when we cast out the sodomy spirit by their husband's name, their feelings about their ex-husbands changed. The most classic example is the lady who had slept with her husband before they were married, committed adultery at 40 years of age, and when I commanded the Strong Man to give its name it was her husband's name that entered at 40 when he sodomized her. That spirit of sodomy was more damaging to her than the spirit of adultery or fornication.

E: What is the relationship between sodomy and the House of the Strong Man?

M: If a person is sodomized, the Strong Man spirit that Jesus spoke of will be the spirit of the sodomy. It's actually an unclean spirit and a familiar spirit with the

name of the person who did the sodomy. So when you sodomize a three year old, you build the doll house with the three year old trapped inside, and every time that person is sodomized from that point on a Strong Man enters. So let's just say Joseph sodomized the child -- now Joseph and the three-year-old child are in the house locked in the core of the mind. Along comes Jack and sodomizes the girl later -- now, there's Joseph, the child, and Jack. Then comes Ben later, then comes Sterling, then comes Red, then comes this guy and that guy -- you've got a whole legion of sodomites and every one of them has a name, which means that you've got many spirits of the sodomites in the House of Joseph the Strong Man, the original sodomizer.

E: You're being literal when you say spirit -- that the dissociation that creates multiples is the entry of one spirit after another.

M: Well, some people would like to say that multiple personalities are not spirits. I would like to say that the whole multiple mindset is a demonic mindset, basically a Legion-style mindset of many, the same as the man in Mark 5 said: "My name is Legion, for we are many," and Jesus released them all at once. For the benefit of anybody who was looking on, two thousand pigs went crazy and drowned while the man was again clothed and in his right mind. So basically all of his legion of spirits, multiple personalities, or anything you want to call

them, all were gone and his mind was right. The whole multiple mindset is a wrong mindset. It's a fantasy world mindset.

E: But it's not necessarily possession by demonic spirits?

M: If you got rid of every demon that multiple personality people have, they would no longer be multiple.

E: So therapists who allow certain helpers or child alters to remain, they're not doing a service to the person?

M: The person can't get free as long as they have any of that left because their mind is not working like God intended it to work.

E: So with each sodomy the House of the Strong Man gets stronger and stronger?

M: That's right.

E: With a believer who can accept that Jesus Christ can deliver them all at once, you have been able to free people from the House of the Strong Man?

M: I've had it happen on quite a number of occasions, not every time. There's some times that I never did get them to leave.

E: With non-believers or believers as well?

M: Well, people who said they were believers. But it's possible to have a compartment of your mind that's a believer and another compartment that is a sodomite. So what are you? A lot of people do not believe me when I say that you can cast out the Strong Man, the child, and all of the multiple system at once. But I've done it, by the grace of God -- Jesus did it, and others have done it. So why would I spend my time with some lesser kind of benefit if I already know that the ultimate goal is to achieve what I just described?

I had a man once who was crazy. He had worked for twelve years to try to get free but was ready to kill his wife. He couldn't work, his marriage was on the rocks, he was at the point of being committed. Somebody told him about me and I finally found a spot for him to come. I didn't know anything about him. I met with him one day, uncovered that Joseph was the Strong Man, that he was Rothschild bloodline and they had used him as a male prostitute, sodomized him as a boy in rituals to get the power of the bloodline. I cast the whole thing out in one day. He didn't talk to me again for two years. He got well, he's still well. Two years later he and his wife came and told me the good things that had happened. He went to his 6,000-member church to give his testimony of getting well and they wouldn't even let him use my name because they had believed negative propaganda

about me. He could give his testimony but all he could say was he met with a man -- couldn't use my name. I asked him, "What'd I do different from the rest?" He said, "They went after the stronghold, you went after the Strong Man."

E: When you find out that the name of the Strong Man is Joseph, are you thinking it's Mengele?

M: No. Joseph Mengele was THE biggest Joseph in the last half of the 20th century, but the name Joseph came out of the Jesuits and has been around since the 1500's. It started with devotion to the husband of Mary, whom they call St. Joseph, and it became a symbol of the father of this system, the sodomizing father that cares for his children. When a man sodomizes a child at three, the child bonds to that man as if he were their father, and when he's a man of the cloth, of the Church, the child bonds to the Church, too. This sodomy thing has been around for hundreds of years. Ignatius Loyola, founder of the Jesuits, was a Catholic mystic; he had to have been a sodomized one. He was the guy who headed up the Inquisition to persecute those who didn't adhere to the tenets of the Catholic faith. Terribly cruel! How could you be that cruel if you didn't have the sodomy rage? The torture they put people through! Later, Joseph Mengele developed the programming and brought it up to another level. He was a Catholic alter boy. I think he

was also a Rothschild and a Jesuit. The founder of the Illuminati was Adam Weishaupt, trained as a Jesuit.

E: Sodomy stands behind multiplicity --

M: I haven't found anybody who was just sexually fondled and became multiple, and I've never found anybody who went through occult rituals without sodomy. So I can't tell you whether being put through a sacrifice ritual without sodomy makes a multiple. People are trying to say that would be the case -- that the ritual murders and sacrifices are traumatic enough to produce MPD -- but I've never found a case out there that only had sacrifice. They've always had the sodomy. They don't always remember it, but when push comes to shove, they've got the symptoms. The occult groups know -- and they think all Christians are stupid and can't catch on -- they know that sodomy is required to achieve what they want to achieve.

If you check this thing out, you'll find that all the idolatry going clear back to the days of the children of Israel in Egypt have sodomy in it. Jesus said:

And as it was in the days of Noah, so shall it be also in the days of the Son of man. They did eat, they drank, they married wives, they were given in marriage, until the day that Noah entered into the ark, and the flood came and destroyed them all. Likewise also as it was in

the days of Lot: they did eat, they drank, they bought, they sold, they planted, they built; but the same day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all. Even thus shall it be in the day when the Son of man is revealed. (Luke 17:26-30, KJV)

Nothing wrong with marrying, buying and selling; every civilization does it. What's the common denominator of these three times? We have more sodomy now out in the open than we've ever had. Lot was in Sodom -- that's where the word sodomy comes from. It meant anal sex, or as they're calling it now anal intercourse. What other kind of sex do you think they could produce on those angels that they tried to break the door down to get to? They wanted to get their supernatural power. The belief in the occult world is if you could sodomize God, you'd get God's power. You become as gods through sodomy; that's the way the Greek gods became gods. Alexander the Great was a great sodomizer and his Greek army was the most fierce. Hitler tried to pattern his SS and military after the Greek warriors using sodomy. When you put that all together, the civilizations that God wiped out boiled down to the practice of sodomy.

By the way, I've found that a lot of people's hemorrhoid problems came from their sodomy.

E: So sodomy is a lot more common than people give it credit for.

M: Now they're putting sodomy pornography on the internet. I met a lady who had a web cam set up in her home for the internet and would sodomize herself in the nude for the guys out there to watch. She had been a church secretary.

E: Is sodomy the connecting link between satanism, Freemasonry, and other groups, including Jesuits?

M: You remember Aleister Crowley. He was a 33rd degree Mason. I talked to Bill Schnoebelen one time and asked him, "Where did the Masons get the sodomy?" and he said, "It came by Aleister Crowley from black magic Hinduism." Well, that isn't the only place it came from.

E: Have you run across more satanic stuff now? It seems rife, or has it always been around about the same amount?

M: As far as American society is concerned, it's increasing. As far as Masonry and a certain element they call Black Masonry, it's been around all the time. I don't use the term Satanism quite as much because the Masons would be more Luciferian rather than Satanist.

E: What is the difference between Satan and Lucifer?

M: Same person, but Jesus said Satan comes either as an angel of light or as a roaring lion. Satanism is the roaring lion principle, Luciferianism is the angel of light principle. Basically, in Masonry the white and black checkered floor is the light and dark balancing factor.

In the Bible, sodomy is translated as “uncleanness.” In Job 36:13-14, it says that hypocrites in heart die young and live among the unclean. If you take what’s in the margin of the King James or New King James and re-read the verse, it would read like this: The hypocrites in heart, their souls die and they live amongst the sodomites. Sodomy kills the soul, destroys the soul. Romans 1 describes the route to having a reprobate mind. It’s a progression:

Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves...

And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness, full of envy, murder, debate, deceit, malignity: whisperers,

Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents,

Without understanding, covenant-breakers, without natural affection, implacable, unmerciful:

Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them. (Rom. 1:24, 28-32, KJ)

So all kinds of things happen when they go into perversion.

E: People talk about aliens. What is their relationship with demons?

M: I had a guy working for me whose brother-in-law works at Area 51. Top secret, can't talk. This guy who worked for me asked his brother-in-law, "What about the alien thing?" He said, "The Stealth bomber is our most advanced technology that the American public is aware of and it was developed 30 years ago. What do you think they have now?"

I think the alien thing is a cover scheme made up by these Area 51 people. The second thing I notice is that most of the people who believe in aliens say that their first abduction occurred around three years of age. There are so many similarities to occult ritual abuse that --

Whenever you put together sodomy and ritual abuse, the demons are going to be layered in. They give you a new mindset at three years of age, the fantasy world. This is what the whole alien thing is all about. There's no such thing as aliens from other planets. There's demons.

E: How do you picture where demons live?

M: The demon is a figment of your mind, it lives in your mind.

E: Is its origin in your mind as well?

M: You take a three-year-old child, untouched. Somebody sodomizes the child, the guy's name is Joe. Now, all of a sudden the child has a sodomy demon called Joseph riding with him. That thing was conceived or reproduced from the Joseph demon that the man had who sodomized that child. Where'd it come from? It was birthed in the child's mind by the act. It didn't have to come from anywhere; it just was birthed, reproduced right there. The child was given a copy. Joe is like a copy machine that can reproduce another copy. I don't feel all demons are that way, but that kind are. They don't live in the bloodstream, they don't live in the genes; they live in the mind.

E: Is sodomy worse than incest?

M: A lot of the incest that's occurring is sodomy. I've heard that in Mexico Mexican fathers sodomize their daughters to be able to control them and bond them to the family, but they don't give them vaginal sex so they can preserve them as virgins for their husbands. What a crock of bull! I'm convinced that Muslim hatred for non-Muslims comes from sodomy. Their rage has to come from sodomy.

E: I've heard that sodomy is rampant among Muslims, but I thought it was because of the laws that support revenge against men who make advances on women -- that this Muslim law is what makes them turn to boys. But you think it's more than that?

M: Of course. Why would any normal man turn to boys? Even with those laws, I wouldn't turn to boys.

E: So men are conditioned because they're sodomized as children?

M: I think so. One guy I know knew a Saudi who said that over there women are for children and men are for love. The violence and hatred in that kind of stuff is produced by sodomy; it produces the internal rage.

The massive buildup of Star Wars-type technology way beyond anything that they're using for international policing is being developed in order to defeat Jesus

Christ so the sodomites can take over the world. Satan can't do it, so he's using men to come up with the idea to try and do it. I know that what I'm saying is tremendously radical, but in the end the Lord Jesus Christ will win (Revelations 19 and 20).

1. Key of David: The Illuminati claim sodomy is the Key of David and they use this scripture to prove it: "I will lay the key of the house of David on his shoulder; what he opens no man shall shut, and what he shuts no man shall open. He shall be a seat of honour for his father's family; I will fasten him firmly in place like a peg. On him shall hang all the weight of the family, down to the lowest dregs -- all the little vessels, both bowls and pots. On that day, says the Lord of Hosts, the peg which was firmly fastened in its place shall be removed; it shall be hacked out and shall fall, and the load of things hanging on it shall be destroyed. The Lord has spoken." (Isaiah 22:22-25)

**Removing the many Trauma-
Formed Subpersonality
Superegos and Revealing the
One Powerful Soul Infused
Personality Ego You!**

What the history of trauma teaches us is that the ego of the Soul, the One Soul Infused powerful Personality is good and the many trauma-formed Subpersonality superegos are overrated, indeed evil. At some time in the distant past, the development of the many trauma-formed Subpersonality superegos were certainly a necessity, to facilitate civilization.

They teach to switch from subpersonality to subpersonality on management courses where they talk about having many hats, and you switch hats, switch subpersonalities, easily.

But the many trauma-formed Subpersonality superegos are now hypertrophied, they are evil, they do not connect with the Soul or with God, and threaten to snuff out the One Powerful Soul Personality Ego altogether. Which is of course fine with the Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats who promote the split mind of Jung's Evil Shadow, the many trauma-formed Subpersonality superego You.

The Energy Enhancement Level 2 Seven Step Process to remove Energy Blockages by Purifying them then Integrating them with the Soul to create ONE Soul Infused Personality creating Spiritual Insight – combined with psychological knowledge Energy Enhancement is THE complete way of processing and

integrating your Shadow - Jung's Evil Shadow, the many trauma-formed Subpersonality superego You - into wholeness.

The Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats would love it if your One powerful Soul Personality Ego died, since you would no longer be able to say no to anything. You would be utterly bluffable, since you would have no will of your own. You would rely on them for every decision. You wouldn't have to be censored because you would always censor yourself.

We saw how much use that was to the Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats during Covid, when they found fifty million people ready to police themselves and one another, upon only a suggestion from the TV. That was the machine at work.

So if you want to step beyond that, you see the Path.

It is a Path away from media and society and the many trauma-formed Subpersonality superegos, and a path toward the One powerful Soul Personality Ego.

This Path, "There is a Path" is what has been called the Path of Enlightenment for thousands of years before the Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats stole the word.

By that I don't mean you should practice being a belligerent asshole, certain you are right about everything. The One Powerful Soul Personality Ego is Strong with many lifetimes of experience - there is a difference between being egoistic and being egotistic. You do have to start by assuming you know yourself better than anyone else could—how could you not? You have to consider the possibility that you don't need anyone to tell you what to do next.

The One Powerful Soul Personality Ego trusts it's inner promptings and realizes they are more trustworthy than anything else or anyone else you are likely to meet. You don't need to wait until you have had thirty or forty or fifty years of bad experiences trusting other people to quit doing it. If anyone gets in your face uninvited, tell them to fuck off, even if they are famous, rich, promoted, degreed, or titled.

The One Powerful Soul Personality Ego is Never bluffed by anyone. Never does anything “just because”, or because other people are doing it, or because the TV told you to. You don't have to do anything, ever, and remember that. Even with a gun to your head you are still free to say no. And if the person has to put a gun to your head to get you to say yes, you should definitely say no.

But don't worry, because the odds are it will never come to that. I have discovered that almost everything in this world is a bluff. Certainly anything you can be told by the TV is a bluff or a lie, so ignore all that on principle. And when you come up against a Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrat Family scion like Siskel or Ebert, telling you you are crap, let that pass over you like the wind it is.

The One Powerful Soul Personality Ego Questions everything, especially the credentials of anyone trying to

convince you of anything or sell you anything. Who is this person? Where did they come from? Is their bio impressive? Is it believable? Has it been confirmed, or is it just another tale from the cryptos?

This, more than anything else, is what has allowed me to proceed. It has allowed me to climb over walls no one thought passable. I trespass wherever I like and don't ask permission. Remember, I got arrested for climbing the wall at Windsor Castle in my 20s, so that is who I have always been. I have never had much concern for how others see me, since I have always known they are blind.

Their disabilities are their own concern; they are not my problem. I always thought they should be more concerned with how I see them, since I am the one with better judgment. They weren't, of course, but again that was their problem. If they didn't want to learn from me, they could get stuffed. That was my original response as a child to other people, and it still is. And, as it turns out, most of them have gotten stuffed in the meantime. When I meet people from the old days, I find they have stuffed and mounted themselves on some wall, like a brick or the head of a Rhino. While I have continued to trespass wherever I liked, they have built their own little jails and locked themselves inside.

"The review for which you've all been waiting. The Dark Herald reviews The Lord of the Rings: The Rings of Power for Arkhaven.

You would have to have had the hubris of Morgoth himself to take on this project.

As a writer, I would have been terrified of it. If the producers had come to me to finish the Unfinished Tales by Tolkien plus some original pastiche based on the Appendixes, I would have told them. “Look, I’ll require two years prep time before I write word one. I’ll need to completely immerse myself in Tolkien’s work to the exclusion of all else. Then I have to spend a lot of time with Tom Shippey and other scholars, plus a Catholic priest with three doctorates who is really into JRR’s work. And at the end of the day, it still won’t be Tolkien, just so you know.”

Who would take this on? Bad Reboot that’s who.

The inarticulate slaughterer of every franchise where they press diseased foot is their bread and butter. Their mode of operation is now predictably obvious. Being completely incapable of creativity themselves, they select anything at all that might have an audience, invade and metastasize, then give it a Bad Reboot treatment. This consists of a Feminist Heroine's Journey combined with a bunch of mystery boxes to lure foolish audiences along. Be sure to break the bank on flashy effects scenes.

I spent some time in sales, so I can see what Jar Jar Abrams's school of non-writing is. It is sales technique disguised as writing. That's it. That is all that the Abrams Mystery Box school really is. It's just a hook with nothing attached to the hook but the next hook. It's just one long sales pitch trying to keep you watching despite the fact that there is in fact nothing to watch.

Let me assure you now, there is nothing to watch here."

Except the story of the eternal fight against Sauron, a demon of the Ancient deep who is immortal, who lives forever, who even from time to time lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur,

...and who wants to come back into a body to rule eternally by corrupting and perverting the creations of God, very much like the android creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant".

Very much like Satan or Lucifer are Demons, thrown out of Heaven by God, to live eternally as the "Ancient Enemy" the spiritual energy food of all humanity demanded by these Demons so they can continue to live eternally, out of the body is pain and blood!

Very much like the Infil-Traitor Satanic Phoenician Mega Trillionaires worship the Sacred Calf, the Sacred Bull, BAAL, who demands the Satanic Ritual death of babies roasting in front of him in the Eternal Fires.

Scientists, archeologists have noticed that in various Empires a Priest Class was formed who always when

they started taking hallucinogens opened the Hell Portal and got in touch with Demons, entities living outside the body who in return for knowledge demanded blood and pain. The best human sacrifice being the firstborn, a young boy.

The Capacocha, Human Sacrifices in the Inca Empire. Human sacrifices have been practiced for thousands of years dedicated to Demon Gods living out of the body by many cultures in the world, including the Chinese, Carthaginians, Celts, and ancient Hawaiian cultures.

It is also known of human sacrifices in indigenous peoples and cultures of pre-Columbian America, such as the Olmecs, Teotihuacans, Mayans, Toltecs, Aztecs, Muiscas, Mochicas, and Incas.

The Aztecs claimed that they sacrificed 84,000 people over a period of four days. During the reign of the Aztecs, an estimated 250,000 people were sacrificed across Mexico during an average year. The bodies of the sacrificed were often cannibalistically baked with corn and shared among the priests for a feast and sold on as Sacred meat.

One of the most disturbing Aztec festivals was called Tlacaxipehualiztli (“The Festival of the Flaying of Men”). This was a ceremony dedicated to the Aztec god Xipe Totec, whose name means “The Flayed One.”

During The Festival of the Flaying of Men, some men were given the chance to defend themselves. To live, though, they had to defeat the greatest Aztec champions

in armed combat—and the odds were not even. Tlaloc was the god of rain and lightning—and he demanded children.

The point is that Satan and Lucifer were thrown out of Heaven and thus have been cut off from the energy of God. The Demons demand pain and death so as to harvest the spiritual energy of the suffering and the death so they can continue to live eternally, out of the body. Sexual ritual to harvest the spiritual energy of the orgasm. Drug ritual to harvest the energy of the drug induced burning of the candle at both ends.

These Satan and Lucifer Demons and others like them have taught the spiritual meditational technology - Satanic Rituals - of how to leave the body and live eternally in private universes on the astral plane by cutting off from the energies of God and vampirising humanity for their energy - and this has been going on for thousands of years.

These Demons and others like them have taught the spiritual meditational technology of how to take over and possess people during Satanic Rituals designed for that purpose. Some people suggest that the heads of each Infil-Traitor Satanic Phoenician Mega Trillionaire Royal or Aristocratic family are such downloaded demons sent down from time to time from their private universes on the Astral plane to manage their World plantation.

Because in order to live forever they need to cut themselves off from God, they need to close down their Hearts, their whole life cycle so they can continue to live eternally, out of the body depends on the harvesting of spiritual energy from their human cattle. In the same way the Masai live by drinking the blood of their cattle, the Infil-Traitor Satanic Phoenician Mega Trillionaires are minions kept in order by Satanic Rituals to manage the human population by Dumbing them down.

The main method of retaining control, so as to steal their energy, of dumbing down the human population is poison. As well as the 10,000 year Principle of Poverty, the poisonous fluoride in the water, the poisonous chemtrails in the air, the poisonous pesticides and GMO in the food, the poisonous Deathvaxx, and the poisonous lies of their fake Politicians and fake media are the weapons which the Infil-Traitor Satanic Phoenician Mega Trillionaires use to Dumb Down aspirational populations in order to maintain their control.

But also humanity is Dumbed down and weakened by corruption and perversion. Blackmail, corruption by accepting the shilling of being bought off or just accepting wages working for the Corporations of the Infil-Traitor Satanic Phoenician Mega Trillionaires.

Feminists, Trannies, Communists, Fascists, Economists are all corrupted by low level lies created to deceive.

Fabulous created lies of the Satanic Phoenician Mega Trillionaires for people who do not understand that Satanic Phoenician Mega Trillionaires are the creations of people who live out of the body like Sauron who are the top of the hierarchy which need to be removed..

Transhumanism proposes the ability to upload consciousness into objects like computers and to download that consciousness into bodies so as to live eternally, immortally, for ever is one of the ways billionaires are offered immortality by Satanic Phoenician Mega Trillionaires are the creations of people who live out of the body like Sauron - but they are all deceived!

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join their Illuminati secret societies. Secretive groups like the Jesuits, 33rd Degree Masons and the Palladian sexual ritual also show the management structure of the elite.

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join Aleister Crowley's OTO and it's Dog Priest homosexual rituals and Whore of Babalon sexual rituals based on the absorption of demons, being

taken over by Demons, through sexual congress with demon possessed prostitutes.

The ability to live immortally is the sweetie Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron offer to the billionaires to importune them to join Jeffrey Epstein's farming of underage boys and girls to service high level Pedophile Elite's Sexual Rituals and Human Sacrifice Rituals as well as to induct high level minions into the World management structure by proving how bad they are by blackmail through videoing them murdering children - very much how the Mafia test their applicants through asking them to murder someone and so, "make their bones".

So when the Dark Lord - probably someone who wants to join the Infil-Traitor Satanic Phoenician Mega Trillionaires and the people who live out of the body like Sauron - says, "Let me assure you now, there is nothing to watch here".

You need to understand that the core of Tolkien's story is the Real! Eternal! Fight! against Sauron, a demon of the Ancient Deep who lives out of the body, because he was thrown out of the body by having the One Ring cut off his finger by Isildur, and who wants to come back into a body to rule eternally by corrupting and perverting the creations of God, very much like the android

creating monstrosities out of human DNA in Ridley Scott's "Alien Covenant" so he can steal their energy.

- The Great Reset to bring in World Totalitarianism, Financial collapse, poverty, fake Global Warming to increase energy prices and fertilizer prices for starvation, Bug protein, Social Credit Score, Scamdemic Covid and DEATHVAX™, the censorship of botfake Twitter, Facebook and Google.

An eternal age of darkness covering the whole planet!

Everything else in the story is secondary.

In the Real! Eternal! Fight! against Sauron, a demon of the Ancient Deep who lives out of the body, the homosexual holding the sword on my left and the transsexual holding the battle rifle on my right are my brothers and sisters!

Tolkien Knew about the Satanic Phoenician Mega Trillionaires

It's easy to understand why the Satanic Phoenician Mega Trillionaires hate Tolkien so much and why they want to destroy his legacy. He knew. He absolutely knew. He knew about them, their evil, and the source of that evil, as evidenced by the Dark Herald's review of the third episode of The Rangz:

So, we arrive at Númenor. For those of you who aren't familiar with legendarium, Númenor is Atlantis. That's it in a nutshell. After its fall, the Elves started calling it Atalantë. Just in case there was any doubt in your mind. I'm actually going to have to give a quick history of

Númenor, so skip the next couple of paragraphs if you are easily bored by history.

The Men who sided with the Valar during the War of Wrath got a nice off-the-cuff from the gods. An island kingdom flowing with bounty and whatnot. And the Men were happy. For a while. However, a division rose up; there were those who remained loyal to the Valar and accepted Iluvater's gift of death, they thought Elves were super cool too. But the vast majority of the Númenorians resented the Elves' immortality and wanted to be immortal themselves.

Just as today the Satanic Phoenician Mega Trillionaires seek immortality in Transhumanism, uploading into the machine, downloading into a new body, eternally as 10,000 years ago their Phoenician ancestors perfected the spiritual technology of leaving the body to live in private universes on the astral plane downloading in Satanic Ritual into Eton "whipping and fagging" prepared, destroyed, minds - easy to possess to become heads of the top Phoenician families to manage their human plantation. All they have to do is totally block their Heart Chakras and vampirise the spiritual energy of humanity. They have to maintain their control of humanity to do that

Sauron was captured by the Númenorians and was imprisoned but then like an evil Joseph worked his way

up to becoming the high advisor to the king. A cult of Morgoth was established complete with human sacrifice of the Elf Faithful humans with the goal of achieving immortality. Finally, the last king of Númenor launched an invasion of Valinor to steal immortality. Iluvatar Himself intervened and destroyed the entire fleet of Men by opening a chasm in the sea.

Then Númenor itself was sunk beneath the waves during a night of fire and whatever that will cost a lot to CG. The Elf Faithful escaped under the leadership of Elendil, who became their king and founded Gondor. Making Elendil, Aragorn's remote but direct ancestor. And yes, Elendil is the same king Sauron kills on the battlefield at the start of Jackson's Fellowship of the Ring.

Read this sentence again: A cult of Morgoth was established complete with human sacrifice of the Elf Faithful humans with the goal of achieving immortality.

Fascinating, is it not, that a high fantasy writer could foresee today's transhuman global technocrats in the 1940s? It's because their goals are no different than they were 10,000 years ago, back before the dawn of recorded human history: To be Satanic. To institute human sacrifice. To live forever. To be like God.

P.G. Wodehouse and British Empire Ritual Sodomy Band of Thebes Propagandised for Hitler, Propagandised for the Satanic Phoenician Mega Trillionaires

**Sir Pelham Grenville Wodehouse,

the most widely read humorists of the
20th century. His creations include the

Like 1984 George Orwell whose father ran the opium business for the Satanic Phoenician Mega Trillionaire British Empire in India, like Wodehouse he went to the all boys public school, Eton College, a public school in Eton, founded in 1440 by Henry VI. All boys, whipping and fagging to create a Homosexual Pedophilic "Band of Thebes" group designed to rule England and the British Empire. Eton is particularly well-known for its history, wealth, and notable alumni, called Old Etonians. Eton has educated prime ministers, world leaders, Nobel laureates, Academy Award and BAFTA award-winning

actors, and generations of the aristocracy, having been referred to as "the nurse of England's statesmen."

Similar to Orwell, Wodehouse, the third son of a British Empire magistrate based in Hong Kong went to another whipping and fagging, Homosexual Pedophilic "Band of Thebes" public school - Dulwich College is, similar to Eton, a public boarding school for boys. It began as the College of God's Gift, founded in 1619 by Elizabethan "actor" Edward Alleyn. Notable Old Alleynians include notable statesmen and propagandists, Sir Ernest Shackleton, Sir P G Wodehouse, propagandist Raymond Chandler, Satanic Phoenician Mega Trillionaire Sir Edward George Baron George GBE PC DL was Governor of the Bank of England from 1993 to 2003 and sat on the board of NM Rothschild and Sons, Bob Monkhouse, Michael Ondaatje, Chiwetel Ejiofor, politician and broadcaster Nigel Farage, the cricketer Trevor Bailey, and propagandist C. S. Forester.

The Sacred Band of Thebes (Ancient Greek: Hierós Lókhos) was a particularly effective troop of select soldiers, consisting of 150 pairs of male lovers which formed the elite force of the Theban army in the 4th century BC, ending Spartan domination. It is the speech of the character Phaedrus in Plato's Symposium referring to an "army of lovers" that is most famously connected with the Sacred Band Pederasty: the institution of the man-boy relationship. This was comparable to the

medieval knight-squire/apprentice pedagogic structure, but invariably involving sexual/parasexual relations.

“The belief in the occult world is if you could sodomize God, you’d get God’s power. You become as gods through sodomy; that’s the way the Greek gods became gods. Alexander the Great was a great sodomizer and his Greek army was the most fierce. Hitler tried to pattern his SS and military after the Greek warriors using sodomy. When you put that all together, the civilizations that God wiped out boiled down to the practice of sodomy.”

Deprogrammer Interview with Marion Knox: In the House of the Strongman, Sodomy is the Key - by Elana Freeland, here..

The drawing together of a "Band of Thebes" British Aristocracy was particularly prized and brought about by the public school system started by Henry VI in 1440 at Eton but franchised to all schools very quickly. A hidden world drawn together by Pedophilic homosexual warriors - the Heart of the Satanic British Empire - further, "Homosexuality follows Satanism like a stench"

Nicole Kidman: ‘Stanley Kubrick Said Pedophiles Run The World’

“Stanley told me the world is run by pedophiles,” Nicole Kidman said while promoting HBO’s *Big Little Lies*, in Los Angeles. “He studied secret societies his whole life, he was fascinated by them, and he said the elite, the top secret societies, they are full of men with a certain predilection. They are tied together, sort of bonded, by pedophilia like the “Pact of Blood” where the Mafia

entrants have to kill someone in order to join, these guys have to pedophile and human sacrifice like Epstein's Pedo Island and the Lolita Jet - "They all know each other's dark secrets. There is no way out for any of them. It's a lifetime bond. Even if one of them wanted to go straight, repent, so to speak, he can't. His peers will bring him down. They are in it until death, driving the world to ruin. That's kind of how Stanley explained it but it was all very complex. I'm probably not doing it justice."

Wodehouse was living in France when war broke out. He was taken prisoner when Germany invaded and sent to an internment camp in the German town of Tost, Upper Silesia. He described how, "as he was playing in a cricket match" on 21 June 1941, he was told to pack his bags and was put on a train to Berlin.

He was put up at the city's Adlon hotel, and was paid to make a series of broadcasts, mainly for American listeners, describing his life as an internee. He claimed he was motivated by gratitude over letters sent by fans from the US.

After the Berlin broadcasts Wodehouse and his wife, Ethel, moved to Paris, where they stayed at German expense at the Bristol hotel. It was there that he was interrogated by MI5 after the liberation of Paris.

How the cosy world of Bertie Wooster collided with harsh reality is revealed in MI5 files released at the National Archives. "I thought that people, hearing the talks, would admire me for having kept cheerful under difficult conditions," he said in a statement for MI5 in 1944.

The Wodehouse files are among a number released at the National Archives on people regarded by MI5 as potential "British renegades", including collaborators, stool pigeons and possible subversives.

John Amery, brother of the Tory MP Julian Amery and later executed for treason, had recommended him to the German secret services "as a person who might be useful as a propagandist".

A memo of a 1946 meeting between an MI5 officer and the then director of public prosecutions, Sir Theobald Mathew, reveals that his case was re-evaluated after the war. "The director said that he now takes the view that, if Wodehouse ever comes to this country, he should be prosecuted," the officer recorded.

Wodehouse moved to the US in 1945 and lived there until his death in 1975, aged 93.

After serving Hitler, Wodehouse spent the rest of his life Propagandising for the Satanic Phoenician Mega Trillionaires.

He did this by writing about the Venal Psychopathic Satanic Phoenician Mega Trillionaire Aristocracy as low IQ idiots called incredibly funny names like Bertie Wooster and Gussie Fink Nottle who were completely harmless and managed by a high IQ, brain the size of a planet commoner manservant called Jeeves.

In poking fun at the stupid, harmless aristocracy Wodehouse created the impression that the Satanic Phoenician Mega Trillionaire Rothschilds, Rockefellers and Astors were like that also.

BUT THEY'RE NOT!

It's hard for me to say this but Sacred Symbols, good symbols, or legominisms as Gurdjieff said where symbols of the past are designed to help us, inform us, provide a map whereby we can all cleave to the light, become Enlightened.

To re-enforce our psychic bodies, drink in the spiritual force in which we bathe daily, mostly without knowing it, to teach us how to become that which we were born to become and without which we will diminish and join the darkness because slaves say, "what choice do we have?" There is a sign within Christianity that most of us know nothing about. The Mandorla, also referred to as vesica piscis, was used during medieval Christianity. It is an ancient symbol of two circles coming together and overlapping one another to form an almond shape in the middle. The meaning of the Mandorla depicts the interactions and interdependence of the central spiritual sun and the shakti, kundalini center of the earth of connected worlds and forces of Enlightenment.

The symbol has its origins from the Kabbalah, before the Christian era. The early Catholics used the symbol as a way to describe the coming together of heaven and earth, between the divine and human.

Mandorla is the Italian word for almond. During medieval times, the almond was used as a symbol for the woman's vulva. In time, early Catholicism incorporated the Mandorla into many paintings and artwork of the time.

The following pictures demonstrate how Catholicism has used the Mandorla Vagina within its artwork symbolising the union of Heaven and Earth or Enlightenment this time with the Christ.

The Mandorla or Vesica Piscis is known both in the East and West. It has been used in false religions and in the secret societies. The Mandorla offers opposites, just as

esoteric and exoteric symbols offer opposite or unrelated meanings.

The Good version of Vesica Piscis is that of a circulation of Energies between Heaven and Earth, up the spine to heaven, down the front of the body into the center of the Earth like the Two Masonic Towers, Boaz and Jachin, were two copper, brass or bronze pillars which stood on the porch of Solomon's Temple, the first Temple in Jerusalem, representing the upward and downward flows of energy from heaven to earth but in Satanism, totally upside down, the two sides of the vagina.

The Black Stone of Mecca - Kaaba Stone

The Black Stone is a Muslim object of reverence, which according to Islamic tradition, dates back to the time of Adam and Eve. Many consider it to be a Tektite. It is the eastern cornerstone of the Kaaba, the ancient sacred

stone building towards which Muslims pray, in the center of the Grand Mosque in Mecca, Saudi Arabia.

When pilgrims circle the Kaaba as part of the Tawaf ritual of the Hajj, many of them try, if possible, to stop and kiss the Black Stone, emulating the kiss that it received from the Islamic prophet Muhammad. Researchers have noted that the Kaabah is accurately aligned on two heavenly phenomena - the cycles of the moon and the rising of Canopus, the brightest star after Sirius.

There are ways the Mandorla is being used in today's business logos and it has been used in movies, like The Lord of the Rings, the Eye of Sauron..

The Satanic Build Back Better World (B3W) is a deeply satanic concept, used in the Occult for generations..

3 or W or M symbolises the bottom.

33 represents the Vitruvian man.

The dot in the center of the circle represents the anus! If rotated a 3 is an M or a W and interchangeably and so on. Most Germanic auto logos are similarly occultic, satanic, like BMW, which is a rendition of B3W - 833.

B is an 8 which is two threes back to back. 1 is a penis - The lost Penis of Osiris.

Aces and Eights denote Intelligence services scams - false stories like Wild Bill Hickock's false death - it is their calling card.

It includes Volkswagen, whose logo is also a version of occultist da Vinci's Vitruvian Man.

Bottom on bottom, 8 or 33 represents the Vitruvian man. The occultist da Vinci's Vitruvian Man really depicts the buggery of the anterior man by the posterior man, the apex of Satanic Luciferian 33rd Degree masonry or final "Mystery of Mysteries" of the secret societies as explicated by Walter Veith (to open their "Third Eye."). The reign of the AntiChrist will be marked as the sodomite king of the world..

The Sodomite Gateway - Titanic's Tribute to the Vitruvian Man: From One Leonardo to Another! DiCaprio honors Da Vinci.

One of the iconic scenes from 1997 blockbuster film, Titanic, featured Leonardo DiCaprio at the bow of the ship. Shouting a memorable line, "I'm King of the World," he held out his arms like a bird catching the wind in its wings. There's an esoteric signal there and some epic irony as well. Note that there are two men at the bow, one behind the other. If you're familiar with the Vitruvian Man you'll recognize this scene as a dramatized version.

Those responsible for the scene understood several things about the classic drawing.

The so-called Vitruvian man is actually two men engaged in sodomy.

By having DiCaprio's character spread his wings, he demonstrates an understanding of the symbolic two headed eagle, another version of the very same sodomite engagement.

By having the character identify himself in this scene as the king of the world, he demonstrates his understanding of the eagle as the Satanic Phoenician Phoenix, the feathered or plumed serpent Amaru, aka Apollo, identities of the coming beast who will reign as the sodomite king of the world.

Note the 33 above the Crown.

Himmler was also the Head of the Jesuits who, “Give me the child before the age of five, and I will give you the man” - use sodomy to program their minions. Himmler created the Knights of the Holy Sea, Sea Seclorum, the SS, with the Permission of the Pope. He therefore used Sodomy to program the SS officers.

Samsung's Media Hub branding is a close match. Is it just me, or has Seymour Butts been promoted through the ranks of the design studios lately? :) The Hermes / Mercury mirroring is featured, even repeating in the reflection of the words media hub. M and W forms 33 - bottom on bottom just like Da Vinci's Vitruvian Man. This blue and white variant forms a big H for Horus in the middle, and it dots the “i” in “media” for a big Horus “i.” As common to many Mercury symbols, this one is elevated, hovering, as illustrated by the shadow on the orange field under the ball. Remember Doda's hovering stone? This style of the letter m demands we consider it as a numeral 3. OK. 33. Masons again? Probably. Triple helix resurrection, as $3 \times 3 = 9$? Definitely! Are these guys bad to the bone, or what?

Theme - Blue guy nails green guy. United Site Services, Wellmont, EPA

This maker of top quality underwear knows the value of mirrored tridents. You really have to see the Freegun logo as a 33 signal as well as a rotated MW and mirrored MM. The registered trademark directs us to find the bright eye, and there it is in the obfuscated E(Y)E with the reclining H for Horus in the negative space. The brand sets up some cognitive dissonance because some folks buy underwear to kind of keep the movement of the parts in check. Freegun suggests something else entirely. “Free” means, “to set at liberty” “Gun” is slang for a penis.

The sex pictured in logos really isn't there just because juvenile pranksters want to see what they can pull over on us. It's there because the symbols are required to work this ritual magick. The evidence that it works is all around you. If you've never noticed these things, it's because you have been under a spell of delusion. This goes way beyond mis-education. It's supernatural.

We might also connect this Vitruvian Man with the comparable Monas Hieroglyphica of Dr John Dee, who simply identified that king as the sodomizing stick figure with the dot in circle head between the two tower sides of the vagina.

In this, John Dee has taken the Egyptian Symbol of the Ankh and placed a dot in the center of the circle - as the

“...and as you join Freemasonry, initially they'll tell you that their G, the G in the square and compass, means God. But then as you go up through the levels, they'll tell you, 'Oh, this stands for Gnosis, knowledge.' But then when you get higher up it stands for the Generative principle, which means, buggering little boys. And I'm not saying that on my own authority. I spoke with the highest-ranking Freemason to defect to Christianity, Jim Shaw, and um, he was a 33rd degree Freemason, and I had a number of conversations over the phone with him about Freemasonry. And um, you know, I got it from the horse's mouth.” Fritz Springmeier on the Hagmann & Hagmann Report - 10/17/13

The best kept secret of the esoteric grades of Freemasonry is ritual sodomy. They believe it opens the "third eye" to Luciferian illumination. It attacks a pressure point of nerves at the base of the spine, causing temporary neurological paralysis and a shift of consciousness.

MK-ULTRA survivors have testified that sodomy causes identity "splits" in children up to age 5, so it was standard for programming multiples.

In order to produce a mind control slave, it must be done ideally between age two and four. The pressure point causes memory blackout, which is why victims don't experience flashbacks before a physiological change in the brain occurs between age 28 and 32.

When introduced at eleven or older it doesn't cause splits, but initiates the victim or 'neophyte' into the Sado-Masochistic "brotherhood".

The initiation is metaphysical so it doesn't matter whether it is done formally as an initiation, or informally Jerry Sandusky style. The Illuminati are a class of people that have this "illumination" in common whether the perp was a Freemason or not.

Anyone that has experienced sodomy has been illuminated or initiated into the Luciferian initiation because "Lucifer" is real.

During Sodomy A Demon Energy Sexual Addiction Energy Blockage is implanted in the Coccyx, Perineum, Penis. The House of the Strong Man has been broken into and pillaged.

Interview with Marion Knox by Elana Freeland: In the House of the Strong Man, Sodomy is the Key

"The doctors of the law, too, who had come down from Jerusalem, said, 'He is possessed by Beelzebub' and 'He drives out devils by the prince of devils.' So he called them to come forward, and spoke to them in parables: 'How can Satan drive out Satan? If a kingdom is divided against itself, that kingdom cannot stand; if a household is divided against itself, that house will never stand; and if Satan is in rebellion against himself, he is divided and cannot stand; and that is the end of him.

'On the other hand, no one can break into a strong man's house and make off with his goods unless he has first tied the strong man up; then he can ransack the house.'" (Mark 3:22-27, NE)

"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation." - David Spangler a Leading figure in the '70's and 80's New Age movement and United Nations affiliated NGO's: Findhorn Foundation, Lindisfarne Association.

This is why sodomy laws have been overturned almost world wide since 1970.

This is why LGBTQP!

The "Titanic" movie title and name of the featured ship harkens to ancient times and the first pantheon of Greek gods and goddesses. That's fitting.

The epic irony I see has to do with how the Titanic is synonymous with disaster and a sign of judgment being brought upon the proud. Acclaimed by some to be "The ship even God couldn't sink," it did just that, and only 5 days in on its maiden voyage, on April 15, 1912! What we were shown in James Cameron's film was how the one who exulted, "I'm King of the World," was dethroned, sinking down into the abyss as all degenerated and perverted satanists must sink into the, "Sunken Place". As Titanic fallen angel gods and their offspring in the flood... As the sodomite beast and his worshipers in the lake of fire...

Coming soon, maybe, DiCaprio is to play Russian mystic Grigori Rasputin. There might be some kind of trend here. There's no real future in evil.

The sad rites of ascending in the Club!! All aspects of culture and society have been turned towards this Sodomite direction – for increased online viewing..

The more one contemplates how marinated in evil the entire West has become, and how they openly revel in it, the more one appreciates the ongoing need for the cauterization of Armageddon for True Resets.

The Vatican has a fascination with satanic symbolism that relates to the reproductive organs. As you can see, the obelisk (Baal's shaft or Penis) is within the sun symbol at St. Peters Basilica in Rome.

The Mind Parasites, the Mind Virus Energy Blockage Collective of Colin Wilson – what the Native American people called Wetiko – What Carl Jung called the Shadow – are the Energy Blockage Stealers of your Energy, Energy Vampires, Sabotegers of your life we remove with Energy Enhancement Advanced Meditation Techniques

It should get our attention that every person or group of people that have discovered the Mind Virus, what the

Native American people called the Wetiko – Mind Virus Energy Blockages Collective – unanimously consider it to be the most important topic—there’s not even any competition—to understand in our world today.

To give one example: Carlos Castaneda’s Don Juan refers to the Mind Virus Energy Blockages Collective (though by a different name) The Flyers! The Mud Shadows! as “the topic of all topics.” Called by many different names throughout history, the spirit of the Mind Virus renders every other issue secondary, for the Mind Virus is the over-arching umbrella that contains, subsumes, informs and underlies every form of self-and-other destruction that our species is acting out in our world.

MORE DON JUAN AND CARLOS CASTANEDA?

<http://energyenhancement.org/CARLOS-CASTANEDA-DON-JUAN-GNOSTICS-SATANIC-ARCHONS-DEMONS-ENERGY-BLOCKAGE-IMPLANTS-AND-THE-ENERGY-ENHANCEMENT-COURSEi.htm>

What are Mud Shadows?

In Castaneda's final book, *The Active Side of Infinity* (1998), Don Juan challenges Castaneda to reconcile man's intelligence, demonstrated in so many achievements, with "the stupidity of his systems of beliefs... the stupidity of his contradictory behaviour." Don Juan relates this blatant contradiction in human intelligence to what he calls "the topic of topics," "the most serious topic in sorcery."

This topic is Predation... THE SUCKING DRY OF HUMAN PREY.. BY ARCHONTIC ENERGY BLOCKAGES

To the horrified astonishment of his apprentice, the elder sorcerer explains how the human mind has been infiltrated by an alien intelligence:

We have a predator energy blockage that came from the depths of the cosmos and took over the rule of our lives.

Human beings are its prisoners.

The predator energy blockage is our lord and master.

It has rendered us docile, helpless.

If we want to protest, it suppresses our protest.

If we want to act independently, it demands that we don't do so...

They warned that the Archontic Demonic energy blockages invade the human psyche, they intrude mentally and psychologically, although they may also confront us physically as well. Their main impact, however, is in our mental syntax, in our paradigms and beliefs, exactly as Don Juan says of the flyers.

Don Juan tells Castaneda that the predator energy blockage's mind is "a cheap model: economy strength, one size fits all." This description fits the hive-mentality of the Archontic Demonic energy blockage.

Sorcerers call this uniform alien mind "the foreign installation, which exists in you and in every other human being."

The Archontic Demonic foreign installation pulls us out of our syntax. It deranges our indigenous abilities to organize the world according to the language proper to

our species. The role of correct syntax in the sorcerer's mastery of intent is one of the central factors in the later teachings of Don Juan. The sorcerer's concern for deviation of syntax, and consequent derouting of intent, parallels the importance of language and correct definition emphasized in Energy Enhancement teaching.

Don Juan makes a number of statements pertinent to strategies against alien intrusion. He says that the sorcerers of ancient times "found out that if they taxed the flyers' mind with inner silence, the Archontic Demonic foreign installation would flee, giving to any one of the practitioners involved in this maneuver the total certainty of the mind's foreign origin."

In other words, the realization that another mind can operate in our minds only becomes fully clear and certain when the foreign mind has been exposed and expelled.

We have records of different minds in one person.

Gurdjieff said the guy who says he will get up to meditate at 4am is not the same person who throws the alarm clock out of the window!

Only then do we understand how "the real mind that belongs to us, the sum total of our experience, after a

lifetime of domination has been rendered shy, insecure and shifty.”

Although these Mind Virus Energy Blockages Collective, ENERGY BLOCKAGE ARCHONS, ALLIES, INORGANIC BEINGS, THE FLYERS, THE FOREIGN INSTALLATIONS, ENERGY BLOCKAGES, THE ENERGY BLOCKAGE Predator AND DEMON parasites are not human, they are able to covertly influence our thoughts and emotions so that they can feed on our energy, so we will do harm to ourselves and or others.

In this way, they feed off the energy generated from the negative emotions of humans such as depression, manicism, inability to sleep, bi-polar disorder, pain, fear, anger, revenge, etc.

It is unclear when these cosmic amoeba-like creatures and their reptilian counterparts first came to earth, but we know they were discovered by enlightened masters in meditation, shamen in altered states of consciousness, long ago.

Why has this Energy Blockage predator taken over in the fashion that you’re describing, don Juan?” I asked. “There must be a logical explanation.”

“There is an explanation,” don Juan replied, “which is the simplest explanation in the world. They took over because we are food for them, and they squeeze us mercilessly because we are their sustenance. Just as we rear chickens in chicken coops, gallineros, the predators rear us in human coops, humaneros. Therefore, their food is always available to them.”

Bohemian Grove, Cremation of Care ceremony. Relax! Mind Virus Possessed Attendees explain it's just a “simulated” human sacrifice . . . under a 40ft statue of an Owl – representative of Molech, created to extinguish

feelings of empathy – the energy of the Heart – and prove to each other they’re guilt-free psychopaths.

At Bohemian Grove . . . Mind Virus possessed infected underlings of the Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats, - Presidents, Prime Ministers, Captains of Industry and Media, Great Resetters who can demonstrate they have no human empathy, are entrusted to make decisions that will cause great harm to millions of people, for the benefit of a very few.

“It’s not that I can’t accept all this at face value, don Juan,” I said. “I could, but there’s something so odious about it that it actually repels me. It forces me to take a contradictory stand. “If it’s true that they eat us, how do they do it?”

Don Juan had a broad smile on his face. He was as pleased as punch. He explained that sorcerers see infant human beings as strange, luminous balls of energy covered from the top to the bottom with a glowing coat something like a plastic cover that is adjusted tightly over their cocoon of energy. He said that that glowing coat of awareness was what the predators consumed, and that when a human being reached adulthood, all that was left of that glowing coat of awareness was a narrow fringe that went from the ground to the top of the toes.

That fringe permitted mankind to continue living, but only barely. As if I were in a dream, I heard don Juan explaining that, to his knowledge, man was the only species that had the glowing coat of awareness outside that luminous cocoon. Therefore, he became easy prey for an awareness of a different order; such as the heavy awareness of the Mind Virus energy blockage predator.

The “real mind” of Castaneda can be equated to the *nous authenticos* of the Gnostics.

The main effect of the flyers upon our mind is seen as mental conditioning, brainwashing.

If we don’t come to terms with what the Mind Virus—which can be conceived of as a virus of the mind, which is transmissible from person to person, which can take over the brain—is revealing to us, nothing else will matter, as there will be no more human species.

The Mind Virus inspires the darkest evil imaginable while, at the same time, potentially helps us to wake up to our true nature as creative beings.

How the Mind Virus winds up actually manifesting depends upon whether we recognize it as the on-going revelation that it is—it is showing us something about ourselves that is of supreme importance for us to know.

What makes a “wisdom tradition” worthy of the name is whether or not it illumines the covert operations of the Mind Virus Energy Blockages Collective bug.

In my writings I am continually expanding my articulation of the Mind Virus Energy Blockages Collective as I broaden my learning—The Wetiko! The Shadow! The Flyer! The Mud Shadows! The Foreign Installation!Hyper Dimensional Entities!

I never cease to be amazed when I find yet another tradition steeped in wisdom pointing at the Mind Virus Energy Blockages Collective in its own unique and creative way.

The Mind Virus Energy Blockages Collective can be thought of as being a parasite of the mind that operates through the blind spots of the unconscious in such a way that hides itself from being seen as it deceives us into thinking and acting in ways contrary to our best interests.

In addition to independent researchers like myself, many artists have also been creatively and imaginatively expressing the insidious workings of the Mind Virus

Energy Blockages Collective psychosis in a wide variety of mediums.

To use one example: Colin Wilson, in “the supernatural metaphysical cult thriller” *The Mind Parasites*, first published in 1967, <https://selfdefinition.org/colin-wilson/Colin-Wilson-The-Mind-Parasites.pdf>

Colin Wilson in his book above is using the fictive power of the literary imagination to give living form to this Mind Virus Energy Blockages Collective virus of the mind. The more I studied Wilson’s book, the more I had the overwhelming impression that he was really onto something—i.e., that he was tracking the elusive footprints of the Mind Virus Energy Blockages Collective—and that he had chosen the form of a fictional narrative to describe, circumscribe and elucidate the real nature of this deadly mind virus that threatens us all.

It is as if Wilson was waking up to the psychic parasites that were within not only himself, but all of humanity, and his activated unconscious was using the vehicle of the literary imagination to express this realization, this Truth...

That the Mind Virus Energy Blockages Collective Exists!

The Mind Virus Energy Blockages Collective is Real!

The Mind Virus Energy Blockages Collective is Sabotaging your Mind!

Right NOW!.

Oftentimes creative artists are the canaries in the coalmine of humanity's psyche, presciently giving communicable form to what is emerging within the collective unconscious of our species. Sometimes the work is so informed by the artist's unconscious that the artists themselves aren't consciously aware of what they are revealing. When an artist is bringing in something new, there are usually varying degrees of consciousness around what is coming through them, as their work is the result of a creative interaction between their conscious and unconscious minds.

I am so accustomed to writing about the Mind Virus Energy Blockages Collective “non-fictionally,” that the idea of approaching it through the made-up medium of fiction, i.e., through creative art that isn't as “serious” as nonfiction, opens up new orders of freedom within my soul.

The Mind Virus Energy Blockages Collective can be likened to a “bug” that hampers the creative imagination—potentially even “killing” it, if it's even

possible to talk in such fatalistic terms about imagination—which is to say that it makes sense to use the creative imagination as a way of dealing with its imagination-killing effects.

In his book, Wilson’s main character—an archaeologist named Dr. Austin—is stunned to learn of the suicide of his friend and colleague, a psychologist named Karel Weissman. Austin’s astonishment is due to his feeling that Weissman “had not an atom of self-destruction in his composition. In every way, he was one of the least neurotic, best integrated men I had ever known.”

In Austin’s words, “It was impossible. Such a man could never commit suicide.” In his shakily written suicide note, Weissman expressed his wish that Austin take charge of his scientific papers. Austin finds it curious that Weissman wanted Austin to be contacted immediately after his death, wondering why the urgency and whether Weissman’s papers contained a clue regarding his friend’s suicide. And so the story begins.

When Dr. Austin began searching through his now deceased friend’s scientific papers, he was struck by the line,

“It has been my conviction for several months now that the human race is being attacked by a sort of mind-cancer.”

This sounds remarkably like the the Mind Virus Energy Blockages Collective—which can be conceived to be a cancer of the psyche that slowly metastasizes, gradually subsuming all of the healthy parts of the psyche into itself to serve its nefarious agenda.

The Mind Virus Energy Blockages Collective is a self-devouring operating system that leaves nothing untouched, ultimately killing its host as well as itself if it is not stopped.

At first Austin wasn't taking Weissman's idea literally, but as he read on, he realized that his friend was not speaking metaphorically, but rather, was quite serious.

In reading Weissman's extensive "cultural history" of the last couple hundred years, it became clear to Austin that Weissman was of the opinion that our species had fallen into an age of darkness, and felt that some sort of darker force had insinuated itself into humanity's mind.

Upon initially encountering Weissman's seemingly paranoid and conspiratorial line of thinking, Austin's knee-jerk reaction was to assume that his brilliant friend had gone truly insane.

After reading Weissman's carefully reasoned analysis, however, Austin began to wonder if maybe his friend wasn't crazy after all, but rather, had actually stumbled

onto something really profound. Feeling that he would remember this day for the rest of his life, in Austin's words,

“If Karel Weissman was not insane, the human race confronted the greatest danger in its history.”

THE REMOVAL OF MIND VIRUS ENERGY BLOCKAGES - THE SEVEN STEP PROCESS OF LEVEL 2 OF THE ENERGY ENHANCEMENT COURSE

We harness energies drawn from other dimensions to cast spells, to conjure shields and weapons - to make magic."

DOCTOR STRANGE - PSYCHIC WARRIOR ENERGY ENHANCEMENT ESOTERIC MOVIE REVIEW

Continuing to read his friend's papers, it became clear that Weissman had been doing an exploration inside of his own mind, and he was beginning to realize that there was something "alien"—an "autonomous other"—living inside of him that appeared to have its own independent will that was resisting his inner investigations.

To quote Weissman, "I became aware that certain inner forces were resisting my researches;" it was as if these inner forces didn't want to be illumined. This wasn't a passive form of resistance; whatever these inner forces were, they were involved in active resistance, as if being discovered was their worst nightmare.

Relying on "ignorance to keep the human race in chains," these negative forces – Mind Virus Energy Blockages Collective – not only feed off of our ignorance, they actively promote it. Weissman was beginning to realize that these inner forces were simultaneously feeding off, reinforcing and hiding within his unawareness, as if his psychic blind-spots were the open doorway through which these forces insinuated themselves into his psyche.

Weissman wrote, “I knew why it was so important to them that no one should suspect their existence. Man possesses more than enough power to destroy them all. But so long as he is unaware of them, they can feed on him, like vampires, sucking away his energy.”

The more Wilson’s creative fantasy unfolded on the pages of his novel, the more my ears perked up—I began thinking, “here is a man after my own heart”—as I recognized that he was pointing at the Mind Virus Energy Blockages Collective Energy Blockages, which is a vampiric bug that operates within our psyche in a clandestine way, draining our life-force in the process.

In Wilson’s novel, Weissman, as if passing on a precious gift to his friend, was transmitting what he had stumbled upon to Austin, who, once he realized what Weissman had discovered, continued his deceased friend’s investigations by following in his footsteps. Descending into the depths of his own mind, Austin wound up corroborating what Weissman was insistently pointing at by having his own direct experiences of the seemingly “alien” forces that had now taken up residence in his own mind.

In reading Weissman’s papers, Austin—and the reader—are becoming aware that Weissman was making an epochal discovery. Speaking about the mind parasites, Austin writes that “they had also established

themselves at a deep level of the human psyche, where they could ‘drink’ the energies that human beings draw from their wellspring of vitality.”

The main channel through which these vampires work is consciousness, or more specifically, our lack thereof. It was vital for these vampiric-like entities to keep us in ignorance of their existence, for once we began to wake up to their covert operations within our minds, their gig is up, as they would then have no power over us. Weissman wrote, “Once a race becomes aware of these vampires, the battle is already half won.”

These darker forces – the Mind Virus Energy Blockages Collective – will do everything in their power to avoid being “outed,” including trying to inspire the person who is onto them to turn self-destructively on themselves in suicide.

When someone gets close to illuminating these darker forces, they can obscure the person’s connection to their intrinsic life-affirming creativity so that their creative life-force turns against itself and gets acted out self-destructively, potentially even resulting, in extreme cases, in suicide.

This puts Weissman’s suicide in a deeper context, as his act of self-destruction becomes more comprehensible once we see what he was in the process of exposing.

Getting closer to the light within ourselves simultaneously illumines these vampiric forces and catalyzes them, as being illumined is their worst nightmare, which is to say that the closer we get to the light, the more fearsome the forces of darkness can appear.

This can help us to understand the known psychological fact that the greatest danger for suicide is right before someone is going to have a breakthrough.

Demons typically make their worst stink right before they are vanquished.

This understanding can also help us to re-contextualize when we experience seemingly darker forces getting evoked in our mind-streams. For example, when we feel “attacked” by what seem to be the darker forces of the psyche, instead of interpreting this as evidence confirming how screwed up we are, we can realize that this is an expression that we are getting closer to the light within ourselves; shadows are not merely the absence of light, but are also an expression of its presence.

In other words, the more light there is, the more the darkness becomes activated and visible. Since the darker forces want to derail us from our path, we can learn to

understand that their manifestation is a reflection of exactly the opposite—that we are on our right path.

We tend to think of illumination as “seeing the light,” but “seeing the darkness” – see

<https://againstsatanism.com/>

is also a form of illumination.

THE ANTAHKARANA - A COLUMN OF ENERGY TWIXT HEAVEN AND EARTH

Weissman writes, “What I had discovered – the Mind Virus Energy Blockages Collective – was, of course, so fantastic that it could not be grasped by the unprepared mind.” What Weissman had stumbled onto—that there were negative forces in-forming and shaping humanity’s

mind so as to compel us to unconsciously act out their agenda, all the while hiding themselves from being seen, sounded crazy, absolutely crazy, to people who subscribe to the agreed-upon consensus reality—which unfortunately, is most of humanity.

Weissman’s realization was too much for the “unprepared mind” to take in; what he was pointing at creates too much of a shock—is too traumatic—for most people.

Weissman was realizing that if our species continued to stay asleep to what was actually happening, that these negative forces could potentially destroy our species. He wrote, “In some way, the human race has to be made aware of its danger.”

Reflecting on the position he found himself in as he tried to communicate his discovery to others, Weissman writes that it is “more probable that people would simply dismiss me as insane.” For when someone has seen these mind-parasites, which is to be in touch with a deeper level of our basic sanity, to the ones still afflicted by and unconscious of these entities—i.e., the majority of our species—the one who is pointing out what is actually happening is typically seen as insane. I can totally relate to Weissman’s predicament; it is as if he is describing the situation I’ve found myself in for most of my life.

In his journal Weissman writes, “the human mind has been constantly a prey to these Mind Virus Energy Blockages Collective energy vampires. In a few cases, the vampires have been able completely to take over a human mind and use it for their own purposes.”

These Mind Virus Energy Blockages Collective vampires can possess someone, who unwittingly becomes their secret agent—their secret being secret even to themselves—as they then become the channel through which these higher-dimensional forces actually enter into our third-dimensional reality and enact their seemingly counter-evolutionary agenda.

The person so Demonically “possessed”—without being aware of their depraved circumstance in the slightest—becomes a marionette on a string, the human instrument for these nonhuman darker forces of deception to act themselves out in our world.

In the Mind Virus Energy Blockages Collective taking over someone’s mind, these “deceivers”—members of “the un-dead”—replace it with a spurious simulation of their own dead and automated psyche, one devoid of creativity “A Mind of Metal and Wheels” – Tolkien.

The person so “possessed” identifies with this counterfeit version of themselves, assuming the mind they are experiencing is their own—while the truth is

that what they then experience as themselves is anything but.

Instead of being themselves, they become a duplicate of themselves, a Master Copy.

The Bible itself points at this—referring to the Mind Virus Energy Blockages Collective as the antimimon pneuma, the “counterfeiting spirit,” which is to say they impersonate us, with the hope that we identify with their false version of who we are.

Interestingly, the revered Gnostic text Pistis Sophia claims that the antimimon pneuma has affixed itself to humanity like an illness.

Having our minds co-opted and taken over by these Mind Virus Energy Blockages Collective “energy vampires” can happen (in small or big ways) to anyone of us at any given moment in time—e.g., when any of us unconsciously acts out our unhealed abuse, indulges in our addictive behaviors, speaks falsely, or succumbs to “groupthink,” to use just a few examples.

Here’s what I wrote in *Dispelling the Mind Virus Energy Blockages*, “To the extent we are unconsciously possessed by the spirit of the Mind Virus Energy Blockages, it is as if a psychic parasite has taken over our brain and tricked us, its host, into thinking we are

feeding and empowering ourselves while we are actually nourishing the parasite.”

Not just capable of taking over an individual’s mind, these mind-parasites can operate through and possess a group, a nation, or even—potentially—to varying degrees, our entire species. the Mind Virus Energy Blockages is, after all, a “collective” psychosis.

Most of humanity is being influenced by “hidden” (which is one of the meaning of the word “occult”) forces operating deep within our unconscious minds in ways that profoundly impoverish the quality of our awareness, all the while not having the slightest realization that this diminishment is even happening.

These malevolent forces Mind Virus Energy Blockages Collective occlude us in such a way that our occlusion becomes self-perpetuating, the result being that we can’t even tell we are occluded.

Once our mind is “programmed”—massaged into shape—by the Mind Virus Energy Blockages Collective, we become more like automatons and zombies than creatively alive human beings.

Speaking of people who have fallen under the thrall of these sinister forces, Austin comments that they “were

moving mechanically – mere chess men in the hands of the Mind Virus Energy Blockages Collective.”

If we ask people in the grips of the Mind Virus Energy Blockages Collective why they are acting out in the unconscious habitual way they are, they will often have a ready-made rationalization and justification.

Their “cover-story” unknowingly serves the agenda of the Mind Virus Energy Blockages Collective, as it camouflages these sinister entities’ operations within their own minds so that they continue to remain ignorant of the source of their own impulses, thoughts, beliefs and actions.

Austin writes, “once a human being has been ‘conditioned’ by the Mind Virus Energy Blockages Collective, he is like a clock that has been wound up; he only requires attention once every year or so.

Besides, Weissman discovered human beings ‘condition’ one another with Mass Psychosis Mind Control from every bought Media Source, bought by elites totally under Mind Virus Energy Blockages Collective Control and save the parasites work.”

This is similar to when there is an abusive agent in the family system, they typically just have to act out their violence only once—the mere possibility of them acting

this out again gets across their message loud and clear and keeps the family “in line.”

We then only occasionally need their attention to remind us of the threat we are living under, which becomes internalized within our own minds.

Groups of people so conditioned can easily enact their inner state of fear and limitation in such a way that they police themselves, acting as their own control system—they then become complicit in keeping each other asleep.

Anyone snapping out of the programming is seen as a threat by those still under its spell.

Most people become so accustomed to their confinement—it seems “normal,” just the way things are—and not knowing anything different, they easily become complacent, satisfied and actually “happy” with their current state of limitation, confusing it with freedom, thinking they are simply being in touch with “the real world.”

In Austin’s words, humanity was struggling “as if in the grip of an invisible octopus.”

Describing the multi-headed hydra quality of these darker forces, Austin comments that they are “something I can only compare to an immense, jelly-like octopus

whose tentacles are separated from its body and can move about like individuals.”

Austin was describing the nonlocal aspect of the tentacles—the arms—of the Mind Virus Energy Blockages, which, coming through different people or aspects of the environment, seem separated but are actually coordinated and connected parts of a greater “body” in which they are all contained and of which they are all expressions.

To quote Austin, “I had been wrong to think of the parasites as separate beings.”

There was one deeper energy—seemingly originating from a higher dimension than the merely physical—that was animating all of the multifarious manifestations of All of the Mind Virus Energy Blockages Collective, in every body, in every human being taken over by them.

In other words, something seemingly plural was actually singular in nature that controlling All the Mind Virus Energy Blockages Collective in every Human Being, significantly, is to be found within every one of our inner depths.

Weissman writes, “it is so important for the Mind Virus Energy Blockages Collective to keep their presence

unknown, to drain man's lifeblood without his being aware of it.

A man who defeats the Mind Virus Energy Blockages Collective becomes doubly dangerous to them, for his forces of self-renewal have conquered.

In such cases, the vampires probably attempt to destroy him in another way – by trying to influence other people against him.”

This statement by Weissman indicates that he had become aware of the nonlocal nature of the mind parasites, which is to say that these vampiric entities – Mind Virus Energy Blockages Collective – are not bound by the conventional laws of third-dimensional space and time.

From the sound of his writings, Weissman was beginning to realize that these Mind Virus Energy Blockages Collective, not being a localized phenomena that could be pinned down, were a field phenomenon, and could only be seen—and dealt with—once recognized as such.

Being a field phenomenon, the Mind Virus Energy Blockages Collective existed in a realm that interfaced with and connected both the outside world and our minds.

These entities simultaneously operate through our consciousness as well as being able to somehow configure the seemingly outer environment so as to enact themselves in embodied form as a way of accomplishing their agenda.

They organize themselves—be it through creating inner or outer obstacles—so as to oppose any effort (including this very article) that brings attention to their stealth operations to larger circles of people.

It is important to know what we are up against; as the adage goes, “know your enemy.” If we do manage to connect with the light within ourselves and try to share our light with others, these nonlocal vampiric entities – the Mind Virus Energy Blockages Collective (what I have in previous writings called “nonlocal demons,” or NLD for short), will try, via their “connections” to the nonlocal field, to stop us by influencing other people to turn against us.

Austin writes, “they [the Mind Virus Energy Blockages Collective] knew how to use other men against us, and this was the real danger.”

When someone begins to wake up, it is as if the forces of darkness, through the “control system” built into society and its institutionalized structures—which have become internalized within people’s minds—becomes

alerted and mobilized in such a way as to make sure the person who is becoming aware of the operations of these inner adversaries and beginning to remember who they are gets taken back down, silenced, and put back to sleep.

The Mind Virus Energy Blockages Collective are able to “draft” unsuspecting others to become portals through which these forces can exert their influence into our world so as to seduce, distract or obstruct us from our path. People who are asleep to these nefarious forces unknowingly become enlisted to be the zombie-like foot-soldiers of the mind parasites, unwittingly serving their agenda of making sure no one steps out of line.

I wonder how many people who have been diagnosed with mental illnesses—who oftentimes complain of feeling strange alien energies living inside of their own mind trying to control them—are actually having inchoate experiences of the mind parasites, but haven’t developed enough fluency or awareness to be able to deal with their situation. Well-meaning psychiatrists then pathologize and medicate them—all for their own good—but might these psychiatrists be the unwitting instruments through which the mind parasites are able to carry out their dirty work?

As the drama unfolds, at a press conference in which Dr. Austin was trying to alert the world to the danger it

faced, he said, “Our aim today is to warn the people of the earth about a greater menace than they have ever faced....

These forces are more dangerous than any yet known to the human race because they are invisible, and are capable of attacking the human mind directly. They are able to destroy the sanity of any individual they attack, and to cause suicide.

They are also capable of enslaving certain individuals and of using them for their own purposes.”

It gets my attention that the very situation that Wilson is describing through his fictional narrative is actually getting mirrored by the deeper process that is currently playing out in our world—darker forces, covertly operating in the shadows, attempting to enslave humanity.

This isn’t a paranoid conspiracy theory, but is hidden in plain sight, visible to all who have developed the (inner) eyes to see.

Weissman continues, “their [the Mind Virus Energy Blockages Collectives’] role is to take over a man’s mind, and to cause him to become an enemy of life and of the human race.”

Weissman wrote, “Now I suspect that these Mind Virus Energy Blockages Collective specialize in finding races who have almost reached this point of evolution, who are on the brink of achieving a new power, and then feeding on them until they have destroyed them.”

In addition to the weak and defenseless, these psychic vampires seek out people who are on the verge of a quantum, evolutionary leap in consciousness, but have not yet fully integrated their realizations and stabilized themselves in the higher, more coherent level of consciousness that they are beginning to access. These individuals are in an energetically sensitive and “charged” condition, and their openness and vulnerability invites these vampiric entities to gorge on the light of their prey’s expanding awareness, thereby preventing them from having enough energy to evolve to a higher level of consciousness.

Like moths attracted to the light of a flame, these darker forces are particularly attracted to people who are actively engaged in consciousness raising activities, seeking truth, and speaking out about it with the intention of helping to awaken others.

Continuing his articulation of these Mind Virus Energy Blockages Collectives, Weissman continues, “It is not their actual intention to destroy – because once they have done this, they are forced to seek another host.

Their intention is to feed, parasitise, vampirise, Steal our Spiritual Energy, for as long as possible on the tremendous energies generated by the evolutionary struggle.”

This sounds so similar to what I wrote in *Dispelling the Mind Virus Energy Blockages*, “It [the Mind Virus Energy Blockages, i.e., the mind parasites] don’t want to kill us too quickly, however, for to successfully implement its agenda of reproducing and propagating itself throughout the field, it must let the host live long enough to spread the virus. If the host dies too soon, the bug would be prematurely evicted and would suffer the inconvenience of having to find a new residence.”

As he was beginning to realize the intent of these Mind Virus Energy Blockages Collective, Weissman continues, “Their purpose, therefore, is to prevent man from discovering the worlds inside himself, to keep his attention directed outwards.”

The strategy of these predators is to distract us so as to keep our attention directed outside of ourselves, thereby stopping us from finding and utilizing the immense light of intrinsic awareness within ourselves, which would “kill” the Mind Virus Energy Blockages Collective vampires by rendering them impotent.

The Mind Virus Energy Blockages are only able to flourish when we are in “object-referral,” focusing our attention on the outside world—thinking the problem is outside of ourselves—as compared to when we are in “self-referral” (i.e., self-reflection), in touch with our immense creative power as observer/participants to shape our experience of both the world and ourselves.

Austin writes that “their chief power seems to lie in Mind Virus Energy Blockages Collective’s ability to unbalance the mind.” Either creating or feeding off of the natural potentiality of the psyche for dissociation, it is as if the Mind Virus Energy Blockages Collective split the mind and compel a one-sidedness where we lose touch with our intrinsic wholeness and the full spectrum of possibilities that are always available to us.

Inspiring and then feeding off of the resultant polarization, the Mind Virus Energy Blockages Collective exploit, take advantage of, piggyback on and encourage people’s unconscious tendency to project their shadow outside of themselves.

To quote Austin, the Mind Virus Energy Blockages Collective “keep man looking for his enemies outside himself.” As long as we seek the enemy outside of ourselves, our true adversary, who lives inside of our heart and is the very sponsor of our projection, gets off scot-free.

Austin continues, “the chief weapon of the Mind Virus Energy Blockages Collective was a kind of ‘mind-jamming device’ that could be loosely compared to a radar-jamming device.” It was when the mind parasites knew a person was “onto them” that they would use whatever measures were at their disposal to obfuscate themselves so as to keep their covert operations hidden.

Austin writes, “The Mind Virus Energy Blockages Collective had always used this ‘obstructing’ method against the human race – deliberately distracting the mind when it begins to get to grips with its own secrets.”

Interestingly, in the highest spiritual teachings, the one and only instruction is to not get distracted from recognizing and abiding in the true open-ended nature of our awareness.

Whenever anyone would get too close to discovering their ploy, these Mind Virus Energy Blockages Collective would try—through their connections to the person’s unconscious mind—to disorient them, diverting them from their path. For example, as we are on the verge of having a transformative and elusive insight, we might get distracted and fail to write it down, thereby not anchoring it to consciousness, and then afterwards forget—and lose—what we had realized.

Or we might find ourselves, as we get close to seeing the covert psychological operations of the Mind Virus Energy Blockages Collective, experiencing our unhealed trauma getting re-evoked, making us feel anxious or afraid.

Or, as we begin to see through the subterfuge of these mind parasites, we might start feeling a lot of pain, which can easily cause us to dis-associate (i.e., split), resulting in moving away from our discovery of the mind parasites.

Or we might suddenly have an overwhelming impulse to eat, or drink, or go for a walk—anything that would take us away from being present with what is happening in that moment.

Or, as we begin to discover the light within ourselves, instead of cultivating an ever-deepening relationship with the radiance we find within, we might fall for the ruse of the mind parasites and identify with the light instead, becoming inflated and grandiose, thinking we are someone special.

The Mind Virus Energy Blockages Collective are masters of deception, tricksters par excellence. Though this can sound like the ravings of a paranoid madman, it is actually the opposite—a clear-sighted articulation of what we are up against.

In Weissman's writings, it was becoming clear to him that these Mind Virus Energy Blockages Collective weren't just messing with individual people's minds, but were wreaking havoc through the collective unconsciousness of our species, a process that was playing out en masse in the world theater.

He wrote, "I think there can be no possible doubt that the wars of the last 10,000 years are a deliberate contrivance of these vampires." It is as if "the beast" of war is a virulent collective incarnation—in living (and dying) flesh and blood—of these mind parasites writ large on the world stage.

If we look at the state of the world today, once we cultivate the eyes to see these Mind Virus Energy Blockages Collective, we notice their influence everywhere throughout our planetary "culture" (or lack thereof).

[How Trillionaires Infiltrated MKULTRA DMT, LSD and Ayahuasca into the Environmental, Hippie, Progressive and New Age Movements to Destroy Them](#)

Through his deepening insight into the depth of the darkness that was animating these mind parasites, Weissman was also beginning to realize, as becomes clear through studying his writings, that there was a hidden gift encoded in these nefarious entities. He writes that “the mind vampires are, without intending it, the instruments of some higher force. They may, of course, succeed in destroying any race that becomes their host. But if, by any chance, the race should become aware of the danger, the result is bound to be the exact opposite of what is intended.”

This brings to mind Goethe’s masterpiece Faust, in which Faust asks Mephistopheles (who represents the

devil) who he is, and Mephistopheles replies that he is the “part of that force which would do evil, yet forever works the good.” The idea is that encoded in the darkness is actually a force that would potentially serve the light, if only it is recognized as such.

Weissman writes, “The Mind Virus Energy Blockage Vampires might serve, therefore, to inoculate man against his own indifference and laziness.” The mind parasites/the Mind Virus Energy Blockages literally demand that we step into our power and become resistant and immune to their deception, trickery and oppression such that we discover how to step out of bondage and become free—or else!

THE NEXT STEP IN OUR EVOLUTION!

The mind parasites/the Mind Virus Energy Blockages are “quantum” entities, which is to say they are in a superposition of states—containing both the deepest evil and/or the highest good. On one hand, it is as if these mind parasites are obstructing us from experiencing our true nature.

And yet, if recognized as such, these mind parasites could potentially help us to discover the very light they are obscuring. They are the Grain of Sand which creates the Pearl.

They are true guardians of the threshold of our evolution. How they actually manifest depends upon whether we recognize what they are, and how we interpret what they are revealing to us – That we need to

defeat them. And this Forces us into the next step of our evolution.

The mind parasites/the Mind Virus Energy Blockages's appearance on the scene is in some mysterious way related to humanity waking up to its true nature as divinely-inspired creative beings.

These seemingly darker forces are obscuring this nature, while at the same time their deadly challenge is the very thing that is, paradoxically, helping us to discover, wake up to and connect with our true nature.

For if humanity were to break free and withdraw its fixation on outward appearances and connect with the universe within, to quote Weissman,

“He would suddenly realize that he possesses inner-powers that make the hydrogen bomb seem a mere candle.”

ENERGY ENHANCEMENT MEDITATION IS THE CURE!

ENERGY ENHANCEMENT MEDITATION IS THAT NEXT STEP IN OUR EVOLUTION!

In a very real sense, these mind parasites “cure” us of our wrong attitude towards both the world as well as ourselves. ENERGY ENHANCEMENT MEDITATION! – THE ONLY COURSE WHICH CAN REMOVE THE MIND VIRUS!

Sometimes we have to try to imagine what’s happening in order to gain access to reality. By creating a made-up fantasy world, it is as if Wilson, like the proverbial figure of “the fool” in the King’s Court, is “making light” of what is actually taking place as a way of getting the word out and telling the truth.

Telling his story as if it’s fiction—i.e., not true—enables Wilson to break the taboo against speaking the truth in a world where to do so is fraught with peril, even criminalized. Sharing his tale as if it’s merely a fictional product of his creative imagination skillfully allows him to bypass the flaming editorial swords of the gatekeepers of consensus reality with a liberating knowledge that would ordinarily—if put out as a factual warning to

humanity—be seen as disruptive and taboo from the point of view of the powers-that-be.

Ironically, if the Mind Virus Energy Blockages Collective malevolent forces have infiltrated both our world and our minds—by presenting this information as if it's merely fiction, he's protecting himself from a retributive attack from the very mind parasites that he's pretending only exist in his fantasy novel.

As a member of a timeless underground resistance movement, Wilson has managed to sneak in “living information” into a world that is unknowingly imprisoned and in desperate need of exactly such knowledge. Interestingly, while writing this article, I felt the mind parasites doing everything they can to stop me from getting this information out. Maybe, of course, this is only my overly activated imagination. In any case, I can easily feel like I am living in Colin Wilson's mind parasites novel.

The Mind Parasites by Colin Wilson is a beautiful and powerful example that—because it operates in the shadows of the psyche—usually goes unrecognized and easily becomes marginalized. The idea of the Mind Virus Energy Blockages Collective invading both our world and our mind is Absolutely correct

The Attack of the Neocon Straussians

Pipeline Terror is part of a Satanic Phoenician Mega Trillionaire Neocon Straussian offensive - the Destruction of Russia, Germany and the USA for the Great Reset

Now for the Big Picture. Pipeline Terror is part of a Straussian offensive, taking the splitting up of Russia and Germany to the ultimate level (as they see it). Leo Strauss and the Conservative Movement in America: A Critical Appraisal, by Paul E. Gottfried (Cambridge University Press, 2011) is required reading to understand this phenomenon.

Also <https://againstsatanism.com/Lyndon-LaRouche-Children-of-Satan.pdf>

The LaRouche Exposé of Straussian 'Children of Satan' Draws Blood

Leo Strauss, the German-Jewish philosopher who taught at the University of Chicago, is at the root of what later, in a very twisted way, became the Wolfowitz Doctrine, written in 1992 as the Defense Planning Guidance, which defined “America’s mission in the post-Cold War era.”

The Wolfowitz Doctrine goes straight to the point: any potential competitor to US hegemony, especially “advanced industrial nations” such as Germany and Japan, must be smashed. Europe should never exercise sovereignty: “We must be careful to prevent the emergence of a purely European security system that would undermine NATO, and particularly its integrated military command structure.”

Fast-forward to the Ukraine Democracy Defense Lend-Lease Act, adopted only five months ago. It establishes that Kiev has a free lunch when it comes to all arms control mechanisms. All these expensive weapons are leased by the US to the EU to be sent to Ukraine. The problem is that whatever happens in the battlefield, in the end, it is the EU that will have to pay the bills.

US Secretary of State Blinken and his underling, Victoria “F**k the EU” Nuland, are Straussians, now

totally unleashed, having taken advantage of the black void in the White House. As it stands, there are at least three different “silos” of power in a fractured Washington. For all Straussians, a tight bipartisan op, uniting several high-profile usual suspects, destroying Germany is paramount.

One serious working hypothesis places them behind the orders to conduct Pipeline Terror. The Pentagon forcefully denied any involvement in the sabotage. There are secret back channels between Russia’s Security Council Secretary Nikolai Patrushev and US National Security Advisor Jake Sullivan.

And dissident Beltway sources swear that the CIA is also not part of this game; Langley’s agenda would be to force the Straussians to back off on Russia reincorporating Novorossiya and allow Poland and Hungary to gobble up whatever they want in Western Ukraine before the entire US government falls into a black void.

Come see me in the Citadel On the Grand Chessboard, the Shanghai Cooperation Organization (SCO) summit in Samarkand, Uzbekistan two weeks ago dictated the framework of the multipolar world ahead. Couple it with the independence referendums in DPR, LPR, Kherson and Zaporozhye,

which Russian President Vladimir Putin will formally incorporate into Russia, possibly as early as Friday.

With the window of opportunity closing fast for a Kiev breakthrough before the first stirrings of a cold winter, and Russia's partial mobilization soon to enter the revamped SMO and add to generalized western panic, Pipeline Terror at least would carry the "merit" of solidifying a Straussian tactical victory: Germany and Russia fatally separated.

Yet blowback will be inevitable – in unexpected ways – even as Europe becomes increasingly Ukrainized and even Polandized: an intrinsically neo-fascist, unabashed puppet of the US as predator, not partner. Very few across the EU are not brainwashed enough to understand how Europe is being set up for the ultimate fall.

The war, by those Straussians ensconced in the Deep State – neocons and neoliberals alike – won't relent. It is a war against Russia, China, Germany and assorted Eurasian powers. Germany has just been felled. China is currently observing, carefully. And Russia – nuclear and hypersonic – won't be bullied.

Poetry grandmaster C.P. Cavafy, in *Waiting for the Barbarians*, wrote "And now what will become of us, without any barbarians? Those people were some kind

of a solution.” The barbarians are not at the gates, not anymore. They are inside their golden Citadel.

“What is the end goal? Digital currency, universal income, totalitarianism?” Yes, so they write in their Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrat WEF “The Great Reset” and other works..

Many assume USA is deindustrializing and deconstructing Europe to bring its industry, know-how, etc physically to the US or to buy up those assets for pennies on the dollar.. that was the classic approach of disaster capitalism. I disagree because the nihilism present now on both sides of the Atlantic is unprecedented in last century.

The US has deindustrialized and deconstructed itself over last 40-50 years. Its infrastructure was not well maintained since Nixon years. The electric grid is well over a century old. Most factories were relocated abroad, its skilled labor lost and repurposed elsewhere; neither is coming back and it is extremely hard to restart — and the same with those European factories and their putative potential to up root and restart in US.

Every week for last several years we have seen the US work hard to kill off food security (arson at 100+ food processing plants/warehouses, lawfare and financial shenanigans against ranchers and farmers, etc..), drain

aquifers and water reservoirs such as Lake Mead into the Pacific Ocean or waste it on deserts such as Las Vegas, make it harder for truckers and shippers to function, deny trains to deliver necessary fertilizers, disincentive investment into the petroleum business, etc.. all these indicate a macro policy of depopulation, devolution, and no intent whatsoever to build up a people. We cannot live without energy, food, water, security.. the same agenda in motion in EU has been operative in the USA. But the US is a single country with tighter media and information control. Folks are too busy or dumbed down, less educated to notice.

That is why many say European industrialists are being lied to. There is no intent to relocate them. Most are being shunted to the slaughterhouse. And the top deciders among politicians, industrialists, and intelligentsia are aware of unsaid criminality in motion.

The Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats are satanists part of a small club which is with the program. Preparations were made since at least 3-5 generations (see Club of Rome 1960s inspiring current Green craze). Everything's worked towards centralization, and contrived boom-bust cycles to tighten the screws.

The Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrats have no good will toward any

(see Putin above; the West is as much a target). Think of a supranational Parasite which has completely taken over the Host and is driving it to suicide. How can Europe be saved or the US benefit from its industrial relocation when the US itself has been deliberately destroyed with no medium term prospects of turning things around? “What is the end goal? Digital currency, universal income, totalitarianism?” Yes, so they write in their WEF “The Great Reset” and other works..

I hope what I am trying to convey makes sense? Entire libraries were written by the horrified about these gargoyles. It is very dark. An entire civilization in the grip of gleeful Satanic 10,000 years old Phoenician Mega Trillionaire Aristocrat devils. The same destruction planned, executed and honed on the undeveloped world is now turned inwards on the West.. the chickens always come home to roost..

Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshipping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of power to manage and control their human cattle in every country in the World!!

imho, the Plan is to lay waste to entire northern hemisphere.. these are not rational people nor sane times.. the satanists intend to cull and move shop to a reduced world Einstein said it of these madmen, the current of History demonstrates it, Eschatology demands it of the AntiChrist..

Russia must die in the minds of the Satanic Straussian Neocons. They will not be satisfied by anything else.

The Satanic Straussian Neocons funded the Taliban in Afghanistan, which was a proxy war against Russia. They then used the weapons against Americans.

The Neocons funded the Chechen terrorists and I have the declassified documents of Yeltsin telling Obama this had to stop. Obama tried to invade Syria because Assad refused to allow Qatar to build a pipeline to Europe. McCain was there at Maidan to support the Ukrainian Revolution and promised support for the Neo-Nazis to attack the Donbas.

Anyone who is pushing the narrative that it's all Putin and we must wage war against him is preaching the

agenda for the Deep State. They have their fake people on social media and direct the mainstream media to push their agenda. As I have said, war is just an extension of politics. The people have NOTHING to gain from war. The best we can achieve is to come home unharmed to a family that is still there.

As Henry Kissinger warned, the Donbas should have been let go. Why fight for land occupied by Russians anyhow? This makes no practical sense unless we look at this as war is just an extension of politics and this is not about the Donbas or even Ukraine. This is simply a thirst for war and it is always the leaders who create war – not the common people on both sides. This is simply a grudge match and we are in the middle.

So the answer is simple. There is no other outcome but war and it will unleash at the least tactical nuclear weapons.

The Ukrainian people should understand that they are the cannon fodder and nobody gives a damn about them or their country. This is all about the USA v Russia. You can ignore the facts. As Hermann Goring said: “the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the peacemakers for lack of patriotism.” There are no peacemakers left anymore! This is not about supporting the USA or

Russia. This is about supporting the people who are always the victims.

The Leo Strauss Neocon Children of Satan by Lyndon LaRouche

"The relevant delusions of Rumsfeld's, Cheney's, and Ashcroft's flock, are to be recognized as an outgrowth of the fusion of two ingredients: the first, the Nietzschean fascism of Professor Leo Strauss; the second, that imperial, and frankly satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Family H.G Wells, Aleister Crowley, Lord Bernard Russell, Hutchins, English-speaking utopianism of the highflying "military-industrial complex," which has been the principal, alien adversary of the Classical U.S. military tradition in statecraft since the closing phase of World War II.

Predominant control over the present Bush Administration has been secured, until now, by a Cheney-led fusion of the combination of Chicago University's Satanic 10,000 years old Phoenician Mega

Trillionaire Aristocrat Rockefeller imported fascist—that Professor Leo Strauss—with Wells’ and Russell’s goal of world government through Hitler-like, preventive nuclear war.

Speaking in terms of epistemology, the “genetically” Nazi-like ideology of a Strauss, was that of a figure whose own writings, like those of his underling Allan Bloom, recall those of the Nazi philosopher, Martin Heidegger, who influenced Strauss. Strauss’s dogmas are those of a Nietzschean parody of the wicked Thrasymachus from Plato’s Republic.

Thrasymachus says that injustice is not only more profitable, but that injustice is virtuous and wise. Justice is to the advantage of the stronger. Justice is whatever is in the interest of the stronger party in a given state; justice is thus effected through power by people in power.

That same Strauss is the Chicago University Neocon "Chicago Boys" central ideological figure of that cult of his devotees known as the current Bush Administration’s “Chickenhawks.” It is these Chickenhawks who, in Donald Rumsfeld’s Hitler-and-the-generals routines, have been the controlling, lackey-like figures of President Bush’s post-2001 drive toward imperial, nuclear-weapons-wielding world war.

Unless we mend our ways, unless our republic ceases doing what it has been mostly doing during the recent four years, we are indeed at the very edge of a chasm of ruin and despair such as has been unknown to today's globally extended European civilization since the great New Dark Age which wiped out half the parishes of Europe, and one-third of the level of its population, during the middle of the Fourteenth Century.

Therefore, my duty, is to make clear to as many of our citizens as are prepared to listen to reason, to come to understand how we, the greatest nation yet to exist on this planet, could have brought about our own destruction, in the way we have done, during, especially, the recent forty years since the assassination of President John F. Kennedy and the lunacy of the launching of the official U.S. war in Indo-China."

The Minsk Agreement brokered by Germany and France was to allow the Donbas to vote on their separation from Ukraine.

Field Marshal Hermann Wilhelm Göring
(1893-1946)

"Why of course the people don't want war. Why should some poor slob on a farm want to risk his life in a war when the best he can get out of it is to come back to his farm in one piece? Naturally the common people don't want war ... after all, it is the leaders of the country who determine the policy and it is always a simple matter to drag the people along ... the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the peacemakers for lack of patriotism and exposing the country to danger. It works the same in any country."

Nuremberg Trial

The West has totally reneged on all of that and this is intentional for the objective here is this Great Reset and the end of fossil fuels.

The war - like the pandemic - is anything but organic. Instead, the war is the crescendo of the Satanic NWO dialectic as it will manifest gargantuan systemic problems demanding systemic foundational solutions.

The conflict will decimate what remains of our supply chains at their most basic level, wreaking absolute havoc. Currencies - already on their last legs - will be deliberately hyper-inflated away all over the globe in order to pay for it. Our lives will be intentionally and irrevocably flipped upside-down.

Everyone will be demanding something be done and the pre-planned solutions will be one-world-government and CBDCs (Central Bank Digital Currencies). These CBDCs will link with your social credit score, vaccine status, and carbon footprint in order to determine your eligibility - in real time - to participate or not participate in the economy.

Why are the Satanists doing all this? This post provides the answer..

Hanumananda – all six foot nine of him! and Satchidanand

So I will give a little a talk, in honor of this birthday of Hanumananda with his nice beautiful shirt. And I would like to reiterate what we talked about this morning because I think everybody has problems in life and they are very general in nature, like, everybody has the same problems but with just with a few variations of a theme, a general theme, which is normal.

THE OPENING OF THE HEART INITIATION

I think it was **Alice Bailey**, let me just check my notes, I made some notes for this, yea a little bit off target but there we go, yea Alice Bailey it was that said there were initiations before the enlightenment initiation. And the first is **The Opening of the Heart**, because in general most people don't think of others, they only think about themselves.

And the **initiation of the opening of the heart** is a very important one for humanity. Because with the opening of the heart, we have a person who thinks about other people as well as themselves, on the way toward thinking about other people instead of themselves. Yea. Basically if you don't think about other people, if you cannot place yourselves in the feet of another person, if you cannot put yourselves in their place, then you don't have a heart.

Gurdjieff used to say “the ability to put yourself in place of the other person, to think of the other person as yourself”. Once you start thinking about other people then you get ten times more problems because you got the problems of everybody around you.

You know, it’s very much more simple just to think about yourself and be entirely selfish, its an easy job, because you just don’t care what you do to other people, you can rob, you can steal, you can kill, and it doesn’t really matter the only thing that stops you is that you might get caught. That’s what the police are for.

But once you start thinking about other people then all the problems come in. You know. Putting yourself in their place, I don’t want to hurt that other person.

And this really is one of the first Niyamas I think in the Yoga Sutras of Patanjali, not to hurt another person by word, by thought or by deed. I always think that’s in the wrong order, it should be we shouldn’t be thinking of hurting another person by thought, even thinking about doing something bad about them, or by word, You know, sticks or stones can break my bones but words can never hurt me, but words can hurt, you can hurt another person so therefore you have this whole idea of white lies, You know to keep things on an even keel.

There's a story about a young girl accosted by dacoits, robbers who want to rob her and rape her. And she's running through the forest and she comes to hut of a holy man, his temple in the background. And she says "holy man holy man, these dacoits want to murder and rape me, what can I do". And he says, "go hide in the temple" and when the dacoits come, there's a holy man sitting there, and they say "there's a girl passed by here, where did she go?" and he says "she went in that direction" and his student who is there at the time says "master, master, you are supposed to only speak the truth" yea, you are only supposed to speak the truth "why are you telling them these white lies" it's because of Ahimsa, no harm, by word. He didn't give any harm by speaking these words, he saved the girl and the dacoits went off in another direction.

And then after that its by deed, guns, swords, knives, blunt objects to the skull, the burning of property, all of those things, so we can say deeds are worse than thoughts, and words are worse than thoughts. But all these words and deeds start with thoughts!

I was in a Tibetan Gompa and that day Lama Zopa was to visit us and give us a talk. Lama Zopa is the Spiritual head of Tibetan Buddhism. The Dalai Lama is the Political head. So we were very lucky. And to be Spiritual, you have to be lucky!

As he walked down the center towards the front of the Gompa, he passed me. And I was aware of a torrent of energy, a tornado of hissing, buzzing, fizzing energy in his aura. And I started to get visions of my past lifetimes in Tibet. This is the sort of thing which happens when you meditate.

When you Meditate with Energy Enhancement Meditation. With Alchemical VITRIOL. With the Energy Enhancement Seven Step Process, you Open the Third Eye. You become psychic. You see visions. You know the Truth!

I remember the last thing Lama Zopa said in his talk, “If you start to tell the truth they will say bad things about you. If you continue they will come at you with knives and guns. But what can they do? They can only kill you!”

But where does it all start from. Where does it all start from. It all starts from thoughts. That’s where it starts, you have a thought and then you decide you want to give a word, you want to tell the truth about somebody, (laughs) that’s one of the worst things you can do, because who is telling the truth? It ends up hurting people.

Ahimsa, the Niyama, takes precedence, no harm by thought, by word or by deed. No harm.

Harmlessness, Ahimsa, exemplified by Gandhi, no harm, You know, giving pain to another person is the very worst thing you can do, so it takes precedence over telling the truth in some occasions, you need to hold yourself back by telling the truth because you might hurt somebody.

In matter of fact, there is only one occasion when you can tell the truth and hurt somebody and that's when you're teaching them at least that's what Swami Satchitananda taught to me, you're not doing it to hurt the other person, you're doing it to teach them something. Perhaps they can take some benefit from the harm you're doing to them by telling them the truth.

As with this talk, this page, because it's tough!

And after the Initiation of Opening of the Heart then the field of human endeavor becomes the Second Initiation The Mastery of Relationships, this is the next initiation, after the opening of the heart, the mastery of which, enables enlightenment, which is the third initiation.

The Mastery of Relationships Initiation.

How can you tell if you, if in this lifetime, you are here to master relationships?

Well, that relationships have really hurt you in this lifetime, you know. Like if I meet somebody who's dad died when he was god knows how old, knee high to a grasshopper, he's grown a lot since then (laughs – Hanumananda is 1 meter 98cm tall!), then you can tell that person is on this planet, in this lifetime, in order to go through, the mastery of relationships, the initiation.

To pass the initiation of the Mastery of Relationships, to have learn all the, to master all the problems with relationships, and the major one is when people leave you, You know. My dad died. You're on the path of

the mastery of relationships in this lifetime. That's what you're doing.

Not only do we have the Psychic Shock when the abdominal Energy Cords are cut, terminated, on the death of your loved one but they snap back into the abdomen like cut elastic bands causing untold damage to the abdominal chakras which power the throat.

But I think I was talking this morning about my experience with relationships in this lifetime. And I think the first person who left me was my grandfather and I remember him in the front room of my uncles house, in a coffin, ivory white, because that's what happens when people die, they sort of lose their colour, he was ivory white. And as I was sitting there my cousin, a young lady, she started telling ghost stories (laughs) that's what cousins and relatives do, anyway, that didn't bother me in the slightest, but I think from that experience, I absorbed some of the psychic parts of my grandfather, his Ghost if you wish, which I had to learn to get rid of over the next few years, and the experience of having a sort of morass coming into you causing depression, You know, how to explain the feeling of the energy that comes over you and takes you over and you just feel this weight, of grey negative energy that sucks every joy of life out of you and just leaves you in a depressed state.

Meinertzhagen himself traced the “evil” side of his personality to a period during his childhood when he was subjected to severe physical abuse at the hands of a sadistic schoolmaster when he was at Fonthill boarding school in Sussex:

“Even now I feel the pain of that moment, when something seemed to leave me, something good; and something evil entered into my soul. Was it God who forsook me, and the devil took his place. But whatever left me has never returned, neither have I been able to entirely cast out the evil which entered me at that moment.... The undeserved beatings and sadistic treatment which were my lot in childhood so upset my mind that much of my present murderous character can be traced to Fonthill”

Well, thankfully these energies didn't last too long, but You know that's another part of the mastery of relationships when people die, if they've done too many bad things, if too many things have been done to them in this life time then they're a little bit heavy to go up to heaven, and because they need to exist and they, to have energy, then they go to the brightest light in the room which is usually the black sheep of the family, and the black sheep absorbs all the energy and is parasitized by this energy which usually makes you depressed or angry or emotional and so part of the mastery of relationships is the ability to remove these energies from yourself and

get to the state of being happy again and being normal, being in contact with god and everything alright with the world. Hello clouds, hello sky, its Fotherington Thomas.

We need to be in that innocent, happy, normal state, not thinking bad things about other people, just being happy with existence, and I think the very next thing that happened to me, I was slightly older, I was living in this house, and next door was this old lady, and we sort of just like a normal neighbor, we talked to each other, found each other's histories and things like that and eventually we find her on the couch and she's dying, and we get the ambulance and go to the hospital and she's there sort of on her death bed and we got to the hospital to visit her and as I'm going out of the lift into the ward where she is I feel this enormous release of energy going up towards heaven and a great happiness, You know, finally I'm outta here, You know really happy, and she's just dead, she just died, she's in the bed You know, dead, and I sort of think to myself, perhaps it's not such a bad thing to die, but dying is a natural end to a life well lived, and that there's no problem with it, You know and you get people who are tremendously unhappy in anguish when their loved ones die.

And the ability to not have that anguish, and the ability to not have that pain that comes when the loved ones die is part of the mastery of relationships and it comes by means of the mastery of energy connections between

you and your loved one it comes from the deep internal knowledge not from reading a book, but from the deep internal knowledge that you have had of feeling of seeing what happens when a person dies.

The reality of it. The happiness of it.

And that's not to say when you go to a funeral or when you're talking to people about their loss, and about their anguish when somebody dies that you shouldn't be compassionate with those people, that you shouldn't make them unhappy by saying "oh there's nothing to worry about, they're in a better place".

You've got to be compassionate with people. Ahimsa. By thought or by word or by deed.

Ahimsa takes precedence. You don't try to hurt people that are in that state. You try to do all things to help them get over that pain, that anguish that they feel when their loved ones die.

Because the mastery of relationships initiation is a very tough initiation. It's very difficult to master it. To be happy under all circumstances of relationships. So that just a few years ago, how many years is it now that my mother died? 2011 yea, and my father 2010.

You know, just a few years ago. But I was having these talks with my mother on the telephone, because here I

am in Brazil, and she's over there In England, and she said, "well your father's gone really weird" he was getting a little bit of dementia, well I wasn't sure if it was dementia, perhaps the psychic faculties open up, who knows. Anyway he was acting a little bit strange, and he was telling my mum when he woke up one day "oh I had a very strange dream last night, this bus came up onto the grass in front of me, and in the bus were all my brothers who are dead, because there were five brothers in the family and they all died before my dad, and they were saying "come on George, we're going to heaven" and he didn't go with them, "oh and he's a bit weird" (laughs)

But when I looked deeply into my father with my Third Eye, I saw there was a tremendous amount of fear that was preventing the normal easy facile passage way of death, no-one gets out of here alive, sort of thing, everybody's going to die, you're going to die, I'm going to die, everybody's going to die, nobody's going to get out of this.

So what I did was, I spent a little bit of time removing this blockage of fear in my father, and I sent him up to heaven, which is what you normally do with these sorts of energies, just like Ramana Maharshi did with the Energy Blockages of his Mother before she died, and the next day, my mum rings up and says "your dads just dead".

So it's a joke, I know it's a pretty awful joke, "I killed my father" (laughs)

But if you understand that death is normal and natural and a fast quick death is preferable lying in bed fighting off the idea that you're going to die, I mean I thought it was quite compassionate to help him by removing the energy blockage causing fear in that way, and then he died.

And it was a lot easier for him, and he went to heaven straight away, he didn't hang around, creating problems for the people down here.

Well you know when people die, they hang around because they were too heavy to go to heaven and they make all sorts of problems, and I described what happened when my grandfather died. I had another experience which impinges upon relationships, it was when I was a member of the National Federation of British Healers, and you had to go on a training course to find out about healing people, because I've always had a lot of energy in my hands, so you're healing people by a laying on of the hands sort of thing.

And there was one of my students of yoga friends, meditation friends and she had just lost her husband from cancer, and he had a very horrible form of cancer

which was called cancer of the face, so she had a terrible time.

You know what it's like, when someone you really love dies, you gotta have compassion don't you. Well I didn't know anything about that (laughs) . I was just laying on hands of my friend here and as I was laying my hands on her she was going through all the normal kundalini energies so she was seeing all of her past lives, which again is quite normal, when you have somebody competent putting her hands on you, channeling energy into you.

So I'm doing this for about half an hour to an hour and she was begging me to continue with it because there was a lot of energy flowing through the hands and she was feeling the benefit of it, "don't stop don't stop" so in the end it finished and she went off home, and the very next day, I felt that old familiar grey life-sucking energy all over me, and it was actually painful to live, I think it's the worst depression that's ever come on me in my life, because it wasn't just the fact that I was depressed, it was also the fact that I could feel people, I could feel their energies and that energy was painful, it was actually painful to me so that when I was actually talking to people they were being angry with me or something, I could feel it and it was just so horrible.

Another friend came to me with a lump of crystal and she set it in front of me and she did some healing on me and the energy lifted, and I think went back to my friend, from whom I had taken this energy. I'm not saying it was her husband that I took from her, but you know when people die and they're a bit heavy, most people who die from cancer and they're a bit heavy, because it's the energy that kills them, they can't go to heaven, they stick around, and they go to the brightest person in the room, the black sheep. And they cause all sorts of emotional problems, to those people because they need their energy to live, to stay on this plane.

So I was very lucky I had somebody who come to me and who helped me with that energy, and it went back to my friend, and she died 5 years later with cancer herself. Because in those days I didn't really know what I was doing.

This is my mastery of relationships, my path, learning how to master relationships. Because the psychic part of relationships is even more important than not giving harm, pain, by thought word or deed its learning how to take the pain, purify it and send it on so that it doesn't cause any problems. And what happened with this student friend of mine was a preliminary to learning what to do with these energies, because as a part as a member of the national federation of spiritual healers I went to all of my national federation of spiritual healer

friends and said look “ this happened to me with this girl, this energy came to me and it went, what the fvck was it” and they couldn’t answer me.

So that was part of my teaching, what was it. How to manage these energies, which led me to yoga, which led me to meditation, which led me to Energy Enhancement, which led me to the 7step process for the removal of energy blockages, and these energy blockages have got lots of different names, like ghosts, that’s what we call them, **so I suppose Energy Enhancement should be called Ghostbusters, *sings the tune.***

That’s just one of the different types of energy blockages you can get, implants, blockbusters, I wont go into them, I will probably scare everyone, You know as soon as you start mentioning things like ghosts, people go oooooooo, but when you have dealt with many, many, ghosts, and when you have dealt with many, many, people dying, and you know it from balls to bones, from A-Z then there is nothing to fear because you can handle it, because you have the techniques, you have the energy, you have the ability to help everybody on this planet.

There are people in England who go around battlefields, and they take all the fallen warriors and they send them up to heaven, they don’t talk about it because people get afraid. I remember me and Devi going to visit my

parents, and we are in the front room and we feel a passage of hundreds of ghosts, and one by one as they marched through, we sent them all to heaven, it happened over 3 days, we sent them up to heaven. And when I asked my mother, “has anybody died around here”, did anybody die around here, and she said “oh yes this is the Durham Coal Fields”, and underneath this house, many hundreds of feet down, there was an accident in a coal mine, and five hundreds of people died, “oh so that’s what it was”.

So we just sent them up for 3 days. In an orderly fashion, they were just tramping through and we were sending them up to heaven.

And as I was driving down the M1, in England, I passed by this car, which was surrounded by police cars, looks like there was an accident, and as I’m going past the car, something hops onto my shoulder, he says “what happened?” and I said “ I think you’re dead mate” (laughs). “oh” he said, “what do I do now”. I said “ I’ll send you up to heaven” so I sent him up to heaven.

And you know, it sounds a bit weird, it sounds a bit strange, because where do you get the evidence for this, I could just be talking a heap of nonsense, but what can you do, it happened, so now we know what we’re doing.

So that is what happened on my passage to the mastery of relationships, now I obviously didn't have much trouble with the mastery of relationships. No member of my close family died when I was young, and really fvcked me up, but when you meet up with people that have had these horrible experiences where somebody has died, at an early age in their life, you know that person has opened the heart because a person that hasn't opened the heart would not care a jot of their parents died or not. Its only the people who care, who have opened the heart, who care, so you know they're on the next initiation which is the mastery of relationships.

So what more can I say, I mean, I can lecture for 2 hours on the mastery of relationships, because it's a big initiation.

And the very next part of the mastery of relationships that I want to talk about at this time is what Zen Master Hogen used to say in the meditation sessions that we did with him, "When I wake up in the morning, when I see you in front of me, it is as if I am seeing you for the very first time".

Now what did he mean by that because this is a major part of the mastery of relationships. When we are normal, when we don't have any blockages inside, we do not take offence.

No matter what people do to us, we forgive. And as a matter of fact, there's a process that goes on within, you go to sleep and the sleep of forgetfulness, the water of Lethe which causes you to forget everything between lifetimes. What happens with me, I go to sleep and I forget, so that sometimes I cannot remember what people have done to me.

I know lots of people and they can through a whole list of the things that you've done to them. "Oh on that date you did this" and they know the actual dates and things, "you did that, you did that, you did that, you did that, you bastard" (laughs) so when Hogen says, "when I wake up, when I see you in front of me, it's as if I see you for the very first time".

The history of the badness has just gone, it disappears as if it's not existed. Now that's on Hogen's side, but I bet you there's lots of people in the audience going "you bastard" (laughs). So what is it that counts, that remembers, that wants revenge, that remembers every little detail of what everyone has done to them?

With these black books full of, "he did that to me and I'm gonna take revenge, you bastard, you're gonna rot in hell and I'm gonna be there kicking You into the fire" (laughs) good eh, you like that.

So what is it inside that causes that? What I want to say is..

Is it an illness, an illness that counts, that wants to take revenge, that remembers every slight, every bad word, that causes all the problems in relationships, that absolutely in the end fvcks all relationship so nobody can stay together for a certain length of time, which is why we have serial monogamy? Have you ever heard of that before?.

Its where you remember everything the person did and becomes too much, right get them out, get a new one in, lets count, come on those as well, get them out, get another one in. Yea, so its just serial counting, all the bad things people have ever done to you, that so eventually it just fvcks everything up.

What is it inside that causes all those problems? And to me it's not natural for a human being to remember all the bad things that have been done to them, and to me there's something inside that causes this and I give them the name of the shadow, I think that Carl Jung, Nietzsche, Abraham Maslow, every psychotherapist psychologist worth his salt, they write books about the shadow, (laughs) and they go, "we can't do anything about the shadow" it means the hole in psychotherapy and psychology that we just can't get over. Because the shadow is what causes all psychological problems.

You name me one psychological problem, it's the shadow. It's just a blanket name for all the bad things that we know about in humanity. It's the cause of everything bad.

And the Shadow is the one thing that Psychologists can not cure! Read my book – Eliminate the Shadow, because Energy Enhancement Meditation can cure the Shadow.

ELIMINATING THE SHADOW

In this book, Satchidanand trashes the greatest-most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities. Great People – The Highest of All Humanity – Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapist, Psychological Therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no practical solution to the Shadow. All of those guys failed to Solve the Problem of the Shadow. None of these guys have any practical solution for the Shadow. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!

Carl Jung says, "There is no generally applicable technique for assimilating the shadow. It is more like diplomacy or statesmanship and is always an individual matter. First one has to accept and take seriously the existence of the shadow; second, one has to become aware of its qualities and intentions. The progress through conscientious attention to moods, fantasies and impulses, through a long and arduous meditation is unavoidable." (Carl Jung)

As Jung notes in the passage above, the biggest there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is "to be seen self" (To be seen self) You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation – Spiritual Insight – combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and Integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative Karma Mass – pain, frustration, pessimism, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed – transmuted and integrated.

Energy Enhancement Meditation uses the Psychic/Spiritual Center – Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream logic/psychodrama, etc then we are also limited skills. This is because we need both, both sides.

ENERGY ENHANCEMENT MEDITATION – DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND!

Alchemical VITRIOL is an Ancient Meditation designed to remove Trauma from Memory VITRIOL IS ALKALIN ACTION IN A LAVA – Vasa Intero – Terra Rectificando Invenies Occultum Lapidem, THE GROUNDING AND TRANSMUTATION OF ENERGY BUCK-KAGEB – The unification of the conscious and the unconscious, night and day, hot and cold, masculine and feminine. In the center is the AUM Shiva-Seed-Phrase. The Kundalini Serpent has risen from the Muladhara – Base Chakra to the Third Eye Center. The symbolic meaning of its risen state is a raised consciousness that has dissolved duality. A state of Wholeness – Integration – Enlightenment.

"Come together right now, over the Spirit of these famous songs I wish from the Beatles to yourself. You can come together, surprising your darkness to a higher self."

ELIMINATING THE SHADOW

And I was just counting one thing, and people count all the bad things people have done to you wanting revenge.

There's all these movies from Hong Kong and they want their revenge, they're actually teaching you that it's a good thing to get revenge.

So what is it inside, we mentioned the shadow . And I give it a name, energy blockages but as we've seen before ghosts are energy blockages. What type of energy blockage is it that counts the revenge and wants to know all these things and I give them the name "inner children" because they're childish, because who else but a child would take revenge?

No adult would take notice of what the little children do him. Because we're all children.

Every relationship we have is with a child. And when the children want to kick you or hurt you or cry or scream, there, there, little child, be calm, don't worry, daddy's here. (laughs).

Inner children, and we have another name for them. Because these inner children don't just start in this lifetime, they probably started in many past lifetimes and they pass along lifetime to lifetime, all the time getting stronger, all the time getting filled with more and more negative energy, all the time being wanting to take more and more deep and horrible revenge on everybody

around them, as we gather more and more negative energy, as we gather more, and more slights come into the black book, each page in the black book, gets longer and longer, filled with revenge, which is to come.

And it is this negative energy which I call evil. It is a pertinence to evil, it is truly evil because it is waiting for the opportunity for all of that bile to be spewed out in an interaction of revenge, for everything that's ever happened to them.

Another name for these inner children is subpersonalities. They are virtual machines, within the mind computer. They have these in the computer, they're when the computer gets split up into VPS's and into virtual machines and everybody has a part of the mind which the computer.

I think if you've watched Shyamalaman's Split or Glass or any of those multiple movies that are being made about subpersonalities which exist where you've got 6 or 7 or 23 different personalities existing within the one mind and they just come in through the side... *oomph* front and center, I'm that subpersonality and then another one comes in and I've changed my personality, and I've got another one coming in front of me.

Well I want to say that this is not unusual except that in most people they are a little bit circumspect, they don't just come in and take you over, and you can tell the difference, these are subtle subpersonalities, that seem to be a part of the main personality and yet they totally change the way you think.

We talk about them using the strategies of the poor me, "oh I'm so sad today I've got a pain in the diodes all down my left side" and everybody goes "oh there, there, you poor thing" getting a load of energy and it's the subpersonalities that want the energy from everybody else .

Or you have the subpersonality of the violator, you get this bondage and sadomasochism. And you've got this poor sub going, beat me, beat me, and the sadist comes by and goes "no". That's my favourite joke, on BDSM.

But when you beat another person, you take their energy. And one person enjoys giving the energy and one person enjoys receiving the energy and the poor person who has been beating dies, and the person who was beating them goes "you bastard you died on me I better go find someone else to go beat".

Subpersonalities, they take you over, there are all sorts of emotions and desires, evil desires that can take a human being over if we allow it to happen, and most

people know about this therefore they keep themselves in the center, away from the drugs and the sex and the violence which is inherent in subpersonalities which are entirely Satanically Evil.

Because they are not part of the soul.

We have a soul infused personality, which says, “when I wake up and see you in front of me, its as if I am seeing you for the very first time”, that is normal, and all the other things come from the shadow, from subpersonalities, they come from lifetimes of counting the hurts, the spew, the bile, the revenge that wants to hit and hurt and destroy and kill.

So when we are talking about the mastery of relationships first of all we have to clean ourselves of all these lifetimes of spew and bile and pain and revenge, and Energy Enhancement Meditation will help you do that by teaching how to drain the pain, the trauma, the Evil from the Subs and then fusing, integrating, the sub back into the Soul.

But when it comes to mastery of relationships, it means that if you have close friends around you or personal relationships, you have to expect that these people have all of that stuff fulminating inside of them.

And you can either treat them like a child or if it gets too bad they can't stay with you or you have to teach them how to how to remove all of that stuff within themselves or they can't stay with you.

The mastery of relationships mean that you understand all of that and you can handle it, it means you have to be compassionate even with Genghis Khan. You have to be compassionate even with Hitler.

In the Yoga Sutras of Patanjali it says stay away from evil, and what I am telling you is that every person on this planet is evil, some have more evil than others, but everybody is evil, everybody has that shadow, everybody has those subpersonalities, everybody has those little black books, if you wake up in the morning and you feel I said something bad to you (laughs) “ that bastard Satchidanand, he did that to me” (laughs) you have not yet mastered relationships in yourself.

How can anybody think bad thoughts about me?

How can anybody have evil thoughts about me?

It's just not possible.

Nail him up, get him on that cross, you bastard. I suppose you think you're better than me? (laughs).

So there you go.

What else was I going to say...

You might think you are ok, but at the heart of you is a sub personality. We are filled with many of these subs, these people who have come down to us from many past lifetimes.

We are filled with Karma from all the bad things we have done in this and previous lifetimes.

This time it's a little boy who is sad his father died. More than that, he is angry his father left him.

This little boy needs to be grounded and fused into your soul again.

We will teach you how to do this on the Energy Enhancement Meditation course.

I think that's enough for today. I think it was very good, I enjoyed that. I enjoy getting it all out.

Oh does anybody have any questions before we finish?

Any questions?

Oh I must have done well.

I think its because we all want to go to the Indian restaurant and have some nice Indian food.

Because it is the birthday of Hanumanananda and we're all going to celebrate.

IT'S NOT JUST THE DEATHVAXX IT'S VIOXX AND STATINS TOO!

Blood cholesterol control controlled by statins. Like Vioxx which killed two million people before it was stopped. Like all vaccines since the 1950's containing the SV40 green monkey cancer virus.

IT'S NOT JUST THE DEATHVAXX IT'S VIOXIN AND STATINS TOO!

I used to teach medical students the rationale, screening, means and targets for blood cholesterol control controlled by statins. Like Vioxx which killed two million people before it was stopped. Like all vaccines since the 1950's containing the SV40 green monkey cancer virus.

Before 1950 there was no cancer. Jonas Salk the Rockefeller funded satanist putting the SV40 green monkey cancer virus into every vaccine created the Rockefella Cancer industry killing 500 million people in the most horrible lingering painful way, but creating the third most profitable industry after petroleum and armaments.

Medical problems of people who have the Rockefella Deathvaxx may even exceed the profits of the cancer industry! Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Rockefellas which have existed running Global Trading Companies for thousands of years before the Birth of Christ. The Rockefellas created the Medical industry 120 years ago giving all universities one million dollars each to fund a chair of Rockefella Medicine Rockefella Big Pharma drug pushers.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, the [Phoenician Mega Trillionaire Aristocrats](#) themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

Like vaccines, statins have become part of allopathic dogma — even though many note the same catastrophic side effects you list. Most docs are hopelessly brainwashed and/or enmeshed, convinced from medical school days via Rockafella PR of these WunderDrugs, and lubricated by daily visits of Big Pharma salesmen and ads and a tsunami of science in the best journals and international conferences and respected Guidelines...

Through 2020, the most lucrative drugs of Big Pharma were statins, hauling in more than \$1 Trillion.. One Thousand Billion Dollars!

Statins, in addition to lowering essential sex hormones and leading to memory deficits, low cholesterol can have far-ranging consequences for your health. Cholesterol is found in every cell in your body, where it helps to produce cell membranes, hormones (including the sex hormones testosterone, progesterone and estrogen), and bile acids that help you digest fat.

It's also important for the production of vitamin D,

which is vital for optimal health and most relevant a normal immune function. When sunlight strikes your bare skin, the cholesterol in your skin is converted into vitamin D. It also serves as insulation for your nerve cells, and is important for general brain health and cognition.

Statins create low levels of high-density lipoprotein (HDL) cholesterol which have been linked to memory loss and Alzheimer's disease, and may also increase your risk of depression, stroke, violent behavior and suicide.

Most practitioners and patients alike are swayed by emphasis on misleading relative risk reduction (RRR). You have to doff your hat to the satanists who inherited Bernays! The salesmen make so sexy and irresistible that which destroys the most thoroughly! All based on flawed secretive science too.

<https://michaelwest.com.au/statin-wars-secrecy-and-the-worlds-most-lucrative-drugs/>

The lack of transparency is not surprising — we've all seen it in last 2.5 years.. a Feature of this satanic system.

I worked to not prescribe statins and removed them from older relatives' bags of meds. But the entire Medical Cartel is too deep in the forest. It is like reorienting a

modern western astronomer toward the geocentric theory. Easier to nuke the entire system and paradigm — which is coming apparently, and appears our way out of the death grip of the tentacles of Big Pharma and the Medical Cartel.

I agree, in hindsight, this was an Op.. If there is one protein to target for efficient weakening of entire human society, it is Low levels of high-density lipoprotein (HDL) cholesterol.. in particular designed to weaken and kill our elders, our living libraries, and their capability to benefit society, while milking the wealthy Boomers of their wealth even as they were being destroyed. Quite a stacked function.

THEY WANT TO KILL US!

This zombieification of Westerners began generations ago, with Radio, TV and a Pill for every Problem.. “Hell is empty, and all devils are here.” Folks think the mentality behind current contrived NO PETROLEUM, NO GAS Dark Winters and the ongoing destruction of Europe is new. No! The tormenting and punishment of the West began decades ago. Hubris and Oppression have immediate earthly consequences..

Over 10,000 years every country, every Empire, every administration has been Infiltrated by Bloodline Satanic

10,000 years old Phoenician Mega Trillionaire Aristocrats.

HOW TO REMOVE FOOD ENERGY BLOCKAGE IMPLANTS

Implant Blockages are programmed to use Energy Connections between people which are naturally formed between every human being in order to drain their energies back to the person who implanted them, either in this lifetime or in any previous lifetime, no matter how far they are away.

We have seen in meditation that the implanters have thousands of energy connections coming to them from the thousands of people whom they vampirise, rather like a telephone exchange.

They manage to get so many connections by implanting people who act as their helpers, their collaborators, their fellow Initiates, to implant people they meet. Any energetic psychic connection between the victim helper and the victim - the sacrifice - is channeled back to the original implanter.

Usually implant is implanted upon implant as many people have already been implanted in previous lifetimes. These people already addicted and are easier to recognise by the helper/collaborator and to implant over the original implant.

There are many young ladies and young men who act as the helper/collaborator of the implanter. These many evolved helpers unconsciously even implant and vampirise their own children, the mothers and fathers

sending the energy of their own children back to the original implanter.

The field of the dark side is sex, drugs and rock and roll. Sex and drugs, to addict people to things which will burn their energy more quickly as they send their energy back to the implanter so they can burn out and be discarded early.

Implant blockages and the people who implant them congregate any public place where people go - like walking down the street, Malls, supermarkets, plays, concerts and bars, also in clubs, churches and workshops.

Bad people, implanters or their workers congregate in schools as teachers or in children's hospitals as doctors where the helpless are implanted for a life of addiction just by looking or even in rituals at the dead of night. Thus Jimmy Sa vile worked in Broadmoor and children's hospitals.

Implant blockages can be programmed to be implanted from web sites.

Sexual implant blockages from sex sites or pornographic books and magazines and videos, or from Sexual groups or clubs or prostitutes or from any partner who has

already been implanted - really from anything in that milieu.

The Second Chakra Connection

Pornographic videos which spread the sex stimulant implant virus.

Sexual congress radiates sexual energy as well as sexual implant blockages.

A young lady virgin who gets involved with pornography will start with a lot of sexual energy - a hip.

A rosehip has many seeds, is juicy, sweet and filled with vitamin c.

She will be very popular until her sexual energy is drained, usually by video shoots where she will have to make love and climax with five men, one after the other. This virgin sexual energy radiance is highly prized by pornographers to attract, to piggyback sexual implants.

As the actors in these pornographic videos get drained, so they radiate less sexual energy, require more stimulation, more drugs to get the same response - a haw. The hawthorne berry is small, incredibly bitter and poisonous. The genesis of the whore.

Giger shows the Matrix where every human being is Corded Perverted, Degenerated, Vampirised of their Spiritual Energy, turned into a Battery for the people who live outside the body in Private Universes on the Astral Plane.

The purveyors know this. They know their product. They know what radiates sexual energy the most. They know who radiates the most. They cut the stimulation parts together to get people wanting more. They cut climaxes together for the connoisseur.

They implant, implant, implant!!

Bars and public houses contain alcohol and nicotine implant viruses as well as sexual implant viruses.

Any addict will implant you with the drug addiction Implant.

The helper/collaborators spreading the sexual implant virus are usually beautiful sexual partners although the suppliers of drugs for drug addiction implants - the man - are also complicit.

As the amount of implants grow, as the need for stimulation due to an inherent lack of energy - because it has all been vampirised - grows, so the subject is coarsened and perverted - **DEGENERATED AND DRAINED OF ENERGY.**

There is always more energy in the undrained innocent.

As the addiction disease progresses, more and more stimulation is needed to provide the same response. There is a search for more energy. Thus sex, drugs, bondage and sado masochism, homosexuality, pederasty, sexual ritual, human sacrifice.

This is the field of the Marquis de Sade, Giles de Rais and Madame Bathory.

Rock and Roll - the radiation of Spiritual Energy - When the energy gets less, then drugs will, "crank up" the Spiritual Energy with the same results as in Sex - Jimmy Hendrix, Led Zeppelin, Rolling Stones, Eric Clapton - Sex, Drugs and Rock and Roll!!

THESE RITUALS DEFINE SATANISM.. SATANIC RITUAL SEX, RITUAL HOMOSEXUALITY, RITUAL PEDERASTY, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL CANNIBALISM, RITUAL CASTRATION - the field of the Marquis de Sade, Giles de Rais and Madame Bathory.

Eventually Vampirism - Chinese sexual tantra teaches how to steal sexual energy from your partners. High level Taoist Martial Arts use Implantation of Blockages beneath the Base Chakra to defeat their opponents. How to steal energy from others, thus the genesis of implant energy blockages - how to make them, how to drain the World - 7 billion people - of their energy.

The drained die easy.

Early death.

"If there had been two things like sex, I never would have become Enlightened!" - Gurdjieff

Initiates involved in Satanic Sexual and Sodomy rituals can steal energy from their ritual partners but because no matter how high their degree if they do not know about Implant Addiction Energy Blockages, How to Create them, How to spread them about, How to gain energy from the victims - then they themselves are the victims!!

ALEISTER CROWLEY WAS A VICTIM OF SEX

These so called high and mighty, "Initiates" are the victims of Drugs, Sex, food and unnecessary exercise implant addiction blockages.

These so called high and mighty, "Initiates" are Initiates because they are implanted with Drugs, Sex, food and unnecessary exercise implant addiction blockages.

These so called high and mighty, "Initiates" are victims of higher Initiates who are using implant addiction blockages to drain them of their life energy, vampirising them like normal humanity because higher Initiates think of these lower Initiates in the same way that they think of normal humanity... as if they were livestock or a slave.

These so called high and mighty, "Initiates" are victims of higher Initiates who weaken them only to "Possess" them - Download into their bodies to take them over as "Meatbots" from their private universes on the Astral Plane.

Every member of humanity has been already implanted from our childhood and youth in the company of the evil in every gathering place, through pornography, traumatic sexual experiences, rapes, school, hospital, university, rituals and also from previous lifetimes by all manner of blockages including Implant Addiction Blockages - Drugs, Sex, food and unnecessary exercise etc - This means YOU!

See.. LIMITLESS - THE MOVIE OF ILLUMINATION

As I say in my review of the Movie, "Limitless" - All arousal of the system into ravaging its own internal energies in Sex, Drugs, Food or unnecessary Exercise, instead of using Energy Enhancement Level One to connect to an infinite stream of free energy from the Chakras above the head ending with God.

All arousal of the system into ravaging its own internal energies in Sex, Drugs, Food or unnecessary Exercise will result in the, "Burnout of the Binge" as your life energy is sent back to the vampire implanter and you the implanted are stoned, burnt out, anaesthetised, recuperating, ill, cold, influenza, ME, medical intervention, surgical intervention, ghosted, on the verge of death, Dead before your natural time...

By Surrounding all these blockages in Energy Enhancement Protection, Pyramid Protection or Merkaba Protection, it will cut off that energy blockage from its support, from the people who are draining your energy along energetic connections from the energy blockage back to them.

So Psychic Protection stops the vampiric drainage even though the Implant Blockages still remain.

Stopping the vampiric drainage and energetic support of the blockage through the use of Energy Enhancement Psychic Protection which can even help in removing the blockage is a necessary preliminary to the Seven Step Process of Energy Enhancement Level Two - Remove All Energy Blockages.

PAUL CRAIG ROBERTS THINKS THAT PUTIN IS STUPID!

But Putin is Not Stupid. WEF Member Putin Has Proven his Treachery to the Russian People and his Compliance with the Klaus Schwab Great Reset and the UN Agenda 21

<https://www.paulcraigroberts.org/2022/10/07/when-it-comes-to-conducting-a-war-the-kremlin-has-proven-its-incompetence/>

Improved by Satchidanand

To be clear, Putin is a Western Shill working for the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families to create the Rothschild Klaus Schwab's Great Reset. Both Putin of Russia and Xi of China are signatories to the totalitarian Agenda 21 Green Agenda, totalitarian Social credit scores, implantable chip passports and both want to mandate the Heart Attack, Cancer Deathvaxx to all their citizens which has increased the Deathrate by 40% Worldwide.

Putin pretends he is humane. He pretends he cares about life and civilization. He pretends he is a good person. In fact, he is pretending to be too good of a person, too

stupid a person to be dealing with the venal and corrupt West, and that he has no idea how to conduct a war.

Putin pretends to think, or thought, that Russia and the West shared common values. Putin pretends to show how little he understands the West. The West is Washington, and the rest of the West are not independent countries but Washington's puppets. None of Washington's puppets represent their own citizens and neither does Washington. Washington's values are measured only in dominance and money.

Washington is concerned only with its political, military, and financial hegemony over everyone else, including Europe, including its own people who are waking up in each successive day in an ever tightening police state where the US Constitution is erased bit by bit, day by day, the same as every one of Washington's puppets.

The FBI has become a Gestapo for the Democrat Party. The Western media is a propaganda ministry for Washington. Truth that is inconsistent with the ruling official narratives is suppressed. The government and its pressstitutes feed the people lies and tell them it is truth.

Putin gives speeches in which he shows that he understands this, but his actions do not reflect his

understanding in his speeches. The distance between Putin's words and his action is almost infinite.

The Putin Kremlin pretends to be totally out of touch with reality when the Kremlin thought that its "limited military operation" in Donbass would be allowed by Washington to be limited. The Kremlin pretends to be this naive, this gullible, this uninformed so much so that it is beyond anyone's imagination.

It is not possible that the Putin could possibly have thought that after Washington went to the trouble to force Russian military intervention in Donbass, Washington didn't intend to use it to greatly widen the war.

Here we witness the supposed total failure of Putin, Russian intelligence and the total failure of Russian understanding of the enemy with which Russia is at war.

Indeed, it is not even clear that Russia understands that she is at war with the West. Here and there a Russian says so, but Russia's actions belie any such understanding. Putin is still trying to bail out Europe by supplying energy so Europe can continue its war against Russia. How does one understand this?

It has to be the first time in History when a country at war supplies its enemies with the fuel with which to

conduct war against itself. Putin is begging Europe to please let us sell you energy so your war industries don't have to close down. Could Putin do anything else to make the Russian government look like the most confused government on earth?
<https://www.rt.com/business/564148-novak-nord-stream-supplies-europe/>

Let's put the origin of the ongoing and widening war in Ukraine in its factual context. In 2014 the American neoconservatives who dominate the American government overthrew the government in Ukraine while the Russian government, totally ignoring happenings in its backyard, was focused on trying to win Western acceptance as an Olympics host in Sochi. In other words, Putin thought the Olympics was more important than Ukraine.

Putin's treachery made Washington's takeover of Ukraine a cake walk. Suddenly, Putin was faced with Ukrainian neo-Nazis prohibiting the use of the Russian language and terrorizing and killing ethnic Russians who comprise the population of Donbass and Crimea, historical parts of Russia that Soviet authorities moved from the Russian province of the Soviet Union to the Soviet Ukraine province.

These Russian areas of Ukraine all voted by massive majorities to be reunited with their home country, but

Putin treacherously only accepted the application from Crimea, a part of Russia since the 1700s.

Putin accepted Crimea, because that is where the Russian Black Sea Naval Base is located, leased since the Soviet collapse, from Ukraine which was separated from Russia by the Soviet collapse.

By leaving the Donbass Russians hanging at the mercy of the US neoconservative coup, Putin guaranteed a military conflict.

The punishment the Ukrainian neo-Nazis inflicted on the Donbass Russians resulted in the creation of two independent republics: Donetsk and Luhansk. To defend themselves from being occupied by neo-Nazis, the two republics organized governments and militias. After losing some of their territory to Ukrainian neo-Nazi militias, the Donetsk and Luhansk republics stopped the advance, but were subjected to artillery attacks for eight years on civilian housing that continue today killing thousands of civilians.

Putin and Lavrov tried to pass the buck to the West and treacherously, tried to deal with the problem diplomatically, pretending to show how little they understood the West. Putin came up with the impractical Minsk Agreement signed by Ukraine and the two Donbass republics and guaranteed by France and

Germany.

Under the Minsk Agreement Donbass was to remain within Ukraine, but would have sufficient autonomy to have their own police force so they they could not be persecuted by neo-Nazi Ukrainian police.

It became clear almost instantly that Ukraine would not comply with the agreement it signed and that France and Germany would not enforce the agreement.

Why Putin thought two Washington puppet states would enforce an agreement that permitted Russia to escape a military conflict is beyond Paul Craig Roberts' imagination but not beyond mine.

How Paul Craig Roberts continues to think Putin this stupid rather than an ally of the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ. Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

The only solution to this knotty problem is the Paul Craig Roberts himself is complicit of being controlled opposition the only other explanation is that he is as stupid as he thinks Putin is.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

That Putin spent eight years trying to save an agreement that never had any prospect of success rather than showing how out of touch with reality the Kremlin is, is evidence that Putin is a traitor.

Evidence for this is that Steve Pieczenic, assistant undersecretary of state for four USA administrations said that he himself put Putin in power.

With this factual background, let's come to the present conflict today.

When it comes to International Law, Putin is the only person in the world who abides by it. Certainly Washington doesn't. By abiding by international law, Putin gives Washington every advantage in the conflict.

Under international law a Russian invasion of Ukraine is an act of aggression. So Putin was careful not to invade

Ukraine, despite what you hear from the Fake News Propaganda Presstitutes. The two Donbass republics, belatedly recognized by Russia eight years afterwards, requested assistance from Russia to prevent their conquest by a large Ukrainian army trained and armed by the West that was poised to invade.

Perhaps at this point Putin realized his mistake of failing to accept, as the republics begged, reincorporation into Russia in 2014. In February 2022, if Putin allowed neo-Nazis to exterminate Donbass Russians, the Kremlin would lose all legitimacy with the Russian people.

In other words, Washington successfully maneuvered the Russian government into war that served Washington's interest. As the West presented it, here was Russia the aggressor confirming Western propaganda. Here was Russia subverting Europe with energy dependence. Here was Russia rebuilding the Soviet Empire. Next Russia would be recreating the Warsaw Pact and extending it into Western Europe with Europe's energy dependency on Russia. No one in the West listened to the Kremlin's explanation.

With the official narrative set, Washington began supplying Ukraine with modern weapons, intelligence, and targeting information. When the Russian offensive paused, because Putin or the Russian military lacked the foresight to realize that an offensive required reserves,

and as a result of this oversight, had no reserves, the US/UK trained Ukrainians began their own offensive, which has partially succeeded against the thinly protected Russian lines.

The Russian retreats, while awaiting reinforcements, have been presented in Western media such as the New York Times and the UK Telegraph as Russian forces fleeing the battlefield in terror, leaving behind their equipment.

This is not what is happening, but it is not the fact of the situation that matters but how the Fake News Propaganda Presstitutes explain the situation. The narratives created by Washington and its presstitutes create their own “facts.”

Putin and the Russian military unbelievably went to war with minimal commitment of forces and no reserves. The Russian forces simply lacked the manpower, given Putin’s limited commitment, to defend thin lines once Putin stopped the offensive and handed the initiative to Washington. This is one of the most stupid mistakes that a wartime commander can make.

What is actually happening is that the Kremlin and Putin are pretending to have a totally incorrect reading of Washington, pretending to have had no idea that Ukraine would be supplied with endless modern

weapons, intelligence, and targeting information, pretending not to expect this response, that the Kremlin was not prepared for real war.

In reality, no one could be this stupid, therefore they are all complicit together.

We have found letters between the Kings of the past where they pretend to have a war to reduce the population, to create poverty, to introduce the Great Reset, to introduce totalitarianism, to manage and control the population.

Pretending that if Putin had better understanding of the situation, has shown no comprehension of how to fight a war. We are now into eight months of a conflict that Russia could have settled in one week. And mighty Russia has been forced on the defensive with its lines retreating both in Kharkiv in the North and Kherson in the South. Wars that are perceived as being lost can lose their glory and support of the population.

To be clear, when the mobilized Russian reinforcements, which an intelligent military would have had on hand from the first of the conflict, are finally prepared for war, apparently sometime in December, the Russians will regain the lost territories, although the Ukrainians might have killed the inhabitants.

Putin is pretending not to understand that Russia is at war with the US and Europe or what do do about it if he does understand it. Putin's spokesman says that the limited operation in Donbass will continue. If so and nothing else, the only possible conclusion is that Russia will be long suffering - allowing time to propagandise the Russian people to support the War - allowing time for the great Western Propaganda machine to vilify a weak Putin in preparation for a Great Reset WW3.

Field Marshall Hermann Wilhelm Göring
(1893-1946)

"Why of course the people don't want war. Why should some poor slob on a farm want to risk his life in a war when the best he can get out of it is to come back to his farm in one piece? Naturally the common people don't want war ... after all, it is the leaders of the country who determine the policy and it is always a simple matter to drag the people along ... the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the peacemakers for lack of patriotism and exposing the country to danger. It works the same in any country."

Nuremberg Trial

"He is KGB. His eyes are the eyes of a killer. He cant walk and move his right hand, even after all these years he has It firmly stuck to his side when he walks, where his gun would normally be. KGB training that's hard to shift, Its probably still there tucked away just in case."

A military that is prevented from attacking the communication and military infrastructure and most of the territory of the country with which it is at war cannot prevail.

The Kremlin has been at war for eight months and has done nothing to prevent Kiev's ability to fight a war. The Kremlin's view that it is not at war with Ukraine and is only conducting a police action to remove Ukrainian forces from the Donbass is a self-deceiving idea that prevents the Kremlin from conducting a war.

To speak the truth, the Kremlin's conduct of war is juvenile. A 10-year old kid could do a better job. Was the Kremlin even thinking when it thought it could conduct a war while leaving the opposing government perfectly secure in its conduct of the war? Russia has refused to shut down the government in Kiev, thus allowing its US/NATO/NAZIAZOV enemy to be retrained, re-supplied and conduct unopposed the war against Russia.

This has to be the first time in human history that a government at war has been permitted to operate as if it were not at war. There is no Russian attempt to destroy Zelensky, to shut down Kiev, to disrupt the communication and infrastructure of Ukraine.

Any country that conducts war in such a self-defeating way convinces its opponents that it has no intention of winning the war.

This perceived lack of Russian resolution emboldens the West to push Russia harder and to violate more Russian

red lines. Violating Russian red lines means nothing to the West as Russia never does anything about violations of its red lines. Russian protests are nothing but meaningless Russian bluster, says the West.

Never think anyone can be so stupid when you can think they are complicit with the West.

That they want to complete the fourth horseman of the Apocalypse to complete their Rothschild Totalitarian Klaus Schwab Great Reset. The Covid Deathvaxx plague, the petroleumless fertilizerless starvation, the government censorship, and now, World War Three!

Unless Putin intends to lay down his arms and surrender to Ukraine and the West, his extraordinary weakness and irresolution that Putin has shown in his “limited military

operation” will encourage more aggression from the West and lead directly to the 3rd World War.

Zelensky is already calling for preventative nuclear strikes against Russia.

<https://sputniknews.com/20221006/peskov-urges-entire-world-to-take-note-of-zelenskys-call-for-preventive-nuclear-strike-on-russia-1101582414.html>

Apparently, never in Putin’s entire life did he ever learn to put his foot down. Putin seems to think it can be done with mere words, but it cannot. Putin’s hesitancy and toleration of provocations has undermined his credibility.

As the West has no fear of its opponent, Putin’s Goody Two Shoes behavior is bringing us Armageddon. The longer the war goes on, the more involved the West becomes, the greater the stake powerful interest groups, such as the US military/security complex, have in the war, and the less prospect for de-escalation.

By constantly showing irresolution, acceptance of extreme provocations, and shamelessly begging for negotiations, the Kremlin has convinced Washington that Russia is incapable of fighting. From Washington’s viewpoint, Russia is nothing to be feared, only something to be moved out of way.

It is extraordinary that the government of what is probably the most powerful military force in the world has convinced Washington that Russia is militarily impotent.

This is Putin's achievement from trying to save the Donbass Russians without having to fight a real war.

Never think anyone can be so stupid when you can think they are complicit controlled opposition.

Andrei Martyanov, the Saker, and Dmitry Orlov have seriously misled their pro-Russian audience. Martyanov and Saker stressed the superiority of Russian firepower and tactical operations, which was correct, but they ignored the built-in strategic failure of the Russian "limited operation." Moreover, the Russian tactical advantage was reduced when the limited forces Putin had been willing to commit became too thin to protect the boundaries of the conquest, and modern weapons from the West and targeting information substantially reduced Russian firepower advantage.

Putin, having foolishly let the war go on month after month, a war that he should have competed in one week, gave the US and UK time to train a larger Ukrainian army and equip it with modern weapons. It should have been obvious to the Kremlin from day one that this was in the cards. Any time a war is drawn out the advantage

passes to the side that is not constrained by self-imposed constraints. It is impossible to imagine Napoleon or the Wehrmacht fighting in such a constrained way as Russia is required to fight in Ukraine. If Stalin had fought in the way Putin is today, there would be no Russia.

This whole pretend war is straight out of Hollywood - a Kabuki Theater for public consumption in Russia and the West. Everyone knows as with all wars, that in the totally corrupt Ukraine, Trillions of Dollars spent on War are recycled straight back into the coffers of the Biden family and Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ. Never think how anyone can be so stupid when you can think they are complicit.

In reality, no one could be this stupid, therefore they are all complicit together. We have found letters between the Kings of the past where they pretend to have a war to reduce the population, to create poverty, to introduce the Great Reset, to introduce totalitarianism, to manage and control the population.

Paul Craig Roberts asks how Putin could be this stupid, but we have seen stupid before in World War One where stupid Generals continued to send millions of brave young men, "over the top" straight into the mouths of

machine guns to be, "mowed down like grass". These Generals were not stupid any more than Putin is stupid, that Hitler was stupid, that Stalin was stupid to retreat and execute all his Generals.

These guys fought the Wars to genocide, to cull their own people!

This Phoenician Venetian Aristocrat Paolo Sarpi idea that the World's carrying capacity is very small is promoted by the Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families.

As King Chuckie pedophile Saxe Coberg Gotha Dracul says, - "I have a stake in Transylvania" reminding us that Bram Stoker's "Dracula" was thinly disguised as the Royal family who migrated from Transylvania! Chuckie lives in his ancestor, Dracula's Castle six months of the year!

*“In the event that
I’m reincarnated, I
would like to return
as a deadly virus,
in order to contribute
something to solve
overpopulation”*

Prince Phillip of England

Following the ideas of his father, Chuckie founded the World Economic Forum with Rothschild Klaus Schwab promoting the Great Reset where 95% of the population is genocided by plague, starvation, totalitarianism and War.

King Chuckie's father, Prince Philip's reincarnation quote is, "In the event that I am reincarnated, I would like to return as a deadly virus, to contribute something to solving overpopulation."

The next step is obviously escalation towards open warfare. I hope Russia will avoid any dramatic sort of retaliation, because the West so clearly wants an excuse for a big war to which it can send its unwanted deplorables.

BUT I HOPE IN VAIN..

<http://thesaker.is/terror-on-crimea-bridge-forces-russia-to-unleash-shockn-awe/>

THIS NEEDS TO STOP NOW!

Saving Private Ukraine: The End-Game?
The end-game seems to be on the horizon. The winter conditions of November are three weeks away: enough time to get everything in place. Until then Russia can soften up the Ukraine, sending missiles and destroying the buildings of the hated Ukrainian Secret Police (SBU)

in Kiev and Lvov and all manner of military and logistical targets and power plants, without which the Ukraine cannot function. However, Russia will still do its best to save Private Ukraina because it wants to save the Ukraine, not destroy it.

And beyond this, there is another, ultimately far more important, issue. This is the world economic war. Only once the USA has started to see the dollar fall and fail and Western Europe has started to suffer from power failures will things move here.

<http://thesaker.is/saving-private-ukraina-the-end-game-on-the-horizon/>

AND FALSE FLAG CYBER ATTACKS BLAMED ON RUSSIA BUT CREATED BY THE USUAL SUSPECTS!

The image is a screenshot of a webpage from the World Economic Forum. At the top, there is a navigation bar with the World Economic Forum logo, a search bar, and a 'BANNED VIDEO' label. Below the navigation bar, the main heading is 'Cyber Polygon'. To the left of the heading is a graphic of glowing blue hexagons with a central circular icon. To the right is a 'Partners' list including Banco Santander, ELZONE, IBM, International Criminal Police Organization (INTERPOL), Internet Corporation for Assigned Names and Numbers (ICANN), Mobile TeleSystems (MTS), Citibank, Etisalat, and Wind Mobile. Below the graphic, there is a small text box stating 'This project is part of the World Economic Forum's Centre for Cybersecurity Platform'. Further down, there is a paragraph of text: 'Digitalisation is accelerating everywhere. New digital ecosystems are forming all around us, creating unmissed linkages across services and supply chains. As the world grows more interconnected, the speed of development makes it difficult to assess the impact of change. A secure approach to digital development today will determine the shape of our future for...'. In the bottom left corner, there is a small 'INFO WARS' logo.

These Generals fought the Wars to genocide their own people!

The total number of military and civilian casualties in World War I was about 40 million: estimates range from around 15 to 22 million deaths and about 23 million wounded military personnel, ranking it among the deadliest conflicts in human history.

1. Gallipoli campaign 25 April 1915 – 9 January 1916 – 470,000 casualties
2. Battle of Galicia (Lemberg) 23 August – 11 September 1914 – 655,000 casualties
3. Battle of Verdun – 21 February 20 December 1916 – 698,000 casualties
4. Battle of Lys and Second Battle of the Somme 7–29 April 1918 & August 21 – September 3, 804,100 casualties

5. Third Battle of Ypres (Passchendaele) 31 July – 10 November 1917 – 857,100 casualties
6. Gorlice-Tarnów Offensive 2 May – June 1915 – 1,087,000 casualties
7. First Battle of the Somme 1 July – 18 November 1916 – 1,113,000 casualties
8. Spring Offensive (Kaiserschicht/Ludendorff Offensive)
21 March – 18 July 1918 – 1,539,715 casualties
9. Hundred Days Offensive 8 August – 11 November 1918 – 1,855,369 Casualties
10. Brusilov Offensive June 4 – September 20, 1916 – 2,317,800 casualties

"To Encourage the Rest"

A list of the three hundred and six British and Commonwealth men, tried (court martialled) and sentenced to death during the First World War - shot in a firing squad for desertion and cowardice is online. Those executed included 22 Irishmen, 23 Canadians and 5 New Zealanders. To Encourage the Rest is a quote from the Romans who practiced decimation on cowardly Legions. One in ten were murdered "To Encourage the Rest".

If you could hear, at every jolt, the blood
Come gargling from the froth-corrupted lungs,
Obscene as cancer, bitter as the cud

Of vile, incurable sores on innocent tongues –
 My friend, you would not tell with such high jest
 To children ardent for some desperate glory,
 The old lie: Dulce et decorum est
 Pro patria mori.

You may ask how could Putin act like a Judas Goat and create the circumstances for another slaughter like

World War Three. How could he slowly lose in the Ukraine yet at the same time arouse the patriotic Russian Bear that, "something must be done". How could Biden continue and continue to poke the bear in order to create World War Three.

Well Biden and Hunter Biden are pedophiles. Biden showered with his young daughter and Hunter had a relationship with his 13 years old cousin and, "Satanism follows pedophilia like a stench".

**AGAINST SATANISM VOLUME 3
SATANIC RITUALS AND HUMAN SACRIFICE**

Sometimes people reading the Truth get depressed by it.
For people with big hearts though the truth gets them started with an Implacable Opposition to Absolute Evil.

The Battle of Armageddon can only be won by sufficient Angels to fight against the Demons - Be an Angel!

The point of this introductory missive is that 72 Empires have been recorded and every one of them has failed in the same way. The facts have been recorded that a totalitarian and satanic elite infiltrated and took over all these Empires and that 72 once free, flourishing and rich reaulbics were destroyed from within.

Infiltration of Satanism is the methodology as slowly every Government Ministry and Societal function is taken over. Eventually a Satanist becomes King Emperor President. The Satanist Pillars of Homosexuality, Pederasty, Drugs and Ritual Sex - both Hetero and Homosexual - are introduced overtly and the society is destroyed.

The Ancient Enemy who counts meditation and the mind control psychic arts as one of its main planks of World Domination has used Satanic Infil-Traitors for 10,000 years in every Organisation - Religion, Left and Right Politics, Dynastic Families, Geopolitics, Economics, Universities, Intelligence Services, Think Tanks, Banking, International Companies, Eugenics -

All of them Censoring Worldwide, Advanced Meditation techniques - Alchemical VITRIOL, the Kundalini Key and Energy Blockage Removal from every Meditation Program. EXCEPT ENERGY ENHANCEMENT!!

The key is that the Satanic Religion and its current recruiting cuts of Freemasonry and the Crowleyan Sexual Ritual OTO - Ordo Templi Orientis - are Fake Gangs, created by men as a 10,000 years old technique to create psychopathic leaders and thus conquer the world.

All Rituals, Religion, Education, Secret Services and Political Movements have been Scientifcally Engineers to create Fake Gangs for 10,000 Years. It's what the old Roman Empire, and the Babylonian Empire, and the Cult of Apollo, and the Bizantine Empire did before.

As you know, all the gangs have Rituals before you can join, making your bones with the Mafia means you must murder someone before you can join and Drug Cartels, secret groups within the Masons, the Hellfire Club, all have their Rituals before you can join and before you can progress.

All Rituals, Religion, Education and Political Movements are designed to create fake gangs of psychopaths who can then be used to create control through chaos created poverty - The Oligarchic Policy of Poverty - destroying infrastructure - preventing human evolution.

AGAINST SATANISM VOLUME 3

AGAINST SATANISM

SATANISM - 10,000 YEARS OF TOTAL CONTROL

The whole purpose of the Cremation of Care Ceremony at Bohemian Grove where the image of a young child is ritually burnt on an Altar in front of a 40ft high image of an Owl symbolising Molech before Presidents and Captains of Industry and Media is to suppress the Heart because it is not possible to consciously create Wars and kill and torture millions of people unless you totally destroy the empathy of the Heart Center... 200 millions of people killed in the 20th century by Hitler 20 millions, Stalin 60 millions, and Mao 100 millions.

In a way, Satanists are not really human. They are less than Human. They have Intellect, they have Will Power but they have no Hearts. Thus they can do all these horrible things.

Hitler was a Satanist Rothschild. Stalin was a Satanist Rothschild. We know World war Two was created just like World war One. We know Hitler was a Satanist. We know Himmler was Head of the Jesuit Order using Satanic Ritual Sodomy to program it's adherents for hundreds of years. We know his Nazi SS was an Order of the Catholic Church from Pachelli Pope Pius XII - Knights of the Black Sun, Sea Seclorum - SS, using Sodomy to program it's evil Nazi SS Officers.

READ ABOUT IT IN AGAINST SATANISM VOLUME SIX

Dark Forces have used Infiltrating Bloodline Satanic 10,000 years old Phoenician Mega Trillionaire Aristocratic Families which have existed running Global Trading Companies for thousands of years before the Birth of Christ.

Infiltrating and taking over the power structures in every country, using propaganda - emotional rhetorical religious concepts to control humanity, they themselves are Satanists, worshiping all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis.

All these Satanic Gods are heartless Demons who have cut themselves off from the Energy of the One Good God, who have rejected God so as to live eternally, immortally.

Therefore they control humanity so as to steal and vampirise the energies of Humanity forever!

In this book we find that over thousands of years before the birth of Christ, spook, Bloodline Satanic Phoenician Mega Trillionaire Aristocratic Families infiltrated every country, every Empire, from their Phoenician Colonies in Ancient Egypt, Carthage, Rome, Venice and London, marrying in to, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family.

Their Phoenician sons and daughters pretending to be natives of Europe, Britain, America, India, Israel and China, using their Satanic Phoenician Mega Trillionaire inheritances to get into positions of

power to manage and control their human cattle in every country in the World!!

Prince Phillip of England

These Satanic Malthusians Demand Genocide

“Human population growth is probably the single most serious long-term threat to survival. We're in for a major disaster if it isn't curbed...We have no option.” —Prince Philip, interview in *People Magazine*, December 21, 1981

“In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation.” —Prince Philip, *Deutsche Press Agentur*, August 1988

“It is almost self-evident that the greater the human population, the greater the demands for natural resources... The paramount question deals with an optimum human population. How many is too many people in relation to available resources? Many believe that our current (satanically consciously created) environmental problems indicate that the optimum level has been surpassed.” —Task Force on Earth, Resources and Population, George H. W. Bush, Chairman, July 8, 1970

POST MORTEM

Unfortunately, all the obituaries were premature: Venice has continued to be very much alive. During the nineteenth century and up to our own time it has been the most important single incubator for fascist movements. With its military and financial power largely emigrated elsewhere, Venice's importance for political culture is now greater than ever.

Examples of this are inexhaustible. Richard Wagner wrote part of *Tristan und Isolde* while living in the Palazzo Giustinian on the Grand Canal. One story has it that the leitmotif of the Liebestod was inspired by the mournful call of a gondolier. At the end of his life Wagner moved to Palazzo Vendramin Callergi, where he died. This building, presently a gambling casino, was also the home of Count Coudenhove-

Kalergi, the founder of the Pan-European Union. Friedrich Nietzsche loved Venice, returned there incessantly, and dedicated certain poems to the city which today can still be used in lieu of a powerful emetic. Venice was an inspiration for Lord Byron, for Thomas Mann, and so on.

Other examples abound of how the Venetian oligarchy's cultural and political influence has reached down into the modern era:

* When British East India Company retainer Thomas Malthus published his *Essay on Population* he was plagiarizing from the Venetian Giammaria Ortes, who produced, around 1750, a fully developed version of the argument that geometric population growth outstrips the much slower arithmetic progress of food production.

* John Ruskin, the leading ideologue of the British Dark Ages faction, began his career with a raving treatise on architecture, *The Stones of Venice* (1851). This volume popularized the notion that a "Venetian Gothic" style had been developed in the better times of the city's history (which for Ruskin ended in 1418) and it was used systematically to discredit the Golden Renaissance.

* A turn-of-the-century new Roman Empire faction led by Venetian Count Volpi di Misurata, who was known as the doge of his era, sponsored the fascist Mussolini supporter Gabriele D'Annunzio to drum up enthusiasm for a new crusade into the Balkans and the East. Volpi became finance minister in Mussolini's cabinet, along with a very large number of other Venetians. D'Annunzio incited the Italians to take back Trieste, the rest of Italia Irredenta, and the Dardanelles, bringing on to center stage the so-called Parvus Plan for dismemberment of the Ottoman and Russian empires, which is generally recognized as the detonator of World War I. It is possible that the turn-of-the-century super spook Alexander Parvus was ultimately employed by Venice.

* The Societe Europeenne de Culture, a think tank created in 1950 through the efforts of Venetian intelligence operative Umberto Campagnolo, has for the past three decades pulled intellectuals from both East and West into organizing for an “international culture,” based on rejecting the existence of sovereign nations. The SEC counted among its members the cream of the postwar intelligencia: Adam Schaff of Poland, Bertolt Brecht of East Germany, Georg Lukas of Hungary, and Boris Paternak of the Soviet Union, as well as Stephen Spender and Arnold Toynbee, Benedetto Croce and Norberto Bobbio, Julian Huxley and Thomas Mann, Francois Mauriac, and Jean Cocteau. Later, the SEC launched the Third World national liberation ideology.

Today, the Club of Rome is the institution that represents the most concentrated essence of Venetian influence and the Venetian method. The Club of Rome wants to convince the great powers and peoples of the world to commit collective suicide by accepting the genocidal doctrine of zero growth. It also hopes to abolish the sovereign nation as a vehicle for economic growth and scientific progress.

Club of Rome founder Aurelio Peccei has just written a new book titled *One Hundred Pages For the Future*, a global review of the impact of the Club of Rome, and particularly since its 1972 release of the zero-growth model *Limits to Growth* was published, a series of social movements has sprung up under the sponsorship of the ideas in the book. These – the women’s movement, the peace movement, Third World national liberation movements, gay rights, civil liberties, ecologists, consumer and minority rights, etc. – must now be welded together into one movement for a single strategic goal: the implementation of a zero-growth international order.

The Venetian problem remains with us today. Truly, the most urgent task of this generation of mankind is to definitively liquidate the horror that is Venice and all the other Gang Clan Families who have ruled the World for 10,000 years.

The Satanic Conservative outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and Children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Torture, Ritual Castration - and those Damn Liberals by Miles Mathis and Satchidanand

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

The United States were never meant to be republic, much less a democracy, they were meant to be another outpost of the Satanic Phoenician Navy who for 10,000 years have worshipped Molech, Baal and Cybele and Attis, and more worship with Satanic Ritual, it's not just Sex on Altars like in Kubrick's, "Eyes Wide Shut", it is Pedophilia with Babies and children supplied by Epstein, Dutroux or Jimmy Savile, it's Ritual Human Sacrifice, Ritual Blood Sacrifice, Ritual Burning Alive, Ritual Castration.

Some of my readers have been confused by my insistence that I am a liberal. These readers agree with me on a lot of things, so they can't fathom what I mean by calling myself a liberal while they consider themselves conservatives. Since it is important, I will hit it again, trying to get them to understand.

I think the difference is that I am coming at this as a student of history, while many of them are coming at it as students (or consumers) of current politics.

I haven't gotten my definitions and stances by listening to Rush Limbaugh, or Sean Hannity, I have gotten them from texts from the 19th century or earlier. My readers will answer me, "Then why don't you keep up, Holmes! This is 2020, not 1880". Good point. . . except that it isn't.

To see what I mean, let's transport ourselves back to the 1880s. Back then, satanic conservatives were those people who wished to conserve the status quo. Hence the name. They were quite satisfied with the way things were set up, and why should they not be?

They were rich and connected and had it made. Liberals were those who were not satisfied by the way things were, and so they were pushing for reforms. In general, they wished to see more fairness in government policies. They wanted those not "of the manor born" to be given a fair shot at good employment, good wages, court access, and all the various fruits of society.

The founding fathers have even been sold as liberal in this sense, since although they were rich guys, fully connected, we are supposed to believe they believed in democracy, republicanism, and fairness in general. That is why they go on and on about that in the Declaration of Independence and Constitution. Those are liberal documents, in that they deny not only the divine rights of kings, they deny any other sort of favoritism based on name or birth.

As it turns out, the founding fathers were not liberal at all. They were Satanic fascists, and the whole liberal stance was just another con-job.

AGAINST SATANISM VOLUME SIX

Infiltrating Bloodline Phoenician/Jewish aristocratic Families have existed for over 5000 years before the Birth of Christ. Using emotional rhetorical religious concepts to control, they worship all the Pagan Gods, including Lucifer, Satan, Baal, Bel, Molech, Ashtoreth, Cybele and Attis including all the Satanic Rituals in Against Satanism Volume 3 - RITUAL SEX, RITUAL DRUGS, RITUAL BLOOD SACRIFICE, RITUAL HUMAN SACRIFICE, RITUAL PEDOPHILIA, RITUAL TORTURE, RITUAL BURNING ALIVE, RITUAL CANNIBALISM, RITUAL CASTRATION.

In this book we find that over thousands of years, spook, Bloodline Phoenician/Jewish aristocratic Families infiltrated every country, every Empire, taking over or infiltrating every ruling aristocracy and aristocratic, bloodline family, in Europe, Britain, America, India, China and in every other country in the World.

Jewish/Phoenician aristocrats were never attached to any tiny nation, but were always one globalized trading empire from 2000BC, playing countries against each other for profit. For example using a false Flag to start a fake war between ruling elites in separate countries both of which have been allowed, built up, to become rich, but all the elites in each country coming from the same Infiltrating Bloodline Phoenician/Jewish aristocratic Families, and then buying all the assets for pennies on the dollar after the war. Not only that, giving loans to each country to prosecute the war, owning the Military Academic Industrial Complex providing materiel for the war.

Many Infiltrating Bloodline Phoenician/Jewish families who have ruled the World as one trading block for thousands of years before the Birth of Christ came from the Fertile Middle East Crescent including Lebanon, Libya, Syria, Israel, Mesopotamia-Iraq, and Persia-Iran, and had that region and all it's Empires razed many times over nonetheless, profiting from each destruction. They hop to and fro over the planet, always profiting by shifting, reshuffling and breaking their Empires.

We saw that the important conquests are not in our history books as such. Rather, Europe was colonized in the Bronze Age already, in patterns that match up with structures we see in today's spook aristocracy. The entire upper class of colonized regions was replaced by Phoenician/Jewish families, with common people unaware of it to this day. Some of this colonization is cautiously admitted, just not emphasized.

We saw that the Infiltrating Bloodline Phoenician/Jewish families always held power. The secret behind their power is simply that there is no big secret. They don't know anything special. They can't do anything special. They never achieved anything special —other than monopolizing trade. With the power to deceive from the Father of Lies, owning all the media, - The CIA, the Military Academic Industrial complex, Universities, History, Books, Magazines, Newspapers, Television, Youtube, Facebook, Google - even idiots can rule the world for millennia.

DVD 2:

HIGHEST HEART OF GENIUS WISDOM MEDITATION

Swami Satchidananda gives the Introductory Talk for the Guided Meditation to Access Higher Wisdom Chakras above the Head connecting you with the Higher Energies of Nirvana, God – Love, Wisdom, Genius, Integration and Peace and for the Creation of the Antahkarana, a Higher Conscious Connection with the Higher Energies of Enlightenment, Nirvana, God – Love, Wisdom, Integration and Peace.

This Ancient Meditation is a part of Powerful Kriya Yoga and the Kundalini Kriyas and also forms the Basis of Surya Yoga. As the Higher Energies enter into the Brain through the Crown Chakra, like the Sun, they energize all the Glands and Higher faculties of Man leading towards Genius and Enlightenment.

The Second talk is how this Guided Meditation is given in Secrets of Shakespeare, The Holy Trinity, The Holy Grail, and the Sanskrit meaning of Satchidananda.

On DVD 1, Swami Satchidananda's talk on the Heart Sutra Gautama Buddha says, "All Enlightened Beings for Thousands of Years Live From the Highest Heart of Wisdom." The Heart Sutra is Chanted now and for Thousands of Years to remove Negative Energies and create Enlightenment.

Swami Satchidananda has been teaching this Meditation to many students over the years and every one has had Shaktipat and increased Kundalini experiences of Chit Shakti together with increased feelings of Intelligence, Genius, Energy and Peace.

REMOVE ENERGY BLOCKAGES

Learn the "Energy Enhancement Anti Energy Blockage Hack Technique" and Free Your Mind Once and for All.

Why has this Energy Blockage predator taken over in the fashion that you're describing, Don Juan?" I asked. "There must be a logical explanation."

"There is an explanation," don Juan replied, "which is the simplest explanation in the world. They took over because we are food for them, and they squeeze us mercilessly because we are their sustenance. Just as we rear chickens in chicken coops, gallineros, the predators rear us in human coops, humaneros. Therefore, their food is always available to them."

Don Juan had a broad smile on his face. He was as pleased as punch. He explained that sorcerers see infant human beings as strange, luminous balls of energy covered from the top to the bottom with a glowing coat something like a plastic cover that is adjusted tightly over their cocoon of energy. He said that that glowing coat of awareness was what the predators consumed, and that when a human being reached adulthood, all that was left of that glowing coat of awareness was a narrow fringe that went from the ground to the top of the toes.

If we consider a human being as containing seven parallel chakra processors within the body and an infinity of parallel chakra processors above the head and below the base, connecting us to the Universe, then the more of these parallel chakra processors we can access, the more intelligence we have - What stops the access to these parallel chakra processors is Energy Blockages.

We need to learn how to "Hack" these Energy Blockages to remove them so we can access our native genius. The Geni being the Soul Chakra, the first Chakra above the head.

Yet as we remove more of the energy blockages and access many more chakras, even more intelligence is possible!!

OPENING
THE THIRD EYE**

**AWAKEN YOUR THIRD EYE
IMPROVING PSYCHIC SIGHT**

OPENING THE THIRD EYE

The conscious rocking backwards and forwards at the Start of your EE practice is to get your spine into alignment with the Kundalini energy from the center of the earth out into the center of the Universe..

to power your Psychic Vision, to Open your Third Eye...

Antaeus was killed (the process of Illumination requires the ability to get out of the body into the higher chakras, the same path we take when we die, but without the advantage of being able to come back along the Silver Chord) Antaeus was killed by suspending him in a tree - SEE THE MYTH OF ODIN IN AXIS MUNDI where Odin spent 9 nights suspended in the Axis Mundi Tree above the Crown Chakra in order to become Illuminated and gain psychic vision - make all his sight one in the third eye.

We eventually get into a state of energy transfer. We both feel it as white light flowing from one to the other in an incredibly intense way which lasts for two hours. At the end of that time I perceive an initiation which is taking place on the astral plane. Surrounded by a group of ascended masters I introduce him to the chief initiator who uses the rod of initiation to touch his third eye with the intense energies of initiation so that his energies can never again drop into that state we call normal waking consciousness.

The Antahkarana Also refers to the Unicorn - So, by removing the Blockages of Ajna Chakra the Psychic Powers of the Third Eye and of the Rainbow Bridge, a Horn emanating from the Crown Chakra leading to Wisdom, Psychic Vision and the Actualisation of all our Dreams, Our Soul Path which we teach in Energy Enhancement Initiation 4.

"COMPLETE INSTRUCTIONS ON
ENLIGHTENMENT" - THE
ENERGY ENHANCEMENT WAY BY-
SATCHIDANAND

"Now!! Here Are Complete Instructions on Enlightenment" After you have tried all the bad things and found they do not work - Here are complete instructions on how to attain your Infinite Peace. Yoga comes from Yoke. This Yoking or Union with the Higher self and the chakras above the head is Enlightenment.

By the loosening of the cause (of the bondage of mind to body) and by knowledge of the procedure of the mind-stuff's functioning, entering another's body is accomplished.

THE WHOLE WORLD IS CONTROLLED BY MEDITATION..

He who, due to his perfect discrimination - dis-crim-e-ination or sanskrit, Viveka, is the ability to transmute energy blockages and as they transmute and ground, so they go through the symptoms of the Gunas from Tamas, to Rajas, to Sattvic as the Negative Karmic Mass is grounded - The sword of discrimination is the ANTAHKARANA - the energy connection between all the chakras above the head through the body and below the base chakra to below the Center of the Earth, which feeds energy from higher to lower levels of the hierarchy - this discriminative energy blockage transmuting flow of energy if maintained is called Dharma Mega Samadhi.

The meaning of dharma includes goodness - next to Godness - virtue, justice, law, duty, morality, religion, religious merit, and steadfast decree - all symptoms of being Soul Infused.

Dharma is the energy of the Soul!!

GOODNESS AND MERCY SHALL FOLLOW ME ALL THE DAYS OF MY LIFE AND I SHALL DWELL IN THE HOUSE OF THE LORD FOREVER..

"WHEN ALL ENERGY BLOCKAGES ARE GONE, ENLIGHTENMENT IS SURE TO FOLLOW" - Satchidanand

VIMALAKIRTI SUTRA -THE BUDDHA FIELD

SATCHIDANAND

ENERGY ENHANCEMENT

Vimalakirti Sutra - The Buddhafield

Buddhas, Bodhisattvas, Aryasravakas, and Pratyekabuddhas conquering demons, natural spiritual benefactors of all living beings, free from impurities, expert in knowing the spiritual faculties of all living beings, high resolve as hard as diamond, unbreakable in their faith in Buddha, Dharma and Sangha, they showered forth the rain of ambrosia that is released by the light rays of the jewel of the Dharma, which shines everywhere.

The Purification - the Removal of Energy Blockages - And the Augmentation of Psychic Powers - Caused by the Buddhafield

Inconceivable Skill in Enlightenment Liberative Technique, Dharma, Connection with the Infinite Chakras above the Head - Gnosis, conquered all demons, transcendence of wisdom, tolerance and self-control, respected by Indra, Brahma, and all the Lokapalas

Thereby, thirty-two thousand living beings purified their immaculate, undistorted Dharma-eye in regard to all things.

The eight thousand bhikshus were liberated from their mental defilements, attaining the state of non-grasping.

And the eighty-four thousand living beings who were devoted to the grandeur of the buddhafield, having understood that all things are by nature but magical creations, all conceived in their own minds the spirit of unexcelled, totally perfect enlightenment.

A Zen Master saw a child with a broken arm sitting miserably by the side of the road. This guy was so miserable that the Zen Master just knew he was impervious to being cheered up, To accepting good advice, to being told that, "Everything changes". So he took an iron bar and with it he broke his own arm. Sitting down by the young child he said, "Now we can talk!!"

"The Dharma - The Path of the Soul Chakra - The First Chakra above the Head - permeates evenly all things, because all are included in the ultimate realm. It conforms to reality by means of the process of nonconformity. It abides at the reality-limit, for it is utterly without fluctuation. It is immovable, because it is independent of the six objects of sense. It is without coming and going, for it never stands still. It is comprised by voidness, emptiness, a vibration so high that it is not gross like matter, or emotion, or mind, it is remarkable through signlessness, and is free of presumption and repudiation, because of wishlessness. It is without establishment and rejection, without birth or destruction. It is without any fundamental consciousness, transcending the range of eye, ear, nose, tongue, body, and thought. It is without highness and lowness. It abides without movement or activity.

**LEARN THE TRUE MEANING
OF THE LAW OF ATTRACTION,
ABUNDANCE, RICHNESS AND WEALTH**

MEDITATE AND GET RICH!!!

The Human Right to Life surely includes a Rich, Wealthy life. Health, Housing, Air Conditioning, Education, Transport, Entertainment, Books, Pure Food, Water, Environment.
So that we can choose what to work at. So that we can choose to work at The Right Hand Path of Meditation leading to Enlightenment.

Simple, Easy Effective Techniques, Vouchsafed from a Mystical Past lie at the Heart of Alchemical Transmutation of Internal Dragons to Man Up!! and Release the Wellsprings of Energy, Wealth and Internal and External Gold!!

We have all seen "The Secret"

We have all read Napoleon Hill's, "Think and Grow Rich".

But one of the Forgotten Secrets of Wealth and Richness has Traditionally been the Transmutation of Lead into Gold.

The Ancient Secrets of Alchemy!!

And what we need now is the Modern Upgrade of the Secrets of Alchemy brought into the Modern Age.

As Jung has brought Alchemy and Archetypes into Psychology, so Energy Enhancement has brought Alchemy and Archetypes into Wealth and Self Actualisation.

Get the Gold!!

Understand the Ancient Formulas of Alchemy to release Sources of Internal and External Wealth!!

Get the Gold!!

Get the Philosophers Stone which Transmutes All Base Metal into Pure Alchemical Gold!!

There are Powers inside you that once Released, Paradigms Transmuted, Blockages Removed, will enable you to Access your true Potential.

These Ancient Techniques called Alchemy will Truly Release your Beast and Allow Incredible Success in Any Field of Life.

The Secret of Alchemy lies in the Transmutation of Trauma which lies at the Base of all Blocks and Bad Habits.

Trauma creates the Dragon of Fear which in all Ancient Mythical Stories is Killed by the Hero in Order to Rescue and Release the Princess..... and Get the Gold...

After reading this, in lieu of its recommendations which may take a little while to percolate through the Archetypal Mind of humanity, my recommendation is to teach Energy Enhancement Advanced Meditation Techniques..

To achieve True Wealth.. the Ultimate Truth, and Freedom... Enlightenment!!

ENLIGHTENMENT IS AVAILABLE FOR EVERYONE

INCREASING WEALTH WILL SPEED UP THE PROCESS OF EVOLUTION AND ENLIGHTENMENT FOR ALL

MEDITATE AND GET RICH VOL.2

YOUR RICHNESS SEED IS A THOUGHTFORM!!

With regard to becoming rich, becoming strong, any mortal thing you want to be – All these things and more are thoughtforms.

They are thoughtform seeds.

And Napoleon Hill talks about growing these thoughtform seeds, actualising these thoughtform seeds, so that they grown like Acorns to become the great Oak trees they were destined to become - and he gives the formula for this Richness tree to come to fruition.

That you actually become rich!

And Napoleon Hill gives in this book these methods – which suit the natural competents, but require everything from those not naturally competent, including a lot of time..

FAITH, AUTO SUGGESTION, IMAGINATION, DESIRE, DECISION, PERSISTANCE, SEX, THE SUBCONSCIOUS MIND, THE BRAIN, THE SIXTH SENSE, HOW TO OUTWIT THE SIX GHOSTS OF FEAR

NOW, HOW WOULD YOU LIKE TO GROW YOUR PSYCHIC OAK TREE IN DOUBLE QUICK TIME?

HOW WOULD YOU LIKE TO SPEED UP THE PROCESS?

The thing about these Thoughtform Seeds is that they are psychic seeds.

These Thoughtform Seeds do not need real Earth, Water, Sunlight and Carbon Dioxide to grow.

No!

These Thoughtform Seeds need Psychic Energy to Grow.

Most Richness and Wealth Courses teach very beginners techniques.

We are taught the Ancient Buddhist Technique of Metta Bhavana – Gratitude - to Open the Heart.

We are taught the Ancient Yogic Technique of Repetition – of Mantra and Visualisation to Life Stream what we want in the Present tense as though we already have it

So we write down what we want on sheets of paper, read them out into audio files, listen to the files constantly, so that we live in our Matrix, not truly alive so as to enter the prayers into our conscious minds so that with years of repetition the thoughtform seeds might grow, clothe themselves in psychic matter and enter in to the Universal Sub-conscious mind and we might actually become rich and everything work out just as we wish.

So, why does it take so much effort by Mantra to become Rich?

The answer is Energy Blockages which stop our connection with the infinite energies of the Earth and the Central Spiritual Sun and which block our little richness thoughtform from the energies that would make it grow Superfast!

As I said, Mantra is a very beginners technique. There are Ancient Techniques of the Sidars which quickly develop the Psychic Powers to get what you want quickly and easily.

Everyone who takes the Energy Enhancement Course gets these psychic powers.

The power to connect with the fountain of kundalini energy from the Earth.

The power to connect with Infinite Spiritual Energy which descends from the Central Spiritual Sun.

The most powerful Technique is that of Meditation developing quickly with Energy Enhancement Initiations into Samadhi and Samyama, talked about in the Ancient – 5000 years old - Yoga Book, the Yoga Sutras of Patanjali.

Everyone knows that Meditation is the best, most ancient, fastest and efficient technique to gain Psychic Powers,

There is a whole chapter in the Yoga Sutras of Patanjali on the use of Samyama to gain all the Psychic Powers – gain immense riches, remove all our vows of poverty from our past lifetimes as monks, remove all bad luck and karma, remove everything holding you back, and attain Enlightenment the goal of All our Past Lifetimes.

ELIMINATING THE SHADOW

In this book, Satchidanand trashes the greatest most intellectual investigators and descriptors of the Shadow and the Shadow Subpersonalities. Great People - The Highest of All Humanity - Jordan Peterson, Carl Jung, Nietzsche, and every Psychotherapy, Psychological therapist who can describe the problem of the Shadow, talk about the problem of the shadow but have no Practical solution to the Shadow. All of those guys Failed to Solve the Problem of the Shadow. None of these guys have Any practical solution for the Shadow.. And it is the Shadow Subpersonalities which is the Source, The Fount, of All Evil on this Planet... And the Source of All Evil within You!!

Carl Jung says.. "There is no generally effective technique for assimilating the shadow. It is more like diplomacy or statesmanship and it is always an individual matter. First one has to accept and take seriously the existence of the shadow. Second, one has to become aware of its qualities and intentions. This happens through conscientious attention to moods, fantasies and impulses. Third, a long process of negotiation is unavoidable." (Carl Jung)

As Jung notes in the passage above, he thought there is no general technique to integrate the shadow, even though the Buddha and Jesus Christ exemplified the Meditation Technology. For thousands of years great souls have come to earth to demonstrate otherwise, that enlightenment is, "Tat tvam asi" Thou art that!! You are a part of the Universe and have nothing else to seek.

Energy Enhancement Meditation – Spiritual Insight – combined with psychological knowledge is THE complete way of processing and integrating your Shadow Side into wholeness.

Because Energy Enhancement Meditation has actual ancient time-tested meditative techniques that you can use and apply to your Shadow work to Heal All your trauma formed Subpersonalities and Integrate them into the Soul. As long as we have a Shadow Side we have Trauma formed Negative Karmic Mass – pain, frustration, pessimism, depression, anxiety, grief, bitterness, spitefulness, jealousy, anger, greed, lust, addiction, escapism, nihilism. These all need to be addressed and healed – transmuted and integrated.

Energy Enhancement Meditation uses the Psychic Spiritual Center – Third Eye as primary gateway into healing yourself. If we just use psychological analysis then we are limited. If we just use creative therapies, dream exploration, trance-work etc then we are also limited still. This is because we need it all, both sides.

ENERGY ENHANCEMENT MEDITATION – DEEPER THAN THE INTELLECT, MORE PROFOUND THAN THE MIND!

Alchemical VITRIOL is an Ancient Meditation designed to remove Trauma from Memories!! VITRIOL IS A LATIN ACRONYM - VITRIOL. – Visita Interiore Terrae Rectificando Invenies Occultem Lapidem, THE GROUNDING AND TRANSMUTATION OF ENERGY BLOCKAGES – The unification of the conscious and the unconscious., night and day, hot and cold, masculine and feminine. In the center is the Ajna Chakra – Third Eye. The kundalini Serpent has risen from the Muladhara – Base Chakra to the Third Eye Center. The symbolic meaning of its risen state is a raised consciousness that has dissolved duality. A state of Wholeness – Integration – Enlightenment.

"Come together, right now, over me" Singing these famous song lyrics from the Beatles to yourself, You can come together, surpassing your current-self to a higher-self!
